## ABOUT US:-

Through our diverse industrial representation, technical knowhow and Investment Companies our endeavour is to strive to pioneer the energy strength of Kuwait and meet future demands.

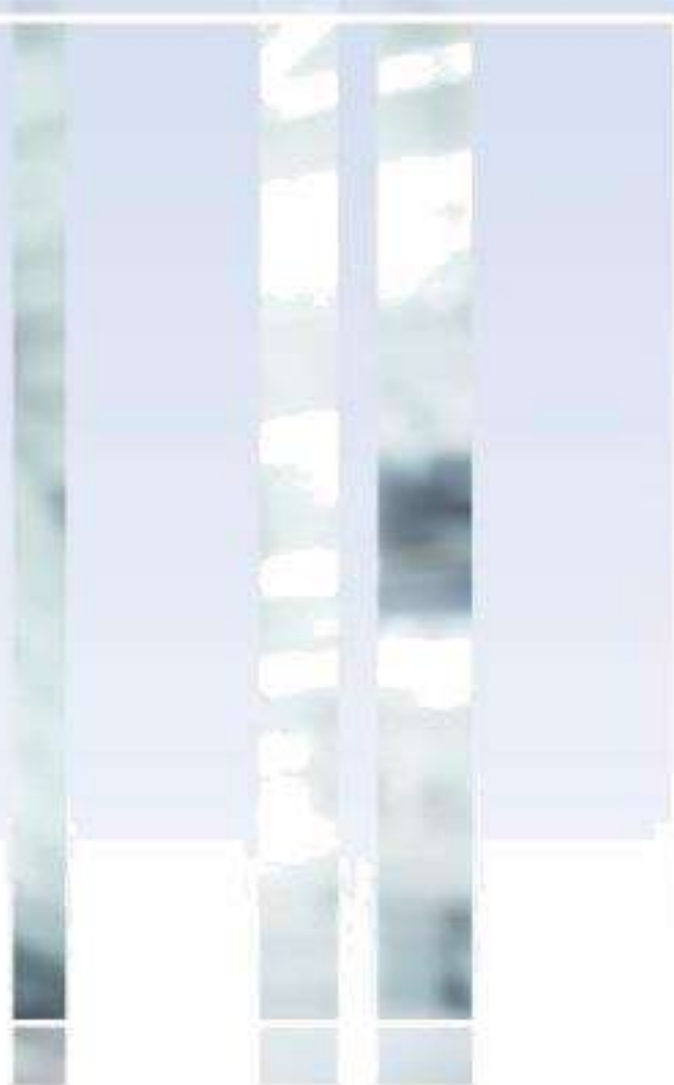

Through commitment to excellence, a dedicated human Capital and adaptation to leading and innovative technologies, we strive to deliver quality, innovative products and services, and investment opportunities. This has made us a preferred joint venture and partnership company with foreign forward looking companies.

With the unique concept of Enterprise to Enterprise Organization partnering into the strategy and operations of professional organizations with proven record and also adding value to their growth and delivery in the field of Infrastructure, Oil and Gas, Construction, General Trading and Consulting.

Today we are partnering with the specialist and quality oriented companies from across the globe and maintaining a steady delivery in diversified fields.

We are not number but a quality oriented organization and our ethos is guiding us to remain focused towards quality than number.

Aditi International is an organization with a firm belief of Long term sustenance than quick profits and hence we operate with a premise of relationship building with mutual trust and respect.

**The company's goal is to be a global vendor for quality engineering products.**

## **Mission & Vision**

### **Our Mission**

To partner in the process of striving for excellence by attracting the best in class organizations from across the globe, continuous process and job reengineering for ensuring optimization at all levels with quality delivery and continuous improvement.

### **Our Vision**

To be the integral part of economic growth by providing a conducive platform to competent enterprises, to operate in Kuwait, add value to country's endeavor for excellence, and also earn a bright future for themselves, and hence ensuring a win-win situation.

### **Core Values**

Mutual trust and respect for a long term sustainable relationship even at the cost of immediate gains shall never be compromised, with a view of keeping the interest of following entities at topmost priority,

1. Our Human Capital,
2. Our Nation
3. Our Stakeholders and Business Partners.

## **Our Divisions :-**

- ❖ Oil & Gas Division**
- ❖ Power Transmission & Distribution (T&D)**
- ❖ Heavy Equipments Division**
- ❖ Manpower Supply Division**
- ❖ HVAC Division**
- ❖ Fire Fighting Division**
- ❖ Scaffolding Division**
- ❖ Rolling Shutter Division**
- ❖ Logistics Services Division**
- ❖ International Venture Division**

## **Oil & Gas Operations :-**

- **Pre-Engineering Building Structures Design, Manufacturing Supply & Erection**
- **Procurement & Fabrication**
- **Process Piping Fabrication & Erection**
- **Installation & Hook-Up**
- **Pre-Commissioning**
- **Shut down & Maintenance**

# Major Activities:

## Onsite Capabilities :

### Supply, fabrication, installation, testing and commissioning :

- Mechanical, Piping & Structural items.
- Architectural Work for Building Module
- Insulation & Cladding Works
- Process & Utility system Piping
- HVAC Equipment installation & pre-commissioning
- Equipment Erection, Hook-Up, Testing, etc
- Pressure Vessel Erection, Hook-Up, Testing, etc
- Structural jobs
- Gratings ,Erection, installation, testing and commissioning of Electrical & Instrumentation jobs.

## **WE OFFER SPECIALIZED SERVICES**

- **Blasting (Surface preparation) without atmospheric pollution and in an eco-friendly manner.**
- **Carried out abrasive blasting, painting, HBP, HSS, fire proofing on site.**
- **Desing, erection of suspended scaffolding**
- **Repair and maintenance works for pipelines, vessels & tanks**
- **Anticarbonation paint application on bridges**
- **Water proofing for roof & bridge roads**
- **Thermal spray application (TSA)**
- **High performance coating for pipes, sewage treatment plant**
- **Installation of wrapping and coating on ductile and carbon steel pipes**
- **Installation of rubber lining and PTFE coating pipes and vessels (internal)**

## **WE OFFER SPECIALIZED SERVICES**

- **Installation of HDPE liner in carbon steel pipes**
  - **Fabrication of steel structures and process piping.**
  - **Erection of steel structures and process piping**
  - **Fabrication and machining of industrial items flange, wellhead, Flare etc..**
- **All types of pipeline cleaning pigs. We have wide range of pigs PU Foam pigs in various densities with Hi-performance PU elastomeric coating in the rear side or criss cross type, or fully coated or without coating and also cleaning pigs, Bi Di pigs PU elastomeric cups, discs with mandrel and brushes.**

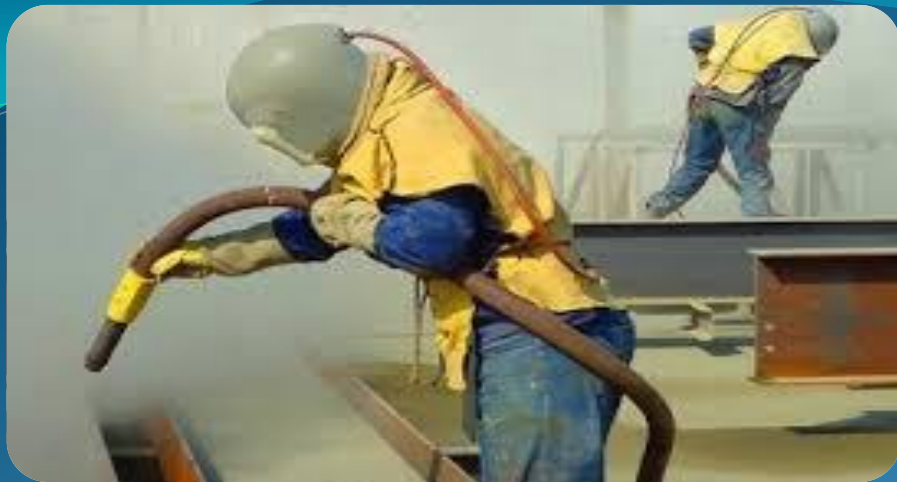

## Facilities & Equipments Available :

- **Workshop : Shoiba Industrial Area, Kuwait**
- **Work area : 10,000 Sq Mtr**
- **Covered Area : - 7000 Sq Mtr**
- **Uncovered Area: - 3000 Sq Mtr**
- **Toolbox Containers : 02 nos**
- **Escorts Hydra (12 Ton) – 02 Nos.**
- **Blasting machine sets :- 10 Sets.**
- **Painting Machines :- 08 Sets.**
- **Compressors 750 CFM :- 2 Nos.**
- **Compressors 600 CFM :- 5 Nos.**
- **Compressors 400 CFM :- 5 Nos.**
- **QC Equipments**
- **Power Generators 300 KVA: - 5 Nos.**
- **Power Generators 250 KVA: - 4 Nos.**
- **Forklift 10 Tons : - 2 Nos**
- **Crane 50 Tons : - 1 Nos**

# Power Transmission & Distribution (T&D):-

ADITI International have been well prepared to undertake multi million projects on EPCM basis predominantly in power sector. We undertake projects from scrap till commissioning. Following are our scope of services:

- Preliminary Design
- Survey and geo-technical investigations
- Detailed Engineering
- Technical Review and evaluation
- Overhead Transmission Line (33, 132, 300, 400 kV OHTL) Construction
- HV Substation/Electrical (11 KV, 132 kV) Construction
- Testing and pre-commissioning
- Commissioning and Handing over
- Maintenance

## Manpower Supply Division

Our recruitment team has access to a rapidly expanding database of locally and regionally available candidates of all disciplines and skill sets. In tandem with our international partners we benefit from having access to a large pool of candidates from Southeast Asian along with western countries.

### ➤ Skilled

Project Manager, Project Supervisor, Engineer, Safety Engineers, QA/QC, Mechanical Engineer, Project assistant, Supervisor and all kind of skilled manpower.

### ➤ Semi -Skilled

Carpenters, masons, Electricians, Sand Blasters, Scaffolders, Riggers, Welders, Painters

### ➤ Unskilled

Helpers, Labours

## HVAC supply, Installations & Maintenance Division

Aditi International has grown from strength to strength and is now considered a leader in installing and servicing air conditioning systems to the domestic, commercial and industrial markets of Kuwait.

We have achieved expertise in HVAC contracting and being professional in Installation, Operation, Maintenance and Reconditioning Services of Central Air Conditioning DX systems, Chilled water systems, Refrigeration systems & Ventilation systems.

Aditi International undertakes service projects on a variety of applications, including commercial office buildings, hospitals, schools and universities, property maintenance, residential high rise and domestic applications. Our qualified mechanical engineers and project managers are fully conversant with the relevant building codes, Kuwait Standards and design specifications.

# Fire Fighting Division

**We have been successfully executing projects as per schedule for Fire & Gas Detection, Alarm-cum- Control & fire Suppression System.**

We can undertake all types of Fire Fighting and Fire Alarms installation projects according to the NFPA Standards as well as the local and international standards / Requirements.

**We offer many different services in Firefighting & Fire Alarm such as:**

Fire & Gas Detection System

•Heat/ Smoke /Gas/Flame Deluge Valves

•Security Surveillances

Fire Protection System

•Hydrant System Foam Skid

•HVWS/MVWS

•Inergen/Clean Agent System Foam Pourer

•CO2 System

•Foam System

•Rim Seal System

Fire Protection Products

•Deluge Valves – UL LISTED

•Strainers (Basket/ T / Y / Duplex)

•Flanges & Pipe Fittings

•Grooved Fittings

•Foam Skid

•Water Spray nozzles (HVWS/MVWS)

•Foam Maker

•Foam Pourer

•Foam Nozzle

•Foam Inductor

•Foam Bladder Tank

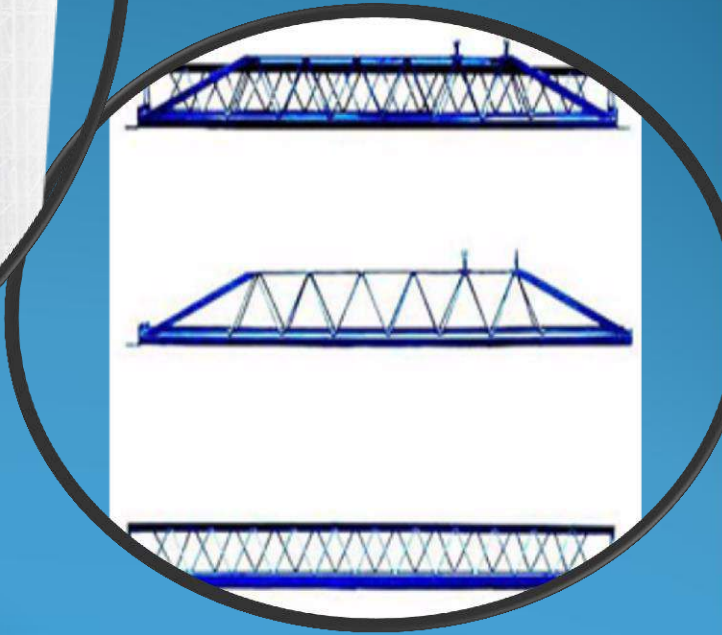

•Foam Tanks

Fire AMC Services

These Service Range includes Technical Services for Fire & Gas Detection, Alarm-cum- Control and Fire Suppression Systems with system integration in conformity with relevant International specifications & codes of practice with Computer Aided design supported by Network Analysis to NFPA Codes with approval from Oil Industry Safety Directorate and other National and International standards.

# Scaffolding Division

# Scaffolding Division

Aditi Group is a professional operation with a proven track record in delivering innovative scaffolding solutions in a creative and cost-effective manner, while remaining focused on its top priority – SAFETY.

Aditi Group offers a complete range of safety-focused scaffolding and related services:

- full scaffolding services for new or existing structures.
- scaffolding design support that guarantees each project will meet critical specifications.
- Scaffolding rental services and estimation of quantities.
- the supply of trained and certified scaffolders
- coordination and planning.

Aditi Group designs and manufactures scaffolding trailers for mobilizing scaffolding materials quickly, economically and safely, as well as certified material lifting equipment for lifting materials to high elevations.

At Aditi Group, we strive to maintain our enviable track record for safety.

Our commitment to safety has led us to pursue and achieve qualifications that enable us to work in environments where safety is critical. We are also committed to developing and maintaining a highly-trained, experienced and motivated workforce that will be properly supervised always to ensure the safe execution of all projects. All Aditi Group scaffolding work is carried out by properly supervised multi-national teams of qualified scaffolders who are fully-trained in rapid and safe erection.

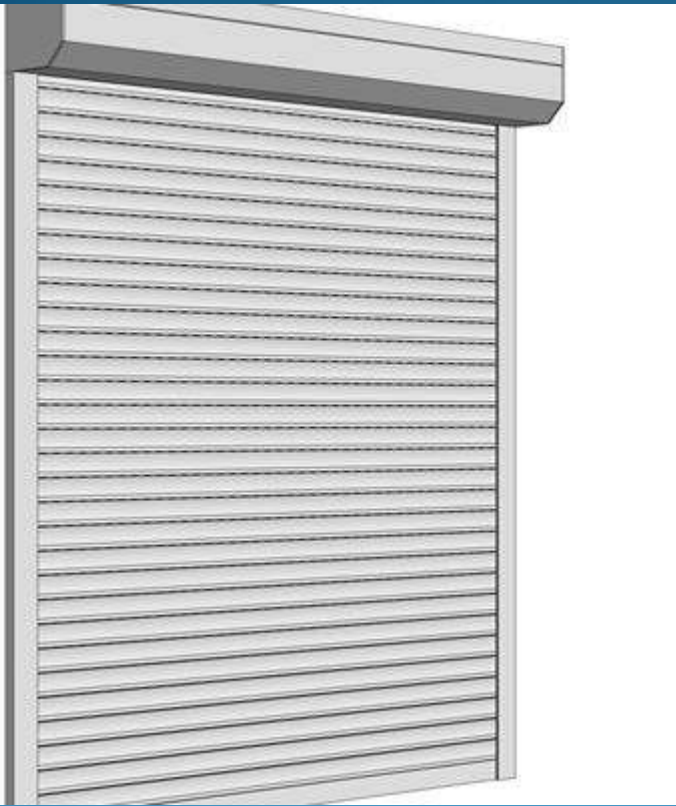

Aditi Group never has, and never will, sacrifice safety or quality to lower costs.

## Our Projects :- LIST OF PROJECTS:

Project executed:

Aditi Intl. has designed and completed many prestigious projects in Kuwait which can be reviewed here under.

- Supply of engineers to ABB Kuwait including commissioning engineer, construction Electrical Engineers, supervisor, electrical technician, labors.
- Supply of Chemical Engineer to ABB Italy for KOC project, also supply of drivers, secretary, mechanical supervisor, electrical Technician.
- Supply of materials, consumables, Port a cabin, security guards for various project.
- Supply of manpower to Siemens in blue collar category of labors maintenance crew.
- Supply of manpower for equate projects through ABB.
- Supply of manpower to Alghanim for Subiya power Plant project.
- Worked on Turn Key Project in Electrical installing the Kuwait Law college.

## Our Projects :-

With our associates we completed:-

1. Construction of supermarket (3 BUILDINGS) for national guard. QTY.2, 800m<sup>2</sup>
2. Blockwork, Plaster work, and painting work at KGC KOC project. QTY.50,000m<sup>2</sup>
3. Construction of Mosque at Sabah Al Salam.
4. Renovated Main Kitchen flooring, painting, ceiling, and plumbing works at Adan Hospital.
5. Demolishing and as per the new design ,renovated the Microbiology Labat Central Blood Bank which includes complete Civil, Electrical, Mechanical, Flooring, Carpentry, glass & Aluminum Works.
6. Renovation work at Al Soor Clinic for Clean Room
8. Renovated Cambridge Garment Showroom in Wataniya Complex at Kuwait City, complete with 60x60 Ceiling Tiles, Spot Lights, Bulk Head, Flooring Works, Wooden Racks, shelf, Table, etc.
9. Complete renovation at Amiri CSSD.
10. Renovation of Steam Sterilization Dept. at KOC Hospital.
11. Complete renovation of Trolley Washer department
12. Renovated the Sterilizer Dept. at Military Hospital.
13. Complete Civil and Electro Mechanical Works including SS Partitions, Piping, Steam Piping, Boiler Installation, Distillation Plant installation at Super CSSD Sabah.
14. Renovation of X-Ray Department at Fahaheel Clinic.
15. Demolishing the Interiors and redesigning of Markaz (Hall) at Fahaheel complete with Civil, Aluminum, Gypsum, Ceiling, Flooring & other associated works.
16. Renovation of Indian Hotel at Kuwait City.
17. Interior Designing of Madresa at Khaitan.
18. Lead Door Works at Inaya Clinic
19. Completed Pipe Insulation Works for Advanced Technology Company for their Various Projects in Hospitals.
20. Maintenance of Awqaf (Mosque) complete with Civil Works.
21. Renovation of a Clinic at Naval Base.

## Our Projects :-

### CONSTRUCTION PROJECTS

1. Supply and Installation of Chain Link Fencing for Finesco Company at Camp Doha.
2. Construction of Cooling Tower with Dywidag & Mushrif Coat Equate Petrochemicals Refinery.

### CONSTRUCTION PROJECTS

1. Fabrication & Supply of Temporary Site offices for KOC's GC 17 Site through Gulf Spic & Al Dar Co
2. Fabrication & Supply of Temporary Site offices for KOC's GC 24 Site through Gulf Spic & Al Dar Co.
3. Site Offices for Ajial Real Estate Co. for their Al Hamra Project through Al Dar Co
4. Construction of an Industrial Waste Management Building for KOC's Ahmadi Hospital Project, through Advanced Technology Company.
5. Supply and Installation of Canopy Steel Shed with pre painted sheets for Mazda Car Show room at Ahmadi.
6. Installation & Commissioning of Galvanized Communication Towers for Hayat Communications.
7. Construction of Wash Rack and Work Shop Shed at Mina Abdullah for Agility Logistics.
8. Fabrication of Over head Cranes for Jassim Al Kharas.
9. Carried out Weigh Bridge Work for Boushari Co.

### MANPOWER SUPPLY

1. Agility Logistics : Supplied Masons, Electricians, Supervisors for their Construction Project.
2. Advanced Technology Company: Supplied Medical Equipment Technicians for shifting, installing & commissioning of Ecodas's
3. Machines for their different projects at various hospitals.
4. Equate Petro chemicals: Supplied masons, plumbers, electricians, supervisors for their maintenance Project
