MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

INTRODUCTION

Welcome to Elizabethtown College! The Admissions Guide Pamphlet for Physician Assistant (PA) Studies is designed to view alongside the Elizabethtown College Catalog, Physician Assistant Webpage, and Student Handbook, which contain pertinent information for students regarding the PA Program, the College, and related policies.

The information in this pamphlet is subject to revision at any time and will be available to students in a timely manner following all updates. Each student is responsible for keeping abreast modifications to the Admissions Guide, having an awareness of all degree requirements, and working closely with a faculty advisor to ensure that requirements are fulfilled within the published timeline.

We are so excited about your interest in our school and hope that you find E-town a second place to call home.
~ BlueJaysAlways ~

Overview of the Physician Assistant Profession

Physician Assistants (PAs) are versatile and collaborative medical professionals with extensive medical training who diagnose illness, develop and manage treatment plans, prescribe medications, and often serve as a patient's principal healthcare provider. PAs are nationally certified and state-licensed medical professionals who exercise autonomy in decision-making, improve healthcare access, and enhance the quality of patient care provided in every state and every medical setting or specialty. PA practice is performed as part of a team with a designated supervising physician and is centered on providing high quality patient care with opportunity for continued education, research, and administrative duties.

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

MISSION STATEMENT

University Mission Statement

The Elizabethtown College provides a transformative educational experience that cultivates personal strengths and develops a passion for lifelong learning and purposeful work.

PA Program Mission Statement

The mission of the Elizabethtown College Physician Assistant Program is to educate and matriculate motivated students who will provide high quality healthcare as skilled Physician Assistants. Through a transformative educational experience and evidence-based curriculum that emphasizes purposeful work, cultivates personal strengths, and develops a passion for lifelong learning, students will be prepared to educate for Service. Upon graduation, our students will provide individualized healthcare to diverse patient populations while simultaneously working as a member of an interdisciplinary care team.

VISION STATEMENT

PA Program Vision Statement

The vision of the Elizabethtown College Physician Assistant Program is to provide an innovative and supportive environment which elevates the standard of PA education through the utilization of an evidence-based curriculum that is continuously assessed and adapted to address emerging challenges in healthcare, while fostering a collegial environment amongst students and faculty.

CORE VALUES

The Elizabethtown College Physician Assistant Program's core values include:

- | | |
|-------------------|-----------------|
| ▪ Professionalism | ▪ Integrity |
| ▪ Accountability | ▪ Advocacy |
| ▪ Excellence | ▪ Scholarship |
| ▪ Service | ▪ Collaboration |

Core Values Expanded:

- *Service—responsibility and accountability to patients, society, and profession by remaining actively involved in the community through volunteerism*
- *Scholarship—utilization of evidence based medicine*
- *Professionalism—respect, integrity, honesty, and ethical behavior in all circumstances*
- *Accountability—responsibility to students, patients, college and surrounding community as well as the PA profession by utilizing a continuous self-assessment and process improvement system*
- *Excellence—prepare clinically competent Physician Assistants that excel in critical thinking and problem solving to provide comprehensive patient care*
- *Integrity—adherence to professional behavior and ethical conduct*
- *Advocacy—providing quality health care through patient advocacy and advocacy of the PA profession*
- *Collaboration—fostered by learning environment that centers around the utilization of interdisciplinary healthcare teams to promote excellence in patient-centered care*

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

PROGRAM GOALS

PROGRAM GOALS:

1. Achieve a first time PANCE pass rate at or above the national average.
2. Obtain a job placement rate of over 80% in a variety of clinical specialties at six months following graduation.
3. Provide all students with an opportunity to perform community service while in the didactic and clinical years of the program.
4. All faculty will maintain a professional development plan that addresses teaching, scholarship, and service.

CURRICULUM GOALS:

1. Prepare graduates with the core medical knowledge and skills necessary to become competent Physician Assistants, to include the integration of clinical data obtained from a medical history, physical examination, and diagnostic studies to formulate a diagnosis and treatment plan appropriate for the patient's clinical condition
2. Provide a high quality, evidence based curriculum that allows students to secure employment in a variety of clinical specialties
3. Promote opportunities for community service and outreach for students within their communities
4. Facilitate the development of interpersonal characteristics that allow students to communicate effectively while providing patient-centered care and working as a member of an interdisciplinary care team
5. Demonstrate competent ability of a wide range of clinical procedures
6. Foster the development of awareness and sensitivity to ethical, legal, diverse and social issues that affect healthcare

PROGRAM ACCREDITATION

PROGRAM ACCREDITATION (A3.12a)

Elizabethtown College has applied for Accreditation-Provisional from the Accreditation Review Commission on Education for the Physician Assistant (ARC-PA). Elizabethtown College anticipates matriculating its first class in July 2022, pending achieving Accreditation-Provisional status at the March 2022 ARC-PA meeting.

Accreditation-Provisional is an accreditation status granted when the plans and resources allocation, if fully implemented as planned, of a proposed program that has not yet enrolled students appear to demonstrate the program's ability to meet the ARC-PA Standards or when a program holding accreditation-provisional status appears to demonstrate continued progress in complying with the Standards as it prepares for the graduation of the first class (cohort) of students.

Disclaimer: While Elizabethtown College applies for Provisional Accreditation, students are eligible to apply to other Physician Assistant programs throughout the country. Elizabethtown College Physician Assistant Program will not commence in the event that provisional accreditation status is not received. Students are accepted on a conditional basis.

Accelerated Pre-Physician Assistant Students: In the event of non-accreditation, students will have the option to continue in the Bachelor of Biology Allied Health Concentration, or seek transfer to a new major.

Graduate Students: In the event of non-accreditation, a refund of applicable tuition deposits, paid to Elizabethtown College, will be returned to those students.

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

TECHNICAL STANDARDS

TECHNICAL STANDARDS (A3.13e)

Successful candidates for completion of the Elizabethtown College Physician Program must have the abilities and attributes necessary to be able to perform the following skills required for integration into clinical practice, either with or without accommodation.

- **Behavior Attributes**
 - Tolerate the emotional, mental, and physical stress associated with PA training and providing patient care
 - Adaptable, flexible, and able to function within a team setting despite uncertainty or adversity
 - Recognize, understand, and demonstrate professional behaviors
- **Communication Skills**
 - Obtain information from patients using speech, active listening, and observation of non-verbal communication
 - Utilize oral, written, and electronic forms of communication with patients, caregivers, and members of the healthcare team
 - Follow HIPAA guidelines, convey sensitivity and respect to all communication with patients, caregivers, and members of the healthcare team
- **Intellectual-Conceptual Abilities**
 - Apply knowledge learned and critical reasoning to solve problems as required by the program curriculum
 - In a variety of educational settings, students must be able to collect, prioritize, organize, analyze, integrate, and apply complex and detailed information in a time sensitive manner
 - Synthesize information appropriately for problem solving and decision making
- **Motor Skills**
 - Coordinate gross and fine muscular movements, equilibrium, and sensation to provide acute, chronic, preventive, and emergent care to patients
 - Apply skills learned to correctly utilize instruments and equipment to perform and interpret basic laboratory and medical procedures required to attain goals set forth by the program curriculum
- **Sensory Skills**
 - Utilize vision, hearing, and somatic sensation to observe patients and their families closely and at a distance
 - Utilize audiovisual and palpable sensation in a lecture and laboratory setting
 - Apply skills learned to correctly perform a physical examination by palpation, auscultation, percussion, and other components as needed
- **Social Attributes**
 - Accept constructive criticism and respond appropriately with behavior modification
 - Display integrity, compassion for others, and motivation to serve
 - Possess the ability to participate in self-assessment processes and recognize implicit bias
 - Develop an appropriate interpersonal and interprofessional relationship with patients and colleagues.

The Physician Assistant Faculty Committee is responsible for adhering to all technical standards listed above during the selection of Physician Assistant students for admission and matriculation into the program.

NON-DISCRIMINATION POLICY

Non-Discrimination Policy: Elizabethtown College does not discriminate on the basis of gender, race, color, religion, age, disability, veteran status, national or ethnic origin, ancestry, sexual orientation, gender identity and expression, genetic information, possession of a general education development certificate as compared to a high school diploma, or any other legally protected status. This commitment applies but is not limited to decisions made with respect to hiring and promotion, the administration of educational programs and policies, scholarship and loan programs, and athletic or other College administered programs. Discriminatory acts of any kind are strictly forbidden.

Inquiries regarding the non-discrimination policies may be directed to Ms. Nichole Gonzalez, Director of Title IX/Compliance Programs and Intercultural Affairs:

PROGRAM CURRICULUM

Curriculum Design (A3.12e, B1.02)

The PA program curriculum is offered in two phases, didactic and clinical compartments, which is centered upon the concepts of adult-centered learning and professional education. Program curriculum will focus on enriching the students learning to develop a mastery of knowledge, skills, and attitudes necessary to meet the competencies for integration into clinical practice as defined by the NCCPA, ARC-PA, PAEA, and AAPA.

Semester	Course Number	Course Name	Credits
Summer	MPA 500	Medical Terminology	2 credits
	MPA 504	Introduction to Clinical Studies	4 credits
	MPA 505	Introduction to Anatomy	3 credits
Fall	MPA 501	Foundations of Health Sciences I	4 credits
	MPA 511	Clinical Medicine I	6 credits
	MPA 521	Pharmacology I	3 credits
	MPA 531	Physical Assessment & Procedures I	3 credits
	MPA 541	Clinical Reasoning I	2 credits
	MPA 551	Patient Communication and Education	2 credits
Spring	MPA 502	Foundations of Health Sciences II	3 credits
	MPA 512	Clinical Medicine II	6 credits
	MPA 522	Pharmacology II	3 credits
	MPA 532	Physical Assessment & Procedures II	3 credits
	MPA 542	Clinical Reasoning II	2 credits
	MPA 552	Patient Communication and Education	2 credits
Summer II	MPA 503	Clinical Health Sciences	3 credits
	MPA 513	Clinical Medicine III	6 credits
	MPA 523	Pharmacology III	3 credits
	MPA 533	Physical Assessment and Procedures III	3 credits
	MPA 543	Clinical Reasoning III	2 credits
	MPA 600	Transitions to Clinical Practice	1 credit

Elizabethtown College

Preceptorships
(4 credits each)

MPA 611	Internal Medicine Preceptorship
MPA 612	Women's Health Preceptorship
MPA 613	Pediatrics Preceptorship
MPA 614	Family Practice Preceptorship
MPA 615	Emergency Medicine Preceptorship
MPA 616	Surgery Preceptorship
MPA 617	Behavioral Medicine Preceptorship
MPA 618	Clinical Specialty Preceptorship

Other Clinical Year Courses:

Semester	Course Number	Course Name	Credits
Fall II	MPA 601	Education and Research I	2 credits
	MPA 603	PANCE Prep I	0.5 credit
Spring II	MPA 602	Education and Research II	2 credits
	MPA 604	PANCE Prep II	0.5 credit
Summer III	MPA 605	PANCE Prep III	1 credit
	MPA 699	Culminating Experience	3 credits

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

PROGRAM DELIVERY MODEL

PROGRAM DELIVERY MODEL

The Elizabethtown College PA Program is offered on a full-time basis at the Elizabethtown College Campus and at a series of hospital and community based practice settings. The duration of the program is six semesters plus two winter intersessions (26 months).

The program utilizes a modern medical curricula model that emphasis vertical and horizontal integration of basic/clinical sciences with subject disciplines in place of the traditional discipline based model. Delivery of course content will be multifactorial, and include face-to-face lecture, online learning, independent study, case based exercises, and practical application. Interprofessional learning opportunities are integrated throughout the didactic and clinical phases of the curriculum.

Due to the rigorous nature of the PA program, full-time and part-time employment is strongly discouraged. Students may be required to work up to sixty hours per week dependent on preceptor expectations and preceptorship. No alterations to a student's clinical or testing schedule will be made to accommodate outside employment or participation in extra-curricular activities.

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

ADMISSION REQUIREMENTS: Accelerated Students

Academic Requirements for Application (A3.13d) Students applying for the accelerated, Pre-PA program must submit:

- SAT Scores: minimum combined SAT score of 1100
- ACT Scores: minimum ACT score of 22
- GPA: minimum academic GPA of a 3.5, which will be recalculated using only academic course work.

Maintenance of Accelerated, Pre-PA Student Admission

- Students must maintain an undergraduate math/science and overall GPA of 3.0 for the first year, and an undergraduate math/science and overall GPA of 3.2 for the second and third year.
- Students must complete and submit a minimum of 200 healthcare exposure hours (including a minimum of 20 hours shadowing a PA-C)

Healthcare Exposure Hours (A3.13b)

- Students must complete a minimum of 200 healthcare exposure hours to satisfy requirements for application to the PA program. Healthcare exposure hours must be submitted prior to published deadlines
 - Direct Patient Care (unlimited)
 - Certified nursing assistant, Medical assistant, Licensed practical nurse, Registered nurse, Physical therapist, Physical therapy assistant, Occupational therapist, Occupational therapy assistant, Military Corpsman, Emergency medical technician, Paramedic, Respiratory Therapist, Speech Therapist, Surgical Technician, Phlebotomist, Radiology Technician, Athletic Trainer, Medical Scribe
 - Partial Patient Care (maximum 50 hours)
 - Perfusionist, Laboratory Technician, Orderly/Transporter
 - Medical Experience without Patient Contact (maximum 25 hours)
 - Pharmaceutical Representative, Medical Research, Pharmacy Technician
 - Observation (unlimited)
 - Physician Assistant (minimum 20 hours required), Physician, Nurse Practitioner, Certified Registered Nurse Anesthetist, Certified Nurse Midwife

Failure to comply with any of the above requirements will result in loss of accelerated placement.

Students who lose their accelerated seats will be eligible for application to the program through the Graduate admissions process described below.

Elizabethtown College

MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

Accelerated Admissions Application Process

Applications will be processed through Elizabethtown College with an application cycle of July-December 15. Students must submit SAT or ACT scores and high school transcripts for admission consideration.

Selected candidates will be invited to campus for a **mandatory** interview.

Following interviews, students will be notified of acceptance to the Pre-Physician Assistant program.

Due to the competitive nature of the program, not all students meeting minimum requirements will be offered a seat in the accelerated, Pre-PA program.

Some applicants may be waitlisted. As places in the accelerated program become available, students on the waitlist may be offered a seat in the accelerated program. Once the program is full, we will communicate this with students on the waitlist.

ADMISSION REQUIREMENTS: Graduate Students

Applications will be completed through Elizabethtown College with an application cycle of January 2021-December 2021.

Academic Requirements for Application: (A3.13b, A3.13c, A3.13d)

- MCAT Pre-requisite GPA must be at least a 3.0 with a desired overall GPA of a 3.0 and no grade below a C to satisfy requirements for application to the PA program
- Completion and submission of scores from the GRE (ideal score of 300) or MCAT (ideal score of 500)
- Completion and approval of submitted healthcare exposure hours
- Completion of a Bachelor Degree from an Accredited U.S. College or University
- Completion of non-cognitive skills test through CASPer

Transfer Credits and Advanced Placement (A3.13e)

- Elizabethtown College Physician Assistant Program will not accept the transfer of coursework or Advanced Placement into the professional phase (didactic/clinical phase) of the program.

GRE/MCAT

- Non-accelerated students applying for Graduate Admission to the PA program are required to submit GRE results with an ideal composite score of 300.
- In place of the GRE, students are permitted to submit MCAT scores, with an ideal score of 500.

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

Prerequisite Coursework (A3.13b, A3.13d)

General Biology	Minimum of 6 credits + lab
Anatomy and Physiology	Minimum of 6 credits + lab
Microbiology	Minimum of 3 credits + lab
General Chemistry	Minimum of 3 credits + lab
Organic Chemistry	Minimum of 3 credits + lab
Statistics	3 credits
Psychology	3 credits

Healthcare Exposure Hours (A3.13b)

- Students must complete a minimum of 200 healthcare exposure hours to satisfy requirements for application to the PA program. Healthcare exposure hours must be submitted prior to published deadlines
 - Direct Patient Care (unlimited)
 - Certified nursing assistant, Medical assistant, Licensed practical nurse, Registered nurse, Physical therapist, Physical therapy assistant, Occupational therapist, Occupational therapy assistant, Military Corpsman, Emergency medical technician, Paramedic, Respiratory Therapist, Speech Therapist, Surgical Technician, Phlebotomist, Radiology Technician, Athletic Trainer, Medical Scribe
 - Partial Patient Care (maximum 50 hours)
 - Perfusionist, Laboratory Technician, Orderly/Transporter
 - Medical Experience without Patient Contact (maximum 25 hours)
 - Pharmaceutical Representative, Medical Research, Pharmacy Technician
 - Observation (unlimited)
 - Physician Assistant (minimum 20 hours required), Physician, Nurse Practitioner, Certified Registered Nurse Anesthetist, Certified Nurse Midwife

Elizabethtown College

MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

CASPER

- Students must complete a non-cognitive skills test through CASPer, which can be found at <https://takecasper.com/>
- CASPer is an online test which assesses for non-cognitive skills and interpersonal characteristics that we believe are important for successful students and graduates of our program and will complement the other tools that we use for applicant screening. In implementing CASPer, we are trying to further enhance fairness and objectivity in our selection process.

In order to take CASPer, you will be responsible for securing access to a computer with audio capabilities, a webcam, and a reliable internet connection on your selected test date. CASPer can be taken practically anywhere that you can satisfy the aforementioned requirements. No exceptions will be provided for applicants unable to take CASPer online due to being located at sites where internet is not dependable due to technical or political factors.

GRADUATE STUDENTS:

Please go to www.takeCASPer.com, and select the Admissions Cycle to sign up for the USA Professional Health Sciences test (CSP10101) and reserve a test using your CASPA number and a piece of government-issued photo ID. You will be provided with a limited number of testing dates and times. Please note that these are the only testing dates available for your CASPer test. There will be no additional tests scheduled. Please use an email address that you check regularly; there may be updates to the test schedule.

Please direct any inquiries on the test to support@takecasper.com, or through the website chat bubble

The CASPer test is comprised of 12 sections of video and written scenarios. Following each scenario, you will be required to answer a set of probing questions within a time limit. The test typically takes between 75-90 minutes to complete. Each response is graded by a different rater, giving a very robust and reliable view of personal and professional characteristics important to our program. No studying is required for CASPer, although you may want to familiarize yourself with the test structure at takeCASPer.com, and ensure you have a quiet environment to take the test.

CASPer test results are valid for one admissions cycle. Applicants who have already taken this test in previous admissions cycles will therefore be expected to re-take it.

All CASPer fees are waived for any applicant who qualifies for the AMCAS Fee Assistance Program (FAP).

Elizabethtown College

MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

Graduate Admissions

Applications for the July 2022 cohort will be completed through Elizabethtown College (see website for application).

The following scale will be utilized as a scoring system for students to obtain an interview for admission into the Physician Assistant Program.

Pre-Requisite GPA	
3.0-3.49	1
3.5-3.74	2
3.75-3.99	3
4.0	4

GRE Score	
<300	0
300-314	1
315-319	2
≥320	3

MCAT	
<486	0
487-500	1
501-513	2
≥514	3

Overall GPA	
3.0-3.5	1
>3.5	2

HealthCare Exposure	
200-499	1
500-999	2
1000-2000	3
≥2000	4

CASPer	
< -1.1	0
-1.1 to 1	1
>1	2

Elizabethtown Alumni	
Yes	2
No	0

Minimum Score: 4 points

Maximum Score: 20 points

Degrees	
Non-Science Master	1
Science Master Degree	2
Non-Science Doctorate	2
Science Doctorate	3

Admission and enrollment practices favoring specified individuals or groups: **(A3.13a)**

- Students that are alumni from Elizabethtown College will receive two points on their application score that will count towards receipt of an interview.
- Once offered a mandatory interview, all applicants will be evaluated in the same manner without preference provided to any specified individuals or groups.

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

PROGRAM INTERVIEW

*Due to the competitive nature of the Physician Assistant Program, not all candidates will be offered an interview or admission into the Elizabethtown College PA Program.

After the interview is conducted, the admissions committee will recommend one of the following based upon the collective judgment of the committee and a point scoring system.

- **Admission:** If selected following the interview, candidates with all prerequisites completed and a bachelor's degree conferred will be recommended for full admission status. Candidates with outstanding requirements that have been selected by the admissions committee will be recommended for conditional/provisional admission status.
- **Wait List Candidate:** Alternates to the program will be selected by the admissions committee and placed on the waitlist. As seats in the program become available, students on the waitlist may be offered a seat in the program for admission. Once the program is full, the program will communicate this with remaining students on the waitlist. Students not selected for admission to the program may reapply for subsequent admission cycles if they so choose.
- **Denial:** Applicants to the program who have not been selected for admission will be notified in writing and may reapply for subsequent admission cycles if they so choose.

STUDENT SERVICES (A3.12h)

All students enrolled in the Physician Assistant Program will have access to the same student services and resources available to all students enrolled at Elizabethtown College.

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

PROGRAM TUITION AND FEES (A3.12f)

Tuition for the first 3 years of the accelerated, pre-physician assistant program available: [E-town Tuition](https://www.ETown.edu/admissions/tuition-cost.aspx)
(<https://www.ETown.edu/admissions/tuition-cost.aspx>)

Elizabethtown PA program graduate tuition will be a total of \$105,000.

	Year 1 - 66 credits	Year 2 - 41 credits	Total
Tuition	\$56,542	\$48,458	\$105,000
Program Fee *	\$6,000	-	\$6,000
Equipment			
Welch Allen Package ***	\$868	-	\$868
Sim Vivo Suture Kit	\$50	-	\$50
Sim Vivo Tie Kit	\$40	-	\$40
Smart Phone/PDA	\$300	-	\$300
Laptop	\$800	-	\$800
Elizabethtown PA Patch x 2	\$20	-	\$20
White Coat - Long	-	\$40	\$40
Scrubs x 2	\$50	-	\$50
Wrist Watch (with a second hand)	\$50	-	\$50
Books **	\$1,500	\$1,500	\$3,000
TOTAL	\$66,220	\$49,998	\$116,218

*Program Fee includes: AAPA membership, PSPA membership, Clinical Placement Fees, Site Registration Fees, Exxat Student Fee, PAEA Exams, PA equipment/supplies, ACLS, PALS, Malpractice Insurance

***The College supplies Access Medicine for online student textbook (approximately \$217 per student). This estimation includes textbooks other than those available through Access Medicine and if the student chooses to not use online version of the textbooks.

Elizabethtown College
MASTER OF SCIENCE IN PHYSICIAN ASSISTANT STUDIES

Housing:

	Year 1	Year 2	Total
Housing (estimated)	\$7,345	\$7,345	\$14,690
Clinical Site Travel (estimated)	-	\$5,000	\$5,000
TOTAL	\$7,345	\$12,345	\$19,690

Students should anticipate travel out of state for a minimum of two preceptorships, each lasting five weeks in duration.

Other costs not included in tuition:

****Equipment List:** Students are encouraged to wait until orientation to purchase equipment (not including smart phone/PDA, laptop, or wrist watch). If students already own any of the medical equipment below (i.e. stethoscope or otoscope/ophthalmoscope), approval on the equipment must first be obtained from the PA program director. Welch Allen Package through the Medical Store (included list below) – Total (estimated) \$868.00

- Welch Allyn Classic 3.5V Diagnostic Set
- Welch Allen Adult and pediatric blood pressure cuff
- 3M Littmann Cardiology IV Stethoscope
- Pocket Eye Card with Ruler
- Tuning Forks
- LED Penlight
- Reflex Hammer
- Dissection Kit
- Tape Measure
- Protective Eye Wear
- Lab Coats (2)
- Medical Bag

Background Checks/Health Screenings:

FBI Criminal Background Check and Child Abuse Clearance - \$63 each year

Health Physical/Immunizations Titers/Drug Screen - varies by insurance carrier***

Health Insurance Requirements: In accordance with Elizabethtown College's [health insurance requirements](#), students enrolled in the Elizabethtown PA program are required to maintain personal health insurance for the entire duration of the program. Proof of insurance coverage must be provided prior to orientation. Students are responsible for all personal health care costs incurred while enrolled in the PA program, including an costs incurred in the event of exposure from a contaminated needle stick, puncture wound, or contamination of any obviously open wound or the mucous membranes by saliva, blood, or other bodily fluids. Due to the potential risk for exposure to potentially infectious materials, insurance should cover screenings, diagnostic testing, treatments that may result from any potential exposure. (A3.08)

Please refer to the [Business Office](#) to view policies and procedures for refunds of tuition and fees.
