PROGRAM AVAILABILITY

IVY TECH
COMMUNITY COLLEGE

Note:
The Computer Information Systems, Computer Information Technology and Information Security programs are being restructured into seven (7) programs.

The programs are Cyber Security/Information Assurance, Database Management and Administration, Informatics, Information Technology Support, Network Infrastructure, Software Development and Server Administration.

At the time of publication of this catalog, the programs being offered at each campus had not been finalized. Please visit www.ivytech.edu for the most current listing of programs and their availability.

ANDERSON CAMPUS

Associate of Applied Science
Accounting
Accounting (via distance)
Advanced Automation and Robotics Technology
Business Administration
