Truck totaled after vehicle fire

BY JILLIAN WARD

COOS BAY — The cause of the vehicle fire from Wednesday, May 12, is still unknown, and the truck is a “total loss.”

Coos Bay Fire Department’s Battalion Chief John Guenther arrived on scene after the fire was reported around 3 p.m.

“It was on Highway 101, at the intersection of Evans Boulevard and Johnson in Coos Bay,” Guenther said. “We don’t have an exact cause because with car fires they burn really hot and there’s a lot of melted plastic, so it’s tough to really tell how it started.”

According to Guenther, the black Dodge pickup was returning from Bandon and the fire could have been from “something (heating) up on their drive towing a trailer.”

It is known that the fire originated in the truck’s rear axel, he said.

Communications Supervisor Tessa Cupp from the Coos Bay Police Department said in a previous interview that

when units arrived on scene, they found the truck “fully engulfed” in flame.

“... We contained the fire to the vehicle and there was no damage to the trailer it was towing,” Guenther said, adding that it took 10 to 15 minutes before getting the fire under control. “We had a little trouble because the fuel tank started leaking and causing additional fire and fuel, which is why we’ve had to use a blanket of foam to get the fire contained.”

There were no injuries. Guenther stated the two occupants and their dog were able to get out of the vehicle safely and that the truck and trailer were moved from the highway

soon after, allowing north-bound and south-bound lanes to open again.

On average, he said the Coos Bay Fire Department responds to one “good vehicle fire” a month.

“We’ve responded to a lot of them more frequently,” he said, explaining that this could just be from increasing traffic through the area. “There’s a lot of traffic on Highway 101 and a high influx of people coming and going from our city....”

He thanked the Coos Bay Police Department and bystanders for their assistance during Wednesday’s vehicle fire, stating that it was “great to help us out.”

A realistic approach to life will give you greater stability. Building a strong base to launch your pursuits will help you do your best. Believe in your ability to succeed, take care of responsibilities and do what makes you happy.

GEMINI (May 21-June 20)

-- Consider the pros and cons of a situation before you dive in. Someone's motives may be selfish or misleading. Moderation is encouraged, along with reason and logic. Be careful and prudent.

CANCER (June 21-July 22)

-- An open mind and a desire to try new things will encourage brighter days ahead. Stop hesitating and start planning for the future. Be proactive, and you'll exceed your expectations.

LEO (July 23-Aug. 22)

-- Refuse to let your emotions interfere with important decisions. A change may not be welcome, but there will be benefits as well. Verify the information you receive before you move forward.

VIRGO (Aug. 23-Sept. 22)

-- Take the initiative and get moving. Trust in yourself and your ability to get things done. A realistic approach to relationships will help you avoid trouble.

LIBRA (Sept. 23-Oct. 23)

-- Keep your money in a safe place. Spontaneous spending will be your downfall. Update your skills, resume and personal goals. Look for a creative outlet. Charm will help

you, but don't oversell yourself.

SCORPIO (Oct. 24-Nov. 22)

-- Settle down, take a deep breath and consider what you want. Simplify your life and focus on health, fitness and lowering your stress level. Invest in yourself. You can make a difference.

PISCES (Feb. 20-March 20)

-- Don't believe everything you hear. A problem with a friend or relative will develop. Offer moral support, but don't make promises you'll regret. A financial gain is apparent.

ARIES (March 21-April 19)

-- You'll have a great idea that will push you in a new direction. Don't be upset with others' words or actions. Do your own thing, and take responsibility for your happiness.
