**AFFORDABLE LUXURY
WITHOUT COMPROMISE**

WILDCAT FIFTH WHEELS BY FOREST RIVER

AFFORDABLE LUXURY WITHOUT COMPROMISE

Shown in Topaz décor, the new Wildcat 327CK features swivel glider recliners, a 39" Toshiba® HDTV with fully digital HDMI and iPod® connectors, Corian® kitchen countertops, abundant storage space, giant L-shaped aerobed® hide-a-bed sofa, as well as a 4600 BTU space-heating LED fireplace — ALL STANDARD! The dual facing slide rooms with numerous windows, including openable ceiling to floor atrium windows, provide ample square footage for the Shaw® residential grade carpeting with R2X™ stain and pet guard (also available with minimal carpeting).

327CK

The new 327CK features over 160 cu. ft. of pass through storage space (above) due to Wildcat's exclusive NXG drop frame and a giant-sized residential shower with seat (below)!

Wildcat

For over a decade, Wildcat has been Forest River's best selling fifth wheel brand. This exceptional record began with innovative floor plans, class-defining features, and a rich set of options. It endures today with strong focus on unique designs, advanced construction using the latest building materials and technology, and a commitment to continuous improvement that sets Wildcat apart from the competition. When you choose Wildcat, you'll know why so many experienced RVers trust our family of products for their camping experience!

Optional 110V ceiling fan

The 327CK kitchen provides plentiful countertop real estate and boasts huge pantry and cupboard storage as well. And the refrigerator can still be accessed with the slide rooms closed! Shown with optional "wood plank" vinyl flooring.

The 327CK bedroom (right) has plenty of space for long or short term stays and offers optional washer/dryer prep. Wildcat's barrel roof provides an open and airy arched ceiling with plenty of headroom — fully 6'7" at its crown. Shown with optional 29" LED HDTV.

312BHX / 312QBX

Optional 110V ceiling fan

Both the Wildcat eXtraLite 312BHX with standard outside kitchen and 312QBX with standard kid's dinette and exterior cooktop stove and refrigerator, shown in Summerstone décor (above), feature Corian® countertops, aerobed® hide-a-bed sofa, and an entertainment center with a 39" Toshiba® LED HDTV including an iPod® connector and HDMI hook-up, another Wildcat class-exclusive feature.

BIGGEST BEDROOM IN ITS CLASS

The arched roofline of Wildcat's eXtraLite bedroom (pictured above) features flush floors, 6'4" plus ceiling height, a wardrobe/linen slide room with window for cross ventilation, ample floor space around the bed, dual nightstands (with 110V outlets), a built in 12V/USB phone charger, and adjustable LED lighting. Paired with a curved shower door private bathroom (right), Wildcat has the biggest bedroom in its class!

312BHX

In the rear of the 312BHX, this spacious bunkhouse sleeps 4 on wide staggered bunks (above) with storage nets, a swing-out ladder, wardrobe, and TV hook-up. Wildcat bunkhouse models also feature hard doors on all bunk rooms so kids or guests easily have privacy. Shown with optional 24" LED HDTV.

317RL

The 317RL with standard Outside Kitchen, shown in Buckskin décor (above), features a Corian® solid-surface kitchen countertop and an open rear living area with standard built-in 39" Toshiba® LED HDTV entertainment center, electric LED fireplace (a 4,600 BTU space heater!), and full width aerobed® sofa. Shown with optional 110V ceiling fan and reclining theater seating.

The 317RL features Wildcat's exclusive Weber® outside kitchen, with standard refrigerator, slot-wall, cable TV prep and overhead storage. Shown with optional 24" LED HDTV.

317RL

312QBX

The 312QBX bunkhouse features a stowable kid's dinette with folding bunk above, dual wide bunks, wardrobe, and TV hookup above. A stow-and-go door on the exterior wall allows for storage access during travel. Shown with optional 24" LED HDTV.

④ R+HEATSHIELD

Wildcat's radiant barrier insulation is made from a woven polyethylene material covered by a metalized film. This metalized film provides a reflective surface that blocks 94 percent of radiant heat, so it helps keep your RV cooler in summer and warmer in winter.

CLIMATECH™ UNDERBODY PROTECTION
FEATURING ENCLOSED, INSULATED, AND
HEATED UNDERBELLY, TANKS, AND STORAGE

NXG
NEXT GENERATION E-COATED
HSLA DROP FRAME BY BAL

②③

Wildcat's new NXG Frame by BAL is a superior quality, highly engineered product that provides customers with a strong, light weight, consistent foundation. The HSLA (High Strength, Low Alloy) Prime Steel is Electrocoated and then assembled using Huck™ Fasteners for consistent clamp load.

BRAND NAME STANDARDS AND OPTIONS

MORE BRAND NAME RESIDENTIAL COMPONENTS AND FEATURES THAN ANY OTHER RV MID-PROFILE FIFTH WHEEL

Easy to maintain acrylic solid surface **Corian®** countertops by DuPont® provide beauty without sacrificing function.

All Wildcats feature residential **Shaw®** carpeting with patented and exclusive R2X® stain and pet guard. MADE IN THE USA!

Wildcat's fully digital entertainment system features a 120Hz refresh rate 39" **Toshiba®** LED HDTV connected via **HDMI®** to a DVD/CD/AM/FM/USB stereo system with **iPod®** dock connector — a class exclusive feature.

Optional luxury, high definition printed and embossed **IVC®** "wood plank" vinyl flooring features a multi-layer anti-slip/anti-stain shield, fiberglass strength layer, and comfort foam backing that resists mold and mildew.

The newly updated fully enclosed and LED lighted docking center includes a removable coiled hose outside shower, black tank flush, winterization kit, water heater bypass, battery disconnect, and dedicated cable and satellite jacks.

Low power, high impact exterior LED lighting is both highly visible and energy efficient. All of Wildcat's interior lighting is LED as well!

A 4600 BTU space-heating fireplace with LED lighting technology provides added warmth and ambiance in select models.

All Wildcat fifth wheels are pre-wired for the **Voyager®** digital wireless observation system, featuring **WiSight™** technology, providing a rear view camera while traveling and easier backing up at your site.

The new standard 16" custom aluminum **HiSpec®** Safety Wheels feature Provider brand load range 'E' 10-ply radial tires balancing style and safety.

Wildcat's new stylish hide-a-bed sofas all feature truly residential **aerobed®** mattresses. Setup is easy with the built in pump and putting it away is quick as well using their signature **Whoosh™** valve.

The 12V **Jensen®** 975 AM/FM/CD/DVD/USB AV System with Remote and Authentic **iPod®** Dock Connector Hook-up features fully digital **HDMI** hookups as well — a class exclusive feature!

Wildcat's new optional **Serta®** king sized memory foam mattress upgrade provides residential comfort and a huge sleeping area in most floor plans.

The standard **MOR/ryde CRE 3000™** suspension system utilizes a 3" travel slot and compression rubber equalizer for a smoother, safer ride.

Residential quality **Mastercraft™** swivel glider recliners ensure comfort and luxury where ever your travels may take you.

The easy to setup and easy to stow optional **Weber®** Q grill is capable of reaching a 600°F cooking surface for a true gourmet grilling experience!

The optional **Dyson®** DC35 digital slim vacuum is the most powerful cordless vacuum on the market today and the perfect way to keep your Wildcat dust and dirt-free.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

Coach-Net[®]

RV Technical & Roadside Assistance

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
