What makes our tours different?

Tours that fit YOUR schedule

Rather than choosing the departure dates for our convenience, we let you choose your departure date according to what best fits your schedule.

We guarantee it

It is not uncommon for tours to get cancelled because the tour operator does not have enough people booked for the tour to be 'worth it.' In fact, most tour companies reserve the right to cancel their tours in those situations. In that case, your vacation plans go down the drain. We guarantee our tour departure for a minimum of two persons for all our tours. We have never had to cancel any of our tours due to a shortage of participants—and we never will.

Privacy without the big price tag

These are all private tours. We provide a private, licensed English-speaking guide and air-conditioned touring vehicle with driver for each and every tour. Does this sound like a luxury? It is. But we have made luxury affordable. In fact, in many cases, our prices are comparable or even cheaper than some group tour prices. Compare and see—nobody else offers a private tour like we do.

Flexibility

Our program is not rigid like some others. Our tours are flexible enough to allow extension of stay or addition of a new city. This kind of deviation or modification could be costly when the program is not flexible. With us, it is free. So if you really would like to change or add something, please think carefully and let us know when you make reservation or anytime after the reservation before the final payment. When you change, you will only need to pay for the cost of addition or actual cost involved in the change, but there will be no charge from us. However if you want to change second time or more, you will be charged a fee for each person for the additional change.

Feel like a VIP at every airport

At arrival in every airport during the tour, you will be received by your personal guide and escorted to your hotel with the assistance of the baggage. By the same token, when you leave from each city, you will be escorted to the airport. Our guide will stay with you until you pass through the restricted area for passengers only. Our guide will also check the on-time arrival and departure for you and will do whatever is necessary in case there is a last minute change. So you will be taken care of like a VIP guest.

Redefining group discounts—6 is enough

Ever heard of a group discount for only 6 people traveling together? The industry standard is 10 people but how often do you decide to travel in herds of 10? We offer discounts with small groups of 6 or more. Just tell us how many people you have, and we give you a substantial discount for the tour of your choice.

Travel Protection Plan—for your peace of mind

We offer worry-free trip protection plan customized for best protection and rates for our customers. The CSA TourSmart Travel Protection Plan provides comprehensive protection for trip cancellation or interruption, pre-existing medical conditions, and terrorism as well as other coverages for common travel incidents like lost/damaged luggage, medical attention and more. See page 35 for complete details.

About Global Tours

We have been developing and operating customized groups and FITs to destinations worldwide for over 3 decades that include various countries in Africa. We have our own network of local operators with outstanding performance records and solid reputations that have been time-tested and proven over many years of operation with us. Be assured that you will be in good hands wherever you go. Isn't it all the more important when you travel to exotic destinations such as Africa?

The following steps will help you plan your tour.

1. Select a departure date that works for you. Use the climate chart below to get a better idea of what the weather is like year-round.
2. Determine which tour you wish to take. Please check each tour for any special conditions.
3. Get your flight details in order. We offer special low fares from most major U.S. cities only in conjunction with our tour packages. Frequent travelers with enough accumulated mileage or those who want to book flights on their own should communicate their flight information with us to ensure that you book flights with the right departure dates and so that we can make the necessary arrangements for airport transfers.
4. Consider buying the Travel Protection Plan—it is an ounce of prevention that protects you in the event of unexpected illness or acts of terrorism before or during the tour and provides coverage for travelers with pre-existing medical conditions. See page 23 for more details.

East Africa

Embark on an East African Adventure!

The black-maned lions, leopards, elephants, buffalo, rhino and other unique wildlife are but one facet of this trip. Uniquely combined itineraries add up to a truly unrivaled cultural adventure, visiting local medicine men, taking steps into the past at archaeological sites and walking into forests to gather healing ingredients. You will venture to Kenya's best game parks as you safari past snowy Mt. Kenya to Samburu's crocodile laden banks on the Ewaso Nyiro River and continue through the heart of the Great Rift Valley to the shores of Lake Nakuru and to the northern tip of the Serengetti, the Mara Steppe. Throughout you will view wildlife galore, breathtaking scenery and enjoy the colorful spectacle of the Masai and other local tribes people. Experience Kenya on a safari that brings the excitement and fascination of the African continent ALIVE!

Journey to Tanzania and the Serengeti

You will see the most spectacular gathering of wildlife in the world as well as Olduvai Gorge where Louis and Mary Leakey's discoveries unearthed a whole new theory on the origin of man. Get a glimpse of "the Lost World" in the Ngorongoro Crater, a ten-mile wide natural amphitheater whose walls were once the sides of an ancient volcano. Inside this natural enclosure local Masai herders share a unique habitat with an enthralling cross-section of East African wildlife. Spend a night at Lake Manyara overlooking the stunning lake as well as an interesting cultural visit to a local village.

A visit to the legendary island of Zanzibar off the coast of Tanzania will be an ideal way of finishing up your excitement-filled safaris. The great beaches, exotic culture and luxurious accommodation will afford you soothing relaxation before flying back home.

West Africa

Ghana

Ghana is located between Togo and Cote d'Ivoire (Ivory Coast), and is an excellent country to experience the West African culture especially that of the once mighty Ashanti Kingdom that ruled much of the region. You will also visit the stunning slave castles along the coast (once called the Gold Coast) and see where slaves were traded, kept, and sailed off to the new continent from the one-way gate. Along with Dakar's Goree Island, Elmina Castle and Cape Coast Castle are the towering witnesses to the history of West Africa. You will recognize and appreciate the influence of African cultures you see in North and South America today. It is an eye-opening and learning experience well worth the visit.

Senegal and The Gambia

Experience the diverse cultures and people of Senegal and The Gambia. The area is rich in culture, tolerant in religion, and people are very friendly. Visit the historical slave trade site of Goree Island, French colonial capital of Saint Louis, beautiful Saloum Island, interesting cultures of Joal and Fadiouth, famous Mandingo tribe village of Juffureh from Alex Hailey's "Roots", cruise on Gambia River and Banjul, and much more.

South Africa

Discover the best parts of South Africa with the mother city, Cape Town, beautiful Mpumalanga, Kruger National Park with its rich wild life, the Garden Route with ostrich safari and wonderful Knysna, fascinating cultures of Zulu land, unique safari at Hluhluwe-Umfolozi Game Reserve, historical Pilgrim's Rest, Johannesburg with Apartheid Museum, Pretoria and much more. Extend your tour to Victoria Falls to climax your experience of Southern Africa for 3 nights that will include not only the fall but the unforgettable Zambezi River cruise, and Elephant Safari.

Final Payment

Final payment is due in our office 60 days prior to departure. We accept all major credit cards. Make checks payable to:

Global Tours, Inc.

Changes and Deviations

We allow 1 free change or deviation request for the land package tour booked after the deposit has been received. Each additional change is subject to a \$50 change fee per person. Any increase in tour cost arising from changes and/or deviations will be passed on to the tour client. Any change or correction of air tickets will be subject to the rules and regulations of the airlines concerned and, in addition to any fee or penalty charged by the airlines, a nominal fee may be charged by Global Tours, Inc. for handling.

Cancellations and Refunds

We require that all cancellations be made in writing (mail, fax or e-mail). Cancellations will be effective from the date of receipt of notification. All cancellations made after receipt of deposit but before 60 days prior to departure will be subject to \$250 fee. Cancellation received 60 to 30 days before departure will be assessed a penalty of 20% of the land package price; within 29 to 7 days before departure, a penalty of 50% of the land tour price will be charged; within 6 days, a land tour price will be forfeited. Cancellation and refund for the international airfare will be subject to the conditions and restrictions of the airlines for the fare used and the refund processing fees. We strongly recommend the purchase of travel insurance in order to protect your tour payments in the event of a last-minute, unexpected medical reason for tour cancellation. No refunds will be issued for any accommodations or services included in the tour that, for any reason, go unused.

Travel Insurance

Protect tour payments in the event of cancellation due to unexpected illness, accident, or emergency by purchasing our travel insurance policy. This travel insurance also covers baggage delay, damage, or loss; travel delay; medical expenses during the trip, medical evacuation, and more at no extra cost. Call us for a quote or visit www.globaltours-inc.com/csa for details.

Airlines

In instances where Global Tours provides airfare quotes in conjunction with our tours, we may obtain special rates that are subject to the restrictive terms and conditions of the airlines. These fares are quoted based on real-time availability and are subject to change at any time prior to ticketing. Tickets are subject to all

rules and restrictions of the airlines including but not limited to matters of changes, cancellations and refunds. Any change, correction, or cancellation of air tickets after issuance will be subject to fees and penalties charged by the airlines and ticketing agency.

Hotels

We select hotels for our tours based on the quality of accommodations, services, location and rates to ensure comfort, convenience and value. All tour prices are based on shared double occupancy. Single rooms can be provided at an additional charge as specified in the tour price section. Triple occupancy is possible for most tours at a small discount for the 3rd person and may be requested but is not always available.

Required Travel Documents

Every tour member must have a valid passport and it should be kept accessible during the journey and for each international departure and arrival. We recommend that each person keep a copy of the passport (the page where photo and personal information are shown) separately in a secure place. This will help tremendously when a passport is lost and needs to be replaced. See page 4 for Visa and Vaccination requirements.

Baggage

Due to the limited baggage space in the touring vehicles, each tour member will be allowed one suitcase and one carry-on bag. Extra baggage may cause logistical problems and also require additional charge from both the airline and local tour company. We recommend that travelers purchase travel insurance to protect their baggage against any damage/loss that could occur during the tour.

Rates

All rates quoted reflect a built-in cash discount. Deposits made by credit card will still qualify the traveler for the cash/check discount. However, final payments must be made in cash/check-in order to keep this discount. If you make final payment by credit card, we will add 2% to the charge because you lose the cash discount. Tour prices are quoted based on hotel rates, ground tariffs, and exchange rates effective as of October 20, 2006, and are subject to change due to fluctuations in availability, seasonal surcharges, and currency exchange rates. Any cost increase due to change in exchange rate in excess of 3% may be passed on to tour members. In the event of computer or human error, we reserve the right to send a revised invoice to travelers with any necessary corrections.

Validity

This program is valid from January 1, 2007 through March 31, 2008.
