STANDARD MERITOR® AFTERMARKET WARRANTY.

We warrant all new parts for one year from date of shipment to the buyer against defective material or workmanship (but not against damage caused by accident, abuse or improper installation, maintenance or repair) when such parts are used on vehicles the specifications of which have been approved by our Engineering Department. As the exclusive remedy under this warranty, we will, at our option, repair or replace such parts free of charge, or take back the nonconforming parts and refund the monies paid by buyer for such parts, if found on examination by us to be nonconforming and if any necessary return charges are prepaid.

If it is necessary to return any parts under this warranty, buyer agrees not to make any deduction on account thereof from remittances on current accounts while claims are in the process of disposition. Any expense incurred without our consent for repairs or replacement will not be allowed.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE.

Only Meritor-branded products, including genuine Meritor and its affiliated brands, are covered by this aftermarket parts warranty.

AIR BRAKE

Automatic Slack Adjusters.

As a leading North American supplier of braking systems, Meritor understands the intricate relationship between Automatic Slack Adjusters (ASA) and foundation brakes. BRAKE SHOES AND FRICTION

PlatinumShield® III is available for Meritor® new and reman brake shoes. The third-generation technology includes a refinement in the process that provides superior adhesion of the coating to the surface of the shoe. This enables the coating to protect the brake shoe for a significantly longer time on the road. PlatinumShield® III coating provides enhanced resistance to rust-jacking and corrosion while extending the life of a vehicle's brakes.

OFF-HIGHWAY AND DEFENSE

Meritor offers 12 months of parts-only coverage for off-highway and defense products.

MERITOR® TIRE INFLATION SYSTEM (MTIS™)

Successful fleets use smart technology to help minimize operating costs, which is why MTIS is specified on nearly one of every three trailers built today.

MTIS harnesses a trailer's existing air supply to keep tires fully inflated when the vehicle is in operation, helping to save money and adding profit to a fleet's bottom line.
