For all other **policy** sections **we** will not pay more than **our** share.
3. **You** must give **us** all information that **we** reasonably ask for in connection with a claim, be available for interviews and cooperate with **us** or any one acting for **us**.
4. If **you** have any legal rights against any other person resulting from the circumstances that led to **your** claim, **we** may take legal action against them in **your** name at **our** expense. **You** must help **us** by providing any documents, written statements, names and addresses of people involved. **You** agree to go to court if necessary.
5. **You** agree that any **vet** can provide any information about **your pet** that is relevant to any claim. If the **vet** makes a charge for this **you** agree to accept the cost.

  - What **your policy** covers.
  - **Your fixed excess** and **percentage excess** amounts.

15. If **we** pay a claim for **veterinary treatment** that **your pet** receives outside of the **UK**, then any claim payment will only be made to a British bank account.
