**EASA Part 66 MODULAR COURSES**

**FOR SELF-IMPROVERS  
&  
APPROVED EXAMINATIONS**

**EASA Part 66 Short Modular Courses**

These courses provide training in discrete Part 66 modules: and can be used by those seeking:

- Conversion of an existing National licence (ie. BCAR Section L)
- Initial licence issue following the Self-Improver route.
- Extension to basic Part 66 licence categories (ie. B2 to A1)

The courses offer full training to the Part 66 syllabus in each module and should not be viewed as a “crash course”.

**These courses do NOT constitute an approved course therefore candidates must meet the full experience requirements as stated in the Part 66 Regulations. Owing to the intensive nature of this course we recommend applicants should have a minimum of three years previous aircraft maintenance experience.**

Those seeking an approved course should contact AST directly, on Telephone number: +44 (0)1738 877105, Facsimile: +44 (0)1738 553369 or email [info@airservicetraining.co.uk](mailto:info@airservicetraining.co.uk)

**CAA Approved Examinations**

Candidates attending Modular Courses can be examined by AST on behalf of the Regulatory Authority. Those candidates opting for self-study may sit the module examinations only.

Candidates applying for approved examinations, with or without modular training, must provide a good copy of a photographic identification with their application and also full payment.

The photographic ID copy must be certified by an appropriate person with the statement “I certify this to be a true copy” containing the following information.

**Name of Verifier**  
**Position Held**  
**Company**  
**Address**  
**Date**  
**Signature**

Acceptable photographic ID must be produced prior to entry to the examination. Those candidates who cannot produce acceptable photographic ID will not be allowed to enter the examination room.

## **Tuition Times**

Tuition times are 09.00 –12.30, 13.30 – 16.30 (including break periods) Monday to Friday.

## **Tuition & Examination Fees**

Tuition Fees are normally £314 + VAT per week, which includes technical training notes, tuition and examination fee.

Fee for examination only is £55 + VAT per Module examination or part thereof.

## **Examination Time**

AST Examinations normally commence at 10:00hrs within the Brahan Building on the Perth College UHI Campus. We would request students to be at the examination room by **no later than 09:45hrs** to be signed in and seated and ready to start the examination.

On the first floor of the Brahan Building you will find the AST Examination timetable located directly opposite the lift. Please ensure you check the timetable to identify your exam room number and seat number and make your way to the exam room.

## **Zero-to-Hero Programme**

In addition to individual modules, AST offers a zero-to-hero strategy to those seeking to undertake all modules required by a particular Licence category in one programme.

Fees for the full programmes are further discounted as follows:

Category B1 = £6,397 + VAT

Category B2 = £7,232 + VAT

## **UK Military Service Leavers**

AST will offer an additional discount to UK Military Service Leavers who are entitled to Enhanced Learning Credits; these discounts may be used for our Zero to Hero. Please contact us for more information.

For Military Service personnel who only require individual modules these will be offered at £278 + VAT per week, evidence of military service such as ID Card or certificate is to be forwarded alongside a course application.

## **Car Parking Charges**

On the final Friday of each Module the examinations normally take place on the Perth College UHI Campus within the Brahan Building. On-site parking is available at the College campus and parking charges apply at a daily rate of 80p or 50p for four hours, pay and display machines are situated in the car park.

## **Professional and Career Development Loan**

Air Service Training is registered with the Skills Funding Agency to qualify for [Professional Career Development Loan](#) payments for tuition fees and to students for living costs.

Our Learner Provider Reference Number is 1049.

## **Training**

Candidates undertaking some modules will note that because of the complexity of these modules, they have been broken into discrete parts. However, candidates must sit all of the topics required by their conversion requirements or the complete module in one examination. The attached tables show this breakdown.

**AST recommends that modules are undertaken in numerical order to ensure that pre-requisite knowledge is acquired before undertaking succeeding modules.**

We trust that the enclosed will be of assistance. To reserve a place on any of our modular courses please complete the enclosed application form. Should you require any further information or clarification, please do not hesitate to contact us.

The EASA Part 66 Examinations for Modules 2, 6 & 7 are examined to the highest knowledge level that will cover the individual for the B1 and B2 Licence Categories respectively.
