

Alabama JROTC Officers Association
Student Officer Application Packet

The primary objective of student officers for the ALJROTCOA is to serve as a powerful connection from the cadets of JROTC in the state of Alabama to the Career and Technical Education Association. The responsibilities of a student officer are attending all regular meetings, accomplishing all requested tasks by those in the chain of command, effectively representing Alabama JROTC cadets' concerns to the state-wide community, and coordinating all ALJROTC activities. Required events are attending all State Advisory Council meetings, Joint Leadership Development Conference, CTE Proclamation Photo Shoot with the Governor, State JROTC Leadership Conference, and the CTSO Leadership Summit.

Every application will be objectively processed and evaluated. Cadets are to submit applications to their senior instructor. The local unit must select the best applicant from their unit and submit only **one** application to the State. If applicant is selected to participate in round two of the process, he/she will be asked to participate in an interview at the annual State JROTC Leadership Conference in the Spring of the year. Please complete the application to the best of your ability.
