

# ALHAMBRA

ENJOYNEERING

Sitting in her studio, the SEAT designer's thoughts turn to family, to days out in the country and holidays in the sun. To the school run and taking the kids to dance class and football practice. To supermarkets with crowded car parks and furniture stores stacked with beds and wardrobes and chests of draws, waiting to be transported home. Some might call it daydreaming.

We call it: **ENJOYNEERING**

## MADE FOR LIFE

Big, clever, loveable and incredibly versatile. The multi-award winning, multi-purpose Alhambra is ready for everything.

Inside it's almost infinitely adaptable, and extremely comfy. Outside it's got lines which easily compete with some of its sportier siblings. Eco-conscious performance and nimble handling are backed up by cutting-edge technology and safety features.

The Alhambra. A genuine multi-purpose vehicle, made for enjoying real life.

Model shown: Alhambra SE Lux in Black Oak Brown paint.

## FAMILY-SIZE PACK

Plenty of space to go around

Three rows of adult size seats make the Alhambra a car for all generations: children, parents and grandparents. But whether you want them all in there at the same time is up to you. After all, you've got 2297 litres of interior space to play with. With the rear seats folded you could slide in a couple of bikes side by side (with front wheels removed), and hit the trails.

But we didn't only create space. We created a space that's a pleasure to be in. The Alhambra's cabin is crafted for comfort as well as functionality. Ergonomic seats, upholstered in leather or cloth, take the strain. While above, the optional electric panorama roof is around three times larger than standard sunroofs. Big inside. Big outside. Plenty of space to go around.

Model shown: Alhambra SE with London Beige Cloth.

# HIGHLY ADAPTABLE

## A car of many talents

We designed the car, but we wouldn't dream of telling you how to arrange the furniture. The Alhambra's interior is a highly adaptable space, just waiting for you to make your mark.

It has seven seats in three rows. The Easy Fold seats of the two rear rows each fold flat to create a load space of 2297 litres. Fold them individually and there are 32 potential layout configurations.

64 if you count the front passenger seat. Enough for any combination of people and things.

Such a grand space deserves a grand entrance. So we gave it three. The sliding doors and large rear hatch, give easy access from all sides. And to make access even easier, they can be electric powered.

An electric tailgate and sliding doors make it even easier to access the inside of the vehicle, especially when your hands are full.

# FAMILY-SIZED TECHNOLOGY

## The SEAT Alhambra I-TECH

The I-TECH range signals a new era of smart driving with the latest technology and exclusive features that deliver even more equipment and design on the road.

The new SEAT Alhambra I-TECH adds even more technology to enjoy and some extra design features that give your Alhambra a special touch. The distinctive 3D I-TECH logo stands out on the Alhambra's sides, while the 17" Titanium Alloy wheels are both elegant and efficient.

As its name suggests, the Alhambra I-TECH comes with some very special high-tech. Like a Kessy Keyless Access System, which allows you to open your Alhambra's doors without taking the key out of your pocket. Or the SEAT Media System 2.2 with Bluetooth®, which provides hands-free calling and entertainment. And if you're parking into a tight space, the front and rear parking sensors and rear-view camera will be your perfect ally.

I-TECH

Model shown: Alhambra I-TECH with optional Bi-xenon headlights and Reflex Silver paint.

# BOX OF TRICKS

Packed with special features

#### DIRECT SHIFT GEARBOX.

DSG allows for split-second gear changing without the interruptions. Makes for a smoother more dynamic drive.

#### CLIMATRONIC.

Too hot? Too cold? Three-zone Climatronic keeps each of the Alhambra's seating areas at just the right temperature.

#### PARK ASSIST AND OPTICAL PARKING SYSTEM.

Parking used to be such a chore. But that was before SEAT Park Assist. This optional system detects a suitable space and then takes over steering duties to neatly park your Alhambra. For manual parking, the Optical Parking System's rear view camera shows you what's happening at the back, on screen up front. Standard on I-TECH & SE Lux, optional on S & SE

#### SEAT CALL.

If you need assistance on the road, just press the SEAT CALL signs on your navigator and instantly contact SEAT Service Mobility and SEAT Customer Care. Peace of mind at the touch of a button.

#### ELECTRIC REAR HATCH AND SLIDING DOORS.

With so many practical reasons for having electric powered rear hatch and sliding doors – easy access, hands free opening – it's easy to forget just how cool they look. Standard on SE Lux, optional on S & SE

# A WORLD OF ENJOYMENT

**PLANE SHELF ON FRONT SEATS' BACKREST.**  
Convenient table that folds down from the back of the seats in front, giving your kids plenty of support to show off their creative sides.

**DROP DOWN ROOF CONSOLE.**  
Our neat new feature is big enough to keep everything tidy and everyone happy.

**TWO INTEGRATED CHILD SEATS.**  
2 integrated child seats that will keep the smaller passengers perfectly safe and comfortable on the road. Available as an option on all models.

**BOXES BETWEEN FRONT AND REAR SEATS.**  
You can never have enough storage space in a car. These two drawers behind the front seats are perfect for storing a variety of small objects.

**POWER OUTLET 230V.**  
A 230V power outlet ensures your devices will always be charged and ready.

# FIVE STAR SAFETY

More than just peace of mind

The fact that the Alhambra holds a maximum five-star Euro NCAP\* safety rating should tell you everything. But it doesn't. We've gone even further and included safety features that exceed the industry average by a long shot. Seven airbags, including driver side knee protection, electric child locks on the rear doors, and an optional integrated child seat with ISOFIX and Top Tether anchorage, should all give you peace of mind. But thanks to the Alhambra's active safety systems, like Electronic Stability Control (ESC), Brake Assist, trailer stabilisation and tyre pressure monitoring, peace of mind should be all you'll ever need.

**LANE ASSIST.** Prevents lane drift by monitoring your position on the road and making gentle corrections to your steering, keeping you safely on track.

**TRAFFIC SIGN RECOGNITION.** Intelligently detects road signs and displays the information on your Alhambra's navigation screen. Whatever's happening, you won't miss a thing.

**LIGHT ASSIST.** Switches on full beams if light and road conditions demand it, and automatically dips the beams to prevent dazzling oncoming traffic.

**TIREDNESS DETECTION.** Helps you on long journeys by analysing your driving for signs of fatigue, and warning you if it's time to take a well earned break.

**AIRBAGS.** Imagine: Seven snow-white airbags. But this is no fairy tale. The Alhambra's front, side, curtain, and driver's knee protection airbags make seven. Add passenger airbag deactivation and the option of rear side airbags too, and it's a dream come true.

**ELECTRONIC STABILITY CONTROL (ESC).** The Alhambra is big and fun to drive. And that's in part thanks to ESC, and its partner Emergency Brake Assist (EBA), which monitor vehicle motion and optimise braking and stability.

**ADAPTIVE FRONT-LIGHTING SYSTEM (AFS).** Let technology light the way. AFS automatically swivels the headlight beam to follow the direction of the steering wheel, pointing your bright bi-xenon beams where you're going, not where you've been.

\*For detailed information go to [www.euroncap.com](http://www.euroncap.com)

# BIG HEARTED

A generous dose of power

It's what's on the inside that counts. And never was a car as big hearted as the Alhambra. Every model in the range features our Ecomotive technology and each car is equipped with Energy Recovery and Start/Stop Systems. Innovations that help reduce both fuel consumption and CO<sub>2</sub> emissions, without cutting performance.

Take the 2.0 TDI Ecomotive with 140PS as an example. Combined fuel consumption of only 50.4 mpg, CO<sub>2</sub> emissions of just 146 g/km, and a selective catalytic reduction (SCR) converter make it one of the cleanest running MPVs available.

And the Alhambra is generous with power too. Every engine in the range is turbo-charged and fuel injected, with common rail TDI engines delivering up to 177PS. Now that really is big hearted.

## ECOMOTIVE

### START/STOP SYSTEM.

This system allows you to save fuel and cut down on CO<sub>2</sub> emissions.

When the car is stopped, the gear lever set to neutral and clutch pedal is released, the Start/Stop System switches the engine off.

Once the clutch is engaged again the engine starts automatically.

# MEET YOUR MATCH

An Alhambra just for you

S

- / 16" 'Izaros' alloy wheels
- / 'Contiseal' self-sealing tyres
- / Daytime running lights (halogen)
- / Body coloured door mirrors with integrated LED indicators
- / Body coloured door handles and bumpers
- / Chrome centre radiator grille surround
- / Lockable, illuminated and refrigerated glove box
- / Storage compartment on dashboard without cover
- / Sun visors with vanity mirrors
- / Front and rear interior reading lights
- / Sunglasses storage compartment in roof console
- / Front armrest (height-and reach-adjustable) with storage compartment
- / Retractable luggage compartment cover (removable)
- / 4 lashing hooks in boot
- / Comfort front seats
- / Driver's and passenger's seat with manual height and lumbar adjustment
- / Electro-mechanical power steering (speed sensitive)
- / Two 12V sockets (front central console/boot)
- / Height-and reach-adjustable steering wheel
- / Electric front and rear windows (one touch anti-squeeze)
- / 3-zone climate control (driver/passenger/rear)
- / Electrically adjustable and heated door mirrors
- / Twin halogen headlights with electric range adjustment
- / Front and rear parking sensors with Optical Parking System display
- / Sliding rear side doors
- / Electric handbrake
- / Hill Hold control
- / Steering wheel mounted shift paddles (DSG-auto only)
- / Trip computer
- / High resolution multi-function display
- / SEAT Sound System 2.0 with 8 speakers
  - MP3 compatible CD player
  - FM tuner
  - Bluetooth® audio streaming
- / Multi-function steering wheel
- / Driver and front passenger airbags
- / Front passenger airbag de-activation
- / Front side airbags
- / Curtain airbags (front, 2<sup>nd</sup> & 3<sup>rd</sup> row)

Max. towing weight with brake 12% (kg)	2200	2200	2200	2200

<sup>1</sup> The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

<sup>2</sup> Where law permits.

<sup>3</sup> Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with this standard.

# READY FOR LIFE

Make the most of Alhambra's talents with styling, lifestyle and protection accessories to further extend its versatility and expand your horizons. All Alhambra accessories are fully tested to meet SEAT's high quality standards, most come with a two-year warranty and they can all be fitted by SEAT-trained technicians if you order at the same time as you order your new Alhambra. For the complete range of Alhambra accessories, go to [seat.co.uk/accessories](http://seat.co.uk/accessories) and download the brochure.

'Click+go' is the quick, simple way to order our most popular SEAT accessories online or at your SEAT dealer. Where you see the  symbol, the 'fitted' price is all you pay. So you know what you're paying up front, with no hidden extras! With easy steps to follow it really is straightforward to order accessories and book a convenient time to have them fitted at your local dealer. You'll receive an email confirming your booking and then a reminder a few days before your appointment. It's as easy as that – and, of course, you can 'click+go' any time, 24/7. Just visit [seat.co.uk/accessories](http://seat.co.uk/accessories)

## ROOF BARS.

Can take up to 100kg. Anti-theft lock and key.

## BIKE HOLDER.

Applied by trained staff at your SEAT dealer.

# YOU LOVE YOUR SEAT. SO DO WE

Your SEAT is special to you, and deserves special treatment when it's time for a service or repair. So put it in the hands of people who know and care about your car as much as you do: your SEAT Dealer.

Whether it's only a year old or up to 15 years young, we promise that your service or repair will employ all of the following (and plenty more besides), to give your car the care it deserves.

**SEAT Technicians** with specialist training, using the latest SEAT technology.

**SEAT-approved parts** will be fitted, complete with two-year warranty.

**A comprehensive check** of SEAT's database for the latest vehicle safety, software and product enhancements.

**Free wash and vacuum** with every service.

**Your approval** prior to any additional work we believe needs to be carried out.

**Easy drop-off and collection**, including loan cars, collection and delivery from your home address, or a courtesy lift.

**Online booking.** Choose a time and place to suit you.

**A SEAT stamp in your service book.** The reassurance that only comes with the real thing.

# IT'S FIXED

Fixed-price servicing and maintenance for SEAT cars 1-15 years

At SEAT we want to make it easy for you to know what your servicing costs will be up front so that you can keep a tight rein on your budget. That's why we have transparent fixed prices on a whole range of services and maintenance jobs for SEAT cars.

Book a fixed-price service or maintenance job online by following six simple steps. Offering genuine value for money and our commitment to delivering quality service, with convenience options available, at SEAT we give you more.

Book your service online and get  
1<sup>st</sup> YEAR: **FREE 1 LITRE CASTROL EDGE PROFESSIONAL OIL TOP-UP KIT WORTH £19**  
2-15 YEARS: **FREE SEAT EUROPEAN ROADSIDE ASSISTANCE WORTH £245**

**BOOK ONLINE**  
Visit [seat.co.uk/service](http://seat.co.uk/service) to book and for further information including any special offers and terms and conditions.

# EXTENDED WARRANTY

Extend your peace of mind

It's reassuring to know you're covered for the cost of unexpected car repairs. And you can enjoy this feeling for up to two years longer with a SEAT Extended Warranty.

When you buy a new SEAT from a SEAT dealer, your new car is covered by a three-year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover for up to five years, at extremely competitive prices.

You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. Plus it's fully transferable to the new owner (and subsequent owners) should you sell your car – enhancing the resale value of the car.

For further information and full terms and conditions, go to [seat.co.uk/extendedwarrantyterms](http://seat.co.uk/extendedwarrantyterms)

# ENSURANCE

Three years FREE cover for new and used SEATs

- / One-stop SEAT accident management
- / Dedicated Incident Manager
- / Guarantee that repairs are undertaken by participating SEAT-approved repairers
- / Online claim notification and repair tracking
- / Guarantee that only genuine SEAT parts and paints are used
- / Legal expenses cover
- / Courtesy car where applicable

Ensurance works alongside your main motor insurance policy no matter who it's from, giving you and your car additional protection.

For further information and to activate SEAT Ensurance, go to [seat-ensurance.co.uk](http://seat-ensurance.co.uk). After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

# WOW, NOW.

With **Solutions** from SEAT Finance the buzz of owning your dream Alhambra is closer than you think.

Solutions is a flexible finance plan that's built around you. From your deposit and monthly repayments to what you decide to do with the car at the end of the agreement, you can choose what's right for you and your budget.

A proportion of the car's value is left to the end, which acts as a guaranteed minimum future value, taking away the worry of depreciation and allowing you to get a higher specification car or just simply reduce your monthly repayments.

And at the end of the agreement, you'll have three options. You can part-exchange your SEAT for one that suits you better on a new Solutions agreement. To keep your SEAT, just pay the optional final payment and it's yours. Or if circumstances have changed, you have the option to hand the car back and walk away. Terms and conditions apply.

An offer of finance is based on certain terms and conditions. Subject to status. Indemnities may be required.

Available to people over 18 in the UK only. SEAT Finance.

A great finance package, designed to impress. To see our latest Solutions offers, scan in the QR code or visit your local SEAT Dealer.

## COST OF YOUR CAR

**Deposit**  
As little as one repayment

**Amount to finance**  
Divided into any choice of 18 to 42 fixed repayments

**Additional final payment**  
You have three choices at the end of your agreement

SEAT EXTENDED WARRANTY

## THE SEAT WARRANTY

### THREE-YEAR WARRANTY.

All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

### SEAT EXTENDED WARRANTY.

If you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover, as the three year warranty, but for up to five years. You can choose a SEAT Extended Warranty to last until the end of the 4<sup>th</sup> year/up to 75,000 miles or until the end of the 5<sup>th</sup> year/up to 90,000 miles, whichever is soonest. SEAT Extended Warranty products are only available at the time of ordering your new SEAT.

### THREE-YEAR PAINT WARRANTY.

The paintwork of the Alhambra is covered against manufacturing defects for a period of three years. Naturally, the Alhambra must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

### TWELVE-YEAR BODY PROTECTION WARRANTY.

The internal body sections and panels of the Alhambra is covered against rusting through from the inside for a period of twelve years. Naturally, the Alhambra must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

### SEAT PARTS WARRANTY.

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

## SEAT ACCESSORIES.

Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians. Where you see the 'Click & go' icon , the price you see is what you'll pay including fitting, upfront and with no hidden extras! You can order at your SEAT dealer or online at [seat.co.uk/accessories](http://seat.co.uk/accessories).

## SEAT ENSURANCE.

Ensurance works alongside your existing your main motor insurance policy no matter who it's from, giving you three years FREE cover on all new and used SEATs. Activate your policy at [seat-ensurance.co.uk](http://seat-ensurance.co.uk) and get one-stop accident management in the event of an accident or theft. After activation, you'll receive a confirmation email and Cover Booklet PDF with full terms and conditions.

## FIXED-PRICE SERVICING AND MAINTENANCE FOR SEAT CARS 1-15 YEARS.

Fixed prices on a whole range of services and maintenance jobs for SEAT cars are now available at participating SEAT dealers. Visit [seat.co.uk/serviceoffers](http://seat.co.uk/serviceoffers) for further information and to book online.

## SPECIFICATIONS.

Specifications for the Alhambra refer to Model Year 2015. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (**July '14**), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

## SEAT ASSISTANCE (INCLUDING EUROPEAN COVER).

Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

## SEAT FINANCE.

SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- / Solutions – a personal contract plan
- / Hire purchase
- / Finance lease
- / Lease purchase
- / Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

## TEST-DRIVE A SEAT.

To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at [seat.co.uk](http://seat.co.uk) or call us on FREEPHONE 0500 22 22 22.

## FUEL CONSUMPTION INFORMATION.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

## VEHICLE EXCISE DUTY AND CO<sub>2</sub> EMISSIONS.

All vehicles first registered on or after 1<sup>st</sup> March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO<sub>2</sub>) emission level, measured in grammes per kilometre (g/km).

## OPTIONAL EQUIPMENT.

Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

## SEAT BUSINESS SALES.

SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at [businesscentre@seatfleet.co.uk](mailto:businesscentre@seatfleet.co.uk). For more information on SEAT Business Sales and the Business Sales Centre network, please visit the Business Sales area at [seat.co.uk](http://seat.co.uk).

For more information, visit [www.seat.co.uk](http://www.seat.co.uk) or your SEAT Dealer/Authorised Service to discover our full range of services.

We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it ENJOYNEERING. We are SEAT.

SEAT recommends  **EDGE PROFESSIONAL**

**SEAT** is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. Some illustrations in this brochure may depict left-hand drive models. Consequently, controls and some items of equipment may differ or not appear on UK models. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling\* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to [www.cartakeback.com](http://www.cartakeback.com).

\*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This brochure has been produced from Hello Silk paper which is Forest Stewardship Council certified.
