## All the fun of the Walkervillage Xmas Fair

Sunshine and blue skies, ensured record crowds at last Saturday's Walkervillage Christmas Fair.

Held on Levi Oval at Vale Park, this is Council's most significant community event. With its focus on free family fun – this year's event offered a range of free entertainment for young and old. From Christmas Carols sung by a choir - to free camel and pony rides, Levi Oval was buzzing with the excitement of the coming season.

## Community survey: Walkerville Oval redevelopment

The Town of Walkerville recognises the importance of the Walkerville Oval as a major community asset and has committed \$3m in its long term financial plan to enhance the central facilities.

Council is now embarking on a journey to redesign the central buildings and clubrooms to ensure facilities meet users and the wider community's current and future needs whilst protecting and enhancing the social, cultural and historical integrity of the site.

Please take the [survey](#) and provide your thoughts and comments.

## Capital Works Update

### The Multi-Purpose Shed at Walkerville Oval

The existing shed and compound demolition has been delayed due to SAPN electrical connection delays, until Friday 22 and Saturday 23 November 2019. A fence will be erected on the Pre-Kindy boundary on the Saturday, to keep this area secure. The Cricket Club and St Andrews School have containers in the carpark to store their equipment during the construction.

The contractor, MYKRA Pty Ltd has indicated the new multi-purpose shed will be complete by the end of January 2020, weather permitting.

## Concrete Kerb Works associated with Road Reseal Program

Concrete repair work to kerbing in preparation for the road reseal program will continue next week in Cluny Avenue, Victoria Street and Hay Court, Walkerville. The works will take approximately 2 weeks to complete. Notices will be delivered to residents of the affected streets about 3 days ahead of the concrete contractor, TFS Civil, starting on site.

Reseal works are scheduled to occur in January and February 2020.

## **Warwick Street One Way study Community Drop in session**

**Wednesday 27 November 3pm – 6pm Corner Warwick Street and Church Terrace.**

Council and its consultants have conducted a study of the traffic and pedestrian movements along Warwick Street and developed a series of options to better manage the pedestrian safety and improve the footpath connectivity. They have also investigated traffic calming devices and a school pedestrian crossing in Warwick Street. Traffic and pedestrian movement surveys were conducted in late October 2019 focusing on peak school activity periods.

A flyer has been sent to affected residents and user groups outlining options for traffic and pedestrian movements and Council will be taking feedback up until Friday 6 December 2019.

If you have any further queries please make contact with Council.
