Our Founder
Mr. Suresh K. Bhujbal

Amrutwel Global School, the wing of Amrutwel Institute of Business Management was founded by Mr. Suresh K Bhujbal, a simple down to earth, confident and one man army. He is a social worker and philanthropist. His main endeavor is to provide quality education to the children of Shikrapur and to develop awareness among the children, hence Amrutwel Global School was started in the rural area of Shikrapur in the year 2010. His dream is to make the children of rural area like Shikrapur to communicate their ideas in English and be par with urban children.

Mr. Suresh K. Bhujbal is also providing good education for about 200 children who are economically poor from last 10 years. He is also organizing mass marriages as a social gesture at his own expense.

He believes in Silent Working and Humble Living.

**From Director's Desk
Mrs. Amarjeet Kaur Sahota**

Our endeavor is and will always be to equip our students with all the skills needed to make them a complete person, professionally and personally, wanting to learn, grow, excel and innovate while being sensitive to the needs of fellow beings and environment!

My message to the students is to never deviate from the path of honesty, dignity and justice. Have a goal in mind, for goals give direction, purpose to life.

Mr. N. S. Gaikwad
Principal's Message

There is no full stop for learning. It is a continuous process. Technology is changing our society. Student should think creatively. Student should remain focused in spite of their difficulties and failures our endeavor is and will always be to equip our children with the skills make them a complete personal, making them to learn grow, excel and innovate while being sensitive to others.

Our duty as a school is to ensure that the students achieve the Zenith of their success with all the values intact. We give more importance on understanding, and the knowledge gained must be used in the new situation. Every effort of ours will enhance your child's individuality and confidence level.

✿ Vision and Mission ✿

Vision: Amrutwel Global School's vision is to provide integrated value education that nurtures Global Wisdom, preserves Indian culture and enables the students to shine in all walks of life. We believe that a happy school will inspire children's imagination, foster excellence and make the learning experience enjoyable, thereby preparing them for lifelong learning and paving the way for a progressive nation and a better world.

Mission : To shape students into caring, courageous, capable global citizen and also to provide a broad based holistic education to the children with a commitment to excellence in all fields, keeping in mind the global needs.

1. LEARN about how the world works and develop the curiosity to explore continuously new realms of knowledge, skills and values.
2. IMAGINE the infinite possibilities that the world offers and how they can develop themselves and positively impact others.
3. EXCEL intellectually, physically and develop emotionally and spiritually, by putting in their best efforts and realizing the potentials.

Philosophy : To provide children with an environment that integrates individual, group learning, playing, knowledge, values, reasoning ability and creativity with discipline and freedom.

15. All students are required to be present on both the LAST WORKING DAY, prior to vacation, as well as on the RE-OPENING DAY, after a vacation.

❖ Organization of Classes ❖

Organization of Classes : The school has been organized into two sections. Both the sections are closely and functionally interconnected with an emphasis on optimum utilization of the available resources and expertise.

Primary Section : Std. I to V constitute the primary section. The classes are held in spacious classrooms. Teaching and learning takes place under the supervision of well qualified, trained and experienced teachers. Academic work is carried out in accordance with the syllabus provided by C.B.S.E.

1. Children are encouraged to develop good study habits.
2. Children are initiated into reading story books, newspaper and magazines.
3. Emphasis is on learning through experimentation, observation and analysis.
4. Special emphasis is given on acquiring language skills.
5. Children are provided opportunities to learn music, dance, drama, painting etc.

Secondary Section: The section comprises of Secondary classes and follow C.B.S.E. Curriculum. Academic instruction is imparted in such a way that all students are stimulated to work together towards realizing their full potential.

Amenities

Amenities:

1) Classrooms:

The classrooms are spacious and well ventilated. The emphasis has been laid on cleanliness and the beautification of the classrooms. Classroom environment is conducive for teaching and learning process.

2) Library:

The library is well stocked with books on various subjects. It is the prime center of learning. We are inculcating reading habit among the students. Facility for issuing the books is also made available.

3) Laboratory:

A composite laboratory for Physics, Chemistry and Biology has been provided. The children are provided onhand experience. Demonstration classes are arranged in the class.

4) Computer Lab:

The school has got a computer science lab with necessary educational software. The lab is equipped with multimedia computer running windows, MS Office etc. Educational CDs are also provided to students to enhance their knowledge.

5) Sports:

Physical fitness and health education form an integral part of school curriculum with various activities. The school has a playground where in children enjoy outdoor games. The students also enjoy playing indoor games like carrom and chess. Students also participate in interschool sports competitions.

❁Activities and Celebrations❁

Activities and Celebrations:

To nurture and develop the creative aspects of every child the school imparts special training to the students in the Fine Arts Section. Various fine arts like dance, music, dramatics, craft, painting etc. are taught to students. Exposure to these activities helps them to learn our culture and traditions.

Engaging children in a wide range of sports and co-curricular activities, encourages them to discover and develop their latent talents and interest, while making their schooling experience enjoyable. The school also helps children to work on their areas of interest in sports and co-curricular activities and helps them prepare for participation in various events and competitions.

Other Activities:

The school arranges puppet shows, theatre, magic shows etc. to provide the students learning experiences through recreation. These activities help the school to know the child's interest and develop it further. The students get an opportunity to exhibit their talent by participating in various competitions.

❁ Picnic/Field Trips ❁

Field Trips:

The school organizes one day picnic. These activities proves to be a source of enjoyment as well as informal learning. The students get to know about community living through these activities. The students were taken to nearby places like Choukidani, Diamond water park, Kalpataru agriculture and adventure park etc.

❁ Medical Check up ❁

Medical Checkup:

The school organizes a yearly medical check up and maintains a Health Report of each student.

Transport Facility

Bus Facility:

The school owns a fleet of buses plying all over the area. Every bus has an attendant to facilitate the boarding and alighting of students. The details of time schedules and bus changes will be provided by the school at the time of admission of student.

Achievements :

1. Students of Amrutwel Global School have achieved great success in Pune District level karate competition. Master Rohan Pimperkar and Master Rohit Saswade stood first at district level.
2. Olympiad exams are held in school regularly wherein the students are taking part and have been awarded Gold and Silver Medals along with the certificate.
3. Children are also took part in District level competitions organized by District Sports Authority and brought laurels to the school.

House System:

In order to inculcate, a healthy spirit of competition and to get the best out of each individual students of Amrutwel Global School has been divided in four houses named after the characteristics of human beings. The house system helps to develop in them leadership qualities, self confidence, team work, cooperation, competitive spirit provides for imbibing good moral and social values.

House	Colour	Motto
Courageous	Red	Achieve Greater Heights
Prosperity	Green	Soar towards excellence
Bravery	Yellow	Persist to succeed
Honesty	Blue	Strive for perfection

Each house is led by a House Captain, House Vice-captain and Sports Captain. These student leaders perform their duties under the guidance of their respective House Masters and Assistant House Masters who are teachers.

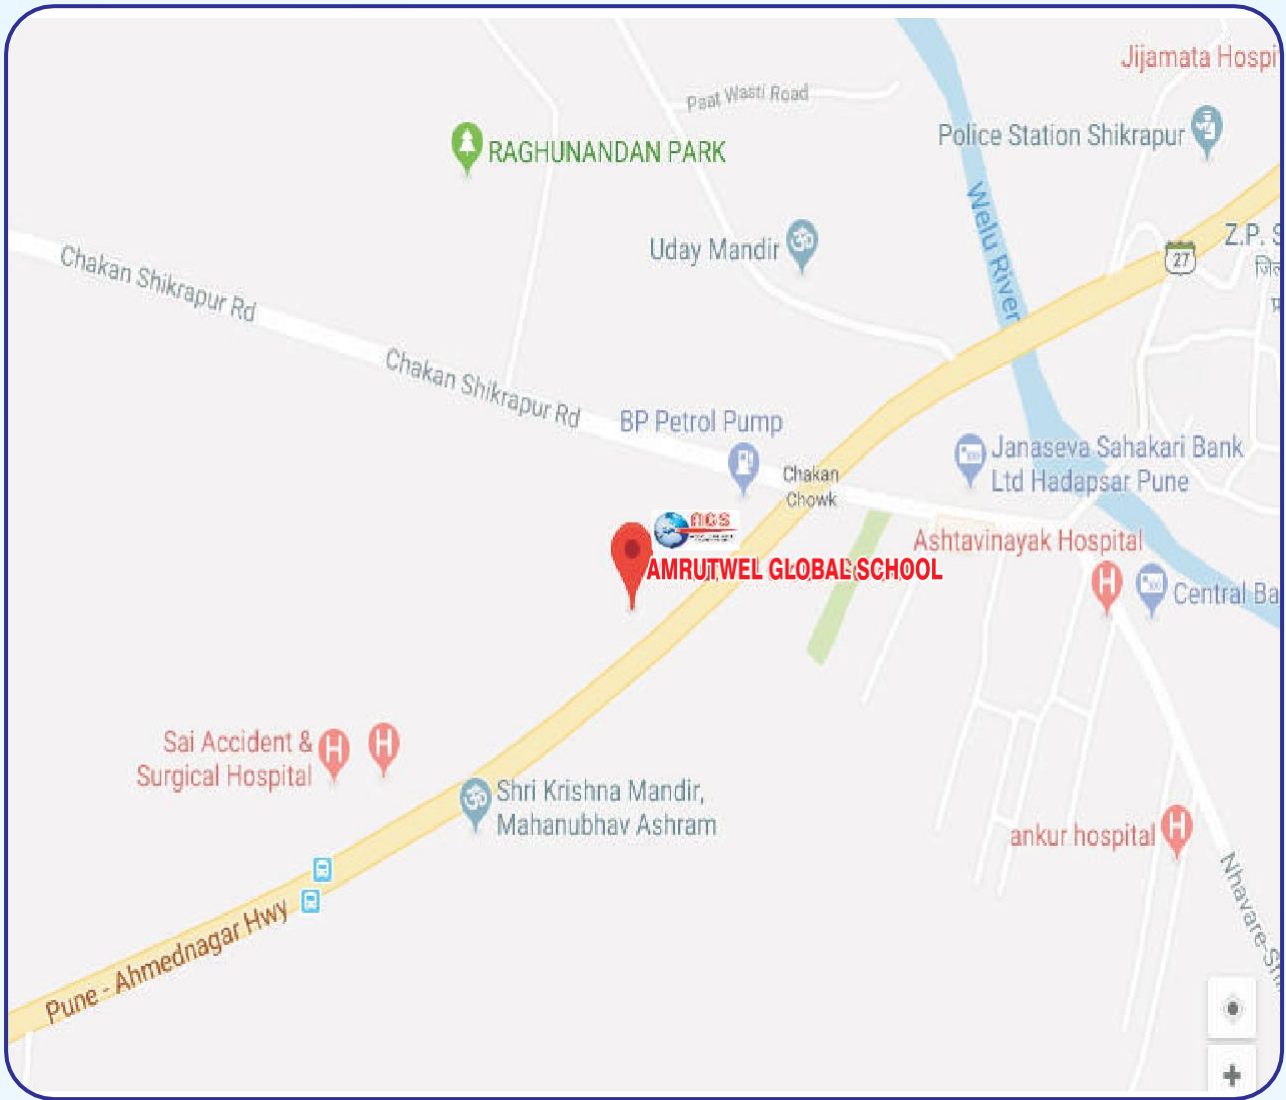

Teachers:

Teachers are the pillars of school giving children a strong foundation in the early years of their learning. They have an enduring impact on children’s development, as they not only impart knowledge but also instill in them sound values and healthy attitudes.

At Amrutwel Global School, Shikrapur every teacher endeavors to support and encourage students to be independent and reflective.
