The meeting was called to order at 3:00 p.m. A quorum was present for the purpose of reviewing applications. **AMY LYNN GORDON** appeared in support of her application for reinstatement of Physician Assistant licensure. Ms. Gordon had last practiced as a Physician Assistant in 1995. She stated that she had been at home raising children but now wanted to return to work. Her license had expired March 31, 2008 but she had kept up with her continuing medical education. Dr. McNeill moved to recommend approval of the application pending passing PANRE. He further moved to require direct supervision for one at least year with receipt of an evaluation from her supervisor after that time. She testified that her current job offer would not include patient care. Dr. McNeill moved to issue a temporary license for her current job offer. When she obtains a job with patient care, another temporary license should be issued under direct supervision

for one year with receipt of an evaluation from her supervising physician upon completion of the one year. He further moved to require that she take the PANCE prior to issuing a temporary license for the patient care position. Ms. Gillespie seconded the motion and the vote was unanimous in the affirmative.

Mr. Hoch said the allegations were made based on retaliation. He completed a medical ethics, boundaries and professionalism course as required by Kansas Board of Healing Arts.
