AN ANALYSIS OF SLANG WORD AND ITS WORD  
FORMATION FROM YOUTUBER “QORYGORE” DATE  
OCTOBER – DECEMBER 2020

ABSTRACT

This thesis explains the analysis of slang words and word-formation found in the QoryGore YouTube video. This research increases people’s knowledge about slang words and how they are formed, especially slang on YouTube. One of the famous YouTuber in Indonesia is QoryGore.

The aims of this research were to investigate the slang words and word-formations found in the QoryGore YouTube channel date October – December 2020. The method used in this study was document analysis in the type of video provided on YouTube. The document analysis in this research took the form of QoryGore’s YouTube video date from October – December 2020.

The results of this study showed that there were 92 slang words found in QoryGore’s YouTube videos date October – December 2020. The slang word-formations were clipping type has 27 slangs, 17 blending types, 28 fresh and creatives, 4 prefixations, 6 acronyms, 6 reduplicative, and 4 suffixations. These findings help future researchers to update and research the spread of slang words and how they can affect youngsters. By conducting this research, the slang words found are expected to not be misused by people and can be used properly in daily life.
