"NO TRUTH OPPOSES HOLY LOVE"

An Ecumenical Ministry and Shrine

Holy Love Ministries is an Ecumenical Ministry and Shrine. Through this Ecumenical Mission, and the Holy Love Messages, Heaven is calling all people and all nations to pursue personal holiness through Holy and Divine Love.

Holy Love is – The two great Commandments of Love – to love God above all else and to love neighbor as self. It is the Father's Divine Will, the fulfillment of the Gospel Message, and the embodiment of the Ten Commandments.

The Holy Love Messages are given through the Visionary, Maureen Sweeney-Kyle. The visions, apparitions and messages began in 1985. Since that time, Jesus and Blessed Mother, and many saints, have been appearing to her on an almost daily basis. These Messages are given to all people and all nations in an ecumenical effort to unite in love.

The following excerpts from Messages give clarity to the purpose and focus of the Mission; as well as, extend the invitation to all people and all nations to come and partake of the graces.

"The impact of this mission is meant to change hearts – to turn hearts towards their conversion through these messages of Holy Love – and the many supernatural graces abundant and evidenced here. The Mission is here in this present time to effect conversion of whole generations, nations and ideologies." (Our Lady of Sorrows – September 15, 2011/Midnight Service)

"This Ministry, the property and the Messages, will remain a source of inspiration, grace and peace for all to partake of. All are called to come and do so. Surrender to this loving invitation." (St. Catherine of Siena – January 20, 2012)

"The whole and entire reason for this Mission is to empty hearts of all that impedes Holy Love, and thus to allow Holy and Divine Love to reign in every heart: but Holy Love cannot reign in hearts given over to diversity. Hearts which place every kind of concern over Holy Love do not leave room for Truth." (Jesus – January 17, 2012)

"I have come to remind the world that each soul is judged

according to the degree of Holy Love in his heart when he takes his last breath. This is the reason that this Mission is of such importance – more important than a mission which predicts the future. If hearts would turn to their conversion through Holy Love, you would not need to be anxious about God's Justice and future events."

(Blessed Mother – October 19, 2013)

"Today, I invite all people and all nations to meet Me on the property – this site of apparitions. I invite the timid, the doubtful, the arrogant, the humble – those with the most scarlet sins – those nearing personal sanctity. I hold nothing back. I give everyone who comes – the grace of illumination of conscience, and the grace of conversion. It is the choice of every heart that meets Me here if they will accept what I give or reject it. All are called here. All are welcome – those who believe in what I offer and those who will not believe. This invitation is My challenge to the doubtful – My extension of Divine Love to the believer. No one who receives My invitation remains unchanged."

(Jesus – July 21, 2013)

"Comprehend that this Mission and this property come together as My Masterpiece. Every grace attendant here is a brush stroke which combines to produce this Great Work of Mine. All that is offered here is like a fine work of art, which hangs in a gallery to be appreciated. The difference, however, is that a painting is viewed and appreciated exteriorly. This Work of Mine – this Ministry – exists to be fully appreciated by stepping into it interiorly and allowing your hearts to be changed forever! A painting may touch the heart momentarily, but this Mission is in place through My Divine Will to bring eternal value – your salvation.

Every grace that is offered is meant to bring the beauty of personal holiness into the world just like the brush stroke of a master upon the canvas. My 'Canvas' is the human heart. My brush is the Grace offered here. Each soul who comes here or who is touched by the Messages receives graces given in an individual and unique way such as no other. Unite your hearts to My Divine Will and allow Me, your Loving Father, to make of you a masterpiece of holiness." (God the Father – October 14, 2013) ■

The Feasts of the Triumph of the Cross and

September 14, 2013

Feast of The Exaltation of the Holy Cross

"I am your Jesus, born Incarnate."

"Today, the world holds the Cross in low esteem. Sacrificial suffering is rarely upheld from the pulpit. My Corpus upon the Cross has become unpopular. For the most part, the role of My Redemption for all mankind takes a back seat to disordered self-love."

"Yet, the value of My Cross has not diminished and never will be. Your devotion to My Cross is My Glory in the world. This love of My Efforts - My Passion and Death - garners you many favors. Your invocation to My Precious Blood spells Satan's defeat. Never become immune to the Power of the Cross. Kiss My Wounds with your little sacrifices. Together, we can change hearts. Together, My Cross will be exalted." ■

Feast of The Exaltation of the Holy Cross

Jesus is here with His Mournful Heart exposed, and He looks as He did right after His Scourging. He says: *"I am your Jesus, born Incarnate."*

"My brothers and sisters, tonight I invite you to forgive everyone, and forgive every instance in the past. Venerate My Mournful Heart which beats with anguish as I hung on the Cross for the sins of these days."

"I will bless you, as I am blessing you now with My Blessing of Divine Love." ■

Our Lady of Sorrows - September 14 - 15, 2013

September 15, 2013 - Feast of Our Lady of Sorrows

Our Lady comes as Our Lady of Sorrows. She says: "Praise be to Jesus."

"Today, I invite, once again, all people and all nations to allow Holy Love to take dominion over their hearts. My greatest sorrow is the same today as in ages past - the lack of Holy Love in hearts. This is the open door to Satan and all of his wiles."

"My Sorrowful Heart beats in unison with the Mournful Heart of My Son. We both see the compromise of Truth and the abuse of authority as the reverse of the gospel message. We see from Heaven how these evils pervade hearts, affect every aspect of human existence, and stubbornly refuse correction. Love of reputation, status and esteem have replaced the Truth in hearts of leaders, thus causing the loss of many souls. Much time, energy and money has been surrendered to promote evil as worthy and good."

"But, from Heaven, Jesus and I see into all hearts. The future does not bode well for any who reject Holy Love. You will never find joy in trying to please self instead of pleasing God. You cannot find peace outside of God's Divine Will which is Holy Love."

"Surrender your hearts to the Truth. Then, My Son's Mournful Heart and My Sorrowful Heart will be greatly appeased. You will be at peace. You will find joy in the present moment." ■

September 15, 2013 Feast of Our Lady of Sorrows

TO: Priests

Our Lady comes as Our Lady of Sorrows. She says: "Praise be to Jesus."

"Today, on the Commemoration of My Sorrowful Heart, I have come to invite all clergy here to this site. You will feel My Presence and My Peace here apart from the confusion of the world."

"You must realize that Satan is the enemy of every vocation. He puts people in your life and creates situations which are great distractions. Place all of your spare time in My Immaculate Heart. Ask Me to protect your faith, your purity, your holiness - and I will."

"Your vocation comes from God and must be used by God for the salvation of souls, as well as your own soul. Amongst you there must be no jealousy, rivalry or ambition. Reveal sin for what it is. Your call is not to be popular but to stand for the Truth. Those who stand for the Truth must not be punished by those in authority. Reprisals are not part of Holy Love or of any vocation."

"Unite in the Truth and help Me to save souls. Daily examine your hearts. Ask Me to reveal to you any iniquity - any transgression against Holy Love. Always make the Sacraments your priority. Make them readily available to all. The numbers of penitents each week reflects the strength of your vocation."

"Do not look to please people above pleasing God. If you listen to My words today, your vocation will be under My Mantle of Protection and I will bless you." ■

*“Pray the ROU... to
console My Son’s Most
Mournful Heart.”*

October 7, 2013 Feast of The Holy Rosary

(This Message was given in multiple parts.)

Our Lady is here as Mary, Refuge of Holy Love. She is holding the Mournful Heart of Jesus with the Rosary of the Unborn wrapped around it. She says: "Praise be to Jesus."

"This is Heaven's Peace Accord with earth. Pray the Rosary of the Unborn for an end to abortion. This will console the Mournful Heart of My Son and resolve the differences which divide you. If you listen, dear children, you will have peace. If you continue on your path of self-destruction, I cannot protect you from the consequences. It is by your efforts the future can change. Please realize the passage of time brings the fulfillment of My Words to you ever closer."

"Abortion is the bad fruit of the compromise of Truth and the abuse of authority: the grievances which mourn My Beloved Son's Heart with intensity. It is by the Rosary of the Unborn this can change, hearts can change and the evil of abortion stopped. You must help Me. I beg your assistance."

"Dear children, if you pray the Rosary of the Unborn or the Chaplet of the Unborn against abortion, then you are doing all you can in the present moment to console My Son's Most Mournful Heart. This is the sin that most epitomizes the narcissism of the heart of the world today and calls upon God's Justice."

"Your prayers can save lives."

"Dear children, your presence here today makes Me very happy and makes My Day special. Your prayers, dear children, are important to Me - most especially to end abortion."

"I tell you, once again, solemnly, that **you will not have peace in the world until you have peace in the womb.** God protects and honors the good, but He opposes all evil."

"Today, dear children, I am blessing everything on you, and with you, and I'm extending to you My **Special Blessing.**" ■

"Today, as we celebrate My birthday, I wish to give the gift of hope to those who revere these Messages and all the graces attendant to this site. Do not pray without hope, for God's Heart is open and ready to respond to your prayers. The future of the world is not sealed. You can, by your efforts, make a difference."

Children of the United Hearts Association Meeting at Maranatha Spring & Shrine August 3 & 4, 2013

On the weekend of August 3rd and 4th, prayer group leaders for the *Children of the United Hearts Association (CUHA)* attended a 2-day meeting at Maranatha Spring and Shrine in North Ridgeville, Ohio, at Blessed Mother's request. The conference theme focused attention on the times in which we live and the great need for evangelizing the heart of the world.

The *Children of the United Hearts Association* is a worldwide lay association formed by Blessed Mother on March 4, 2012, to pray daily for the consecration of the heart of the world to the United Hearts.

Invitations for the 2013 CUHA conference were sent out to prayer group leaders worldwide, with 84 attendees hailing from the United States, Canada and Mexico.

Conference

In a message given on the eve of the conference, Jesus said: *"I invite you to make your prayer intention for this special weekend, dedicated to the United Hearts, being that – the spiritual journey through the Chambers of Our United Hearts reach every corner of the earth."* (August 2, 2013)

At the opening of the CUHA conference, we introduced our new Holy Love theme song – *The Way of Love* – which was sung throughout

the weekend. (CDs are now available through our United Hearts Book Store.) A recorded welcome from the Visionary, Maureen Sweeney-Kyle, addressed the times in which we live and the significance of the Fatima message today.

The conference speakers covered two primary topics: *Why the Consecration of the Heart of the World is Pertinent to these Times*; and, *How to Evangelize the Heart of the World*. Written questions were submitted by the participants, which were then addressed in a Q & A Panel format.

In a message given over the weekend, Jesus said: *"Today and always, I invite the Children of the United Hearts to be My Voice in the world ... Let there stand now a contractual agreement between us, that your goal is – from now on – to spread the Consecration to Our United Hearts."* (August 3, 2013)

Attendees returned home to share all that they had learned with their prayer groups.

Conclusion

We are grateful to all of the speakers and participants for making this year's CUHA conference so worthwhile, and we appreciate all of the positive feedback we have since received, which one participant expressed in this way:

"My sister and I attended the entire weekend of meetings and are truly thankful to all of you and the hard work that you put into the weekend. Everything from the well-organized meetings to the perfect welcome packets to the delicious meals. All that you did to make our weekend so wonderful was truly appreciated. The prayer site is clean and spotless and looks beautiful always, and I know that this is due to all of your hard work and sacrifice."

It is amazing for me to look back and see how far God has brought this ministry. I started following the Holy Love messages back when the group was still in the original house. My husband and I started bringing our four young children, and here we are about 18 years later seeing the amazing fruits that have taken place in the ministry as well as in our family. My grown children still come and now bring the next generation. What an incredible blessing to us and the whole world."

So thank you again for the wonderful weekend last month and for all you do, especially the prayers offered daily. My sister and I are excited about our little prayer group and are inspired and confident that God will bring us the members that He wishes."

Messages on the Mournful Heart – Part 2

In part 2, we offer for your reflection the Messages on the Mournful Heart of Jesus that were given by Heaven from July 31, 2013 to October 16, 2013.

July 31, 2013

"I am your Jesus, born Incarnate."

"Make amends to My Mournful Heart, for in every present moment I witness thousands of souls slipping to their perdition. In atoning to My Mournful Heart, you urge Me to tender grace into the world in support of the Truth."

"Truth is My weapon against Satan's attacks upon souls, for the enemy is all guile and deceit. You cannot foretell the future or predict the outcome of any event; but you can, in the present moment, be faithful to the Truth of Holy Love. Every soul in Hell regrets his failure to do so." ■

August 1, 2013

"I am your Jesus, born Incarnate."

"Today, I have come to impart to the world these promises that I will fulfill to anyone devoted to My Mournful Heart."

1. *"Those devoted to My Mournful Heart will be given courage to stand up for the Truth, no matter the opposition."*
2. *"Those devoted to My Mournful Heart, if persecuted by the abuse of authority, will be given the grace of perseverance in righteousness."*

"Immaculate Heart of Mary, look upon my devotion to the Most Mournful Heart of Your Son, and grant me this favor:

_____."
"Recite this prayer in your need."

"Devotion to My Mournful Heart can be the prayer to My Mournful Heart, the Consecration to My Mournful Heart or the simple ejaculation throughout the day:"

"Mournful Heart of Jesus, have mercy on me." ■

August 2, 2013

Feast of Our Lady of Angels

Blessed Mother says: *"Praise be to Jesus."*

"The only way I, your Heavenly Mother, can protect you from evil is to reveal it to you, either through spiritual enlightenment or by knowledge. So today, I have come, once again, to speak to all people and all nations about the abuse of authority, which so gravely wounds the Heart of My Son."

"Anyone in authority, no matter the body of people he is given to govern, has the responsibility under God to lead those subject to him in Truth. These days the reverse is often the case. Therefore, I am telling you, do not look at title alone. Look at the person under the title and hold him accountable to the Truth."

"Throughout history, dictatorships have formed in untruth, for people obeyed persons and not the Truth. I am telling you today that you are not bound in the Eyes of God to obey untruth. Be prudent and wise. Form your consciences in Holy Love, for therein lies the Truth. Holy Love is the Truth God has given you with which to measure the worthiness of all authority. Do not be deceived by any imperious command or high-powered decree."

"I am giving you the Seal of Discernment at this site. Put it to use." ■

August 3, 2013

"I am your Jesus, born Incarnate."

"The well-being of every person in the world is threatened by the abuse of authority. Is it any wonder that this is a great Wound of My Mournful Heart? Even terrorism is a fruit of this abuse, for some governments encourage this form of violence - not to mention some religious leaders."

"Make amends to My Most Mournful Heart. Pray that this Sword is withdrawn from My Heart before it is too late, and before the world is changed forever." ■

August 3, 2013

Jesus is here with His Mournful Heart exposed and says: *"I am your Jesus, born Incarnate."*

"My brothers and sisters, once again I come seeking that the heart of the world to be reconciled with the Divine Will

of My Father; for it is breach of love and trust between free will and the Divine that brings about every error in the world.”

“Tonight I’m imparting to you My Blessing of Divine Love.” ■

August 4, 2013

Blessed Mother says: “Praise be to Jesus.”

Prayer:

“Immaculate Heart of Mary, look upon my devotion to the Most Mournful Heart of Your Son, and grant me this favor: _____.”

“Recite this prayer in your need.”

Note: Refer to Message of August 1, 2013 showing the above prayer, following the third promise given by Jesus. ■

August 5, 2013

Blessed Mother’s Birthday

Blessed Mother is here. She is dressed all in white, and Her Heart is exposed. She is holding the Mournful Heart of Jesus. She says: “Praise be to Jesus.”

“Dear children, thank you for celebrating with Me tonight. More than anything, I desire your devotion to the Mournful Heart of My Son. It is then you can petition My Heart for any favor. I will hear you. If it is in God’s Will, you will receive what you ask.”

“Tonight, dear children, I am blessing you with My Blessing of Holy Love.” ■

August 6, 2013

I see the Great Flame that is the Heart of God the Father. He says: “I am the Eternal Now - Father of All Humanity. Today, My Heart is saddened by the distortion of Truth. My children have concocted their own truths to suit their life styles. My Son’s Mournful Heart is a reflection of My Own Grieved Heart.”

“The reception of this Mission in the world is but a symptom of society as a whole. People play the skeptic and the judge. They chase after reasons not to believe - conjuring up rash judgments - all the while ignoring the solid reasons to believe.”

“The reason this Mission exists in the world is to bring souls back to Me. I give them the grace here at this site to do so. But today, My children are more

concerned with what the world thinks than what I think.”

“Until I can take up My Rightful Reign in all hearts, you will have distorted thinking as your ruler and guide. I come to warn.” ■

August 6, 2013

“I am your Jesus, born Incarnate.”

“I come, once again, to address the abuse of authority - the gaping Wound of My Most Mournful Heart. Authority is always abused when the rights and dignity of others are transgressed. This being said, it behooves those in authority to rule justly. They must not assume too much power - power that is not theirs to take. On the other hand, they must not shirk their responsibilities and, in so doing, not take on duties attendant to their office.”

“Leadership, whether it be political, religious or other secular positions, is a grave responsibility. Leadership takes on the persona of the leader. This is why it is so important that hearts are embraced by Holy Love. Leadership which is based upon Holy Love is just - its maxims based upon Truth. This type of authority warrants respect.” ■

August 8, 2013

“I am your Jesus, born Incarnate.”

“I tell you, all over the world the Truth stands compromised in hearts. When I refer to the Truth, I am referring to Holy Love. This distorted truth spreads like a contagious disease, for people are not looking for the Truth. This is the source of all corruption - in governments, in church circles, in businesses and in families, as well.”

“So when I tell you Holy Love is the solution that could change the future of the world, accept what I say with a sincere heart. A sincere heart is always open to the Truth.”

“Lead consecrated lives (Colossians 3:12-17) and being faithful to the Truth, bring down Satan’s kingdom in hearts first - then in the world. This is consolation to My Mournful Heart.” ■

August 12, 2013

Jesus is here with His Heart exposed. He says: “I am your Jesus, born Incarnate.”

“I come once again this evening as Divine Love in your midst. I come to thank you in your belief in this Ministry and in your life of living out these Messages of Holy and Divine Love. This consoles My Mournful Heart.”

"Tonight I'm imparting to you My Blessing of Divine Love." ■

August 12, 2013

"I am your Jesus, born Incarnate."

"This is how you can console My Mournful Heart - by trying to understand the pain I feel when I see souls making decisions contrary to their salvation. The slightest compromise of the Truth, although it may seem harmless, can profoundly affect the present and the future - not only of one soul, but of many."

"The Truth, according to My Father's Will, is always Holy Love - from the smallest to the greatest issues and decisions."

"Consider My Anguish as I watch life destroyed in the womb. Consider how I long to correct leadership which is based upon falsehood and unmitigated love of power. Consider My Desire to replace love of money and reputation in hearts with love of God and neighbor. Consider My Anguish as I watch the love of false gods take over hearts and uproot the Truth."

"The reality of what consumes hearts today is beyond compare with any other generation. I have not stood by without trying to intervene such as I have here, at this site. But even My Efforts at direct intervention are met with disdain by those who are influential enough to lead many here."

"So I am depending upon those who do believe - those with a sincere heart - to console My Mournful Heart in every effort. Help Me to overpower the evils of this age with the Truth." ■

August 13, 2013

"I am your Jesus, born Incarnate."

"The door to My Heart has opened in your midst. It is your surrender by way of your will to Divine Love. My Divine Love calls you to recompense towards My Mournful Heart. You cannot be one with My Divine Love without seeking to console My Mournful Heart. Do you not always seek to console the one you love?"

"Here at this site and within these Messages, I cry out to humanity. Do not leave My Love unattended. I come only to impress upon humanity the need to work out its own salvation through Holy Love, which leads the soul upon the spiritual journey through the Chambers of Our United Hearts."

"Follow Me." ■

August 15, 2013

St. Thomas Aquinas says: "Praise be to Jesus."

"I have come today to help you see that the ballast which keeps your spiritual ship afloat is humility. Humility in the heart is the defender of Holy Love in the heart. One does not exist without the other. Humility is Truth and the revelation of how the soul stands before God. There will come a moment in time when this same Truth will blanket the earth and reveal to each soul his true status before God. Some will perish in fright. Still others will be unable to accept this Truth. Only the Father knows the hour of this Universal Truth; but, souls must prepare their hearts in humility for this moment of grace."

"Humility does not seek importance or the spotlight. It does not inflate its position in the world or seek compliments in regard to any of its works or actions. Humility shuns recognition for any of its accomplishments. The humble heart seeks the background and to be unnoticed."

"As with any virtue, humility which is practiced to impress others is false. Humility needs to be hidden in a deep relationship with God - between the soul and the Heart of God."

"It is easy to see how a lack of humility causes pain to the Mournful Heart of Jesus. Every sin transgresses Holy Love. Every sin arises out of pride. Pride is the arch-enemy of Holy Love and humility."

"Pray that your heart is washed clean by humility every morning. Never believe yourself to be more than you are in God's Eyes." ■

August 17, 2013

"I am your Jesus, born Incarnate."

"I have come to help you understand that the abuse of power and the compromise of Truth are partners in the moral degeneration which is taking place today around the world. Abortion and same-sex marriage - clearly moral issues - have entered the political arena, only by way of these two Sorrows of My Mournful Heart."

"This is the way Satan is bringing Truth to its knees and redefining sin as rights."

"Appease My Mournful Heart by your efforts to embrace the Truth and to stand for the Truth. Obey the Truth and not the compromised agenda of many of influence." ■

August 20, 2013

"I am your Jesus, born Incarnate."

"I come today, once again, to speak about the thorns which pierce My Most Mournful Heart. These thorns represent every compromise of Truth. Today, the lying spirit is more common than uncommon. It has become like a virulent spiritual disease of epidemic proportions."

"While this disease of untruth is usually not visible, it takes its toll on the spirit, manifesting itself through moral degeneration and corruption of leadership."

"Holy Love is the remedy - the penicillin, if you will, - to cure the abuse of all Truth. Certainly, those who love God and neighbor would not want to further wound My Mournful Heart by any lie."

"So today, I come to reveal the disease and to offer you the cure. The heart of the world could be converted if people took My words to you today to heart." ■

August 21, 2013

"I am your Jesus, born Incarnate."

"Today, once again I reveal to you the anguish of My Mournful Heart. The abuse of authority spans the gamut from domestic violence to governments who embrace dictatorship or are moving towards dictatorship. There are many abuses falling in between these examples. Some have turned respect for their office into absolute control. This is not of Me."

"My Heart will continue to mourn if consciences are not corrected. This is why the Seal of Discernment is offered here, and is so important during these times. Never be self-satisfied. Search your hearts to be certain of not abusing any position you are given." ■

August 24, 2013

"I am your Jesus, born Incarnate."

"I tell you solemnly, everyone who has lost their faith has accepted some compromise of Truth. Faith is based upon Truth. Sound reason is based upon Truth. When people start looking for proof of the tenets of faith, they have taken the first steps towards losing their faith."

"Faith is the belief in the intangible. It is a gift

from God. If the human heart rejects this gift, it is taken elsewhere."

"The spiritual value of faith can never be fully realized in this life, but this in no way, diminishes its worth. I sent My Mother as the 'Protectress of the Faith', specifically for these times. Faith is in jeopardy and endangered by abusive leadership, modern technology and every other false god which compromises Truth. People would rather be politically correct than righteous in My Eyes. People place faith in themselves above faith in God."

"These are reasons why it became necessary to reveal to you My Mournful Heart. Console Me as I watch with anguish so many millions slip to their perdition. Hell lasts forever. The present moment is fleeting. If well-spent, the present moment brings you into eternal joy."

"Ask My Mother to protect your faith in the face of so much compromise." ■

I see the Flame of the Heart of God the Father. He says: *"I Am Who Am - The Eternal Now."*

"To all things there is a season - a Season of Want, a Season of Plenty, a Season of Confusion, a Season of Clarity, a Season of Untruth, a Season of Truth. This is the Season of Preparation for My Son's Second Coming. This preparation comes on the wind of great trials and the storms of lack of faith and narcissism."

"I have given humanity shelter from the wind and storms within the Refuge of Holy Love - the Immaculate Heart of Mary. I have offered the way of the spiritual journey through the Chambers of the United Hearts as a sure path to salvation. I have given you the added protection of the Protectress of the Faith."

"All of this safety from the wind and storms of this season of tribulation is fortified by the secure template of the Devotion to the Mournful Heart of My Son. This devotion lessens the blows of the wind and storms of this age."

"I have not abandoned you, My faithful children. Do not abandon Me. The Remnant will need to pull apart from every hypocrisy and untruth in order to be the Remnant."

"I engulf you in My Eternal Divine Love." ■

"I invite you to see that the sin of abortion is a glaring example of the spirituality of the heart of the world today."

It is a compromise of Truth in the reality of life at the moment of conception. Abortion is an abuse of power from parents to legislators who support this crime against life."

"Man cannot change the laws of God to suit his purpose. Is it any wonder that Heaven's intervention here today is ignored - even blasphemed - when the Ten Commandments have been trampled upon summarily day in and day out?"

"Today, you see all the signs of agnosticism. Church attendance is down. Faith is under attack as never before. The world clamors after every new form of technology while prayer and sacrifice are left unattended."

"The general population lacks the wisdom to pursue the Truth. If the Truth does not suit him, he compromises reality."

"All of these transgressions of My Mournful Heart bear their bad fruit as the heart of the world is consumed with disordered self-love."

"I am asking each one today to pray for the desire to embrace the Truth and the wisdom to recognize the Truth." ■

Blessed Mother says: *"Praise be to Jesus."*

"Dear children, when you kneel before the empty tabernacle in Our United Hearts Chapel to pray, say a prayer for those leaders who have empty hearts - devoid of Holy Love. These are the ones who abuse authority and cause pain to My Son's Mournful Heart." ■

"I am your Jesus, born Incarnate."

"Today, please mourn with Me the loss of faith as it used to be. My Churches stand empty. This is a reflection of the emptiness in hearts. Every compromise of Truth is now acceptable - even in vogue. This is reflected in the moral decline and the rise of violence in the world today."

"Those whom I traditionally have depended upon to support the Truth have very often abused their authority or compromised the Truth. Some have fallen into the evil trap of self-righteousness. Few there are who lovingly shepherd their flock and encourage salvation through Holy Love."

"Many leaders try to pander to their flock by not opposing sin. This is a compromise of Truth that will follow them

into eternity unless they repent, for they are shirking their responsibility."

"Even worse is the opposition to Heaven's intervention, such as this apparition site. If so much rests upon the opinion of one leader, a grave responsibility rests on him to discern the Truth. Sadly, this has not been the case. Even sadder is that title carries with it righteousness, and that people do not look beyond title. Unfortunate is the heart that shelters agendas and motives which oppose Heaven's plan to save souls. This is the mentality which has formed factions within leadership I used to depend upon."

"Bringing all of this to light has long been on My Heart. I share them today so as to help the world realize the plight of My Mournful Heart."

"Please make all of this known." ■

"I tell you solemnly - war, the taking of human life or any atrocity against human dignity - is never a choice in Holy Love. These are always choices arising from compromised Truth and the abuse of authority. My Mournful Heart beats in anguish as the world teeters on the brink of disaster."

"How long must I wait before the Truth is recognized as the Truth? Where has the value of human decency gone? I do not want to spill My Justice out upon the world. If you fully understood what My Justice is, you would never tempt Me."

"Once again I call mankind to correct its own conscience through the grace of Holy Love. Herein is the path which circumvents Justice. Holy Love is the weapon which destroys error in hearts. This Truth is the weapon of mass destruction that can change the world forever." ■

Prayer for Leaders of Nations to Live in Truth

"Most Mournful Heart of Jesus, have compassion upon the leaders of all nations. Help them to live in the Truth and not to abuse their authority. Inspire them to govern towards the welfare of their people. Do not let the war that is in hearts spill out into the world."

"Accept my prayers and sacrifices for the Victory of Peace in all hearts. Amen." ■

Feast of The Exaltation of the Holy Cross

Jesus is here with His Mournful Heart exposed, and He looks as He did right after His Scourging. He says: *"I am your Jesus, born Incarnate."*

"My brothers and sisters, tonight I invite you to forgive everyone, and forgive every instance in the past. Venerate My Mournful Heart which beats with anguish as I hung on the Cross for the sins of these days."

"I will bless you, as I am blessing you now with My Blessing of Divine Love." ■

Blessed Mother is here as the Sorrowful Mother with the Swords in Her Heart and says: *"Praise be to Jesus."*

"Dear children, appease My Son's Most Mournful Heart and My Own Most Sorrowful Heart with your prayers and sacrifices. Let all your prayers and sacrifices come from Holy Love. They will be worthy, and you will be blessed, even now as I am blessing you with My Blessing of Holy Love." ■

September 21, 2013

Blessed Mother says: *"Praise be to Jesus."*

"I have come to help you understand that jealousies compromise the Truth and distort discernment of Truth. In the religious realm, jealousies cause insecurity in the actions of the Holy Spirit in others. This is displayed in attempts to discredit the character of those inspired by Heaven and in the jealous guarding of territory."

"How many good and pious works have been aborted by jealous hearts! As Heaven tries to build up and unite the Kingdom of God, jealous and insecure hearts try to tear down every attempt to prosper in the Spirit of Truth."

"Therefore, see that these jealousies greatly grieve My Son's Mournful Heart. Those who influence many must look into their own hearts to see if the error of jealousy is present. If it is, they must repent." ■

Truth. My Heart mourns that souls do not recognize this reality."

"People have come to make their opinions more important than the search and the embrace of the Truth. Many believe they live in righteousness, for they believe in people who have betrayed the Truth. The Truth is the embrace of the Ten Commandments, which is one with Holy Love."

"Today, there are many false religions that encourage violence and hatred. I come to tell you, none of this is from Heaven. I call you to unity of heart and mind. I call you to be united in the Truth." ■

Feast of St. Margaret Mary Alacoque

St. Margaret Mary Alacoque says: *"Praise be to Jesus."*

"These days to bring attention to the plight of the world, the Sacred Heart of Jesus is represented by the Mournful Heart. Never before in the history of mankind has evil been so prolific and yet so unrecognized. This is why Jesus draws attention to these two most profound paths of destruction - the compromise of Truth and the abuse of authority."

"The compromise of Truth is always made manifest by confusion. This is Satan's hallmark. The abuse of authority closely resembles and follows on the heels of the compromise of Truth. Neither are customarily seen for what they are, but come clothed in righteousness."

"Console the Mournful Heart of Jesus by always standing up for the Truth and by discerning the path that unquestioning obedience leads you upon. God will place the reality of genuine Truth in your heart." ■

October 16, 2013

"I am your Jesus, born Incarnate."

"I have come to remind you that Satan always corrupts the heart first before his corruption plays out in the world."

Such is the case today in governments, religions and in the heart of the world. Do not think that I would raise up a powerful Mission such as Holy Love and not address Satan's tactics. This Mission deals with the Truth and not protecting delicate egos."

"These days, it is those who call Me 'friend' and have sworn obedience to Me who wound My Mournful Heart the most. Their abuse of authority and compromise of the Truth have sent many souls to their perdition. Yet, they continue on their path of destruction claiming righteousness by merit of office and/or title."

"I must, in Divine Love, bring all of this to light. I did so when on earth. I must do so now. Many read these Messages but, through arrogance, do not see themselves in them. Some even inflict their own poisonous interpretation on My Loving Advice. It is such pride which compromises the Truth. This is Satan's corruption made manifest."

"I come here to unite in Truth and in prayer. If you love Me with a humble love, you will not oppose Me." ■

Treatise on the Rosary

October 7, 2013

(This Message was given in multiple parts.)

Blessed Mother says: "Praise be to Jesus."

"Some things must not remain under the cover of darkness any longer. One of these of great importance is the power of a rosary well said. Dear children, realize that the rosary you hold in your hands is the weapon Satan fears. Therefore, he does all in his power to discourage its use and to discount its merits."

"Your rosaries, dear children, are a lifeline to Heaven. Through the rosary, I, your Mother, can feed you with the nutrients of My Grace. I can nourish your souls with strong virtues and help you to determine God's Will in the present moment."

"The rosary deters evil inclinations and encourages deeper personal holiness. With your rosaries, dear children, you can stop abortions, wars and every type of injustice against human dignity. These days, apostasy has separated the faithful and confused even the most ardent children of Mine. You have the right to believe in and follow these Messages and the spirituality of all that is offered here. No one has the right to dictate to the interior forum of your soul. The many rosaries that have been discouraged and stopped here will carry weight at judgment."

"When you pray the rosary, pray with love in your heart. Do not just recite words. The more love you have in your heart, the more powerful your prayers. I receive your every prayer and join it to My Own. Then I present our prayers to My Beloved Son. He awaits our prayers with great anticipation. He has a purpose for

every rosary - every prayer - always for the welfare of souls. Every prayer is of value, whether it is an entire rosary or just a few Hail Marys. I tell you yet again, God has given you the right to pray when you want - where you want. Let no one discourage you."

"The rosary, dear children, is a share of God's Mercy in the world today. Cling to His Mercy. Cling to your rosaries. It is a sign to Satan that you belong to Me."

"When you pray the rosary with a loving heart, dear children, unite your prayer to every Hail Mary being recited in the present moment around the world. That way, I can send stronger nutrients of grace into your hearts and your lives. Such a rosary can deliver the most hardened sinner from Purgatory, convert the stoniest of hearts, strengthen vocations and resolve discord."

"Take seriously My Call to you to pray the Rosary of the Unborn to put an end to abortion. This is the hope of an end to this evil. I assure you, all of Heaven is praying with you. Your efforts in this regard console the Mournful Heart of My Jesus."

"I tell you, the father of all lies wants to lead you away from the prayer of the Holy Rosary and to discount its importance. If the enemy of your salvation recognizes the power of the rosary, you, My children, must recognize the strength of this prayer, as well."

"Therefore, dear little children, I come to build you up in the Truth of the worthiness of your prayers and to fortify you in the courage to persevere in an unbelieving world. Your rosaries are Satan's defeat." ■

Why is the Seal of Discernment Important?

August 17, 2013

"I am your Jesus, born Incarnate."

"I invite you to understand that the lying spirit is very prevalent today - more than ever before in the history of creation. This is so because of mankind's general disconnection with discernment of the Truth."

"It is because of this lying spirit you have so many false gods, false religions, violence, terrorism and deceitful practices around you today. Truth has become a rare and seldom sought after commodity today."

"This is why the Seal of Discernment is so vital these days. Do not accept at face value what you must discern." ■

How Can I Be Holy Love in the World?

August 17, 2013

Blessed Mother says: *"Praise be to Jesus."*

"Live only for the salvation of souls. Your own salvation will be gift wrapped in this effort. To succeed in this effort, you must forgive everyone and love everyone. No one should be beneath your affection or appear unworthy of your time and efforts and prayers. This takes humble love - My call to you over and over. Never pride yourself on any virtue."

"If you can do these things, you are Holy Love in the world." ■

How Do You Live in Holy Love?

Feast of Mary, Queen of All Saints and Feast of the Visitation

Blessed Mother says: *"Praise be to Jesus."*

"Dear children, I wish to describe to you what it is to live in Holy Love. To live in Holy Love means you allow love of God and love of neighbor as self to govern your thoughts, words and actions. You hold no choice in your heart that would oppose this. You confide every aspect of your life to these principles."

"When you are wronged, you do not cooperate with a pouting spirit or a spirit of unforgiveness. You pray for the offender. You step away from worldly vanities such as: physical appearance, reputation, power or love of your own

Why Should I Support the Truth?

August 23, 2013

"I am your Jesus, born Incarnate."

"It is important that people realize the significance of standing up for the Truth in every situation. Any departure from or failure to defend the Truth makes you part of the lie."

"When I was on earth, My Mission was to defend and to shed light on the Truth. When people cannot surrender their erroneous opinions to the Light of Truth, they embrace sin."

"The Mission here is all about bringing souls into the Light of Truth. It is for this reason Heaven has so vehemently defended the Messenger, the Messages and the Mission against Satan's lies." ■

What is the Greatest Spiritual Treasure?

August 14, 2013

Blessed Mother says: *"Praise be to Jesus."*

"Dear children, I have entrusted to you many devotions and a profound spiritual journey through the Chambers of Our United Hearts; but, the greatest spiritual treasure must be the Holy Love in your hearts. These Two Great Commandments must be the foundation of your every thought, word and deed. A foundation, please realize, is not a superficial seasoning - sprinkled here and there. A foundation is the basis that the structure - in this case, your spiritual life - is formed upon."

"You have nothing to fear in the future if your hearts are built up in Holy Love and fortified with this same Truth. Speculation about future events does you no service if it fosters fear. Rather, in the way of Holy Love, trust that plans will be given to you and unfold before you as you need them."

"For now, Holy Love in the present moment must be the plan that fills your hearts." ■

opinions. These vanities prepare you for disillusionment. You do not trust in yourself, but in God and His Efforts through you. You do not embrace ambition for yourself, but for God's Kingdom. You do not practice virtue to be seen and lauded on earth, but out of love of God. You pursue personal holiness through Holy Love." ■

How Can I Help Others in Error?

July 6, 2013

Blessed Mother says: "Praise be to Jesus."

"Dear little children, do not waste time fault-finding. If you see errors in others, say a prayer and move on. Holy Love is a call to unity and bears the fruit of peace."

"You are given the present moment to work out your own salvation. Do not waste it by judging others. Each one has his own weaknesses he must work on. Therefore, pray to be enlightened as to your own imperfections and overlook the flaws in others. This is humility." ■

How Do I Respond to Others Positively?

July 3, 2013

Blessed Mother says: "Praise be to Jesus."

"Dear children, in humility treat everyone the same - pauper or rich man, those in important positions and those of little esteem. Jesus treated everyone with kindness and patience. He never gossiped or dwelt on the negative aspects of a soul. Rather, He reached out to everyone with the same degree of benevolence. When you discuss among yourselves others' faults, you only accomplish disunity. You encourage judging. You limit Jesus' work within you."

"I call you to build up the Kingdom of God through unity in Holy Love. Do not search out error in others, but look into your own hearts and discover that which does not define Holy Love. This is how you please God and advance through the Sacred Chambers of Our United Hearts." ■

How Does God Judge?

October 21, 2013

Blessed Mother says: "Praise be to Jesus."

"The time approaches, in fact, it is upon you now, when

Christians will have less rights than other religious groups. It is very much 'in vogue' these days to tolerate sin and error. Dear children, do not follow the trend."

"You are called to live in the Truth - the Truth of the Ten Commandments. This Ministry brings the Truth into focus, as Holy Love is the embrace of the Ten Commandments."

"The Truth never changes, but holds firm. Therefore, it behooves each soul to discover God's Truth and live by it. Death, dear children, is final. There are no second chances. There is no negotiation with God at your last judgment. God's Judgment is final and eternal. The present moment holds your salvation. You choose either eternal life or eternal damnation according to your response to the Truth. You decide what your eternity will be and God judges you accordingly."

"God does not take into consideration popular trends or interpretations of good versus evil. He judges according to Holy Love - the Ten Commandments. He does not redefine these Commandments to accommodate popular opinion, authority or status in the world. He confines His Judgment to Holy Love."

"Make it known." ■

What Really Matters?

May 16, 2013

St. Catherine of Siena says: "Praise be to Jesus."

"This generation has, for the most part, lost sight of what really matters, and that is their own salvation. Consciences have been dulled by disordered ambitions. The Fire of the Holy Spirit has been doused by the pride of greed."

"God does not come here to this site, nor does He send His angels and His saints here, so that all of His Efforts can be discounted as so much rubbish. The Heavenly Father is feeding His flock with these Messages of Holy Love. Each Message is like a tongue of fire ablaze with the call to personal holiness."

"It is a sadness in the Heart of the Holy Trinity that these Messages, and all the graces offered here are not embraced and even maligned out of jealousy and false discernment."

"Do not be a detractor. Be a believer. Do not persist in skepticism, which is encouraged by the enemy of your salvation. Believe!" ■

Making the Spiritual Journey

Part 10

The First Chamber of the United Hearts: The Immaculate Heart of Mary – Holy Love – Salvation (Part II)

Continuing on from **Part 9** in the *Making the Spiritual Journey* series, we begin the second part of our exploring the Messages of the Revelation of the First Chamber of the United Hearts with a summary given by Jesus in a Message on **August 24, 2000** in what He calls a **Primer on the Chambers of United Hearts**: Jesus says: “*I have come to begin to unfold the Primer on the Chambers of My Heart. The Chambers of My Heart are represented in the Image of Our United Hearts. Our United Hearts represent a spiritual journey from the moment of conversion to Union with the Divine Will. Further, this Union of Our Hearts represents a shared Passion and Triumph. The Immaculate Heart of Mary is the Gateway to the New Jerusalem. My Sacred Heart is the New Jerusalem. The Immaculate Heart of Mary is Holy Love. My Sacred Heart is Divine Love. The spiritual journey begins with Holy Love. Holy Love (the First Chamber, sanctification/salvation) is: The Immaculate Heart of Mary; The Two Great Commandments of Love; The Gateway to the New Jerusalem; The First Chamber of the Sacred Heart of Jesus; The Purgative Stage. In this Chamber, glaring faults and sins are revealed to the soul. He chooses either to surrender to Holy Love (conversion) or to continue in error. If he chooses conversion and overcomes his most flagrant faults, he can move into the next Chamber of My Heart and Divine Love.*”

As we mentioned in **Part 8** of this series, the process of trustful surrender to Holy Love (or ongoing conversion of heart) through the Chambers of the United Hearts is the *blueprint* or *road map*, if you will, to follow toward personal holiness and sanctification. This is a great grace in itself, as our Lord has revealed to us the inner sanctum of the Chambers of His Sacred Heart (the United Hearts). St. Thomas Aquinas explained this road map in a Message given on **August 28, 2001** – “*I have come to help you understand that **the Revelation of the Chambers of the United Hearts is a school of theology.** If you searched the depths of Scripture or the heights of theological study, you would not find a more concise path towards salvation culminating in union with the Divine Will. Jesus has given the world, through you, a seemingly simple spiritual road map. He has only just begun to expound upon the depths of this journey. You may never understand yourself the complexities of this revelation, but I am here to tell you that **the entire journey is based on trustful surrender through love.** If you remember this, you will begin to ferret out all that opposes this maxim in your own heart. Then you will see the obstacles Satan places before you that hinder your journey through these Sacred Chambers.” Jesus says these obstacles Satan places before us are a revelation of our faults that we are called by Heaven to repent from so as to increase in personal*

holiness. In a Message given on **November 28, 2003** – Jesus says: “*My brothers and sisters, the soul whose faults are revealed to him is being called to conversion and into the First Chamber of Our United Hearts which is Holy Love. It is only his repentance that allows him to pass through the door of this Heart. Then the soul is cooperating with the grace that is being given and My Victory is beginning in him. I desire all souls enter the Heart of My Most Holy Mother so that they can be purified and come to Me in My Heart of Divine Love.”*

Again, as we had learned from **Part 8** of this series, this process of ongoing conversion and repentance of the soul has to occur first through the Immaculate Heart of Mary and Her Purging and Purifying Flame of Holy Love. Repeating, from **Part 8**, the Message given on **October 20, 2000** – Jesus says: “*The United Hearts Revelation represents the complete spiritual journey from the first moment of conversion of heart to complete union with the Divine Will of God. My Mother’s Immaculate Heart is Holy Love, which is the Two Great Commandments – love God above all else and your neighbor as yourself. When the soul begins to live these commandments in his own heart, he has taken the first step - that of conversion. He is in the First Chamber of Our United Hearts - the Immaculate Heart of My Mother. The key to entering this Chamber*

undaunted is the invocation to Mary, Protectress of the Faith. When My Mother is so invoked, Satan takes flight. The subsequent Chambers on this journey towards perfect union to the Divine Will are all within My Sacred Heart, which is Divine Love. My Mother's Heart is the Gateway to the New Jerusalem. My Heart is the New Jerusalem. My grace is attendant to and in perfect proportion with the soul's efforts to pass through the Chambers of My Heart."

Jesus tells us that the way toward union with the Divine Will of God is contained within these innermost Chambers of His Sacred Heart and that to progress through these Chambers requires the soul to have a deepening awareness of self and the desire to surrender everything of one's own will to Holy Love – to the Divine Will – every present moment. This is what conversion of heart entails, as Jesus reveals to us in a Message on **December 28, 2000**: "My messenger, to you and through you I have opened the door to the innermost Chambers of My Heart. You must know and help others to comprehend that the only way to progress through these Chambers is through a deepening awareness of self – that is, becoming aware of the flavor within your own soul contrary to Holy and Divine Love. This takes honesty and courage. If a person cannot accept that he has an area in his heart that is not perfected in love, then he cannot repair the error either. The areas of pride in your soul need to be overcome little by little. It is easy to feel overwhelmed if you look at all the spiritual cleansing your soul needs. But you are not cleaning the household of your soul alone. I will help you. No one becomes humble or forgiving in thought only and is genuinely humble - forgiving. I have to work in the heart for true

humility to take root. But just as the soul cannot accomplish this virtue alone, I cannot put humility in the heart without the soul's assistance. The soul with courage has to admit where his house needs to be cleaned, where pride is winning out. Then he and I can together conquer the pride. So many are unwilling to even look for the dusty areas of their heart. It is a painful discovery to some to first realize their own imperfections. But I will sustain them if they would only be humble enough to ask. Even with My assistance, they need courage to recognize and overcome Satan who tries to convince them they are fine as is. So I have come to ask you to pray for those who desire to advance into My Heart but refuse the path of spiritual cleansing."

St. Thomas Aquinas elaborated further on spiritual pride in a Message given on **September 10, 2001** – St. Thomas Aquinas says: "That which Heaven is teaching here - the Revelation of the Chambers of the United Hearts - is much of what Jesus taught in the temple. Of course, He did not refer to the Immaculate Heart as Holy Love, but still and all, it is the same spiritual journey Jesus attempted to lead the Pharisees on. He did not achieve His goal as they were steeped in spiritual pride. This spiritual pride tells a person he has all the answers. He is satisfied with where he is spiritually. In a word he is sanctimonious. The message and the fruits it bears may be all around him, and yet he does not see it. Spiritual pride is deadly. It is like trying to reach a destination blindfolded, refusing to be led or to remove the blindfold because the soul presumes he knows his way. Everything about trustful surrender which embraces this message has to do with free will. If through spiritual pride the soul thinks he is in the right

place spiritually, he will not move his will to enter the First Chamber. Believe me, this profound message carries with it abundant grace to enter the First Chamber. All that is needed is a humble 'yes'."

As we see from these Messages, because of spiritual pride, the soul places obstacles or detours (his own free will creates with Satan's promptings) to hold back or prevent himself from both entering into the First Chamber of the United Hearts and progressing through subsequent Chambers in the spiritual journey of personal holiness. We addressed this aspect of pride in **Parts 4 and 5 – Obstacles and Distractions**. It was explained that whenever the soul opposes Holy Love by placing himself before or ahead of God and neighbor, the soul is guilty of disordered or inordinate self-love (pride). Hence, if the soul is desirous of entering into and progressing through the Sacred Chambers of Our Lord's Heart, he must trustfully surrender, in humility and faith, his self-love and self-will to Holy Love and the Divine Will. This process, known as conversion of heart, begins in the First Chamber – the Immaculate Heart of Mary – through the perfect example of the Blessed Mother's humility and faith exhibited in Her Heart. This point was made in a Message given on the **Revelation of the United Hearts – January 25, 2001** in which Jesus says: "I have come to further dictate to you the secrets of Our United Hearts – salvation, holiness, perfection, conformity and unity. In the world today the vast majority of the world's population remains unconverted; that is, they do not pursue their own salvation. Conversion comes through the grace of My Mother's Heart. Thus, the Immaculate Heart of Mary is the First Chamber of Our United Hearts."

It is the antechamber to holiness, perfection, conformity and unity. The Heart of My Mother is Holy Love - the Two Great Commandments - to love God above all else and his neighbor as himself. No one attains salvation who will not abide by these Two Commandments. And so, with or without knowing this, the soul who seeks his own salvation must gain entrance to the First Chamber of Our United Hearts - Holy Love - My Mother's Heart. Once the soul gains admittance to My Mother's Immaculate Heart, his most glaring faults are brought to light through the Flame of Holy Love - The Flame of Her Heart. If he perseveres in grace, these faults will be burned away and the soul will be allowed to pass into the Second Chamber of Our Hearts which is personal holiness. Now he is entering Divine Love and My Divine Heart."

Thus, as the soul enters the First Chamber of the United Hearts – the Immaculate Heart of Mary – it is purged of its greatest faults through the Flame of Our Lady's Heart. This is a spiritually painful process, much like what the soul experiences in the Purifying Flames of Purgatory, for it is in this Flame of Holy Love that the soul is shown what thoughts, words and actions stand in the way of his spiritual progress in holiness. This self-knowledge is a great grace which comes from the Immaculate Heart of Our Lady and which cannot and should not be bypassed as Our Lord said on **April 5, 2006** in a **Message to All Peoples and All Nations** – Jesus says: "Do not be mistaken to think that the Refuge of My Mother's Immaculate Heart is given to just some or a few. The Refuge of Her Heart is for all. It is Holy Love. Therefore, I come today to help you to see that every heart is being called

into this Sacred Refuge with great urgency. Do not think that you can skip this precious first step in your personal holiness and jump right into Divine Love, which is My Sacred Heart. It is only through the intercession of My Mother's Heart all souls can enter and imitate Divine Love. My Mother prepares each heart by purging the greatest iniquity from the soul through the Flame of Her Most Pure Heart. No one enters Divine Love who does not imitate Holy Love. It is presumption and self-righteousness that urges souls to think they are more virtuous and holy than they are. This is why you must pray every day, even hourly, to accept truth and humility in your own heart. Satan has spread a blanket of confusion over the world. For this reason, most are not even aware of the real path they are following."

Gradually, then, as the soul is purged of self-love which is replaced by Holy Love, he begins to see that love of God deepens his trust in God. The more the soul trusts God, the deeper the surrender of self-will to the Divine Will and the more at peace the soul becomes due to an increasing desire to be conformed to and in union with God's Will. Jesus describes this process of surrender in a Message given on **February 14, 2001** – Jesus says: "I tell you that the intimacies of My Heart are not open to those who pursue holiness through the intellect. It is only through spiritual surrender of the human will the soul is admitted to these Sacred Chambers. Thus, it is cooperation between creature and Creator. The soul surrenders and the door to the Chambers is opened. I know what the soul surrenders - with what depth he surrenders, and I know, too, what he hangs on to. I see how he accepts the grace of self-knowledge or how he rejects it. I judge the merit of his surrender according

to the merit of his surrender to the Law of Love. Some souls impede their own progress in the Chambers of My Heart by judging others' faults and disregarding their own. The one who thinks himself blameless has not entered the First Chamber."

So, in the First Chamber the soul not only tries to overcome his greatest faults and iniquities, he also tries to get to know Jesus more intimately so as to love Him more and thus deepen trust and surrender to God more. This can be done by avoiding worldly distractions and occasions of sin, by studying Scripture and these Messages of Holy Love, by leading a sacramental life (if Catholic), and by being generous in corporal and spiritual works of mercy, thereby keeping the focus off of self-love and self-will and placing it on Holy Love and the Divine Will. This is the way toward perfecting the Holy Love in the heart of a soul - just like a golfer who works on perfecting his golf swing. Once inside the **Immaculate Heart of Our Lady – the First Chamber**, the soul thus becomes purified and perfected in Holy Love through a process of passing through compartments or chambers in the Purifying Flame of Holy Love as described in a Message by Blessed Mother on **May 9, 2011** – "I have come to describe to you the **Flame of My Immaculate Heart – the Flame of Holy Love – The First Chamber** of Our United Hearts. There are different compartments or chambers, if you will, within this Flame. The **first and most intense area** of this Flame is for souls just beginning to discover their own iniquities. Many spend long years in this part of the Holy Flame, for **pride** does not permit them to admit their own guilt and weaknesses. Gradually, as the soul discovers the purpose behind many of his actions

and sinfulness, he passes to the **next area of the Flame of My Heart which is repentance**. Here he may fall victim to a **scrupulous conscience** which is a favorite trap of Satan. With **humility**, he will overcome this obstacle. The **less intense part of the Flame of My Heart is for the most repentant soul**. This soul seeks God's Mercy with a resolve to do better. This is the highest part of the Flame of My Immaculate Heart. Having passed successfully through every part of the purifying Flame of Holy Love, the soul moves willingly to the **Second Chamber of Our United Hearts** and begins his journey to perfection in Divine Love. **These, then, are the stages of purification through the Flame of Holy Love. Each stage lends itself to passage into the next.**"

As can be seen here, as the soul surrenders more and more to Holy Love in the present moment, he progresses through the compartments of the Flame of Our Lady's Immaculate Heart, being purified of self-will and perfected in the Divine Will. This process of the soul's surrender then continues as he prepares to enter the Second Chamber of the United Hearts – Holiness – the Flame of Divine Love. Thus, as the soul surrenders more of his free will to live in Holy Love, the more he is transformed toward conformity and union with the Divine Will. This was explained in a Message given on **May 15, 2006** – in which St. Thomas Aquinas says: "I have come to help the world understand more deeply the Flame of Holy Love. This is the Flame which you ask in prayer to burn away your iniquity. Here is how it works. This Flame of Holy Love, which is the First Chamber, first sheds its light upon the areas of sin in the person's life. Gradually the soul chooses to avoid these sins and to live in Holy Love. The more he

chooses Holy Love, the more his free will is melted and transformed in and through the Eternal Divine Will. This transformation continues moment by moment until the Sixth Chamber when the Divine Will lives within the heart."

This is further explained by Jesus in His step-by-step description of each Chamber in a Message on **February 1, 2001 – Revelation of United Hearts**, as Jesus says: "If love is the entrance to each Chamber of My Heart, please understand then, that it is only by a deeper surrender to love that the soul can be transported from one Chamber to another. In the First Chamber the soul must decide to love God more than sin. That is his salvation – the Heart of My Mother. In the Second Chamber, the soul loves God and neighbor even more and seeks holiness." Thus, as the soul prepares to enter the Second Chamber, his conscience becomes more open as to how he uses the present moment; and strives to surrender, as God desires, more of his own will to the Divine Will. Jesus tells us the cooperation He desires of us in this regard, and how intellectual pride can block or hinder the progression of the soul through the Chambers of His Sacred Heart (refer to page 28 and the Message of February 14, 2001).

As the soul progresses through the Chambers of the United Hearts through deeper surrender to the Divine Will, he experiences a more fervent desire to be drawn and immersed completely into the Divine Will – the Sixth Chamber. Jesus tells us that, although it is hard to comprehend, this experience is felt by the soul from the very beginning as he enters the First Chamber of the United Hearts; for the Divine Will encompasses all of the Chambers. Jesus explains this experience in a Message, followed by another Message given with further

explanation by St. Margaret Mary Alacoque, both given on **April 2, 2003** – Jesus says: "The Sixth Chamber – the Will of My Father – clothes all the other Chambers, and yet to reach it you must pass through all the other Chambers – for the Sixth Chamber is the highest Heaven. So, how can you pass through it but not be contained in it? In order to get into the First Chamber which is Holy Love, the soul must, to some degree, pass into My Father's Will - for Holy Love is the Divine Will as is every Chamber. At the beginning, the Will of My Father acts as a sieve - filtering out iniquity and self-will, and helping the soul to hang onto the Will of God. With each successive Chamber more of the soul's own will slips through the 'sieve', and more of the Divine Will fills the soul. The souls that do reach the Sixth Chamber – the highest Heaven – either, in this life or the next - are consumed with the Divine Will and no longer exist alone - only in God." And, again, on **April 2, 2003** – St. Margaret Mary says: "The Sixth Chamber is the embrace of the Heart of God which is the Divine Will. The soul feels the embrace of the Father's Heart increase as his soul is drawn deeper into the Chambers of the United Hearts. This being so, please see that as the soul is drawn into the First Chamber, he feels the Father's embrace begin. Each subsequent Chamber allows the soul to feel the Father's embrace increase. The Eternal Father tries to draw each soul into the highest Heaven."

Therefore, in the First Chamber of the United Hearts – the Immaculate Heart of Mary – we begin to experience the goal and desire of the soul to be in union with God as best exemplified through the profound, perfect union of Our Blessed Mother, in Her humanity, with Her Son, Jesus, the

Second Person of the Holy Trinity; and it is only through Holy Love – the Immaculate Heart of Mary – that this union of human and divine can be accomplished. In a Message given by Jesus on **May 25, 2001** – Jesus says: “Holy Love is the title I give to the Two Great Commandments of Love – to love God above all else and your neighbor as yourself. This is the virtue which shines through every virtue, for without Holy Love in the heart, every virtue is but superficial. My Mother’s Immaculate Heart is Holy Love. In the Flame of Love - the Flame of Her Heart - pronounced faults are burned away from the face of each soul who surrenders to love. Holy Love - My Mother’s Heart - is the First Chamber of My Sacred Heart. This is so, for We are united in spirit, each one to the other. We are thus united, for our love for each other is perfect-without flaw. Through the Chambers of My Heart the soul is continually called to a deeper surrender to love - a more perfect love. The goal of My call is union with the Divine Will, for My Father’s Will is Perfect Love. The peace every heart seeks is Holy Love. The peace the world seeks is unattainable except through Holy Love.”

Jesus tells us that this goal of His call for every heart to be in union with the Divine Will is the only way to have true peace in every heart and in the world. However, for this to become a reality, every heart must first seek out Divine Mercy beginning in the First Chamber – Our Lady’s Immaculate Heart. Jesus tells us this in a Message given on **March 30, 2008 – Divine Mercy Sunday – Midnight Service at the United Hearts Field**, as Jesus says: “My Father desires that a bond of love be established between His Heart and the heart of all mankind. This is the goal of all these Messages,

of all the graces given here, and of the journey through the Chambers of Our Hearts. This cannot take place until the heart of man is cast into the Ocean of My Divine Mercy. To do so, each soul must open his heart to self-knowledge, recognizing his own iniquity. In order to reach the pinnacle of Divine Love, the soul must first seek out My Mercy, for My Mercy is intrinsic to Divine Love. In the First Chamber, My Mother’s Heart, which is Holy Love, the soul is tendered the grace to acknowledge his sins and turn with a repentant heart to My Mercy. Then, through Divine Mercy, he is led through the subsequent Chambers. I tell you, Divine Love and Divine Mercy come together in Unitive Love. Both Love and Mercy are sorely tried by a generation that opposes Creation itself. Each time God’s Divine Will is opposed the whole world suffers. Every time a prayer rises to Heaven from the heart or a Message is received from Heaven or an apparition from Heaven takes place, the negative force of sin is opposed.”

As the soul, through surrender of self-love in the Purifying Flame of the Immaculate Heart – the Flame of Holy Love, is able to trust in Divine Mercy and Divine Love, he will find that he will rapidly progress into the Second and subsequent Chambers of the United Hearts and, as a result, experience the true peace for which he yearns. Jesus explains this process to be much like the purification of the soul in the Flames of Purgatory, although less spiritually painful and more rapid. In a Message on **October 22, 2009** – Jesus says: “The tabernacle of My Heart opens quickly - easily - to the one who approaches Me through the Flame of My Mother’s Heart. For it is this Flame of Holy Love that illuminates the soul of all error and purges the human heart of guilt

and unforgiveness; then the soul can, with freedom, move swiftly into the subsequent Chambers of Our United Hearts. Trust in My Mercy - trust in My Love - propels the soul forward quicker than any suffering of Purgatory. This cherished trust grows deeper as the soul advances into My Heart. Peace is always the barometer of such trust. The more the soul trusts in itself, the less peace he has. True peace is the fruit of trust in Divine Mercy and Divine Love.”

We can surely understand the importance of the Flame of Holy Love in the Immaculate Heart of Mary – the First Chamber of the United Hearts – as the soul begins the journey of personal holiness toward union with and immersion in the Divine Will. This importance is further highlighted in a Message given on **May 10, 2011** – as Jesus says: “I invite all people to understand more deeply the Flame of Holy Love that is My Mother’s Heart. The journey through this Torch of Love is the journey to conversion. Thus, understand the conversion of the world has been entrusted to the Flame of Holy Love. No one begins this journey outside of the invitation of grace. No one perseveres in this journey except in his free will choice to accept grace. The reason this Mission has been able to persevere through such unusual trials and obstacles is the continual call to conversion I offer the world through Holy Love. My call is the hope of a spiritually apathetic world. My Mother’s Heart and the Flame of Holy Love are the spiritual resources of this age before I return. This is the age of preparation before My return - the age of love engulfed in My Mercy.” This continual call of all souls toward conversion back to God through the journey of personal holiness, which begins in the First Chamber, is often emphasized by Heaven, as in a

Message given on **June 22, 2001**
– **the Feasts of the Sacred Heart**
& **Immaculate Heart – Midnight**
Service at the United Hearts Field

– as the Blessed Mother comes as Refuge of Holy Love and says: “I come to you tonight as My Son has sent Me to seek your conversion. Many of you have lukewarm hearts. Still others are not practicing their faith. The journey to your conversion in this present moment is paved with love. The heart that surrenders to My call to holiness through Holy Love becomes My instrument in the world. Through such a heart I am able to begin, continue and complete My Victory. The journey into the Chambers of My Son’s Most Sacred Heart is the only preparation you need for the future. When you surrender to Holy Love you begin the journey, and it is a sign to Satan that you belong to Me. Though the adversary will test you, he cannot win you over if you remain within this call to Holy and Divine Love which is the journey into these Sacred Chambers.”

It is evident, from these Messages of the Revelation of the Chambers of the United Hearts, that Heaven is giving humanity every opportunity toward attaining salvation and is providing a clear path or blueprint toward that end, while also alerting us of Satan’s desire to thwart or divert humanity from achieving this goal. The importance of following this spiritual journey of holiness is explained in a Message given on **January 12, 2011** – as Jesus says: “For who else but Satan would come against My call to live out My Commandments of Love? Who else would oppose prayer and sacrifice? Who else would cast aspersions upon this call to reclamation of the soul of humanity? But it is time to move beyond all the negatives, and pursue the spiritual journey through

the Chambers of the United Hearts. Each soul has the responsibility of reviewing his relationship with his Creator through the Commandments of Holy Love. Whether he believes in this Mission or not, he is obliged to live in Holy Love, for Holy Love is his judge. No one can hold himself above this call. It is the soul’s perfection in Holy Love which determines the depth of his personal holiness. This call is not lessened by the soul’s inability to believe in it. This call to live in Holy Love is a constant. Holy Love is the Heart of My Mother and the Ark of this new Covenant of Love. The Ark of this final Covenant is not physical but spiritual. The physical presence of this Mission in the world and the property, the Messages, conversions, and healings are doorways to the Ark of the new Covenant of Love. The presence of Divine Love in and through these ‘doorways’ is the ultimate call into the Divine Will of My Father. You can readily see, then, why evil is so opposed to My call here. But I continually ask that you ignore those who try to dissuade you from listening to and believing in My call here, and live the Messages wholeheartedly.”

Continuing along in this series of making the spiritual journey of personal holiness through the Chambers of the United Hearts, **Part**

11 will focus on examining the United Hearts Revelation Messages on the **Second Chamber of the United Hearts – Holiness – Divine Love**. As we begin to explore the spirituality of this Second Chamber of the United Hearts as well as the subsequent Chambers, it may be appropriate to always review and keep in our minds and hearts the following Message given on **October 24, 2001** – as St. Thomas Aquinas says: “Today you have been invited on a journey – a journey which leads to your sanctification and to Heaven Itself. Our Lady’s Victory and the Triumph of the United Hearts are in your hands now, for the battle will only be won through love. **When you allow Holy Love to consume your heart, Our Lady is already triumphant in your heart. But you must spread the victory to other hearts by making this journey known. Do not waste time trying to evaluate which Chamber you are in. To do so would be presumption. Jesus alone is the Judge. Just keep moving forward as you would on any journey. Do not be satisfied with where you are on the journey. The goal is perfection through love. Nor should you be discouraged by comparing your journey in love to another, for I tell you, each one’s journey is different.**” ■
