Situated off Sibsey Road, **Boston Gate** is a new development of traditional two, three, four and five bedroom family homes with 16 different property types set in the attractive Lincolnshire port town of Boston.

Historic Boston, from where the 'pilgrim fathers' set sail for the New World, offers a blend of urban and rural living unique to small towns. Boston is a popular place for families to live, offering good shopping and schools alongside a wide variety of activities, including museums, nature reserves, entertainment and sports right on the doorstep.

Sports facilities and clubs cover a range of activities for all the family including football, rugby, cricket, swimming, sailing and golf.

The A17 and A52 both link into Boston with access to surrounding towns, cities and coastal routes.

Boston station offers rail services to Nottingham (via Sleaford) to the west, the seaside resort of Skegness to the north-west and to London, the north of England and Scotland via Grantham on the East Coast main line.
