“Very detailed and
comprehensive review of a
broad scope of topics from
engaging and knowledgeable
speakers.”

– Dan Ross, MD, FAAP

An Intensive Review and Update of Developmental-Behavioral Pediatrics

Sponsored by the American Academy of Pediatrics (AAP), the
AAP Section on Developmental & Behavioral Pediatrics, and
the Society for Developmental & Behavioral Pediatrics (SDBP)

Phoenix, Arizona
November 28-December 2, 2012

Sheraton Phoenix Downtown

You should attend DB:PREP® if you are:

- A pediatrician, family physician, primary care physician, or academic generalist seeking current and practical information in the field of developmental-behavioral pediatrics
- Preparing to participate in the Subspecialty Certifying Examination in Developmental-Behavioral Pediatrics or Maintenance of Certification™ (MOC)
- A developmental-behavioral pediatric specialist seeking a comprehensive review of developmental-behavioral pediatrics
- A pediatric resident or fellow seeking current and practical information in the field of developmental-behavioral pediatrics
- A physician assistant, pediatric nurse practitioner, or other allied health professional with a special interest in developmental-behavioral pediatrics

Earn a Maximum of 34.5
AMA PRA Category 1 Credits™

Register online at www.pedialink.org/cmefinder
or call toll-free, 866/THE-AAP1 (866/843-2271)

SDBP
Society for Developmental
& Behavioral Pediatrics

American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN™

WHAT IS DB:PREP®?

DB:PREP® is a comprehensive review of developmental-behavioral pediatric medicine for both the pediatric subspecialist and the primary care physician. Topics addressed are consistent with the major headings of the content outline developed by the American Board of Pediatrics (ABP) for the Subspecialty Certifying Examination in Developmental-Behavioral Pediatrics. In addition, coding and payment sessions specifically for this field of medicine are offered.

WHY SHOULD YOU ATTEND DB:PREP®?

- Experience an intensive review and update of developmental-behavioral pediatrics to help you recognize, understand, and manage your patients more effectively and efficiently.
- Engage in meaningful interaction with colleagues and a nationally renowned faculty of experts.
- Enhance your ability to diagnose and manage complex or difficult cases through interactive case analysis.
- Participate in a variety of learner-centered formats that will assist in organizing your knowledge and competence in developmental-behavioral pediatrics.
- Participate in case-based presentations that will allow you to apply the information learned readily in your own practice.
- Network and discuss cases with the faculty and your peers throughout the course including during scheduled “Meet the Faculty” sessions.
- Attend plenary lectures and small-group breakout sessions that are designed to address the most salient aspects of the content specifications for the American Board of Pediatrics Subspecialty Certifying Examination in Developmental-Behavioral Pediatrics.

“The topics covered were all pertinent to my daily practice.”

– Kathleen Shefner, MD, FAAP

THIS CME ACTIVITY IS DESIGNED TO:

- Provide a comprehensive review and update in developmental-behavioral pediatrics for both office-based clinicians and subspecialists.
- Assist in preparing you for the Subspecialty Certifying Examination in Developmental-Behavioral Pediatrics or Maintenance of Certification™ (MOC).
- Enhance your ability to recognize and manage complex or difficult cases in developmental-behavioral pediatrics across the age spectrum.
- Provide a forum for informal learning in small group settings, through interaction with faculty, and by networking with colleagues.
- Improve your ability to code developmental-behavioral services, thereby enhancing payment for them.
- Help you devise an action plan for producing effective change in practice.

CONTINUING MEDICAL EDUCATION CREDIT

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 34.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 34.5 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

This program is accredited for 34.5 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Tuesday, November 27, 2012

5:00-7:00PM Registration

Wednesday, November 28, 2012

6:30-7:30AM Registration/Continental Breakfast/
Visit the Exhibits

8:00-8:20AM **Welcome/Moderator Announcements**
Dr Franklin Trimm
Dr Carol Weitzman

DISCLOSURE OF FINANCIAL RELATIONSHIPS AND RESOLUTION OF CONFLICTS OF INTEREST

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.

SCHEDULE AND FACULTY

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit www.pedialink.org/cmefinder for schedule, faculty, and session updates.

**"The perfect balance of lectures and
concurrent sessions!"**

COURSE SPONSORS

AMERICAN ACADEMY OF PEDIATRICS (AAP)

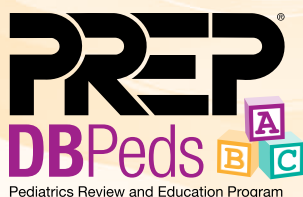

The AAP is an organization of 60,000 primary care pediatricians, pediatric medical subspecialists, and pediatric surgical specialists committed to the attainment of optimal physical, mental, and social health and well-being for all infants, children, adolescents, and young adults.

AAP SECTION ON DEVELOPMENTAL AND BEHAVIORAL PEDIATRICS

The AAP Section on Developmental and Behavioral Pediatrics was founded in 1960 for members primarily interested in developmental and behavioral pediatrics. The mission of the section is to strengthen collaboration between primary care pediatricians, developmental and behavioral subspecialists, and families to ensure children receive comprehensive high quality developmental and behavioral pediatric care. The Section actively supported the movement to make developmental and behavioral pediatrics a board-certified subspecialty. The Section on Developmental and Behavioral Pediatrics provides educational programming, produces a biannual newsletter, and maintains a discussion board as one of the vehicles for member communication. In addition, the Section's website, www.dbpeds.org is a rich resource for both the subspecialist and the general pediatrician. Visit the website for current activities. To find out more about joining the Section, call 800/433-9016 or visit www.dbpeds.org.

SOCIETY FOR DEVELOPMENTAL & BEHAVIORAL PEDIATRICS (SDBP)

The SDBP is an international organization dedicated to improving the health of infants, children, and adolescents by promoting research, teaching, and clinical practice in developmental and behavioral pediatrics. The vision statement of the SDBP is to be the interdisciplinary leader in optimal developmental and behavioral health for all children. Formed in 1982 and comprised of more than 700 members, the society strives to promote an understanding of the social, educational, and cultural influences on children. The Journal of Developmental & Behavioral Pediatrics (JDBP), the official journal of the SDBP, is published nine times per year, and the Society also conducts an annual scientific meeting. Membership in SDBP includes a subscription to the JDBP as well as the SDBP newsletter, "Behavioral Developments." For more information or to apply for membership, contact the SDBP National Office at 703/556-9222, via e-mail at info@sdbp.org, or visit <http://www.sdbp.org>.

<http://prepdb.aap.org>

Developmental-Behavioral Pediatric Self-Assessment Program

PREP® DBPeds is the online self-assessment program that delivers clinically relevant, peer-reviewed questions, in-depth discussions of preferred answers and references for further study—all mapped to the American Board of Pediatrics (ABP) subspecialty content specifications.

PREP® DBPeds is approved for 20 points by the American Board of Pediatrics for MOC Part 2: Lifelong Learning and Self-Assessment.**

Get bank of 288 questions and save up to \$192! Ask about our 3-year review package. **Don't miss the opportunity to subscribe at the special rate!**

*Includes renewals. Offer is only good if purchased during exhibit hours.

** All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed on the ABP's Activity Catalog within each physician's ABP Portfolio.

GOOD NEWS! DB:PREP® course attendees receive \$15 off any subscription!

Visit the AAP Journals & Periodicals exhibit to find out more about the Developmental-Behavioral Pediatrics self-assessment program that covers key ABP content specifications for subspecialties.

HOTEL AND TRAVEL INFORMATION

SHERATON PHOENIX DOWNTOWN

340 North 3rd Street
Phoenix, AZ 85004
Direct Phone Number: 602/262-2500
Toll-free Phone Number: 800/325-3535
Guest Fax Number: 602/262-2501

Special group rates beginning at \$139 per night, plus tax, for single or double occupancy, have been negotiated at the Sheraton Phoenix Downtown. These rates represent substantial savings from published rates. **The cutoff date for reservations at the group rate is October 31, 2012. Call the hotel directly to make your reservations.**

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to October 31, 2012; in such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

GROUND TRANSPORTATION

For information on shuttle service from Phoenix Sky Harbor International Airport, contact SuperShuttle at 602/244-9000. Taxi service is also available.

PARKING

Self-parking is available at the hotel for a fee. Attendees staying at the hotel will receive a discounted self-parking rate.

CHILD CARE

You may contact the hotel concierge if you require child care services.

AIR TRANSPORTATION

The AAP offers negotiated discounted fares to its CME courses. Please call the AAP Travel Office for details at 888/227-1772. AAP members can book their arrangements online through RES-X, the official Internet booking engine for the AAP Travel Office. Log in to the Member Center of the AAP website (www.aap.org/moc). The RES-X icon is located under the AAP Travel Office site or you can access RES-X directly at www.resx.com.

Company: AAP

Member ID: AAP USER (Use for first time only)

Password: Leave blank and bypass the first time. Click GO.

CAR RENTAL DISCOUNTS

The AAP Travel Office is offering CME course attendees a reduced car rental rate through Hertz and Avis. Please ask your AAP Travel Agent for details or contact Hertz at 800/654-2240 or www.hertz.com and use code CV#01570016 or Avis at 800/331-1600 or www.avis.com and use code A628999.

"Topics covered were relevant to my practice."

GENERAL INFORMATION

REGISTRATION

Using your VISA, MasterCard, American Express, or Discover, fax your registration to **847/228-5059 or 847/228-0604 or, call toll-free, 800/433-9016, option 3.** Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card and educational track selection ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly. Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.

As part of your registration, you will receive course materials that support and augment information provided in the educational sessions. This comprehensive syllabus is designed to be a valuable take-home reference tool. You will receive your syllabus onsite.

SPECIAL NEEDS

The AAP is sensitive to the special needs of its attendees. Please indicate any accommodations on your registration form. Scooter and wheelchair rentals are available by contacting ScootAround, Inc., toll-free at 888/441-7575, by e-mail at info@scootaround.com, through their website at www.scootaround.com, or by fax at 204/478-1172.

“Great talks with the latest research.”

– Deborah Mishek, MD, FAAP

CANCELLATIONS

Cancellations must be received by **October 31, 2012** to receive a refund. An administrative charge of \$50 will be deducted.

UNABLE TO ATTEND?

While nothing can replace the experience of being at DB:PREP®, not everyone can attend in person. To meet your needs, audio/visual recordings of the lectures and concurrent sessions will be available for purchase following the course. To order the recordings on CD, flash drive, or MP3 player, visit Digital Conference Providers, Inc., online at www.dcporder.com/aap or call 630/963-8311. Orders will not be accepted online until two to three weeks after the course has ended.

SYLLABUS

In consideration of our environment, the syllabus for DB:PREP® will be distributed to all attendees on a USB flash drive. The USB flash drive will contain all of the PowerPoint presentations for the various educational sessions along with other useful information. In addition to viewing the information, you will also be able to take notes directly on the USB flash drive contents, much in the same way you would with a printed syllabus. If you are interested in viewing the contents of the electronic media while in Phoenix, we encourage you to bring a laptop computer.

Because the AAP understands that individuals have different learning styles, you may choose to order a printed copy of the syllabus if you prefer that format. If you would like a printed copy of the syllabus, please select that option on the course registration form. Please note that an additional fee of \$75 applies. Also, to receive a printed syllabus in Phoenix, you must register by **October 31, 2012**.

Note: There may be printed copies of the syllabus available for purchase onsite or after the course; however, quantities will be limited. The price for a printed syllabus ordered onsite or after the course is \$250.

Due to the expense, we will not be able to provide electrical power for laptops in the meeting rooms in Phoenix. However, there is sufficient time during lunch to re-charge your laptop battery so that it will last through the end of the day.

REGISTRATION FORM

An Intensive Review and Update of Developmental-Behavioral Pediatrics

Phoenix, Arizona • November 28-December 2, 2012
Sheraton Phoenix Downtown

Your registration will be confirmed. Please contact the AAP Registration Area if you do not receive a confirmation within 7 days. The AAP recommends that you do not make travel or hotel reservations that cannot be changed or cancelled without penalty until you receive your confirmation, as the AAP cannot be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at this course. Costs incurred, such as airline or hotel penalties, are the responsibility of the individual. The AAP reserves the right to cancel a course due to unforeseen circumstances or limit enrollments, should attendance exceed capacity.

- Check if you would like to share your contact information, including your email address, with SDBP.
- Sign me up for the AAP CME Listserv to receive information on upcoming AAP CME activities.

Or checks may be made payable to the American Academy of Pediatrics (United States only).

CHECK NUMBER: _____ **AMOUNT:** _____
(United States only)

Please do not send currency.

PHOENIX, ARIZONA

Winter is the most popular time to visit Phoenix. With consistently sunny skies and high temperatures ranging between the high 60s and mid-70s, this desert metropolis offers a welcome taste of summer. While the rest of the country is battling snow and freezing temperatures, you can be teeing off at one of the Valley of the Sun's many golf courses, stretching your legs on Camelback Mountain, or getting pampered at one of the dozens of top-notch spas found throughout the city. Referred to as "L.A. without the Pacific," Phoenix combines high-end shopping, a flourishing restaurant scene, and luxurious resort life in the Sonoran Desert. Instead of golden beaches and palm trees, you'll have vibrant red mountains and cacti-lined boulevards. Phoenix's setting is so attractive that the one-time ranch town has morphed into the fifth-largest city in the U.S. Use each part of town for what it does best. Shop in Scottsdale, then party in Tempe. Check out the museums in downtown Phoenix, then hike in Carefree. A stroll through the Desert Botanical Garden and a hike up Camelback Mountain are also musts. Laid-back travelers can spend money at the city's outdoor and indoor shopping malls. And those that are feeling lucky can try their hands at one of the reservation casinos. For more information about the area, go to www.visitphoenix.com.
