4. All public and private schools are required to register online and submit the **ONLINE MMC Form 1** via <http://metrobankmathchallenge.com>. Also, DepEd Division Mathematics Supervisors are required to accomplish the MMC Form 2 through the MMC online portal (<http://onlineportal.metrobankmathchallenge.com>).
5. The Division Mathematics Supervisors shall be in-charge of the preparation, implementation and documentation of the **Eliminations and Division Competitions**, including preparation of the program and selection of qualified officials to serve as judges, proctors, and hosts/quizzmasters. They will also be responsible for settling all questions, including protests, which may arise in the course of the competition. Alternatively, a panel of advisers may be formed by the Schools Division Superintendents.

6. To maintain security and confidentiality of the test questions, the Division and Regional Mathematics Supervisors—with the assistance of the MTAP representatives—shall document the turn-over of the test materials, and all packages in different stages of the competition, which will be opened simultaneously at exactly 8:00 a.m. on the specified dates.

7. All concerned are advised to read carefully the MMC Document No. 2 for the Operating Guidelines, as new policies are strictly implemented.

8. For the **Regional Finals**, the Regional Mathematics Supervisors shall be in-charge of the preparation, implementation and documentation, including the preparation of program, designation of judges, proctors, correctors for the individual competition and hosts/quizmasters. 10. For the **National Finals**, the following are the qualifications in determining the 10 National Finalists for both individual and team competitions in the elementary and junior high school levels:

- a. Top scorers for both Categories A and B in the National Capital Region (NCR);
 - The two categories, A and B, are for NCR only. Category A is for regular public schools while Category B is for Science High Schools, Chinese schools and other performing public and private schools identified by the MTAP and City Schools Divisions of NCR. This categorization was made to give regular schools chances to compete, and has been the practice of NCR as the primary partner of MTAP when they initially started the Math Challenge.
- b. Top scorer in each geographical area (the rest of Luzon, Visayas, and Mindanao); and
- c. Remaining five top scorers across all regions.

11. From the elimination round of the regional level competition, the participants shall shoulder expenses on transportation, meals, and accommodation (if applicable).

12. At the national level, the MBFI shall finance the transportation expenses, accommodation and meal allowance of the national finalists and their coaches. MBFI shall also provide the awards for the winners from the division finals (medals) to the regional and national finals (cash incentives, medals, and trophies). Cash incentives will also be awarded to the coaches of regional and national finalists.

OPERATING GUIDELINES

MMC Document No. 2

I. SCHOOL LEVEL:

1. It is recommended that schools conduct their own mini-competition using a written exam by grade level to determine the best candidates who will join the MMC elimination rounds.
2. The top three students per grade level who will obtain the highest scores will represent the school in the Elimination Round.

Note: The elimination round is open to ALL interested schools, both private and public. It is suggested that school districts should not conduct their own elimination to choose contestants for the whole district. This is to give each school equal chances of joining.

3. There shall be a maximum of (18) pupils for Elementary and/or (12) students for Junior High School in every participating school, broken down as follows.

Example:	School A (Grades 1-6)					
Grade	1	2	3	4	5	6
Number of Pupils	3	3	3	3	3	3
Total	18					

Example:	School A (Grades 7-10)			
Grade/Level	7	8	9	10
Number of Pupils	3	3	3	3
Total	12			

4. **ALL public and private schools** must accomplish an online registration (MMC Form No. 1) via the MMC portal: <http://metrobankmathchallenge.com>. They must then print and submit the online MMC Form No. 1 (email confirmation) to the DepEd Division Math Supervisors where their school is located on or before **November 17, 2018**.
5. The School contestants and their respective coaches must present the **printed copy of online MMC form No. 1 (email confirmation)** to the registration in-charge together with their identification cards during the Elimination Round on **January 17, 2019** (Elementary) or **January 18, 2019** (Junior High School). This serves as permit in joining the competition. **"No permit, No Entry"** policy shall be implemented.
6. The DepEd Division Math Supervisors shall then review and approve the MMC Form No. 1 submissions and assign the testing centers of the participating schools (**MMC Form No. 2**) **ONLINE** through the **MMC online portal** using this web address <http://onlineportal.metrobankmathchallenge.com> on or before **November 26, 2018**. Instructions are in **MMC Document No. 5**. Failure to submit may be a ground for disqualification of the Division in conducting the elimination round, which is scheduled on **January 17-18, 2019**.
7. DepEd Division Math Supervisors' access on the MMC online portal and **MMC Document No. 5** will be available on **November 15, 2018**.

II. ELIMINATION ROUNDS

8. The DepEd Division Math Supervisor shall be in-charge of the preparation, implementation and documentation of the Elimination Rounds competition. He/she will also be responsible for settling all questions, including protests, which may arise in the course of the competition, or a panel of advisers may be formed by the Schools Division Superintendent.
9. The test materials shall be prepared by the MMC secretariat and transmitted through the pre-assigned Metrobank branch for each Division. The pre-assignment and matching will be done by Metrobank Foundation.
10. In case there is no Metrobank branch in the area, the test materials shall be delivered directly to the DepEd Division Office/s addressed to the Schools Division Superintendent.
11. The concerned Branch Manager or Schools Division Superintendent shall turn over the questionnaires personally to the Division Math Supervisor on **January 17, 2019** for Grades 1-6 and **January 18, 2019** for Grades 7-10.
12. The Division Math Supervisor shall then turn over the questionnaires to the Testing Center Coordinators on the same dates. A certification on top of the package which contains the questionnaires will be signed by the Metrobank Branch Manager, Schools Division Superintendent, the Division Math Supervisor, and the Testing Center Coordinator to document the said turnover of test questionnaires.
13. A Division may have one or more testing centers depending on the distance between the schools, the size of the Division and the number of participating schools. It will be feasible to have one center per District for the elementary category. For the Junior High School category, a cluster of towns may have one center. A cluster of City Divisions with very few Secondary schools may also have just one center.
Example: Suppose Division A has 20 participating schools. Then, there will be 20 x 3 or 60 students/grade level or a total of 360 pupils from Grades 1 to 6 who will take the test in the Center. If those 20 schools are very far from each other, the Division may have more than one center for them.
14. The test materials will be opened publicly by the Testing Center Coordinator just before the start of the competition at **8:00 a.m.** A short opening program may be conducted where the materials will be officially opened. A certification will be signed by the Testing Center Coordinator and selected proctors to document the proceedings.
15. In case the number of questionnaires sent is not enough, photocopying is **NOT ALLOWED**. Only pre-registered participants shall be allowed to take the test. Thus participating schools must ensure that they successfully accomplished and submitted their online registration MMC Form No. 1 via the MMC Online Portal & to their local DepEd Divisions and that the data encoded online (**MMC Form No. 2**) were submitted on time and accurate.
16. **The Elimination Round should be held simultaneously in all regions nationwide on January 17-18, 2019 at 8:30 a.m. As agreed upon by the MMC National Steering Committee, conduct of the contest other than this schedule is not allowed.**

17. The test papers will be corrected using the answer key provided. Please refer to the **Guidelines** in Checking the Test Papers.
18. *The winners of the elimination round should be announced as soon as test papers are corrected and within the date of the competition.* In case the results will not be released because of a valid reason (i.e. too many schools joined and the assigned correctors will not be able to finish checking the test papers on time), the Division Math Supervisor should announce the results not later than **January 21, 2019.**
19. Announcement of results of the elimination round should be formalized through the issuance and dissemination of a DepEd Division memorandum circular.
20. Concerned Division Math supervisors are also required to post the results of the elimination round ONLINE via the MMC portal.
21. The school scores of the whole Division per grade shall be ranked from highest to lowest. Please refer to the **MMC Document No. 3 (Contest Mechanics)** Item no. 13 for the guide in computing the total scores for participating schools.
22. The top 6 to 20 highest scoring schools qualify to participate in the **Division Team Finals** competition. The number of teams qualified to join the Division Finals is dependent on the number of participating schools in the elimination rounds. Please refer to matrix below:

Number of Participating Schools	Number of Teams to Qualify in the Division Finals	Number of Participating Schools	Number of Teams to Qualify in the Division Finals
15 or fewer	Top 6	31-35	Top 14
16-20	Top 8	36-40	Top 16
21-25	Top 10	41-45	Top 18
26-30	Top 12	46 or more	Top 20

Note: 20 is the maximum number of teams because based on experience, it is the most manageable number for an oral team competition.

23. The DepEd Division Math Supervisors shall then submit the summary of the number of teams which are qualified to join the Division Finals (**MMC Form No. 3**) **ONLINE** through the **MMC online portal** on or before **January 21, 2019.** Delay in the submission will cause delay in the sending of the test materials.
24. Certificates of Merit shall be awarded to students from Grades 1 to 10 who qualify under the following conditions based on their performance in the Elimination Rounds:

Rank	Grade 1 and 2	Grade 3 and 4	Grade 5 to 10
1 st Honors	For those who get 27 or more correct answers	For those who get 36 or more correct answers	For those who get 45 or more correct answers

3 rd Honors	For those who get 21 to 23 correct answers	For those who get 28 to 31 correct answers	For those who get 35 to 39 correct answers
