COVID-19 PROTOCOLS

- Sponsor signs will be provided by the MCA as usual.
- Please follow CDC guidelines when sponsoring the holes.
- Deer Run is requesting hole sponsors provide their own tables and chairs.
- Hole sponsors will be on the hole from 11:30am to approx 6:30pm.
- *Sponsors: Sponsors allowed to be at holes, practicing social distancing. No games or contests.
- We encourage sponsors to set up a 6'-0" perimeter to remind themselves and others to leave space. A folding table is only 2'-6" wide, so golfers should stand 3'-6" back from the table.
- *2 drink tickets per player included.
- *Deer Run continues to have two drink carts on the course.
- *Dinner will not be provided by Deer Run. We are not able to have a happy hour or raffle. After you complete your last hole this concludes your scheduled activities.
- The Golf Committee is reviewing alternate dinner options and will share the information if these are able to be worked out.
- Due to the additional time we will be on the course as well as other procedures undertaken by Deer Run, they are not able to offer discounted rates. We reviewed ala carte pricing but are still able to offer the best value with the contract we have used with them in years past. Pricing adjustments will not be made.
- There is not a standard set of laws governing golf course protocol. Different courses and organizations have slight variations on the protocols they are following. We have worked with Deer Run to understand their rules and provide guidelines to the best of our ability. Please let us know if you have questions or concerns.
