Welcome!

Welcome to our annual Production Sale. We value our many friends and customers that we have developed during our many years in the Hereford business. I am a 4th generation Hereford breeder with my great-grandfather, JD Meeks, originated our Hereford herd in the early 1900's in Texas. My grandfather, Alfred, moved his family and cowherd from Dalhart, Texas to our present location at the Upstream Ranch back in 1955. I'm very proud of the fact that we have been greatly involved in this great breed for such a long time.

Our goal and mission at the Upstream Ranch is to produce moderate framed, thick made, fast growing, efficient cattle that will be profitable in the commercial cattle industry. We always try to produce productive cattle that have a solid balance between calving ease, efficient growth, strong maternal traits with a heavy emphasis on udder quality, and improved carcass traits. We have worked really hard on improvement of carcass traits in our herd and I am quite pleased with the outstanding actual ultrasound data on this set of bulls along with their impressive carcass EPD's.

The Hereford business is in a very exciting time. The breed has made fabulous improvement over the past decade and I feel that trend will continue. Our genetic goal has always been to balance phenotype, EPDs, and pedigree acceptance into a high quality product. Integrity and a no-nonsense approach to raising cattle, something I learned from my Grandfather, will be our focus at Upstream Ranch. Soundness and problem-free production is our top priority in our cow herd.

I feel this is our strongest sale offering to date. The bull offering is really deep in quality. At this sale, buyers will have the opportunity to sort through many stout, thick made bulls with breed leading EPD's. The heifer offering has a great selection of cow prospects.. To insure high quality genetics for our customer base, we have a very intensive AI and ET program.

Call if we can answer any questions about the offering or the cow herd. We cordially invite you to be with us on Saturday, Feb. 4, 2017, for lunch and viewing of an offering we're proud to present. If you cannot be present at our sale we are excited to present it live on Rural TV through Superior video and DV Auction will be broadcasting it live.
