Transforming

35 TH ANNIVERSARY *Ending Hunger. Transforming Lives.*
1984 2019  **Loaves & Fishes**
Community Services

Dear Friends,

As we observe our 35th Anniversary, we look back at all that has transpired in the life of Loaves & Fishes, while we thoughtfully craft a meaningful and impactful future.

We are reflective on the many volunteers, donors, staff and community partnerships who have made us who we are today. From serving eight families out of a closet in St. Raphael Church in 1984 to our current sizable facility serving nearly 5,000 families a year, our organization has come a long way. We greatly appreciate your valued partnership and support over the years.

This year, our Grocery Assistance Program distributed 4 million pounds of food. We continue to focus on regular access to healthy food, offering more nutritious options through our Smart Check program.

Our CARES Programs continue to provide assistance and resources to help struggling families improve their overall health and progress toward self-sufficiency. Additionally, our collaborations with our community partners provide a network to help our clients gain independence.

This year we developed a new Strategic Plan. A key part of this plan focuses on the overall health of our clients and delivering impactful

programs that help people become more self-sufficient. This aspiration is critical because 1 in 5 people in DuPage County are in low income/poverty situations. We will work to achieve our goals with clients through concentration on healthy food, more health initiatives, and an outcome-based approach for all of our programs to build strong foundations for self-sufficiency.

Looking back, we have accomplished many significant things. We are continually amazed by the extraordinary support from our incredible volunteers, donors, partners, and many others. With your support, we will continue to make a significant impact on the substantial needs in our community. We look forward to working with you to help end hunger and transform lives.

Thank you again for your support.
