INDIVIDUAL
Giving Societies
ANNUAL REPORT
Great Futures Start With Great People

**BOYS & GIRLS CLUBS
OF AMERICA**

INDIVIDUAL *Giving Societies*

Thank you for your substantial support of Boys & Girls Clubs in 2016. Dedicated donors like you are essential to enabling Clubs to provide young people with the tools necessary to achieve great futures as productive, caring, responsible citizens.

Our 2016 Individual Giving Societies Annual Report recognizes donors who provide support for the mission of Boys & Girls Clubs through three distinct entities:

- The Jeremiah Milbank Society, which recognizes unrestricted gifts of \$10,000 or more;
- The Lifetime Giving Society, which recognizes cumulative giving over a donor's lifetime; and
- The Heritage Club, our deferred giving society.

Thousands of names are listed within this report. Collectively, they represent the heart behind Boys & Girls Clubs and a steadfast faith in the impact of the Club on young lives. Whether your contribution was to an annual campaign, the latest among gifts throughout your lifetime or is a deferred gift, you are providing critical support for our nation's youth. There is no more generous gift than one that prepares our young people for successful, productive and great futures.

Again, thank you for your commitment to youth and for your ongoing support of Boys & Girls Clubs.

Sincerely,

James L. Clark
President and CEO

This society recognizes donors who make unrestricted annual campaign gifts of \$10,000 or more to their Boys & Girls Club. Since its founding in 2004, The Jeremiah Milbank Society has generated an impressive \$368.3 million.

Society members collectively contributed \$35.2 million to support the mission of Clubs in 2016. There were more than 1,400 members in 2016, and 64 percent of those were renewing members, demonstrating a remarkable level of commitment to Clubs and the youth they serve.

The funds given by these generous donors help Clubs provide core services and programs to positively impact young people each and every day. Boys & Girls Clubs of America salutes all of the engaged and passionate members of The Jeremiah Milbank Society, and encourages others to follow their lead.

(This listing includes all names submitted to Boys & Girls Clubs of America by local Clubs for gifts received by Dec. 31, 2016. Due to reporting deadlines, names reported after Feb. 10, 2017 were not guaranteed inclusion. To the best of our knowledge, this information is complete and accurate.)

This society recognizes those generous individuals who have demonstrated their deep commitment to Clubs by contributing a minimum of \$250,000 during their lifetime. These caring individuals are improving the future of our nation by providing critical resources to help Clubs implement successful programs, improve their facilities and expand their operations to effectively serve more young people.

This year, the number of organizations enrolling Lifetime Giving Society members increased by 22.6 percent, and the number of members recognized increased by 47.9 percent. This lifelong dedication to Boys & Girls Clubs is truly impressive, and it shows in the numbers – so far, the total contributions by these donors is, at a minimum, \$340.7 million.

The Lifetime Giving Society is listed on the following pages by giving category:

PHILANTHROPIST	\$2,000,000 AND ABOVE
BENEFACTOR	\$1,000,000 - \$1,999,999
MENTOR	\$500,000 - \$999,999
LEADER	\$250,000 - \$499,999

These philanthropically-minded individuals are to be congratulated and honored for their extraordinary generosity over time.

(To the best of our knowledge this information is complete and accurate as of Dec. 31, 2016.)

This national recognition group acknowledges the thoughtful individuals who have included a Boys & Girls Club in their will or estate plans. By establishing a pipeline for future financial security, Heritage Club members ensure that Clubs will continue to provide vital programs and guidance for youth in the future.

Last year, nine organizations recognized their first Heritage Club member. Since The Heritage Club was established in 2003, more than 3,240 individuals have been recognized for their lasting legacy of support for Clubs and young people. As a result, there is now an estimated \$233 million in planned giving expectancies across the Boys & Girls Club Movement.

Boys & Girls Clubs of America proudly acknowledges and thanks these donors for their commitment to starting great futures for youth.

(The following list includes members of Heritage Clubs as of Dec. 31, 2016 that were submitted to Boys & Girls Clubs of America. Names submitted after that date will be included in the 2017 report. To the best of our knowledge, this information is complete and accurate.)
