## OUR MISSION

The mission of Pensacola Opera is to enrich the culture of Northwest Florida by producing professional opera performances, educational programs, and other opera-related community events for people of all ages, interests, and backgrounds.

## OUR VISION

To be the premier arts organization in Northwest Florida, and to be the premier opera company of the Southeast.

## A MESSAGE FROM THE CHAIRMAN OF THE BOARD

It was quite a year artistically for Pensacola Opera. We opened the preseason with *Glory Denied*, the haunting human drama of the longest held POW from the Vietnam Conflict made more poignant in an intimate salon setting. Thanks to Foo Foo Fest for sponsoring this powerful production. We opened our mainstage season with the blockbuster *Aida*, proving again why audiences never tire of this grandest of grand operas. Then we took a risk. We ventured outside the standard operatic canon, tackled a contemporary social issue, and challenged our audiences to see our art form as more than beautiful scores, lovely lyrics, and dazzling sets and costumes. Our production of Jake Heggie's *Dead Man Walking* was truly an artistic triumph.

But Pensacola Opera is more than our productions. Our Artists in Residence not only shared their amazing talents, they injected youth and energy to our company. Opera popped up in the streets of Pensacola and the Panhandle to the delight of impromptu audiences. Our education program reached into the schools to build future patrons. And our Jukebox Gala and Operazzi Ball were, as always, the highlight of the social season.

Above all, the 34<sup>th</sup> Season of Pensacola Opera is the triumph of dedicated people whose whole is far greater than the sum of our parts. Our talented staff. Our amazing Board. Our patrons. The ovation belongs to you.

**Lois Benson**  
Chairman of the Board

## A MESSAGE FROM THE EXECUTIVE DIRECTOR

As we take a moment to reflect on our 34<sup>th</sup> Season, we can be assured of our accomplishments. Our productions were presented with the highest caliber of musical and production integrity. As the company's Music Director and Conductor for the past 15 seasons, it has always been my great privilege to work with Kyle Marrero as he raised the bar and charted the artistic course for our company.

During our 35<sup>th</sup> Season, we celebrate Kyle's legacy and enter the final year of a three-year transition period that was envisioned in 2015. The appointment of Chandra McKern as our Managing Director, and my appointment as Executive Director were made with the full knowledge that Kyle's tenure with our company would soon end. At the end of our 35<sup>th</sup> Season, Chandra will assume the title and responsibilities of Executive Director, and it will be my great pleasure to serve as your Artistic Director. While it may seem like a game of musical chairs, it is actually one of the smoothest and well-orchestrated transitions I can reference in the world of opera.

We look forward to celebrating the 35<sup>th</sup> Season and saluting Kyle's legacy, confident in the knowledge that our new leadership model was based on the past, forged in the present, and provides confidence in our future.

**Jerome Shannon**  
Executive Director
