THE YEAR OF MERCY

Second Sunday of Easter or Sunday of Divine Mercy

Last year on this Sunday, Pope Francis declared this year a *Jubilee Year of Mercy*. Saint John Paul II named the Second Sunday of Easter “Sunday of Divine Mercy” in response to Saint Faustina Kowalska’s Divine Mercy devotion, which offered spiritual comfort to hearts worldwide. But Francis challenges us to make that comfort we receive a gift we gladly share: “We are called to show mercy because mercy has first been shown to us.” The clearest expression of merciful love, says Francis, is pardoning others. “At times how hard it seems to forgive!” he acknowledges. “And yet pardon is the instrument placed into our fragile hands to attain serenity of heart” (*Misericordiae Vultus*, 9). The necessary condition for living joyfully? “To let go of anger, wrath, violence, and revenge.” May Divine Mercy Sunday in this *Jubilee Year of Mercy* remind us that Jesus made mercy our life’s ideal and a criterion for our faith’s credibility: “Blessed are the merciful, for they will be shown mercy” (Matthew 5:7).

“CARE FOR OUR EARTH”

What is important about April 22? If you say it is EARTH DAY, you are on target! Every year since 1973, when Senator Lloyd Nelson arranged for this date to be set aside nationally to give special recognition and pay tribute to our caring and wonderful planet, Americans have gathered together to celebrate Her greatness. We Holy Family Parishioners will join in this celebration with the following:

- the liturgies of the weekend after Earth Day will focus on it;
- that SATURDAY THE FILM, “FOOD INC.” WILL BE SHOWN at 3:30 p.m., followed by a brief discussion (I urge you to come);
- canvas bags for shopping will be handed out (one to a family) after the weekend liturgies;
- a shredder will be available for disposing your important documents.

These activities are being offered by your Servant Leadership Team (Staff) and your Environmental Committee. In Virginia Beach, on April 23, Earth Day will be celebrated at Mt. Trashmore from 11:00 a.m. to 3:00 p.m. with environmental exhibits, food, music, and recycling available. Check your morning paper as April 22 draws closer for more events in our region, and their details.

“In the words of this beautiful canticle, Saint Francis of Assisi reminds us that our common home is like a sister with whom we share our life and a beautiful mother who opens her arms to embrace us. ... We have forgotten that we ourselves are dust of the earth (cf. Gen 2:7); our very bodies are made up of her elements, we breathe her air and we receive life and refreshment from her waters.” *“LAUDATO SI’, mi’ Signore” – “Praise be to you, my Lord” ~ Pope Francis*
