Rules for reference list

- All citations in your text must appear in your reference list.
- All entries in your reference list must appear as citations in your text.
- There must be a perfect match.

Rules for reference list (Cont'd)

- **Start a new page.**
- **Centre the title – References - at the top of the page.**
- **List sources alphabetically by first author's last name or by title if no author is given. Ignore 'a, an, the' at the beginning of a title when listing.**
- **Numerals in titles are alphabetized as if they were spelled out.**
- **Omit abbreviations such as Ph.D and titles such as Professor.**
- **Double-space.**
- **Flush left the first line of the entry and indent the subsequent lines (i.e. use hanging indent).**
- **Include all sources cited in the paper—except for personal communications.**
- **Use initials rather than authors' full first names.**

- Capitalize only the first letter of book and article titles.
- Capitalize all major words in journal titles.
- *Italicize* titles of longer works such as books and journals.
- Do not italicize , underline or put quotation marks around the titles of shorter works such as journal articles or essays in edited collections.
- Capitalize the first word after a colon or a dash in the title.
- Capitalize proper nouns.
- Do not capitalize the first letter of the second word in a hyphenated compound word.
- **For 21 or more authors, include the first 19 authors' names, then insert 3 dots (...) and add the final author's name.**

Multiple works by the same author

1. One author: arrange chronologically

Blake, B. R. (1990)

Blake, B. R. (1993)

2. One author, same year: order by title

Blair, S. M. (2000a). **Care and feeding...**

Blair, S. M. (2000b). **Observations...**

Listing alphabetically

Sometimes on two references, the first author will be the same, but the second author will be different.

List alphabetically by the second name.
