7 CFR Part 3560

7 CFR PART 3560 – DIRECT MULTI-FAMILY HOUSING LOANS AND GRANTS

Subpart A--General Provisions and Definitions

§3560.1 Applicability and purpose.

(a) This part sets forth requirements, policies, and procedures for multi-family housing (MFH) direct loan and grant programs to serve eligible very-low, low- and moderate-income households. The programs covered by this part are authorized by title V of the Housing Act of 1949 and are:

(1) Section 515 Rural Rental Housing, which includes congregate housing, group homes, and Rural Cooperative Housing. Section 515 loans may be made to finance multi-family units in rural areas as defined in §3560.11.

(2) Sections 514 and 516 Farm Labor Housing loans and grants. Housing under these programs may be built in any area with a need and demand for housing for farm workers.

(3) Section 521 Rental Assistance. A project-based tenant rent subsidy which may be provided to Rural Rental Housing and Farm Labor Housing facilities.

(b) The programs covered by this part provide economically designed and constructed rural rental, cooperative, and farm labor housing and related facilities operated and managed in an affordable, decent, safe, and sanitary manner.

(c) Internal Agency procedures containing details for Agency processing under these regulations can be found in the program handbooks, available in any Rural Development office, or from the Rural Development Web site.

§3560.2 Civil rights.

(a) As per the Fair Housing Act, as amended and section 504 of the Rehabilitation Act of 1973, all actions taken by recipients of loans and grants will be conducted without regard to race, color, religion, sex, familial status, national origin, age, or disability. These actions include any actions in the sale, rental, or advertising of the dwellings, in the provision of brokerage services, or in residential real estate transactions involving Rural Housing Service (RHS) assistance. It is unlawful for a borrower or grantee or an agent of a borrower or grantee:

(1) To refuse to make reasonable accommodations in rules, policies, practices, or services that would provide a person with a disability an opportunity to use or continue to use a dwelling unit and all public and common use areas; or

(2) To refuse to provide a reasonable accommodation at the borrower's expense that would not cause an undue financial or administrative burden, or to refuse to allow an individual with a disability to make reasonable modifications to the unit at their own expense with the understanding that the owner may require the tenant to return the unit to its original condition when the unit is vacated by the tenant making the modifications (see §3560.104(c)).

(b) Borrowers and grantees must take reasonable steps to ensure that Limited English Proficiency (LEP) persons receive the language assistance necessary to afford them meaningful access to USDA programs and activities, free of charge. Failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d and Title VI regulations against national origin discrimination. USDA has issued guidance to clarify the responsibilities of recipients and subrecipients who receive financial assistance from USDA and to assist them in fulfilling their responsibilities to LEP persons under Title VI of the Civil Rights Act, as amended, and implementing regulations.

(c) Any tenant/member or prospective tenant seeking occupancy in or use of facilities financed by the Agency who believes he or she is being discriminated against because of race, color, religion, sex, familial status, national origin, or disability may file a complaint in person with, or by mail to the U. S. Department of Agriculture's Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, Washington, DC 20410. Complaints received by Agency employees must be directed to the National Office Civil Rights staff through the State Civil Rights Manager/Coordinator.

(d) Borrowers or grantees that fail to comply with the requirements of federal civil rights requirements are subject to sanctions authorized by law. The following are the major civil rights laws affecting multifamily housing loan and grant programs:

- (1) Equal Credit Opportunity Act (ECOA).
- (2) Title VI of the Civil Rights Act of 1964.
- (3) Title VIII of the Civil Rights Act of 1968.
- (4) Section 504 of the Rehabilitation Act of 1973.
- (5) Age Discrimination Act of 1975.
- (6) Title IX of the Education Amendments of 1972.

§3560.3 Environmental review requirements.

RHS will consider environmental impacts of proposed housing as equal with economic, social, and other factors. By working with applicants, Federal agencies, Indian tribes, state and local governments, interested citizens, and organizations, RHS will formulate actions that advance program goals in a manner that protects, enhances, and restores environmental quality. Actions taken under this part must comply with the environmental review requirements in accordance with 7 CFR part 1970. Servicing actions as defined in § 1970.6 of this title are part of financial assistance already provided and do not require additional NEPA review. However, certain post-financial assistance actions that have the potential to have an effect on the environment, such as lien subordinations, sale or lease of Agency-owned real property, or approval of a substantial change in the scope of a project, as defined in § 1970.8 of this title, are actions for the purposes of this part. (Revised 04-01-16, SPECIAL PN.)

§3560.4 Compliance with other Federal requirements.

RHS is responsible for ensuring that the application is in compliance with all applicable Federal requirements, including the following specific requirements:

- (a) Intergovernmental review. 7 CFR part 3015, subpart V, or any successor regulation, including the Agency supplemental administrative instruction, RD Instruction 1970-I, available in any Rural Development office.
- (b) National flood insurance. The National Flood Insurance Act of 1968, as amended by the Flood Disaster Protection Act of 1973; the National Flood Insurance Reform Act of 1994; and 7 CFR part 1806, subpart B, or any successor regulation.

(c) Clean Air Act and Water Pollution Control Act Requirements. For any contract, all applicable standards, orders or requirements issued under section 306 of the Clean Air Act; section 508 of the Clean Water Act, Executive Order 11738, and 40 CFR part 32.

(d) Historic preservation requirements. The provisions of 7 CFR part 1901, subpart F or any successor regulation.

(e) Lead-based paint requirements. The applicable provisions of 24 CFR part 35, subparts A through D, J, and R, as published by the U.S. Department of Housing and Urban Development.

§3560.5 State, local or tribal laws.

Borrowers must comply with all applicable state and local laws, and laws of Federally-recognized Indian tribes to the extent they are not inconsistent with this part.

§3560.6 Borrower responsibility and requirements.

(a) Borrower responsibilities and requirements specified in this part may be carried out by an individual or entity designated by the borrower to act on behalf of the borrower such as a resident manager or management agent. Ultimate accountability to the Agency, however, is with the borrower whether or not the borrower designated another person or entity to act on the borrower's behalf.

(b) Borrowers who have not executed a loan agreement, and who were not required to execute a loan agreement by the regulations in effect at the time of their loan closing are exempt from the requirements of subparts D through G of this part, as long as the borrower is not in default of any applicable requirement, security instrument, payment, or any other agreement with the Agency. Such borrowers must provide evidence of tenant income eligibility in accordance with §3560.152(a), except in Farm Labor Housing where the tenant is not paying shelter cost.

§3560.7 Delegation of responsibility.

The RHS Administrator may delegate, on an individual or other basis, any decision-making responsibility for Agency programs, unless otherwise noted.

§3560.8 Administrator's exception authority.

The RHS Administrator may make an exception to any provision of this part or address any omissions provided that the exception is consistent with the applicable statute, does not adversely affect the interest of the Federal Government, and does not adversely affect the accomplishment of the purposes of the MFH programs or application of the requirement would result in undue hardship on the tenants. Exception requests presented to the RHS Administrator must have the concurrence of a Rural Development State Director or a Deputy Administrator for MFH.

§3560.9 Reviews and appeals.

Rural Housing Service decisions may be appealed pursuant to 7 CFR part 11.

§3560.10 Conflict of interest.

To reduce the potential for employee conflict of interest, all RHS activities will be conducted in accordance with 7 CFR part 1900, subpart D.

(2) To be eligible for funding consideration, MFH proposals must be submitted in accordance with the NOFA and must provide information requested in the NOFA for the Agency to score and rank the proposals.

(3) MFH proposals needing rental subsidies must include requests for Agency rental assistance or a description of any non-Agency rental subsidy to be used with the proposal and must provide information required by §3560.260 (c).

(4) The Agency will consider housing proposals requesting rental assistance in rank order to the extent rental assistance is available. When there is no rental assistance available, the Agency will consider only those housing proposals in rank order that do not require rental assistance.

(b) Preliminary proposal assessment. The Agency will make a preliminary assessment of the application using the following criteria and will reject those applications which do not meet all of these criteria:

(1) The proposal was received by the submission deadline specified in the NOFA,

(2) The proposal is complete as specified in the NOFA,

(3) The proposal is for an authorized purpose, and

(4) The applicant meets Agency eligibility requirements.

(c) Scoring and ranking project proposals. The Agency will score and rank each housing proposal that meets the criteria of paragraph (b) of this section.

(1) The following criteria will be used to score housing proposals as more completely established in the NOFA:

(i) The presence and extent of leveraged assistance in the proposal for the units that will serve tenants meeting Agency income limits at basic rents comparable to what the rent would be if the Agency provided full financing.

(ii) The proposal will provide rental units in a colonia, tribal land, Rural Economic Area Partnership (REAP) community, Enterprise Zone or Empowerment Community (EZ/EC) or in a place identified in the state Consolidated Plan or a state needs assessment as a high need community for MFH.

(iii) The proposal supports Agency initiatives announced in the NOFA.

(iv) The proposal uses a donated site which meets the following conditions:

(A) The site is donated by a state, unit of local government, public body or a nonprofit organization;

(B) The site is suitable for the housing proposals and meets Agency requirements;

(C) Site development costs do not exceed what they would be to purchase and develop an alternative site;

(D) The overall cost of the MFH is reduced by the donation of the site; and

(E) A return on investment is not paid to the borrower for the value of the donated site nor is the value of the site considered as part of the borrower's contribution.

(2) The Agency will rank housing proposals based on their scoring.

(i) When proposals have an equal score, preference will be given to Indian tribes as defined in §3560.11 and local nonprofit organizations or public bodies whose principal purposes include low-income housing that meet the conditions of §3560.55(c) and the following conditions.

(A) Is exempt from Federal income taxes under section 501(c)(3) or 501(c)(4) of the Internal Revenue code;

(B) Is not wholly or partially owned or controlled by a for-profit or limited-profit type entity;

(C) Whose members, or the entity, do not share an identity of interest with a for-profit or limited-profit type entity;

(D) Is not co-venturing with another entity; and

(E) The entity or its members will not be receiving any direct or indirect benefits pursuant to LIHTC.

(ii) A drawing will be held in the event of a tie score, first for proposals from applicants who meet the conditions of paragraph (c)(2)(i) of this section and next for proposals from applicants for which paragraph (c)(2)(i) of this section is not applicable. Each proposal will be numbered in the order in which it is drawn.

(3) The Agency will request initial loan applications from parties who submitted the housing proposals with the highest ranking, taking into consideration available funds. The Agency will notify non-selected parties with the reasons for their non-selection, and the process that may be used to seek a review of the non-selection decision.

(d) Processing initial loan applications. The Agency will review all initial loan applications submitted in accordance with Agency requirements to further evaluate the eligibility and feasibility of the housing proposals. This determination will include:

(1) A review of the preliminary plans and cost estimates,

- (2) A market feasibility review,
- (3) An Agency site visit to gather preliminary environmental information and determine that the proposed site meets the site requirements of §3560.58,
- (4) A review of the Affirmative Fair Housing Marketing Plan,
- (5) An analysis of current credit reports,
- (6) A review of Civil Rights Impact Analysis in accordance with 7 CFR part 2006, subpart P, and
- (7) Completion of environmental review requirements in accordance with 7 CFR part 1970. (Revised 04-01-16, SPECIAL PN.)

(e) Processing order of initial loan applications. The Agency will process initial loan applications in rank order, taking into account available funds. If any initial loan applications are withdrawn, rejected, or delayed for a period of time that will not permit funding in the current funding cycle, the Agency will process, in rank order, the next initial loan application as funding levels permit.

(f) Other assistance. During each stage of loan application processing, loan applicants must notify the Agency of all other assistance, including other Federal Government assistance proposed or approved for use in connection with the loan application.

(g) Proposal withdrawal or rejection. An applicant may withdraw a housing proposal, an initial loan application, or a final loan application at any time during the Agency review process with a written request. The Agency may reject a housing proposal, an initial loan application, or a final loan application at any time during the Agency review process when an applicant fails to provide information requested by the Agency within the time frame specified by the Agency.

(h) Final applications. Applicants, with initial loan applications that are selected by the Agency for further processing, must submit a final application, with any additional information requested by the Agency, to confirm and document a housing proposal's eligibility and feasibility, including an affirmative fair housing marketing plan. The Agency will notify applicants with initial loan applications that are not selected for further processing of their non-selection, the reasons for their non-selection, and the process that may be used to seek a review of the non-selection decision.

(i) Rural cooperative housing proposals. Rural cooperative housing loan proposals will be solicited through a NOFA and will be assessed and processed in the same manner described in paragraphs (a) through (h) of this section.

§3560.57 Designated places for section 515 housing.

(a) Establish a list of designated places. The Agency will establish a list of designated places from which loan proposals will be accepted. The list is updated each fiscal year and is available when the NOFA is published. The NOFA provides information on obtaining the list. This list will be developed from a list of rural places which the Agency identifies as having the greatest need for multifamily housing based on the following factors:

(1) Qualification as a rural area as defined in §3560.11,

(2) Lack of mortgage credit, and

(3) Demonstrated need for MFH based on:

(i) The incidence of poverty,

(ii) The existence of substandard housing,

(iii) The lack of affordable housing, and

(iv) The following high need areas:

(A) Places identified in the state Consolidated Plan or similar state plan or needs assessment report,

(B) Indian reservations or communities located within the boundaries of tribal allotted or trust land, and

(C) EZ/EC or REAP communities.

(b) Establishing partnership designated place list. The Agency, in states with an active leveraging program and formal partnership agreement with the state agency, may establish a partnership designated place list consisting of places identified by the partnership as high need areas based on criteria consistent with the Agency's and the state's authorizing statutes. The partnership agreement and partnership designated place list must have the concurrence of the Administrator.

(c) Administrator's discretion. The Administrator may add to the list of designated places any place that is determined to have a compelling need for MFH, for example, a place that has had a substantial increase in population not reflected in the most recent census data, or a place that has experienced a loss of affordable housing because of a natural disaster.

(d) Restrictions on loans in certain designated places.

(1) Initial loan applications will not be requested and final loan applications will not be closed for housing proposals in designated places where any of the following conditions exist:

(i) The Agency has selected another MFH proposal in the designated place for processing.

(ii) A previously funded Agency, the U.S. Department of Housing and Urban Development (HUD), low-income housing tax credit or other similar assisted MFH in the designated place has not been completed or has not reached projected occupancy levels.

(iii) Existing assisted MFH in the designated place is experiencing high vacancy levels.

(iv) A special note rent or other loan servicing tool is pending or in effect for other assisted housing in the designated place, or

(v) The need in the market area is for additional rental assistance and not additional rental units.

(2) Exceptions to the provisions in §3560.57(d)(1) may be made:

(i) When a group home is proposed for persons with disabilities in an area where the existing MFH is insufficient or unavailable for their needs; or

(ii) There is a compelling need for additional MFH, for example when the units that have been approved or are under development represent only a small portion of the total units needed in the community.

§3560.58 Site requirements.

(a) Location.

(1) New construction section 515 loans will be made only in designated places selected by the Agency in accordance with the requirements of §3560.57.

(2) Agency-financed MFH must be located in residential areas as part of established rural communities, except as permitted in §3560.58(b), and for farm labor housing units financed under sections 514 and 516, which may be developed in any area where a need for farm labor housing exists.

(3) Communities in which Agency-financed MFH is located must have adequate facilities and services to support the needs of tenants.

(4) Housing complexes will not be located in areas where there are undesirable influences such as high activity railroad tracks; adjacent to or near industrial sites; bordering sites or structures which are not decent, safe, or sanitary; or bordering sites which have potential environmental concerns such as processing plants. Sites which are not an integral part of a residential community and do not have reasonable access, either by location or terrain, to essential community facilities such as water, sewerage removal, schools, shopping, employment opportunities, medical facilities, may not be acceptable. Consistent with Federal law and Departmental Regulation, the Agency must conduct an environmental assessment and a civil rights impact analysis before a site can be accepted. Sites may be determined by the Agency to be unacceptable if any of the adverse conditions described in this paragraph exist.

(b) Structures located in central business areas. The Agency will consider financing construction or the purchase and substantial rehabilitation of an existing structure located in the central business area of a rural community. With prior consent from the Agency, a portion of such a structure may be designated for commercial use on a lease basis. RHS funds may not be used to finance any cost associated with the commercial space.

(c) Site development costs and standards. The cost of site development must be less than or comparable to the cost of site development at other available sites in the community and the site must be developed in accordance with 7 CFR part 1924, subpart C and any applicable standards imposed by a state or local government.

(d) Densities. Allowable site densities will be determined based on the following criteria:

- (1) Compatibility and consistency with the community in which the MFH is located;
- (2) Impact on the total development costs; and
- (3) Size sufficient to accommodate necessary site features.

(e) Flood or mudslide-prone areas.

- (1) The Agency will not approve sites subject to 100-year floods when non-floodplain sites exist. The environmental review process will assess the availability of a reasonable site outside the 100-year floodplain.
- (2) Sites located within the 100 year floodplain are not eligible for federal financial assistance unless flood insurance is available through the National Flood Insurance Program (NFIP). The Agency will complete Federal Emergency Management Agency (FEMA) Form 81-93, Standard Flood Hazard Determination, to document the site's location in relation to the floodplain and the availability of insurance under NFIP.

§3560.59 Environmental review requirements.

Under the National Environmental Policy Act, the Agency is required to assess the potential impact of the proposed action on protected environmental resources. Measures to avoid or mitigate adverse impacts to protected resources may require a change in the site or project design. Therefore, a site cannot be approved until the Agency has completed the environmental review requirements in accordance with 7 CFR part 1970. Likewise, the applicant should be informed that the environmental review must be completed and approved before the Agency can make a commitment of resources to the project. (Revised 04-01-16, SPECIAL PN.)

§3560.60 Design requirements.

- (a) Standards. All Agency-financed MFH will be constructed in accordance with 7 CFR part 1924, subpart A and will consist of two or more rental units plus appropriate related facilities. Single family structures may be used for group homes and cooperative housing. Also, manufactured homes may be used to create MFH and single family housing originally financed through section 502 of the Housing Act of 1949 may be converted to MFH. Maintenance requirements are listed in §3560.103(a)(3).
- (b) Residential design. All MFH must be residential in character, except as provided for in §3560.58(b), and must meet the needs of eligible residents.
- (c) Economical construction, operation and maintenance. Taking into consideration life-cycle costs, all housing must be economical to construct, operate, and maintain and must not be of elaborate design or materials.
 - (1) Economical construction means construction that results in housing of at least average quality with amenities that are reasonable and customary for the community and necessary to appropriately serve tenants.

(2) Economical operating and maintenance means housing with operational and maintenance costs that allow a basic rent structure less than or consistent with conventional rents for comparable units in the community or in a similar community except that when determined necessary by the Agency to allow for decent, safe and sanitary housing to be provided in market areas where conventional rents are not sufficient to cover necessary operating, maintenance, and reserve costs. Basic rents may be allowed to exceed comparable rents for conventional units, but in no case may the rent exceed 150% of the comparable rent for conventional unit rent level.

(3) In meeting the Agency objective of economical construction, operation and maintenance, housing proposals must:

(i) Contain costs without jeopardizing the quality and marketability of the housing;

(ii) Employ life-cycle cost analyses acceptable to the Agency to determine the types of materials which will reduce overall costs by lowering operation and maintenance costs, even though their initial costs may be higher; and

(iii) Provide assurances that costs will be reduced when the Agency determines that housing costs are not economical. If assurances cannot be provided, funding may be withdrawn.

(4) The housing proposal will give maximum consideration to energy conservation measures and practices.

(d) Accessibility. All housing will meet the following accessibility requirements.

(1) For new construction of MFH, at least 5 percent of the units (but not less than one) must be constructed as fully accessible units to persons with disabilities. The Uniform Federal Accessibility Standards (UFAS) will be followed. Individual copies of these standards are available from the Architectural and Transportation Barriers Compliance Board, 1331 F Street, NW, Suite 1000, Washington, DC 20004-1111, Telephone: (202) 272-0080, TTY: (202) 272-0082, e-mail address: info@access-board.gov. When calculating how many accessible units are required, always round up to the next whole number to ensure the 5 percent requirement is met.

(2) For existing properties that do not have fully accessible units, the 5 percent requirement will apply when making substantial alterations as defined by UFAS. The UFAS defines substantial alteration as "alteration to any building or facility is to be considered substantial if the total cost for a twelve month period amounts to 50 percent or more of the full and fair cash value of the building * * *" UFAS further defines full and fair cash value as "the assessed valuation of a building or facility as recorded in the assessor's office of the municipality and as equalized at one hundred percent (100%) valuation, or the replacement cost, or the fair market value." The 5 percent rule will also apply to repair or renovation work on a single unit. For instance, if a unit is damaged by fire and extensive repair is necessary, to the extent possible the unit is to be converted to a fully accessible unit.

(3) The variety of bedroom quantities of fully accessible units will be comparable to the variety of bedroom quantities of units which are not fully accessible. Borrowers will not, however, be required to exceed the 5 percent requirement simply to have an accessible unit of each bedroom quantity. In addition, accessible units should be distributed throughout the complex so not to concentrate the units in one location.

(4) All MFH must meet:

(i) The accessibility requirements as contained in section 504 of the Rehabilitation Act of 1973;

(ii) The requirements of the Fair Housing Amendments Act of 1988;

(iii) The requirements of the Americans with Disabilities Act of 1990, as applicable; and

(iv) All other Federal, State, and local requirements. When architectural standards differ, the most stringent standard will be followed.

§3560.61 Loan security.

(a) General. Each loan made by the Agency will be secured in a manner that adequately protects the financial interest of the Federal Government throughout the period of the loan.

(b) Lien position.

(1) The Agency will seek a first or parity lien position on Agency-financed property in all instances. The Agency may accept a junior lien position if the Federal Government's interests are adequately secured.

(2) The Agency will seek a first or parity lien on revenue from rent; Agency, HUD, state or private rental subsidy payments; chattels; assignments; and operating and reserve accounts. The Agency will accept a junior lien position if the Federal Government's interests are adequately secured.

(c) Liability. Personal liability will be required of all individual borrowers. Personal liability will not be required for the members or stockholders of any corporation or trust or any partners in a limited partnership.

(d) Housing and land ownership. Applicants must own the MFH and related land for which the loan is being requested, or become the owner when the loan is closed or have a leasehold interest in the land. If an applicant is not the owner of the housing and the related land, the following conditions must be met prior to or at loan closing.

(1) A recorded mortgage on the improvements is given as collateral.

(2) The amount of the loan against the collateral does not exceed its estimated security value.

(3) The unexpired term of the lease on the date of loan closing is at least 50 percent longer than the term of the loan and rent charged for the lease does not exceed the rate being paid for similar leases in the area.

(4) The applicant's leasehold interest is not subject to summary foreclosure or cancellation.

(5) The lease permits:

(i) The Agency to foreclose the mortgage and to transfer the lease;

(ii) The Agency to bid at a foreclosure sale or to accept voluntary conveyance of the security in lieu of foreclosure;

(iii) The Agency to occupy the property, sublet the property, or sell the leasehold for cash or credit if the leasehold is acquired through foreclosure, if the Agency accepts voluntary conveyance in lieu of foreclosure, or if the borrower abandons the property; and

(iv) The applicant, in the event of default or inability to continue with the lease and the loan, to transfer the leasehold subject to the mortgage to a transferee that will assume the property ownership obligations.

§3560.62 Technical, legal, insurance, and other services.

(a) Legal services. Applicants must have written contracts for any legal services that are to be paid out of Agency loan funds.

(b) Title clearance. Applicants must obtain title clearance in accordance with the provisions of 7 CFR part 1927, subpart B applicable to title clearance, which would include title insurance or title opinion, unless the loan applicant is leasing the property or is an organization or an individual with special title or loan closing problems, in which case title clearance and related legal services will be obtained in accordance with procedures approved by the Agency.

(c) Architectural services. Applicants must obtain a written contract for architectural services in accordance with the provisions of 7 CFR part 1924, subpart A.

(d) Insurance. Applicants must have property and liability coverage at loan closing as well as flood insurance, if needed. Fidelity coverage must be in force as soon as there are assets within the organization and it must be obtained before any loan funds or interim financing funds are made available to the borrower. At a minimum, applicants must meet the property, liability, flood, and fidelity insurance requirements in §3560.105.

(e) Surety bonding. Applicants must comply with the surety bonding provisions of 7 CFR part 1924, subpart A.

§3560.63 Loan limits.

(a) Determining the security value. The security value for an Agency loan is the lesser of the total development cost (exclusive of any developer's fee as provided by paragraph (d)(2) of this section) or the housing project's security value as determined by an appraisal conducted in accordance with subpart P of this part, minus any prior or parity liens on the housing project. For purposes of determining security value:

(1) Total development cost must be calculated excluding costs not considered allowable under §3560.54(a), and excluding costs related to compliance with the Uniform Relocation Assistance and Real Property Acquisition Act of 1970.

(2) The appraisal, which will determine the market value, subject to restricted rents, will be obtained by the Agency and conducted in accordance with subpart P of this part.

(b) Limitations on loan amounts. The Agency will not make any loans without adequate security. The following limitations will be set on loan amounts:

(1) For all loan applicants who will receive benefits from the low-income housing tax credit program, the amount of Agency financing for the housing will not exceed 95 percent of the security value available for the Agency loan.

(2) For all loan applicants who will not receive low-income housing tax credit benefits and who are comprised solely of nonprofit organizations, consumer cooperatives, or state or local public agencies, the amount of the loan will be limited to the security value available for the Agency loan, plus the 2 percent initial operating capital and any necessary relocation costs incurred.

(3) For all other loan applicants who will not receive low-income housing tax credit benefits, the loan amount will be limited to no more than 97 percent of the security value available for the Agency loan.

(c) Equity contribution. Loan applicants, with the exception of nonprofit organizations, consumer cooperatives, or state or local public agencies who will not be receiving tax credits, must make an equity contribution from their own resources.

(1) Loan applicants who will receive benefits from the low-income housing tax credit program must make an equity contribution in the amount of 5 percent of the Agency loan. The maximum Agency loan will be determined in accordance with §3560.63(b).

(2) Loan applicants who will not receive benefits from the low-income housing tax credit program and are not nonprofit organizations, consumer cooperatives, or state or local public agencies must make an equity contribution in the amount of 3 percent of the Agency loan. The maximum Agency loan will be determined in accordance with §3560.63(b).

(d) Review of assistance from multiple sources. The Agency will analyze Federal Government and other assistance provided to any MFH project to establish the maximum loan amount and to assure that the assistance is not more than the minimum necessary to make the housing affordable, decent, safe, and sanitary to potential tenants.

(1) Determining minimum assistance. For purposes of determining minimum assistance, the total amount paid for builder's profit, overhead, and general requirements may not exceed 21 percent of the construction contract. Unless specified differently in a Memorandum of Understanding between the Agency and the state agency that allocates low-income housing tax credits, limits will be those specified in §3560.53(l).

(2) Developer's fee. While, in accordance with §3560.54(a)(9), payment of a developer's fee is not an eligible use of Agency loan funds, the Agency will include in total development costs a developer's fee paid from other sources when analyzing the Federal Government assistance to the housing. The Agency may recognize a developer's fee paid from other sources on construction or rehabilitation of up to 15 percent of the total development costs authorized for low-income housing tax credit purposes, or by another Federal Government program. Likewise for transfer proposals that include acquisition costs, the developer's fee on the acquisition cost may be recognized up to 8 percent of the acquisition costs only when authorized under a Federal Government program providing assistance. The developer's fee is not included in determining the Agency's maximum debt limit and loan amount.

(e) Limits on equity loans. For equity loans to avert prepayment, the amount of the Agency equity loan will be limited to no more than the difference between 90 percent of market value of the property when appraised as conventional unsubsidized MFH and all current unpaid balances. For information on appraisal issues, refer to subpart P of this part.

(f) Cost overruns.

(1) All applicants must agree in writing to provide funds at no cost to the housing and without pledging the housing as security to pay any cost for completing planned construction after the maximum debt limit is reached.

(2) After loan approval, the Agency will only approve cost increases for housing proposals involving new construction or major rehabilitation when the additional costs will not cause the limits specified in §3560.53(l) or the maximum debt limit to be exceeded and the cost increases were caused by:

(i) Unforeseen factors that are determined by the Agency to be beyond the borrower's control;

(ii) Design changes required by the Agency, state, or the local government; or

(iii) Financing changes approved by the Agency.

§3560.64 Initial operating capital contribution.

Borrowers are required to make an initial operating capital contribution to the general operating account in the amount of at least 2 percent of the total development cost or appraised value, whichever is less.

(a) Borrowers that are nonprofit organizations, consumer cooperatives, or state or local public agencies and are not receiving low-income housing tax credits, may use loan funds for their initial operating capital contribution. All other borrowers must fund the initial operating capital contribution from their own resources.

(b) Borrowers must provide to the Agency for approval a list of materials and equipment to be funded from the general operating account for initial operating expenses. As specified in §3560.304(b), initial operating capital may be used only to pay for approved budgeted expenses. If total initial operating expenses exceed 2 percent, the additional amount must be paid by the borrower from its own resources, except that borrowers meeting the provisions of §3560.64(a) who do not have sufficient resources for this purpose may request Agency assistance. Withdrawals from the reserve account will not be approved for such expenses.

(c) Borrowers must provide the Agency with documentation of their initial operating capital contribution deposited into the general operating account prior to the start of construction or loan closing, whichever comes first, and such funds thereafter, may only be used for authorized budgeted purposes.

(d) If the conditions specified in §3560.304(c) are met, funds contributed as initial operating capital may be returned to the borrower.

§3560.65 Reserve account.

(a) For new construction, to meet major capital expenses of a housing project, applicants must establish and fund a reserve account that meets the requirements of §3560.306. The applicant must agree to make monthly contributions to the reserve account pursuant to reserve account analysis which sets forth how the reserve account funds will meet the capital needs of the property over an acceptable 20 year period. The reserve account analysis is based on either a Capital Needs Assessment or life cycle cost analysis, provided and acceptable to Rural Development by the applicant. Adjustments may be made to the contribution amount at 5 or 10-year intervals, either through an updated Capital Needs Assessment or as part of the original life cycle cost analysis. The cost of conducting either a Capital Needs Assessment or life cost analysis will be paid for by the applicant. The cost of the initial Capital Needs Assessment or life cost analysis may be included in the loan financing.

(b) For ownership transfers or sales, the requirements of §3560.406 (d) (5) will be met.

(c) For other existing properties, at a minimum the borrower must agree to make monthly contributions to the reserve account at the rate of 1 percent annually of the amount of total development cost until the reserve account equals 10 percent of the total development cost.

§3560.66 Participation with other funding or financing sources.

(a) General requirements. The Agency encourages the use of funding or financing from other sources in conjunction with Agency loans. When the Agency is not the sole source of financing for MFH, the following conditions must be met.

(1) The Agency will enter into a participation (or intercreditor) agreement with the other participants that clearly defines each party's relationship and responsibilities to the others.

(2) The rental units that will serve tenants eligible for housing under the Agency's income standards must meet Agency standards and the number of units that will serve the Agency's tenants are at least equal to the units financed by the Agency.

(3) All rental units must be operated and managed in compliance with the requirements of the Agency and the other sources. To the extent these requirements overlap, the most stringent requirement must be met. The Agency may negotiate the resolution of overlapping requirements on a case-by-case basis; however, at a minimum, Agency requirements must be met.

(4) If the number of units subject to the LIHTC rent and income restrictions is greater than the number of units projected to receive Agency rental assistance (RA) or similar tenant subsidy, the market feasibility documentation must clearly reflect a need and demand by LIHTC income-eligible households financially able to afford the projected rents without such a subsidy for the units not receiving RA or similar tenant subsidy.

(b) Rental assistance. The Agency may provide rental assistance with MFH loans participating with other sources of funding under the following conditions:

(1) The Agency's loan equals at least 25 percent of the housing's total development cost.

(2) The rental assistance is provided only to those rental units where the basic rents do not exceed what basic rents would have been had the Agency provided full financing.

(3) The provisions of subpart F of this part are met.

(c) Security requirements. The security requirements of 3560.61 must be met for all Agency-financed MFH participating with other sources of funding.

(d) Reserve requirements. Reserve account requirements will be determined on a case-by-case basis, taking into consideration the reserve requirements of the other participating lenders, so that the aggregate fully funded reserve account is consistent with the requirements of §3560.65. Reserve requirements and procedures for reserve account withdrawals must be agreed upon by all lenders and included in the intercreditor or participation agreement.

(e) Design requirements. Housing and related facilities must be planned and constructed in accordance with 7 CFR 1924, subparts A and C. If housing includes non-Agency financed common facilities, the following conditions must be met:

(1) The non-Agency-financed common facility's operating and maintenance costs must be paid through collection of a user fee from residents who use the facility,

(2) The non-Agency-financed common facility must be designed and operated with appropriate safeguards for the health and safety of tenants, and

(3) The facility must be fully available and accessible to all tenants.

§3560.67 Rates and terms for section 515 loans.

Rates and terms for farm labor housing loans are found in subpart L of this part for Off-Farm and subpart M of this part for On-Farm.

(a) Interest. Loans will be closed at the lower of the interest rate in effect at the time of loan approval or the interest rate that is in effect at time of loan closing.

(b) Interest credit. The Agency will provide interest credit to subsidize the interest on the Agency loan to a payment rate of 1 percent for all of the Agency's initial and subsequent loans.

(c) Amortization period and term.

(1) Except for manufactured housing, loans will be amortized over a period not to exceed the lesser of the economic life of the housing being financed or 50 years and paid over a term not to exceed 30 years from the date of loan. The Agency may make a loan to the borrower to finance the final payment of a loan in accordance with §3560.74.

(2) Loans for manufactured housing will be amortized and paid over a term not to exceed 30 years as specified in §3560.70(c).

§3560.68 Permitted return on investment (ROI).

(a) Permitted return. Borrowers operating on a limited profit basis will be permitted a return not to exceed 8 percent of their required initial investment determined at the time of loan approval in accordance with §3560.63(c).

(b) Calculation of permitted return. The permitted return will be based on the borrower's contributions from their own resources, which, when added to the Agency loan amount and all sources of funding or financing, do not exceed the security value of the MFH project as specified in §3560.63(a).

(1) Proceeds received by the borrower from the syndication of low-income housing tax credit and contributed to the MFH project may be considered funds from the borrower's own resources for the portion of the proceeds which exceeds:

(i) The allowable developer's fee determined by the state agency administering the low-income housing tax credit, and

(ii) The borrower's expected contribution to the transaction, as determined by the state agency administering the low-income housing tax credit.

(2) A building site contributed by the borrower will be appraised by the Agency to determine its market value. A return may not be allowed on the amount above the equity contribution required by §3560.63(c) if the market value as determined by the Agency, when added to the loan and grant amounts from all sources, exceeds the security value of the MFH project as specified in §3560.63(a).

(c) Return on additional investment. The initial investment may exceed the equity contribution required by §3560.63(c) and a return allowed on the investment if the additional return does not increase basic rents and rental assistance costs above what basic rents and rental assistance costs would have been with the Agency financing 95 or 97 percent of the total development cost.

(d) Compensation to nonprofit organizations. Although nonprofit organizations are not eligible to take a return on investment, with prior Agency approval, cooperatives and nonprofit organizations may use housing project funds to pay asset management expenses directly attributable to ownership responsibilities, as described in §3560.303(b)(1)(ii).

§3560.69 Supplemental requirements for congregate housing and group homes.

(a) General. Congregate housing and group homes must be planned and developed in accordance with 7 CFR part 1924, subparts A and C.

(b) Design criteria. Congregate housing and group homes must be designed to accommodate all special services that will be provided.

(c) Services. Congregate housing and group home loan applicants, as part of their loan request, must submit a plan to make affordable services available to residents to assist the residents in living independently. The plan must address the availability of this assistance from service providers throughout the term of the loan.

(1) For congregate housing, the resident services plan must address how the following services will be provided or made available:

(i) One cooked meal per day, seven days per week;

- (ii) Transportation to and from the property;
- (iii) Assistance in housekeeping;
- (iv) Personal services;
- (v) Recreational and social activities; and
- (vi) Access to medical services.

(2) For group homes, the resident services plan must address how access to the following services will be provided or made available:

- (i) A common kitchen in which to prepare meals;
- (ii) Transportation;
- (iii) Nearby recreational and social activities which may be coordinated by the resident assistant, if applicable; and
- (iv) Medical services as necessary.

(d) Necessary items. Borrowers must ensure items such as tables, chairs, and cookware necessary to furnish common areas are made available to congregate housing or group homes. The 2 percent initial operating capital may be used to purchase these items.

(e) Association with other organizations. Congregate housing and group homes may coordinate services or training with another organization, such as a workshop for the developmentally disabled. However, the housing facility must be a separate entity and not dependent on the other organization.

(f) Market feasibility documentation. Market feasibility documentation for congregate housing and group homes is subject to the following requirements:

- (1) Must address the need for housing with services and include information concerning alternative service providers;
- (2) Must contain demographic information pertaining to the population that is to be served by the congregate housing or group home project; and
- (3) May consider an expanded market area that includes nondesignated places, but the facility must be located in a designated place.

(g) Rental assistance for group homes. A unit in a group home consists of a space occupied by a specific tenant household, which may be an apartment unit, a bedroom, or a part of a bedroom. Agency rental assistance will be made available to tenants sharing a unit so long as the total rent for the unit does not exceed conventional rents for comparable units in the area or a similar area.

§3560.70 Supplemental requirements for manufactured housing.

(a) Design requirements. Manufactured housing must meet the requirements of 7 CFR part 1924, subpart A applicable to manufactured housing.

(b) Eligible properties. The manufactured housing must include two or more housing units. The applicant will become the first owner purchasing the manufactured homes for purposes other than resale. The following exceptions may be made to this provision:

(1) A housing proposal may include the purchase of the real property with existing manufactured housing which will be redeveloped with the placement of new manufactured homes.

(2) A housing proposal may include the rehabilitation of existing manufactured housing only if the units to be rehabilitated are currently financed by the Agency. The proposal will include the results of the applicant's consultation with the manufacturer to determine if the proposed rehabilitation work will affect the structural integrity of the unit and, if so, the statement will include an explanation as to how.

(c) Terms. The maximum loan amount will be determined in accordance with the requirements of §3560.63. The amortization period and term of loans for manufactured housing will not exceed the lesser of the economic life of the housing being financed or 30 years.

(d) Security. A mortgage or deed of trust will be taken on the entire property purchased or improved with the loan. The encumbered property must be covered under a standard real estate title insurance policy or attorney's title opinion that identifies the housing as real property and insures or indemnifies against any loss if the manufactured home is determined not to be part of the real property. The property must be taxed as real estate by the jurisdiction where the housing is located if such taxation is permitted under applicable law when the loan is closed.

(e) Special warranty requirements. The general contractor or dealer-contractor, as applicable, must provide a warranty in accordance with the provisions of 7 CFR part 1924, subpart A.

(1) The warranty must establish that the manufactured homes, foundations, positioning and anchoring of the units to their permanent foundations, and all contracted improvements, are constructed in conformity with applicable approved plans and specifications.

(2) The warranty must include provisions that the manufactured homes sustained no hidden damage during transportation and, for double-wide units, that the sections were properly joined and sealed.

(3) The general contractor or dealer contractor must warrant that the manufacturer's warranty is in addition to and does not diminish or limit all other warranties, rights, and remedies that the borrower or lender may have.

(4) The seller of the manufactured homes must deliver to the borrower the manufacturer's warranty with an additional copy for RHS. The warranty must identify the units by serial number.

§3560.71 Construction financing.

(a) Construction financing plan. Prior to loan approval, applicants must submit to the Agency for its concurrence a plan for the construction financing and securing of the loan.

(b) Interim financing. Interim financing is required by the Agency for any construction, except as noted in paragraph (c) of this section.

(1) The Agency reserves the right to review and approve the interim financing arrangements proposed by the applicant.

(2) When interim financing is used, the Agency will obligate the funds and provide an interim financing letter to the lender that will confirm the procedures and conditions for the construction financing. The take-out loan will be closed and the interim lender paid off when the conditions of the interim financing letter have been met.

(3) The applicable provisions of 7 CFR part 1924, subpart A will be used to monitor the construction.

(4) An environmental review in accordance with 7 CFR part 1970 must be completed prior to issuance of the interim financing letter. (Revised 04-01-16, SPECIAL PN.)

(c) Multiple advances. When interim financing is not available or when it is in the best interest of the Federal Government, the Agency may provide for multiple advances of the funds to cover the cost of construction.

(1) The Agency will review and approve the multiple advances proposed by the borrower.

(2) When multiple advances are used, the Agency will close the loan prior to any advancement of funds and the relevant provisions of 7 CFR part 1924, subpart A will be used to monitor the construction.

(3) The loan check will be handled in accordance with 7 CFR part 1902, subpart A.

§3560.72 Loan closing.

(a) Requirements. Loans will be closed in accordance with 7 CFR part 1927, subpart B and any state supplements. In all cases, the borrower must:

(1) Provide evidence that an Agency-approved accounting system is in place;

(2) Execute a restrictive-use contract acceptable to the Agency that establishes the borrower's obligation to operate the housing for program purposes for the term of the Agency loan;

(i) For all section 514 loans, except as provided in §3560.621, made pursuant to a contract entered into on or after the effective date of this regulation, the following language will be included in the mortgage

and deed of trust: "The borrower and any successors in interest agree to use the housing for the purpose of housing people eligible for occupancy as provided in sections 514 and 516 of title V of the Housing Act of 1949, and Rural Housing Service regulations then in effect. The restrictions are applicable for a term of 20 years from the date on which the last loan was closed. No eligible person occupying the housing will be required to vacate nor any eligible person denied occupancy for housing prior to the close of such period because of a prohibited change in the use of the housing. A tenant or person wishing to occupy the housing may seek enforcement of this provision as well as the Government."

(ii) All other loans are subject to restrictive-use provisions as outlined in subpart N of this part.

(3) Provide evidence that construction financing arrangements are adequate when interim financing is going to be used;

(4) Provide evidence that all the funds from other sources as proposed in the application are available and that there have been no changes in the Sources and Uses Comprehensive Evaluation (SAUCE).

(5) Provide evidence of the title to all security required by the Agency;

(6) Provide a certification that all construction in the case of interim financing has been or, in the case of multiple advances, will be paid;

(7) Provide, in the case of interim financing, a dated and signed statement from the owner's architect certifying to substantial completion of the housing project;

(8) Provide a certification that all construction in the case of interim financing has been or, in the case of multiple advances, will be in accordance with the plans and specifications concurred in by the Agency;

(9) Provide evidence, if applicable, that the conditions of the interim financing letter have been met; and

(10) Attend a pre-occupancy conference with the Agency.

(b) Cost certification. In all cases, the borrower must report actual construction costs. Whenever the State Director determines it appropriate, and in all situations where there is an identity of interest as defined in 7 CFR 1924.4 (i), the borrower, contractor and any subcontractor, material supplier, or equipment lessor having an identity of interest must each provide certification as to the actual cost of the work performed in connection with the construction contract in accordance with 7 CFR part 1924, subpart A. The construction costs must also be audited in accordance with Governmental Auditing Standards, by a Certified Public Accountant (CPA). In some cases, the Agency will contract directly with a CPA for the cost certification. Funds that were included in the loan for cost certification and which are ultimately not needed because Agency contracts for the cost certification will be returned on the loan. Agency personnel will utilize exhibit M of 7 CFR part 1924, subpart A to assist in the evaluation of the cost certification process.

(c) Notification of loan cancellation. Loans may be canceled after approval and before loan closing. The Agency will notify all parties of the cancellation and the reasons for the cancellation in accordance with 7 CFR part 1927, subpart B.

§3560.73 Subsequent loans.

(a) Applicability. The Agency may make a subsequent loan to a borrower to complete, improve, repair, or make modifications to MFH initially financed by the Agency or for equity for preservation purposes. Loan requests to add units to comply with accessibility requirements may be processed as a subsequent loan; however, loan requests to add units to meet market demand will be processed as an initial loan request and must compete under the NOFA.

(b) Application requirements and processing. Upon receipt of a subsequent loan request, the Agency will inform the applicant what information is required based on the nature and purpose of the loan request. Subsequent loan requests do not have to compete for funding against initial loan proposals.

(c) Amortization and payment period. Subsequent loans will be amortized over a period not to exceed the lesser of the economic life of the housing being financed or 50 years and paid over a term not to exceed the lesser of the economic life of the housing or 30 years from the date of the loan.

(d) Equity contribution. Applicants for subsequent loans must make contributions on the loans in the same proportion as outlined in §3560.63(c). Loan applicants will not be given consideration for any increased equity value that the property may have since the initial loan.

(1) Excess initial investment on an initial loan may be credited toward the required investment on a subsequent loan.

(2) An initial operating capital contribution to the general operating account as described in §3560.64 is required for a subsequent loan approved under the conditions set in §3560.63(f) to complete housing construction but is not required for a subsequent loan to repair or improve existing housing.

(e) Environmental review requirements. Actions taken under this part must comply with the environmental review requirements in accordance with 7 CFR part 1970. (Revised 04-01-16, SPECIAL PN.)

(f) Design requirements. All improvements, repairs, and modifications will be in accordance with 7 CFR part 1924, subparts A and C.

(g) Architectural services. The applicant must obtain architectural services when any of the following conditions exist:

(1) Enclosed space is being added,

(2) When required by state law, and

(3) When the Agency determines that the work being proposed requires architectural services.

(h) Restrictive-use requirements. Subsequent loans are subject to restrictive-use provisions as outlined in §3560.662(a) and borrowers must execute a restrictive-use contract in accordance with §3560.72(a)(2).

(i) Designation changes from rural to nonrural. If the designation of an area changes from rural to nonrural after the initial loan is made, a subsequent loan may be made only to make necessary improvements and repairs to the property or for equity when needed to avert prepayment.

(j) Agency's discretion. The Administrator may approve a subsequent loan in a place that is not on the list of designated places as a servicing action, for example, to replace units destroyed by a natural disaster.

§3560.74 Loan for final payments.

(a) Use. The Agency may finance final payments for borrowers holding existing loans for which the Agency approved an amortization period that exceeded the term of the loan.

(b) Requirements. The Agency may finance final payments if documentation regarding the market area shows that a need for low-income rental housing still exists for that area and one of the following conditions has been met.

(1) It is more cost efficient and serves the tenant base more effectively to maintain existing MFH than to build another property in the same location; or

(2) The MFH has been maintained to such an extent that it can be expected to continue providing affordable, decent, safe and sanitary housing for 20 years beyond the date of the loan to finance a final payment; and

(3) Funds are available.

(c) Term. The term of Agency loans to finance final payments will not exceed 20 years from the date of the initial loan final payment.

§§3560.75-3560.99 [Reserved]

§3560.100 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart C--Borrower Management and Operations Responsibilities

§3560.101 General.

This subpart sets forth borrower obligations regarding management and operations of multi-family housing (MFH) projects financed by the Agency. As noted in §3560.6, the borrower requirements listed in this subpart must be complied with by the borrower. The borrower may designate in writing a person to act as the borrower's authorized agent.

§3560.102 Housing project management.

(a) General. Borrowers hold final responsibility for housing project management and must ensure that operations comply with the terms of all loan or grant documents, Agency requirements and applicable local, state and Federal laws and ordinances.

Project operations shall be conducted to meet the actual needs and necessary expenses of the property or for any other purpose authorized under Agency regulations. Any party not meeting these responsibilities may be subject to penalties. It is expected that only typical and reasonable expenses be incurred for the services rendered. Consequently, methods to inflate, duplicate, obscure, or failure to disclose the true nature and cost of work performed for the services rendered will cause the Agency to deny budget requests for the services or issue a demand for recovery and reimbursement for unauthorized actions.

(b) Management plan. Borrowers must develop and maintain a management plan for each housing project covered by their loan or grant. The management plan must establish the systems and procedures necessary to ensure that housing project operations comply with Agency requirements.

(1) At a minimum, management plans must address the following items:

(i) Maintenance systems, including procedures for routine maintenance, capital item repair and replacement, and effective energy conservation practices;

(ii) Personnel policies, job descriptions, staffing plans, training procedures for on-site staff. The Borrower will include specific duties and responsibilities of each property manager, site manager and caretaker;

(iii) Front-line management functions to be performed by off-site staff;

(iv) Plans and procedures for providing supplemental services including laundry, vending, and security;

(v) Plans for accounting, record keeping and meeting Agency reporting requirements;

(vi) Procurement procedures;

(vii) Rent and occupancy charge collection procedures, and procedures for requesting and implementing changes in rents, utility allowances, or occupancy charges;

(viii) Plans and procedures for marketing rental units and maintaining compliance with the Affirmative Fair Housing Marketing Plan in accordance with §3560.104;

(ix) Unit leases and leasing policies and procedures, including procedures for maintaining and purging waiting lists, determining applicant eligibility, certifying and recertifying income, tenant selection, and occupancy policies such as security deposit amounts, occupancy rules, termination of leases or occupancy agreements and eviction;

(x) Plans for allowing tenant participation in property operations and for fostering tenant relationships with management;

(xi) Procedures for applicant and tenant appeals; and

(xii) Describe how management will make known to tenants and applicants that management will provide reasonable accommodations under the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and regulations implemented there under at the borrower's expense unless to do so would cause an undue financial or administrative burden, how such requests are to be made, and who within management will have the authority to approve or disapprove a request for an accommodation.

(2) Loan or grant applicants must submit a management plan before the Agency will give final approval to the loan or grant application. The plan must address the required items identified in paragraph (b)(1) of this section in sufficient detail to enable the Agency to monitor housing project performance.

(c) Management plan effective period. A management plan remains in effect as long as it accurately reflects housing project operations and the housing project is in compliance with the Agency requirements.

(1) Borrowers must submit an updated management plan to the Agency if operations change or are no longer consistent with the management plan on file with the Agency.

(2) When there are no changes in operations, borrowers must submit a certification to the Agency every 3 years stating that operations are consistent with the management plan and the plan is adequate to assure compliance with the loan and grant documents and Agency requirements or applicable local, state and Federal laws.

(3) If the Agency determines that operations are in compliance with Agency requirements, loan or grant agreements, or applicable local, state, and Federal laws, but are not consistent with the management plan, the Agency will require the borrower to:

(i) Revise the management plan to accurately reflect housing operations;

(ii) Take actions to ensure the management plan is followed; or

(iii) Advise the Agency in writing of the action taken.

(4) When a housing project is being transferred from one borrower to another, the transferee must submit a management plan that addresses the required items identified in paragraph (b)(1) of this section in sufficient detail to enable the Agency to give final approval of the transfer.

(d) Housing projects with compliance violations. Upon receiving notice of compliance violations in accordance with §3560.354, borrowers must submit to the Agency:

(1) Revisions to the management plan establishing the changes in housing operations that will be made to restore compliance;

(2) If the borrower determines the compliance violations were due to a failure to follow the management plan, the borrower must certify to the Agency that the management plan is adequate to assure compliance with the applicable requirements of this part and submit a written description of the actions they will take to ensure the management plan is followed; or

(3) If the Agency discovers continued discrepancies between a management plan and housing project operations or compliance violations, the Agency may require the borrower to install a different management agent acceptable to the Agency as described in paragraph (e) of this section.

(e) Acceptable management agents. Borrowers must obtain Agency approval of the agent proposed to manage a housing project prior to entering into any formal agreement with the agent and prior to allowing the agent to assume responsibility for housing project operations. Borrowers that plan to self-manage a housing project also must receive Agency approval before assuming responsibility for housing operations.

(1) Borrowers must submit a written request for Agency approval of the proposed management agent at least 45 days prior to the date the agent is to assume responsibility for operations. This request must include a profile of the proposed management agent that provides sufficient information to allow the Agency to evaluate whether the agent is acceptable.

(2) The Agency will deny approval of any proposed management agent that cannot provide evidence of at least two years of experience and satisfactory performance in directing and overseeing the management of similar federally-assisted MFH.

(3) The Agency may issue approval of a management agent that does not meet the requirements of §3560.102(e)(2) if the management agent can provide evidence that indicates the ability to successfully manage a MFH project in accordance with Agency requirements.

(4) If a borrower enters into an agreement with a management agent or begins to self-manage prior to receiving Agency approval, the Agency will place the borrower in non-monetary default status and will require the borrower to immediately terminate the contract with the management agent.

(f) Self-management. Borrowers may self-manage a housing project but must receive Agency approval before assuming responsibility for housing operations. Borrowers that plan to self-manage must meet all requirements of §3560.102, except for paragraph (h) of this section.

(g) Identity-of-interest disclosure. Borrowers and management agents must disclose to the Agency all identity-of-interest relationships which they have with firms and must receive Agency approval to use such firms prior to entering into any contractual relationships with such entities that involve Agency funds.

(1) This disclosure must include any identity-of-interest relationships between:

(i) The borrower and the management agent;

(ii) The borrower or management agent and the providers of supplies and services to the housing project; and

(iii) The borrower or the management agent and employees of any of the above.

(2) Failure to disclose such relationships may subject the borrower, the management agent, and the other firms or employees found to have an identity of interest relationship to suspension, debarment, or other remedies available to the Agency.

(3) After disclosure of an identity-of-interest relationship:

(i) The borrower, management agent, and supplier of goods and services must provide documentation proving that use of identity-of-interest firms is in the best interest of the housing project;

(ii) Any supplier of goods and services must certify in writing to the Agency that the individual or organization has a viable, on-going trade or business qualified and licensed, if appropriate, to do the work for which a contract is being proposed;

(iii) The borrower, management agent, and supplier of goods and services must agree, in writing, that all records related to the housing project will be made available to the Agency, Office of the Inspector General (OIG), General Accountability Office (GAO), or a representative of the Agency, upon request; and

(iv) The Agency will deny the use of an identity-of-interest firm when the Agency determines such use is not in the best interest of the Federal Government or the tenants.

(h) Management agreement. Borrowers contracting with a management agent must execute a management agreement that establishes:

(1) The management agent's responsibility to comply with Agency requirements and local, state, and Federal laws;

(2) That the management fee is payable out of the housing project's general operating account consistent with the requirements of paragraph (i) of this section; and

(3) The Agency's authority to terminate the agreement for failure to operate the housing project in accordance with Agency requirements or local, state, or Federal laws.

(i) Management fees. Management fees will be an allowable expense to be paid from the housing project's general operating account only if the fee is approved by the Agency as a reasonable cost to the housing project and documented on the management certification. Management fees must be developed in accordance with the following:

(1) The management fee may compensate the management entity only for the specifically identified bundle of services to be provided to the housing project. Costs and services to be paid as part of the bundle of services include:

- (i) Supervision by the management agent and its staff (time, knowledge, and expertise) of overall operations and capital improvements of the site.
- (ii) Hiring, supervision, and termination of on-site staff.
- (iii) General maintenance of project books and records (general ledger, accounts payable and receivable, payroll, etc.). Preparation and distribution of payroll for all on-site employees, including the costs of preparing and submitting all appropriate tax reports and deposits, unemployment and workers' compensation reports, and other IRS- or state-required reports.
- (iv) Training provided to on-site staff at the project site.
- (v) Preparation and submission of proposed annual budgets and negotiation of approval with the Agency, other governmental agencies and the borrowers.
- (vi) Preparation and distribution of the Agency or other governmental agency forms and routine financial reports to borrowers.
- (vii) Preparation and distribution of required year-end reports to the Agency or other governmental agency and borrowers.
- (viii) Preparation of requests for reserve withdrawals, rent increases, or other required adjustments.
- (ix) Arranging for preparation by outside contractors of energy audits and utility allowance analysis. Implement appropriate changes.
- (x) Preparation and implementation of Affirmative Fair Housing Marketing Plans as well as general marketing plans and efforts.
- (xi) Review of tenant certifications and submission of monthly rental assistance requests, and overage. Submission of payments where required.
- (xii) Preparation, approval, and distribution of operating disbursements; oversight of project receipts; and reconciliation of deposits.
- (xiii) Overhead of management agent, including:
 - (A) Establish, maintain, and control an accounting system sufficient to carry out accounting supervision responsibilities.
 - (B) Maintain agent office arrangements, staff, equipment, furniture, and services necessary to communicate effectively with the properties, the Agency or other governmental agency and with the borrowers.
 - (C) Postage expenses related to the normal responsibility for mailings to the properties, the Agency or other governmental agency, the tenants, the vendors, and the owners.

(D) Expense of telephone and facsimile communication to the properties, tenants, the Agency or other governmental agency, and the borrowers.

(E) Direct costs of insurance (fidelity bonds covering central office staff, computer and data coverage, general liability, etc.) directly related to protection of the funds and records of the borrower.

(F) Central office staff training and ongoing certifications.

(G) Maintenance of all required profession and business licenses and permits. (This does not include project site office permits or licenses.)

(H) Insurance coverage for agent's office and operations (Property, Auto, Liability, E&O, Casualty, Workers Compensation, etc.)

(I) Travel of agent staff to the properties for on-site inspection, training, or supervision activities.

(J) Agent bookkeeping for their own business.

(xiv) Attendance at meetings (including travel) with tenants, owners, and the Agency or other governmental agency.

(xv) Development, preparation, and revision of management plans or agreements.

(xvi) Coordination of U.S. Department of Housing and Urban Development (HUD) certifications or vouchers with tenants, including all reporting to all pertinent agencies and borrowers.

(xvii) Directing the investment of project funds into required accounts.

(xviii) Maintenance of bank accounts and monthly reconciliations.

(xix) Preparation, request for, and disbursement of borrower's initial operating capital (for new projects) as well as administration of annual owner's return on investment.

(xx) Account maintenance, settlement, and disbursement of security deposits.

(xxi) Working with third party auditors for initial set-up of audits and annually thereafter for audit preparation and review. Assistance with supplemental letters and preparation of Agency financial reports or other governmental agency reports.

(xxii) Storage of records and adherence to records retention requirements.

(xxiii) Assist on-site staff with tenant relations and problems. Provide assistance to on-site staff in severe actions (eviction, death, insurance loss, etc.).

(xxiv) Oversight of general and preventive maintenance procedures and policies.

(xxv) Development and oversight of asset replacement plans.

(xxvi) Oversight of preparation of section 504 reviews, development of plans, and implementation of improvements necessary to comply with plans and section 504 requirements.

(xxvii) Reporting to general and limited partners and State agencies for Low Income Housing Tax Credit (LIHTC)-compliance purposes.

(2) Management fees may consist of a base per occupied unit fee and add-on fees for specific housing project characteristics. Management entities may be eligible to receive the full base per occupied unit fee for any month or part of a month during which the unit is occupied.

(i) Periodically, the Agency will develop a range of base per occupied unit fees that will be paid in each state. The Agency will develop the fees based on a review of housing industry data. The final base for occupied unit fees for each state will be made available to all borrowers.

(ii) Periodically, the Agency will develop the amount and qualifications to receive add-on fees. The final set of qualifications will be made available to all borrowers.

(3) Allowable Administrative Expenses.

(i) Identifying the Type of Administrative Expense. Management Plans and Agreements must describe if administrative expenses are to be paid from the management fee or paid for as a project cost.

(A) A management plan is required for all projects. The management plan should describe administrative expenses paid from management agent fees or project operations. The management plan should provide job descriptions for the site manager, the management agent and other personnel. It is important that these documents accurately reflect the duties being performed by the various personnel. The management plan must meet the standards set out in this rule.

(B) A task list should be used to identify which services are included in the management fee, which services are included in project operations, and which are pro-rated along with the methodology used to pro-rating of expenses between management agent fees and project operations. Some property responsibilities are completed at the property and some offsite. Agent responsibilities may be performed at the property, the management office, or at some other location.

(C) Disputes may arise as to who performs certain services. The management plan and job descriptions should normally provide sufficient clarity to avoid or resolve any such disputes; however, sometimes clarifications and supporting materials may be required to resolve disputes. The decision must be made based on the most complete evaluation of the facts presented.

(ii) Allowable Administrative Expenses. Payroll related administrative expenses are allowable expenses. Postage expense to mail out rental applications, third-party (asset income and adjustments to income) verifications, application processing correspondence (acceptance or denial letters), mailing project invoice payments, required correspondence, and report submittals to various regulatory authorities for the managed property are allowable project expenses no matter what location or point of origin the mail is generated. Photocopying or printing expense related to actual production of project brochures, marketing pieces, forms, reports, notices, and newsletters are allowable project expenses no matter what location or point of origin the work is performed including outsourcing the work to a professional printer. Correspondence or reports required for record retention or project compliance are allowable project expenses. The cost or expense of equipment and any related equipment service contract is a management agent direct expense, unless the machine becomes the property of the project after purchase.

(iii) Determining if Expenses are Reasonable. Generally, expenses charged to project operations, whether for management agent services or other expenses, must be reasonable, typical, necessary and show a clear benefit to the residents of the property. Services and expenses charged to the property must show value added and be for authorized purposes. If such value is not apparent, the service or expense should be examined.

(A) Administrative expenses for project operations exceeding 23 percent, or those typical for the area, of gross potential basic rents and revenues (i.e., referred to as gross potential rents in industry publications) highlight a need for closer review for unnecessary expenditures. Budget approval is required and project resources may not always permit an otherwise allowable expense to be incurred if it is not fiscally prudent in the market.

(B) Excessive administrative expenses can result in inadequate funds to meet other essential project needs, including expenditures for repair and maintenance needed to keep the project in sound physical condition. Actions that are improper or not fiscally prudent may warrant budget disapproval and/or a demand for recovery action.

(4) Unallowable Administrative Expenses.

(i) Certain expenses are not allowable such as legal fees, association dues, bonuses or monetary performance awards, parties, computer hardware and some software, and telephone purchases.

(ii) It is inappropriate to charge for legal services to represent any interest other than the borrower's interest (i.e., representing a general partner or limited partner to defend their individual owner interest is not allowable).

Where there is no finding of a borrower's fault, commercially reasonable legal expenses and costs for defending or settling lawsuits (without admission of liability) are allowable.

(iii) Charging for payment of penalties, including opposition legal fees resulting from an award finding improper actions on the part of the owner or management agent is generally an inappropriate project expense. The party responsible generally pays such expenses for violating the standards or by their insurance carriers.

(iv) Association dues to be paid by the project should only be related to training for site managers or management agents. To the extent that association dues can document training for site managers or management agents related to project activities by actual cost or pro-ratio, a reasonable expense may be billed to the project.

(v) It is inappropriate for the project to pay for bonuses or monetary performance awards to site managers or management agents that are not clearly provided for by the site manager salary contract.

(vi) Billing the project for parties that are large or unreasonable, such as renting expensive party halls or hotel rooms and payment for alcoholic beverages or gifts to management agent staff are also inappropriate.

(vii) It is inappropriate to bill the project for computer hardware, some software, and internal connections that are beyond the scope and size reasonably needed for the services supplied (i.e., purchasing equipment or software for use by a site manager that is clearly beyond that needed to support project operations). Note that computer learning center activities benefiting tenants are not covered in this prohibition.

(viii) It is inappropriate to bill the project for practices that are inefficient such as routine use of collect calls from a site manager to a management agent office.

(j) Management certification.

(4) The Agency expects that upon discovery of a condition not in compliance with the standards listed in this section that the borrower will remedy the situation in a timeframe required by the Agency. The Borrower must provide documentation and justification for any failure to meet such timeframe. Properties with deficiencies in the process of being addressed will not be deemed to be out of compliance unless there are so many deficiencies that it would result in a declaration of substantial noncompliance and call into questions the viability of the property and the effectiveness of the borrower's maintenance program. Failure to make such corrections or repairs constitutes a non-monetary default under §3560.452(e).

(b) Maintenance systems. Borrowers must establish the following maintenance systems and must describe these systems in their management plan.

(1) A system for routine maintenance, including:

- (i) Regular maintenance tasks that can be prescheduled or planned; and
- (ii) Tasks performed on a regular basis to maintain compliance with the standards established in paragraph (a)(3) of this section.

(2) A system for responsive maintenance including:

- (i) A process for responding to requests for maintenance from tenants;
- (ii) A process for responding to unexpected malfunctions of equipment or damages to building systems such as a furnace breakdown or a water leak; and
- (iii) A 'work order' process for managing and tracking responses to maintenance requests and the performance of maintenance tasks.

(3) A system for preventive maintenance including:

- (i) Maintenance of mechanical systems, building exteriors, elevators, and heating and cooling systems which require specially trained personnel; and
- (ii) Maintenance that supports energy-efficient operation of the housing project.

(4) A system for correcting deficiencies identified by periodic inspections, which must include:

- (i) A move-in inspection;
- (ii) A move-out inspection; and
- (iii) An annual inspection of occupied units.

(c) Capital budgeting and planning.

(1) Borrowers must develop a capital budget as part of their annual housing project budget required under §3560.303. The capital budget must include anticipated expenditures on the long-term capital needs of the housing project to assure adequate maintenance and replacement of capital items.

(2) If the borrower requests an increase in the project's reserve for replacement account, the borrower must have a capital needs assessment prepared and submitted to the Agency to reflect anticipated needs of the housing project for replacement of capital equipment and systems. The cost for preparation of a capital needs assessment will be approved by the Agency as an eligible housing project expense provided the capital needs assessment is reasonable in cost and meets Agency requirements.

(3) [Reserved].

(4) As a part of the annual budget process, borrowers may request an increase in the amount to be contributed and held in the housing project reserve account to fund the needs identified in an Agency-approved capital needs assessment.

(5) At any time, borrowers may request and the Agency may approve amendments to loan or grant documents to increase the amount of funds to be contributed and held in a reserve account to cover the cost of capital improvements based on the needs identified in an Agency approved capital needs assessment. Borrowers must assure improvements are performed as specified in the capital needs assessment.

§3560.104 Fair housing.

(a) General. Borrowers must comply with the requirements of the Fair Housing Amendments Act of 1988, and this section to meet their fair housing responsibilities.

(b) Affirmative Fair Housing Marketing Plan.

(1) Borrowers with housing projects that have four or more rental units must prepare and maintain an Affirmative Fair Housing Marketing Plan (AFHMP) as defined in 24 CFR part 200, subpart M.

(2) Loan or grant applicants must submit an AFHMP for Agency approval prior to loan closing or grant approval. Plans must be updated by the borrower whenever components of the plan change.

(3) Borrowers must post the approved AFHMP for public inspection at the housing project site, rental office, or at any other location where tenant applications for the project are received.

(4) When developing the plan, the following items must be considered by the borrower:

(i) Direction of marketing activities. The plan should be designed to attract applications for occupancy from all potentially eligible groups of people in the housing marketing area, regardless of race, color, religion, sex, age, familial status, national origin, or disability. The plan must show which efforts will be made to reach very low-income or low-income groups who would least likely be expected to apply without special outreach efforts.

(ii) Marketing program. The applicant or borrower should determine which methods of marketing such as radio, newspaper, TV, signs, etc., are best suited to reach those very low-income or low-income groups who are in the market area but who are least likely to apply for occupancy. Marketing must not rely on “word of mouth” advertising.

(A) Advertising.

(1) Frequency. The borrower should advertise availability of housing units in advance of their availability to allow time to receive and process applications. Advertising by newsprint or electronic media must occur at least annually to promote project visibility, even if there is an adequate waiting list.

(2) Posters, brochures, etc. Any radio, TV or newspaper advertisement, pamphlets, or brochures used must identify that the complex is operated on an equal housing opportunity basis. This must be done through the use of the equal housing opportunity statement, slogan, or logo type. Copies of the proposed material must be sent when requesting approval of the plan.

(B) Community contacts. Community leaders and special interest groups such as community, public interest, religious organizations, and organizations for the disabled must be contacted. Owners and managers of projects with fully accessible apartments must adopt suitable means to ensure that information regarding the availability of accessible units reaches eligible persons with disabilities. In addition, owners and managers of elderly housing must ensure that information regarding eligibility reaches people who are less than 62 years old but who are eligible because they are disabled. Appropriate contacts are with physical rehabilitation centers, hospitals, workshops for the disabled, commissions on aging, and veterans’ organizations.

(C) Rental staff. All staff persons responsible for renting the units must have had training provided on Federal, state, and local fair housing laws and regulations and in the requirements of fair housing marketing and in those actions necessary to carry out the marketing plan. Copies of instructions to the staff regarding fair

housing and a summary of the training they have received must be attached to the plan when requesting approval.

(iii) Marketing records. Records must be maintained by the borrower reflecting efforts to fulfill the plan. These records will be reviewed by the Agency during civil rights compliance reviews. Plans will be updated as needed.

(c) Accommodations and communication. The borrower must take appropriate steps to ensure effective communication with applicants, tenants, and members of the public with disabilities. At a minimum, the following steps must be taken:

(1) Furnish appropriate auxiliary aids (electronic, mechanical, or personal assistance) where necessary, to afford an individual with disabilities an equal opportunity to participate in and enjoy the benefits of Agency financed housing.

(i) In determining what auxiliary aids are necessary, the borrower must give primary consideration to the requests of individuals with disabilities.

(ii) The borrower is not required to provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where a borrower communicates with applicants and tenants by telephone, telecommunication devices for deaf persons or equally effective communication systems must be available for use.

(3) The borrower must implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information concerning the existence and location of accessible services, activities, and facilities in the housing project and community.

(4) The borrower is required to provide reasonable accommodations at the project's expense unless doing so would result in undue financial or administrative burden on the project. Examples of reasonable accommodations may include such items as the installation of grab bars, ramps, and roll-in showers. Reasonable accommodations may also include the modification of rules or policies such as permitting a disabled tenant to have a two-bedroom unit to accommodate a resident assistant or to permit a disabled tenant to have a companion animal. The decision whether the requested accommodation is reasonable or unreasonable or whether to provide the accommodation would cause an undue financial or administrative burden lies with the borrower and would be for the borrower to defend should a complaint subsequently be filed. Borrowers may wish to consult with their legal counsel prior to denying a request. If the borrower takes the position that providing an accommodation would cause an undue financial or administrative burden, the borrower must permit the tenant to make reasonable modifications at the tenant's expense. Requests for reasonable accommodations must be handled in accordance with the management plan.

(d) Housing sign requirements.

(1) A permanent sign identifying the housing project is required for all housing projects approved on or after September 13, 1977. Permanent signs are recommended for all housing projects approved prior to September 13, 1977. The sign must meet the following requirements:

(i) Must be located at the primary site entrance and be readable and recognizable from the roadside;

(ii) Must be located near the site manager's office when the housing project has multiple sites and portable signs must be placed where vacancies exist at other site locations of a "scattered site" housing project;

(iii) May be of any shape;

(iv) Must be not less than 16 square feet of area for housing projects with 8 or more rental units (smaller housing projects may have smaller signs);

(v) Must be made of durable material including its supports;

(vi) Must include the housing project name;

(vii) Must show rental contact information including but not limited to the office location of the housing project and a telephone number where applicant inquiries may be made;

(viii) Must show either the equal housing opportunity logotype (the house and equal sign, with the words equal housing opportunity underneath the house); the equal housing opportunity slogan "equal housing opportunity"; or the equal housing opportunity statement, "We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status, or national origin." If the logotype is used, the size of the logo must be no less than 5 percent of the total size of the project sign.

(ix) May display the Agency or Department logotype; and

(x) Must comply with state and local codes.

(2) Accessible parking spaces must be reserved for individuals with disabilities by a sign showing the international symbol of accessibility. The sign must be mounted on a post at a height that is readily visible from an occupied vehicle. In snow areas, the sign must be visible above piled snow. If there is an office, the designated parking space must be van accessible.

(3) When the continuous unobstructed ingress or egress disabled accessibility route to a primary building entrance is other than the usual or obvious route, the alternate route for disabled accessibility must be clearly marked with international accessibility symbols and directional signs to aid a disabled person's ingress or egress to the building, through an accessible entrance, and to the accessible common use and public and living areas.

§3560.105 Insurance and taxes.

(a) General. Borrowers must purchase and maintain property insurance on all buildings included as security for an Agency loan. Also, borrowers must furnish fidelity coverage, liability insurance, and any other insurance coverage required by the Agency in accordance with this paragraph to protect the security of the asset. Failure to maintain adequate insurance coverage or pay taxes may lead to a non-monetary default under §3560.452(c).

(b) General insurance requirements. All insurance policies must meet the requirements established by the loan documents and this section.

(1) At loan closing, prior to loan approval, applicants must provide documentary evidence that insurance requirements have been met. The borrower must maintain insurance in accordance with requirements of their loan or grant documents and this section until the loan is repaid

(2) Insurance companies must meet the requirements of paragraph (e) of this section.

(3) Insurance coverage amount, terms, and conditions must meet the requirements of paragraph (f) of this section.

(4) The Agency must be named as loss co-payee on all property insurance policies where it holds first lien position. The Agency must be named as an additional insured if its lien position is other than first.

(c) Borrower failure or inability to meet insurance requirements. The Agency will take the following actions in cases where a borrower is unwilling or unable to meet the Agency's insurance requirements:

(1) The Agency will obtain insurance for Agency financed property if the borrower fails to do so. If borrowers refuse to pay the insurance premium, the Agency will pay the insurance premium and charge the premium payment amount to the borrower's Agency account and will place the borrower in default as described in §3560.452(c).

(2) If borrowers habitually fail to pay premiums in a timely manner, the Agency will require borrowers to escrow amounts appropriate to pay insurance premiums.

(3) If insurance that meets the Agency's specified requirements is not available (e.g. flood or hurricane insurance), the Agency may accept the insurance policy that most nearly conforms to established requirements.

(4) If the best insurance policy a borrower can obtain at the time the borrower receives the loan or grant contains a loss deductible clause greater than that allowed by paragraph (f)(8) of this section, the insurance policy and an explanation of the reasons why more adequate insurance is not available must be submitted to the Agency prior to loan or grant approval.

(d) Credits, refunds, or rebates. Borrowers must credit any refund or rebate from an insurance company to the project's general operating account or reserve account.

(e) Insurance company requirements. All insurers, insurance agents, and brokers must meet the following requirements:

- (1) Be licensed or authorized to do business in the state or jurisdiction where the housing project is located; and
- (2) Be deemed reputable and financially sound as determined by the Agency.

(f) Property insurance. The following conditions apply to property insurance purchased for Agency-financed housing projects.

(1) At a minimum, borrowers must obtain the following types of property insurance:

(i) Hazard insurance. A policy which generally covers loss or damage by fire, smoke, lightning, hail, explosion, riot, civil commotion, aircraft, and vehicles. These policies may also be known as “Fire and Extended Coverage,” “Homeowners,” “All Physical Loss,” or “Broad Form” policies.

(ii) Flood insurance. This coverage is required for properties located in Special Flood Hazard Areas (SFHA) as defined in 44 CFR part 65, as determined by the Federal Emergency Management Agency (FEMA).

(iii) Builder's risk insurance. A policy that insures dwellings under construction or rehabilitation.

(iv) Elevators, boiler, and machinery coverage. This coverage is required for properties that operate elevators, steam boilers, turbines, engines, or other pressure vessels.

(2) Other types of insurance that the Agency may require:

(i) Windstorm Coverage.

(ii) Earthquake Coverage.

(iii) Sinkhole Insurance or Mine Subsidence Insurance.

(3) For property insurance, the minimum coverage amount must equal the “Total Estimated Reproduction Cost of New Improvements,” as reflected in the housing project's most recent appraisal. At a minimum, property insurance coverage must be adequate to cover the lesser of the depreciated replacement value of essential buildings or the unpaid balance of all secured debt, unless such coverage is financially unfeasible for the housing project.

(i) If the cost of the minimum level of property insurance coverage exceeds what the housing project can reasonably afford, the borrower, with Agency concurrence, must obtain the maximum amount of property insurance coverage that the housing project can afford.

(ii) If the coverage amount is less than the depreciated replacement value of all essential buildings, borrowers must obtain coverage on one or more of the most essential buildings, as determined by the Agency.

(iii) When required, the coverage amount for flood insurance must equal the outstanding loan balance or the maximum coverage allowed by FEMA's "National Flood Insurance Program."

(4) Except for flood insurance, property insurance is not required if the housing project:

(i) Has a depreciated replacement value of \$2,500 or less; or

(ii) Is in a condition which the Agency determines makes insurance coverage not economical.

(5) Policies for several buildings or properties located on noncontiguous sites are acceptable if the insurer provides proof that each secured building or property related to the housing project is as fully protected as if a separate policy were issued.

(6) Borrowers must notify the Agency and their insurance company agents of any loss or damage to insured property and collect the amount of the loss.

(7) When the Agency is in the first lien position and an insurance settlement represents a satisfactory adjustment of a loss, the insurance settlement will be deposited in the housing project's general operating account unless the settlement exceeds \$5,000. If the settlement exceeds \$5,000, the funds will be placed in the reserve account for the housing project.

(i) Insurance settlement funds which remain after all repairs, replacements, and other authorized disbursements have been made retain their status as housing project funds.

(ii) If the indebtedness secured by the insured property has been paid in full or the insurance settlement is in payment for loss of property on which the Agency has no claim; a loss draft which includes the Agency as co-payee may be endorsed by the Agency without recourse and delivered to the borrower.

(8) When the Agency is not in the first lien position and the insurance settlement represents satisfactory adjustment of the loss, the Agency will release the settlement funds to the primary mortgagee upon agreement of all parties to the provisions contained in agreements between the Agency and the primary lienholder.

(9) Allowable deductible amounts are as follows:

(i) Hazard/Property Insurance.

(A) \$1,000 on any housing project with an insurable value under \$200,000; or

(B) One-half of one percent (0.0050) of the insurable value, up to \$10,000 on housing projects with insurance values over \$200,000.

(ii) Flood Insurance. The Agency allows a maximum deductible of \$5,000 per building.

(iii) Windstorm Coverage. When windstorm coverage is excluded from the "All Risk" policy, the deductible must not exceed five percent of the total insured value.

(iv) Earthquake Coverage. In the event that the borrower obtains earthquake coverage, the Agency is to be named as a loss payee. The deductible should be no more than 10 percent of the coverage amount.

(v) Sinkhole Insurance or Mine Subsidence Insurance. The deductible for sinkhole insurance or mine subsidence insurance should be similar to what would be required for earthquake insurance.

(10) Deductible amounts (excluding flood, windstorm, earthquake and sinkhole insurance or mine subsidence insurance) must be accounted for in the replacement reserve account. Borrowers who wish to increase the deductible amount must deposit an additional amount to the reserve account equal to the difference between the Agency's maximum deductible and the requested new deductible. The Borrower will be required to maintain this additional amount so long as the higher deductible is in force.

(g) Liability insurance. The borrower must carry comprehensive general liability insurance with coverage amounts that meet or exceed Agency requirements. This coverage must insure all common areas, commercial space, and public ways in the security premises. Coverage may also include borrower exposure to certain risks such as errors and omissions, environmental damages, or protection against discrimination claims. The insurer's limit of liability per occurrence for personal injury, bodily injury, or property damage under the terms of coverage must be at least \$1 million.

(h) Fidelity coverage. Borrowers must provide fidelity coverage on any personnel entrusted with the receipt, custody, and disbursement of any housing monies, securities, or readily salable property other than money or securities. Borrowers must have fidelity coverage in force as soon as there are assets within the organization and it must be obtained before any loan funds or interim financing funds are made available to the borrower. In addition, the following conditions apply to fidelity insurance:

(1) Fidelity insurance coverage must be documented on a bond form acceptable to the Agency.

(2) Fidelity coverage policies must declare in the insuring agreements that the insurance company will provide protection to the insured against the loss of money, securities, and property other than money and securities, through any criminal or dishonest act or acts committed by any employee, whether acting alone or in collusion with others, not to exceed the amount of indemnity stated in the declaration of coverage.

(i) The fidelity insurance policy, at a minimum, must include an insuring agreement that covers employee dishonesty.

(ii) Fidelity coverage amounts and deductible:

Fidelity coverage	Deductible level
Under \$50,000.....	\$1,000
In the area of \$100,000.....	2,500
In the area of \$250,000.....	5,000
In the area of \$500,000.....	10,000
In the area of \$1,000,000.....	15,000

(3) Blanket crime insurance coverage or fidelity bonds are acceptable types of fidelity coverage.

(4) At a minimum, borrowers must provide an endorsement, listing all of the borrower's Agency financed properties and their locations covered under the policy or bond as evidence of required fidelity insurance. The policy or bond may also include properties or operations other than Agency financed properties on separate endorsement listings.

(5) Individual or organizational borrowers must have fidelity coverage when they have employees with access to the MFH complex assets. Borrowers who use a management agent with exclusive access to housing assets must require the agent to have fidelity coverage on all principals and employees with access to the housing assets. If active management reverts to the borrower, the borrower must obtain fidelity coverage, as a first course of business.

(6) Fidelity coverage is not required under the following circumstances:

(i) The borrower is an individual or a general partnership and the individual or general partner will be responsible for the financial activities of the housing project.

(ii) In the case of a land trust where the beneficiary is responsible for management, the beneficiary will be treated as an individual.

(iii) A limited partnership (or its general partners) unless one or more of its general partners perform financial acts within the scope of the usual duties of an "employee."

(7) The premium for fidelity coverage of employees and general partners at a housing project is an eligible operating account expense.

(i) The premium of a management agent's fidelity coverage for the agent's principals and employees will be the management agent's business expense (i.e., it is included within the management fee).

(ii) When a housing project employee is covered under the "umbrella" of the management agent's fidelity coverage, the premium may be prorated among the housing projects covered..

(8) Borrowers must review fidelity coverage annually and adjust it as necessary to comply with the requirements of this section.

(i) Taxes. The borrower is responsible for paying all taxes and assessments on a housing project before they become delinquent.

(1) An exception to the above may be made if the borrower has formally contested the amount of the property assessment and escrowed the amount of taxes in question in a manner approved by the Agency.

(2) Failure to pay taxes and assessments when due will be considered a default. If a borrower fails to pay outstanding taxes and assessments, the Agency will pay the outstanding balance and charge the tax or assessment amount, assessed penalties, and any additional incurred costs to the borrower's Agency account.

(3) The Agency will require borrowers who have demonstrated an inability to pay taxes in a timely manner to escrow amounts sufficient to pay taxes.

Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart D--Multi-Family Housing Occupancy

§3560.151 General.

(a) Applicability. This subpart contains borrower and tenant requirements and Agency responsibilities related to occupancy of Agency-financed multi-family housing (MFH) projects. Occupancy eligibility requirements apply to the following:

- (1) Family housing projects, including farm labor housing;
- (2) Elderly housing projects; and
- (3) Congregate housing or group homes for persons with special needs.

(b) Civil rights requirements. All occupancy policies must meet applicable civil rights requirements, as stated in §3560.2.

§3560.152 Tenant eligibility.

(a) General requirements. Except as specified in paragraph (b) of this section, a tenant eligible for occupancy in Agency-financed housing must either:

- (1) Be a United States citizen or qualified alien, and

(2) Qualify as a very low-, low-, or moderate-income household; or

(3) Be eligible under the requirements established to qualify for housing benefits provided by sources other than the Agency, such as U.S. Department of Housing and Urban Development (HUD) Section 8 assistance or Low Income Housing Tax Credit (LIHTC), when a tenant receives such housing benefits.

(b) Exception. Households with incomes above the moderate-income level may occupy housing projects with an Agency loan approved prior to 1968 with a loan agreement that does not restrict occupancy by income.

(c) Requirements for elderly housing, elderly units in mixed housing, congregate housing, and group homes. In addition to the requirements of paragraph (a) of this section, the following occupancy requirements apply to elderly housing, elderly units in mixed housing, and congregate housing or group homes:

(1) For elderly housing, elderly units in mixed housing, and congregate housing the following provisions apply:

(i) Households must meet the definition of an elderly household in §3560.11 to be eligible for occupancy in elderly or congregate housing.

(ii) If non-elderly persons are members of a household where the tenant or co-tenant is an elderly person, the non-elderly persons are eligible for occupancy in the tenant's or co-tenant's rental unit.

(iii) Applicants who will agree to participate in the services provided by a congregate housing project may be given occupancy priority.

(2) For group homes, the following provisions apply:

(i) Occupancy may be limited to a specific group of tenants, such as elderly persons or persons with developmental disabilities, or mental impairments, if such an occupancy limitation is contained in the borrower's management plan.

(ii) Tenants must be able to demonstrate a need for the special services provided by the group home.

(iii) Tenants cannot be required to participate in an ongoing training or rehabilitation program.

(iv) Tenants must be selected from the market area prior to considering applicants from other areas.

(d) Ineligible tenant waiver. The Agency may authorize the borrower in writing, upon receiving the borrower's written request with the necessary documentation, to rent vacant units to ineligible persons for temporary periods to protect the financial interest of the Government. Likewise, this provision may extend to a cooperative. This authority will be for the entire project for periods not to exceed one year. Within the period of the lease, the tenant may not be required to move to allow an eligible applicant to obtain occupancy, should one become available. The Agency must make the following determinations:

(1) There are no eligible persons on a waiting list.

(2) The borrower provided documentation that a diligent but unsuccessful effort to rent any vacant units to an eligible tenant household has been made. Such documentation may consist of advertisements in appropriate publications, posting notices in several public places, including places where persons seeking rental housing would likely make contacts, holding open houses, making appropriate contacts with public housing agencies and organizations, Chambers of Commerce, and real estate agencies.

(3) The borrower agrees to continue with aggressive efforts to locate eligible tenants and retain documentation of all marketing.

(4) The borrower is temporarily unable to achieve or maintain a level of occupancy sufficient to prevent financial default and foreclosure. The Agency's approval of the waiver would then be for a limited duration.

(5) The lease agreement will not be more than 12 months and at its expiration will convert to a month-to-month lease. The monthly lease will require that the unit be vacated upon 30 days notice when an eligible applicant is available.

(6) Tenants residing in Rural Rental Housing (RRH) units who are ineligible because their adjusted annual income exceeds the maximum for the RRH project will be charged the Rural Housing Service (RHS) approved note rent for the size of unit occupied in a Plan II RRH project. In projects operated under Plan I, ineligible tenants will be charged a rental surcharge of 25 percent of the approved note rent.

(e) Tenant certification and verification. Tenants and borrowers must execute an Agency-approved tenant certification form establishing the tenant's eligibility prior to occupancy. In addition, tenant households must be recertified and must execute a tenant certification form at least annually or whenever a change in household income of \$100 or more per month occurs. Borrowers must recertify for changes of \$50 per month, if the tenant requests that such a change be made.

(1) Tenant requirements.

(i) Tenants must provide borrowers with the necessary income and other household information required by the Agency to determine eligibility.

(ii) Tenants must authorize borrowers to verify information provided to establish their eligibility or determination of tenant contribution.

(iii) Tenants must report all changes in household status that may affect their eligibility to borrowers.

(iv) Tenants who fail to comply with tenant certification and recertification requirements will be considered ineligible for occupancy and will be subject to unauthorized assistance claims, if applicable, as specified in subpart O of this part.

(2) Borrower requirements.

(i) Borrowers must verify household income and other information necessary to establish tenant eligibility for the requested rental unit type, in a format approved by the Agency, prior to a tenant's initial occupancy and prior to annual or other recertifications.

(ii) Borrowers must review all reported changes in household status and assess the impact of these changes on the tenant's eligibility or tenant contribution.

(iii) Borrowers must submit initial or updated tenant certification forms to the Agency within 10 days of the effective date of an initial certification or any changes in a tenant's status. The effective date of an initial or updated tenant certification form will always be a first day of the month.

(iv) Since tenant certifications are used to document interest credit and rental assistance eligibility and are a basic responsibility of the borrower under the loan documents, borrowers who fail to submit annual or updated tenant certification forms within the time period specified in paragraph (e)(2)(iii) of this section will be charged overage, as specified in §3560.203(c). Unauthorized assistance, if any, will be handled in accordance with subpart O of this part.

(v) Borrowers must submit tenant certification forms to the Agency using a format approved by the Agency.

(vi) Borrowers must retain executed tenant certification forms and any supporting documentation in the tenant file for at least 3 years or until the next Agency monitoring visit or compliance review, whichever is longer.

(3) The Agency maintains the right to independently verify tenant eligibility information.

§3560.153 Calculation of household income and assets.

(a) Annual income will be calculated in accordance with 24 CFR 5.609.

(b) Adjusted income will be calculated in accordance with 24 CFR 5.611.

§3560.154 Tenant selection.

(a) Application for occupancy. Borrowers must use tenant application forms that collect sufficient information to properly determine household eligibility and to enable the Agency to monitor compliance with the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title VI of the Civil Rights Act of 1964 during compliance reviews. At a minimum, borrowers must use application forms that collect the following information:

(1) Name of the applicant and present address;

(2) Number of household members and their birthdates;

(3) Annual income information calculated in accordance with §3560.153(a);

(4) Adjustments to income calculated in accordance with §3560.153(b);

(5) Net assets calculated in accordance with §3560.153(c);

(6) Indication of a need for a unit accessible to individuals with disabilities and any disability adjustments to income;

(7) Certification by the applicant that the unit will serve as the household's primary residence, and a certification that the applicant is a U.S. citizen or a qualified alien as defined in §3560.11;

(8) Signature of the applicant and date;

(9) Race, ethnicity, and sex designation. The following disclosure notice shall be used:

“The information regarding race, ethnicity, and sex designation solicited on this application is requested in order to assure the Federal Government, acting through the Rural Housing Service, that the Federal laws prohibiting discrimination against tenant applications on the basis of race, color, national origin, religion, sex, familial status, age, and disability are complied with. You are not required to furnish this information, but are encouraged to do so. This information will not be used in evaluating your application or to discriminate against you in any way. However, if you choose not to furnish it, the owner is required to note the race, ethnicity, and sex of individual applicants on the basis of visual observation or surname,” and

(10) Social security number.

(b) Additional information. Applicants are to be provided a list of any additional information that must be submitted with the application for the application to be considered complete (an application will be considered complete without verification of the applicant information). The list of information will be restricted to the same items for all Agency-assisted properties of a particular type, such as a family or elderly complex.

(c) Application submission. Borrowers must establish when applications may be submitted. Information on the place and times for tenant application submission must be documented in the housing project's management plan and Affirmative Fair Housing Marketing Plan.

(d) Selection of eligible applicants.

(1) Applicants may be determined ineligible for occupancy based on selection criteria other than Agency requirements only if such criteria are contained in the borrower's management plan. Borrower established selection criteria may not contain arbitrary or discriminatory rejection criteria, but may consider an applicant's past rental and credit history and relations with other tenants.

(2) Borrowers with projects receiving low-income housing tax credits (LIHTCs), may leave a housing unit vacant if they are required to rent the available unit to an LIHTC-eligible applicant, and none of the applicants on the waiting list meet the applicable LIHTC eligibility requirements.

(e) Recordkeeping. Borrowers must retain all tenant application forms for at least 3 years. The Agency may require borrowers to submit application information for Agency review.

(f) Waiting lists.

(1) When an applicant has submitted an application form the borrower must place the applicant on the waiting list. All applications, whether complete, eligible, or ineligible, will be placed on the list. The waiting list will document the final disposition of all applications (rejected, withdrawn, or placed in a unit).

(2) The date and time a complete application was submitted will be recorded on the waiting list and will establish priority for selection from the list. If an applicant submits an incomplete application (see paragraph (a) of this section), they must be notified in writing within 10 days of the items that are needed for the application to be considered complete and that priority will not be established until the additional items are received.

(3) The race and the ethnicity of each applicant shall be recorded on the waiting list. This information shall be collected for statistical purposes only and must not be used when making eligibility determinations or in any other discriminatory manner. The information shall be recorded using the race and ethnicity codes that are utilized on the Agency tenant certification form available in the servicing office.

(4) Within 10 days of receipt of a complete application, the Borrower must notify the applicant in writing that he has been selected for immediate occupancy, placed on a waiting list, or rejected.

(5) Selections from the completed applications on the waiting list shall be made in the following priority order:

- (i) Very low-income applicants;
- (ii) Low-income applicants; and
- (iii) Moderate-income applicants.

(g) Priorities and preferences for admission.

(1) Eligible applicants that meet the following conditions must be given priority for occupancy over all other tenants regardless of income. Such applicants, however, will be ranked among themselves by income level, giving priority first to very low-income households, then to low-income households, and finally to moderate-income households.

(i) Persons who require the special design features of a unit accessible to individuals with disabilities will have priority only for units with these features.

(ii) In congregate housing facilities, persons who agree to use the services provided by the facility will have priority over other applicants.

(2) Eligible applicants that meet any of the following conditions must be given priority over other applicants in their same income category.

(i) The applicant has a Letter of Priority Entitlement (LOPE) issued in accordance with §3560.660(c).

(ii) The applicant was displaced from Agency-financed housing but was not issued a LOPE.

(iii) The applicant was displaced in a Federally declared disaster area.

(3) Borrowers receiving Section 8 project-based assistance may establish preferences in accordance with U.S. Department of Housing and Urban Development (HUD) regulations. The use of such preferences must be documented in the project's management plan.

(h) Notices of ineligibility or rejection. Borrowers must provide written notification to applicants who are determined to be ineligible or who are rejected for occupancy. Notices of ineligibility or rejection must give specific reasons for the ineligibility determination or rejection and, in accordance with §3560.160, the notice must advise the applicant of “the right to respond to the notice within ten calendar days after receipt” and of “the right to a hearing in accordance with §3560.160 which is available upon request.” When an applicant is rejected based on the information from a credit bureau report, the source of the credit bureau report must be revealed to the applicant in accordance with the Fair Credit Reporting Act.

(i) Purging waiting list. Procedures used by borrowers to purge waiting list must be documented in the project's management plan and must be based on the length of the waiting list or the extent of time an applicant will be expected to wait for housing. At a minimum, borrowers must document removal of any names from the waiting list with the time and date of the removal. If an electronic waiting list is used, borrowers must periodically print out electronic waiting lists or preserve backup copies showing how the waiting list appeared before and after the removal of each name.

(j) Criminal activity. Borrowers may deny admission for criminal activity or alcohol abuse by household members in accordance with the provisions of 24 CFR 5.854, 5.855, 5.856, and 5.857.

§3560.155 Assignment of rental units and occupancy policies.

(a) General. Available rental units are assigned in accordance with the requirements of this section and the priorities and preferences outlined in §3560.154.

(b) Rental units accessible to individuals with disabilities. If a rental unit accessible to individuals with disabilities is available and there are no applicants that require the features of the unit, borrowers may rent the unit to a non-disabled tenant subject to the inclusion of a lease provision that requires the tenant to vacate the unit within 30 days of notification from management that an eligible individual with disabilities requires the unit and provided the accessible unit has been marketed as an accessible unit, outreach has been made to organizations representing the disabled, and marketing of the unit as an accessible unit continues after it has been rented to a tenant who is not in need of the special design features.

(c) Transfer of existing tenants within a housing project. When a rental unit becomes available for occupancy and an eligible tenant in the housing project is either over housed or under housed as provided for in paragraph (e) of this section, the borrower must use the available unit for the over housed or under housed tenant, if suitable, prior to selecting an eligible applicant from the waiting list.

(d) Applicant placement. When a specific rental unit type becomes available for occupancy, borrowers must select eligible applicants suitable for the available unit according to the priorities established in §3560.154.

(e) Occupancy policies. Borrowers must establish occupancy policies for each housing project. Households living in a rental unit with more bedrooms than persons in the household will be considered over housed and must be relocated in accordance with paragraph (c) of this section. Households under housed as defined by the project's occupancy standards must be relocated in accordance with paragraph (c) of this section. Borrowers with no one-bedroom units in a housing project may make an exception to this requirement in their occupancy policies. In addition, a borrower's occupancy policies must establish:

(1) Reasonable standards for determining when a tenant household is considered under housed. The standards will describe the maximum number of persons that may occupy units of a given size based on occupancy guidelines provided by the Agency or another governmental source;

(2) The order in which eligible applicants and existing tenants will be housed or re-housed; and

(3) How fair housing requirements will be met, including how reasonable accommodations will be made for applicants and tenants with disabilities.

(f) Agency concurrence. The Agency must concur with a borrower's occupancy rules prior to initial occupancy of the housing project. All modifications to occupancy rules must be posted for tenant comment in accordance with §3560.160 and receive Agency concurrence prior to implementation.

§3560.156 Lease requirements.

(a) Agency approval. Borrowers must use a lease approved by the Agency. The lease must be consistent with Agency requirements and the requirements of all programs participating in the housing project. Prior to submitting the lease to the Agency for approval, borrowers must have their attorney certify that the lease complies with state and local laws, Agency requirements, and the requirements of all programs participating in the housing project. If there are conflicting requirements the borrower shall notify the Agency of the conflict and request guidance. Borrowers must execute their Agency approved lease with each tenant household prior to tenant occupancy of a rental unit.

(b) Lease requirements.

(1) All leases must be in writing.

(2) Initial leases must be for a 1-year period.

(3) If the tenant is not subject to occupancy termination according to §3560.158 and §3560.159, a renewal lease or lease extension must be for a 1-year period.

(4) In areas with a concentration of non-English speaking populations, leases (including the occupancy rules) must be available in both English and the non-English language.

(5) Leases must give the address of the management agent to which tenants may direct complaints.

(6) Leases must include a statement of the terms and conditions for modifying the lease.

(c) Required items and provisions.

(1) Leases for tenants who hold a Letter of Priority Entitlement (LOPE) issued according to §3560.655(d) and are temporarily occupying a unit for which they are not eligible must include a clause establishing the tenant's responsibility to move when a suitable unit becomes available in the housing project.

(2) Leases must contain a clause permitting escalation in the tenant contribution when there is an Agency-approved change in basic or note rate rents prior to the expiration of the lease. The escalation clause also must specify that the tenant contribution may be changed prior to expiration of the lease if the change is due to changes in tenant status, as documented on the tenant certification form, or the tenant's failure to properly recertify.

(3) Leases must specify that no change in the tenant contribution will occur due to monetary or non-monetary default or when rental assistance or interest credit, is suspended, canceled, or terminated due to the borrower's fault. For information on tenant contributions when a borrower prepays the Agency loan, refer to subpart N of this part.

(4) Leases must contain a requirement that tenants make restitution when unauthorized assistance is received due to applicant or tenant fraud or misrepresentation and a statement advising tenants that submission of false information could result in legal action.

(5) Leases must include a statement that the housing project is financed by the Agency and that the Agency has the right to further verify information provided by the applicant.

(6) Leases must state that the housing project is subject to:

(i) Title VI of the Civil Rights Act of 1964;

(ii) Title VIII of the Fair Housing Act;

(iii) Section 504 of the Rehabilitation Act of 1973; and

(iv) The Age Discrimination Act of 1975.

(7) Leases must establish the tenant's responsibility according to the housing project's occupancy rules to move to the next available appropriately sized rental unit if the household becomes over housed or under housed in the unit they occupy.

(8) Leases must include provisions that establish when a guest will be considered a member of the household and be required to be added to the tenant certification.

(9) Leases must include a provision stating that tenancy continues until the tenant's possessions are removed from the housing either voluntarily or by legal means, subject to state and local law.

(10) Leases must include a requirement that tenants who are no longer eligible for occupancy under the housing project's occupancy rules or do not meet the criteria set forth in §3560.155(c) and (e) must vacate the property within 30 days of being notified by the borrower that they are no longer eligible for occupancy or at the expiration of their lease, or whichever is greater, unless the conditions cited in §3560.158(c) exist;

(11) Leases for rental units receiving rental assistance must include clauses that specify that the tenant's monthly tenant contribution and a description of the circumstances under which the tenant's contribution may change.

(12) Leases must include a requirement that tenants notify borrowers when changes occur in their income or assets, their qualifications for adjustments to income, their citizenship status, or the number of persons living in the unit.

(13) A requirement that tenants agree to fulfill the tenant income verification and certification requirements established under §3560.152.

(14) Leases for tenants living in Plan II interest credit rental units must include provisions establishing the net monthly tenant contribution.

(15) Leases, including renewals, must include the following language:

“It is understood that the use, or possession, manufacture, sale, or distribution of an illegal controlled substance (as defined by local, State, or federal law) while in or on any part of this apartment complex or cooperative is an illegal act. It is further understood that such action is a material lease violation. Such violations (hereafter called a “drug violation”) may be evidenced upon the admission to or conviction of the use, possession, manufacture, sale, or distribution of a controlled substance (as defined by local, state, or Federal law) in any local, state, or Federal court.

The landlord may require any lessee or other adult member of the tenant household occupying the unit (or other adult or non-adult person outside the tenant household who is using the unit) who commits a drug violation to vacate the leased unit permanently, within timeframes set by the landlord, and not thereafter to enter upon the landlord's premises or the lessee's unit without the landlord's prior consent as a condition for continued occupancy by the remaining members of the tenant's household. The landlord may deny consent for entry unless the person agrees to not commit a drug violation in the future and is either actively participating in a counseling or recovery program, complying with court orders related to a drug violation, or has successfully completed a counseling or recovery program.

The landlord may require any lessee to show evidence that any non-adult member of the tenant household occupying the unit, who committed a drug violation, agrees not to commit a drug violation in the future, and to show evidence that the person is either actively seeking or receiving assistance through a counseling or recovery program, complying with court orders related to a drug violation, or has successfully completed a counseling or recovery program within timeframes specified by the landlord as a condition for continued occupancy in the unit. Should a further drug violation be committed by any non-adult person occupying the unit the landlord may require the person to be severed from tenancy as a condition for continued occupancy by the lessee.

If a person vacating the unit, as a result of the above policies, is one of the lessees, the person shall be severed from the tenancy and the lease shall continue among any other remaining lessees and the landlord. The landlord may also, at the option of the landlord, permit another adult member of the household to be a lessee.

Should any of the above provisions governing a drug violation be found to violate any of the laws of the land the remaining enforceable provisions shall remain in effect. The provisions set out above do not supplant any rights of tenants afforded by law.”

(16) Leases for rental units accessible to individuals with disabilities occupied by those not needing the accessibility features must establish the tenant's responsibility to move to another unit when an appropriate unit becomes available or when the unit is needed by an eligible individual with disabilities. Additionally, the lease clause must require the borrower to provide tenants written notification of the date by which they must move to another unit in the project.

(17) If loan prepayment occurs and the housing project is subject to restrictive use provisions, leases and renewals must be amended to include a clause specifying the tenant protections required under subpart N of this part.

(18) All leases must contain the following information and provisions:

- (i) The name of the tenant, any co-tenants, and all members of the household residing in the rental unit;
- (ii) The identification of the rental unit;
- (iii) The amount and due date of monthly tenant contributions, any late payment penalties, and security deposit amounts;
- (iv) The utilities, services, and equipment to be provided for the tenant;
- (v) The tenant's utility payment responsibility;
- (vi) The certification process for determining tenant occupancy eligibility and contribution;
- (vii) The limitations of the tenant's right to use or occupancy of the dwelling;
- (viii) The tenant's responsibilities regarding maintenance and consequences if the tenant fails to fulfill these responsibilities;

(ix) The agreement of the borrower to accept the tenant contribution toward rent charges prior to payment of other charges that the tenant owes and a statement that borrowers may seek legal remedy for collecting other charges accrued by the tenant;

(x) The maintenance responsibilities of the borrower in buildings and common areas, according to state and local codes, Agency regulations, and Federal fair housing requirements;

(xi) The responsibility of the borrowers at move-in and move-out to provide the tenant with a written statement of rental unit's condition and provisions for tenant participation in inspection;

(xii) The provision for periodic inspections by the borrower and other circumstances under which the borrower may enter the premises while a tenant is renting;

(xiii) The tenant's responsibility to notify the borrower of an extended absence;

(xiv) A provision that tenants may not assign the lease or sublet the property;

(xv) A provision regarding transfer of the lease if the housing project is sold to an Agency-approved buyer;

(xvi) The procedures that must be followed by the borrower and the tenant in giving notices required under terms of the lease including lease violation notices;

(xvii) The good-cause circumstances under which the borrower may terminate the lease and the length of notice required;

(xviii) The disposition of the lease if the housing project becomes uninhabitable due to fire or other disaster, including rights of the borrower to repair building or terminate the lease;

(xix) The procedures for resolution of tenant grievances consistent with the requirements of §3560.160;

(xx) The terms under which a tenant may, for good cause, terminate their lease, with 30 days notice, prior to lease expiration; and

(xxi) The signature and date clause indicating that the lease has been executed by the borrower and the tenant.

(d) Prohibited provisions. Borrowers are prohibited from including any of the following clauses in the lease:

(1) Clauses prohibiting families with children under 18;

(2) Clauses requiring prior consent by tenant to any lawsuit that borrowers may bring against the tenant in connection with the lease;

- (3) Clauses authorizing borrowers to hold any of a tenant's property until the tenant fulfills an obligation;
- (4) Clauses in which tenants agree not to hold borrowers liable for anything they may do or fail to do;
- (5) Clauses in which tenants agree that borrowers may institute suit without any notice to the tenant that the suit has been filed;
- (6) Clauses in which tenants agree that borrowers may evict the tenant or sell their possessions whenever borrowers determine that a breach or default has occurred;
- (7) Clauses authorizing the borrower's attorneys to appear in court on behalf of the tenant, and to waive the tenant's right to a trial by jury;
- (8) Clauses authorizing the borrower's attorneys to waive the tenant's right to appeal or to file suit; and
- (9) Clauses requiring the tenant to agree to pay legal fees and court costs whenever the borrower takes action against the tenant, even if the court finds in favor of the tenant.

(e) Housing projects and units receiving HUD assistance.

- (1) In housing projects receiving Section 8 project-based assistance, borrowers may use the HUD model lease. The provisions of the HUD model lease will prevail, unless they conflict with Agency lease requirements in accordance with this section. If there is conflict between HUD requirements and Agency requirements, the provision that will be enforced will be the one that is most favorable to the tenant.
- (2) For units occupied by Section 8 certificate and voucher holders, borrowers may use:
 - (i) A standard HUD-approved lease;
 - (ii) A HUD-approved lease that includes a number of modifications from the standard HUD-approved lease; or
 - (iii) An Agency-approved lease may be used if acceptable by HUD or the local housing authority.

(f) State and local requirements. Borrowers must use a lease that is consistent with state and local requirements.

- (1) If any lease provision is in violation of state or local law, the lease may be modified to the extent needed to comply with the law, but any changes must be consistent with the provisions established in paragraph (c) of this section.
- (2) Leases must include a procedure for handling tenant's abandoned property, as provided by state or local law.

§3560.157 Occupancy rules.

(a) General. The purpose of a borrower's occupancy rules is to outline the basis for the tenant and management relationship. Prior to Agency approval of occupancy rules, borrowers must provide written certification from their attorney that the housing project's occupancy rules are consistent with applicable Federal, state, and local laws, as well as Agency requirements, and the requirements of all programs participating in the housing project. Borrowers must obtain Agency approval of the occupancy rules prior to initial occupancy and obtain Agency approval prior to the implementation date of any subsequent modifications to the rules.

(b) Requirements. The occupancy rules must be in writing and posted for easy tenant access. A copy of these rules must be attached to the tenant's lease upon initial occupancy. At a minimum, the occupancy rules must address:

- (1) The tenant's rights and responsibilities under the lease or occupancy agreement;
- (2) The rent payment or occupancy charge policies;
- (3) The policies regarding periodic inspection of units;
- (4) The system for responding to tenant complaints;
- (5) The maintenance request and work order procedures;
- (6) The housing services and facilities available to tenants or members;
- (7) The office locations, hours, and emergency telephone numbers;
- (8) The restrictions on storage and prohibitions on non-functional vehicles in the housing project area;
- (9) Other requirements related to a subsidy provided to a tenant from non-Agency sources;
- (10) When a guest becomes a member of the tenant household; and
- (11) The procedures tenants must follow to request reasonable accommodations.

(c) Modification of occupancy rules. The Agency must concur with any modification to the occupancy rules prior to implementation. Proper notice must be given to each tenant at least 30 days in advance of implementation of such rules in accordance with §3560.160.

(d) Federal, state and local requirements. The occupancy rules must be consistent with Federal, state, and local law.

(e) Pets/Assistance Animals. All housing projects should establish reasonable written pet rules. No rules may be promulgated that would prevent occupancy by a household member who requires a service or assistance animal. In elderly housing, borrowers must not prohibit tenants from keeping domestic animals in their rental units as pets.

(f) Tenant organizations. Borrowers must not infringe on the rights of tenants to organize an association of tenants. Borrowers (or a designated management representative) should be available and willing to work with a tenant organization.

(g) Community rooms. Borrowers may not place unreasonable restrictions on tenants that desire to use a community room.

§3560.158 Changes in tenant eligibility.

(a) General requirements. Tenants must continue to meet the requirements of §3560.152 to remain eligible for occupancy.

(b) Tenants no longer eligible. Tenants who are no longer eligible for occupancy under the housing project's occupancy rules or do not meet the criteria set forth in §3560.155(c) and (e) must vacate the property within 30 days of being notified by the borrower that they are no longer eligible for occupancy or at the expiration of their lease, whichever is greater, unless the conditions specified in paragraph (c) of this section exist.

(c) Temporary continuation of tenancy. If conditions described in §3560.454(b) or the following conditions exist, borrowers may permit tenants who are no longer eligible for occupancy to continue to reside at the housing project with prior approval of the Agency.

(1) The waiting list for the specific rental unit type has no eligible applicants; or

(2) The required time period for vacating the rental unit would create a hardship on the tenant household.

(d) Surviving and remaining household members.

(1) Members of a household may continue to reside in a housing project after the departure or death of the tenant or co-tenant, provided that:

(i) They are eligible with respect to adjusted income;

(ii) They occupied a rental unit in the housing project at the time of the departure or death of the tenant or co-tenant;

(iii) They execute a tenant certification form establishing their own tenancy; and

(iv) They have the legal ability to sign a lease for the rental unit, except where a legal guardian may sign when the tenant or member is otherwise eligible.

(2) Surviving or remaining members of the household may remain in the housing project, taking into consideration the conditions of paragraph (d)(1) of this section, but must move to a suitably sized rental unit within 30 days of its availability.

(3) After the death of a tenant or co-tenant in elderly housing, the surviving members of the household, regardless of age but taking into consideration the conditions of paragraph (d)(1) of this section, may remain in the rental unit in which they were residing at the time of the tenant's or co-tenant's death, even if the household is over housed according to the housing project's occupancy rules as follows:

(i) Continued occupancy of the rental unit will not be allowed when in either situation of paragraph (d)(1) or (d)(3) of this section, the rental unit has accessibility features for individuals with disabilities, the household no longer has a need for such accessibility features, and the housing project has a tenant application from an individual with a need for the accessibility features;

(ii) If the housing project does not have a tenant application from an individual with a need for the accessibility features, the household may remain in the rental unit with such features until the housing project receives an application from an individual with a need for accessibility features. The household in the unit with accessibility features will be required to move within 30 days of the housing project's receipt of a tenant application requiring accessibility features if another suitably sized unit without accessibility features is available in the project. If a suitably sized unit is not available in the project within 30 days, the tenant may remain in the unit with accessibility features until the first available unit in the project becomes available and then must move within 30 days.

§3560.159 Termination of occupancy.

(a) Tenants in violation of lease. Borrowers, in accordance with lease agreements, may terminate or refuse to renew a tenant's lease only for material non-compliance with the lease provisions, material non-compliance with the occupancy rules, or other good causes. Prior to terminating a lease, the borrower must give the tenant written notice of the violation and give the tenant an opportunity to correct the violation. Subsequently, termination may only occur when the incidences related to the termination are documented and there is documentation that the tenant was given notice prior to the initiation of the termination action that their activities would result in occupancy termination.

(1) Material non-compliance with lease provisions or occupancy rules, for purposes of occupancy termination by a borrower, includes actions such as:

(i) Violations of lease provisions or occupancy rules that are substantial and/or repeated;

(ii) Non-payment or repeated late payment of rent or other financial obligations due under the lease or occupancy rules; or

(iii) Admission to or conviction for use, attempted use, possession, manufacture, selling, or distribution of an illegal controlled substance when such activity occurred on the housing project's premises by the tenant, a member of the tenant's household, a guest of the tenant, or any other person under the tenant's control at the time of the activity.

(2) Good causes, for purposes of occupancy terminations by a borrower, include actions such as:

(i) Actions by the tenant or a member of the tenant's household which disrupt the livability of the housing by threatening the health and safety of other persons or the right of other persons to enjoyment of the premises and related facilities;

(ii) Actions by the tenant or a member of the tenant's household which result in substantial physical damage causing an adverse financial effect on the housing or the property of other persons; or

(iii) Actions prohibited by state and local laws.

(b) Lease expiration or tenant eligibility. A tenant's occupancy in an Agency-financed housing project may not be terminated by a borrower when the lease agreement expires unless the tenant's actions meet the conditions described in paragraph (a) of this section, or the tenant is no longer eligible for occupancy in the housing. Borrowers must handle terminations of occupancy due to a change in tenant eligibility status in accordance with §3560.158. At a minimum, the occupancy termination notice must include the following information:

(1) A specific date by which lease termination will occur;

(2) A statement of the basis for lease termination with specific reference to the provisions of the lease or occupancy rules that, in the borrower's judgment, have been violated by the tenant in a manner constituting material non-compliance or good cause; and

(3) A statement explaining the conditions under which the borrower may initiate judicial action to enforce the lease termination notice.

(c) Other terminations. If occupancy is terminated due to conditions which are beyond the control of the tenant, such as a condition related to required repair or rehabilitation of the building, or a natural disaster, the tenants who are affected by such a circumstance are entitled to benefits under the Uniform Relocation Act and may request a Letter of Priority Entitlement (LOPE) from the Agency. If tenants need additional time to secure replacement housing, the Agency may, at the tenant's request, extend the LOPE entitlement period.

(d) Criminal activity. Borrowers may terminate tenancy for criminal activity or alcohol abuse by household members in accordance with the provisions of 24 CFR 5.858, 5.859, 5.860, and 5.861.

§3560.160 Tenant grievances.

(a) General.

(1) The requirements established in this section are designed to ensure that there is a fair and equitable process for addressing tenant or prospective tenant concerns and to ensure fair treatment of tenants in the event that an action or inaction by a borrower, including anyone designated to act for a borrower, adversely affects the tenants of a housing project.

(2) Any tenant/member or prospective tenant/member seeking occupancy in or use of Agency facilities who believes he or she is being discriminated against because of age, race, color, religion, sex, familial status, disability, or national origin may file a complaint in person with, or by mail to the U.S. Department of Agriculture's Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW., Washington DC 20250-9410 or to the Office of Fair Housing and Equal Opportunity, U.S. Department of Housing and Urban Development (HUD), Washington, DC 20410. Complaints received by Agency

employees must be directed to the National Office Civil Rights Staff through the State Civil Rights Manager/Coordinator.

(b) Applicability.

(1) The requirements of this section apply to a borrower action regarding housing project operations, or the failure to act, that adversely affects tenants or prospective tenants.

(2) This section does not apply to the following situations:

(i) Rent changes authorized by the Agency in accordance with the requirements of §3560.203(a);

(ii) Complaints involving discrimination which must be handled in accordance with §3560.2(b) and paragraph (a)(2) of this section;

(iii) Housing projects where an association of all tenants has been duly formed and the association and the borrower have agreed to an alternative method of settling grievances;

(iv) Changes required by the Agency in occupancy rules or other operational or management practices in which proper notice and opportunity have been given according to law and the provisions of the lease;

(v) Lease violations by the tenant that would result in the termination of tenancy and eviction;

(vi) Disputes between tenants not involving the borrower; and

(vii) Displacement or other adverse actions against tenant as a result of loan prepayment handled according to subpart N of this part.

(c) Borrower responsibilities. Borrowers must permanently post tenant grievance procedures that meet the requirements of this section in a conspicuous place at the housing project. Borrowers also must maintain copies of the tenant grievance procedure at the housing project's management office for inspection by the tenants and the Agency upon request. Each tenant must receive an Agency summary of tenant's rights when a lease agreement is signed. If a housing project is located in an area with a concentration of non-English speaking individuals, the borrower must provide grievance procedures in both English and the non-English language. The notice must include the telephone number and address of USDA's Office of Civil Rights and the appropriate Regional Fair Housing and Enforcement Agency.

(d) Reasons for grievance. Tenants or prospective tenants may file a grievance in writing with the borrower in response to a borrower action, or failure to act, in accordance with the lease or Agency regulations that results in a denial, significant reduction, or termination of benefits or when a tenant or prospective tenant contests a borrower's notice of proposed adverse action as provided in paragraph (e) of this section. Acceptable reasons for filing a grievance may include:

- (1) Failure to maintain the premises in such a manner that provides decent, safe, sanitary, and affordable housing in accordance with §3560.103 and applicable state and local laws;
- (2) Borrower violation of lease provisions or occupancy rules;
- (3) Modification of the lease;
- (4) Occupancy rule changes;
- (5) Rent changes not authorized by the Agency according to §3560.205; or
- (6) Denial of approval for occupancy.

(e) Notice of adverse action. In the case of a proposed action that may have adverse consequences for tenants or prospective tenants such as denial of admission to occupancy and changes in the occupancy rules or lease, the borrower must notify the tenant or prospective tenant in writing. In the case of a Borrower's proposed adverse action including denial of admission to occupancy, the Borrower shall notify the applicant/tenant in writing. The notice must be delivered by certified mail return receipt requested or a hand-delivered letter with a signed and dated acknowledgement of receipt from the applicant/tenant. The notice must give specific reasons for the proposed action. The notice must also advise the tenant or prospective tenant of "the right to respond to the notice within ten calendar days after date of the notice" and of "the right to a hearing in accordance with §3560.160 (f), which is available upon request." The notice must contain the information specified in paragraph (a)(2) of this section. For housing projects in areas with a concentration of non-English speaking individuals, the notice must be in English and the non-English language.

(f) Grievances and responses to notice of adverse action. The following procedures must be followed by tenants, prospective tenants, or borrowers involved in a grievance or a response to an adverse action.

- (1) The tenant or prospective tenant must communicate to the borrower in writing any grievance or response to a notice within 10 calendar days after occurrence of the adverse action or receipt of a notice of intent to take an adverse action.
- (2) Borrowers must offer to meet with tenants to discuss the grievance within 10 calendar days of receiving the grievance. The Agency encourages borrowers and tenants or prospective tenants to make an effort to reach a mutually satisfactory resolution to the grievance at the meeting.
- (3) If the grievance is not resolved during an informal meeting to the tenant or prospective tenant's satisfaction, the borrower must prepare a summary of the problem and submit the summary to the tenant or prospective tenant and the Agency within 10 calendar days. The summary should include: The borrower's position; the applicant/tenant's position; and the result of the meeting. The tenant also may submit a summary of the problem to the Agency.

(g) Hearing process. The following procedures apply to a hearing process.

- (1) Request for hearing. If the tenant or prospective tenant desires a hearing, a written request for a hearing must be submitted to the borrower within 10 calendar days after the receipt of the summary of any informal meeting.

(2) Selection of hearing officer or hearing panel. In order to properly evaluate grievances and appeals, the borrower and tenant must select a hearing officer or hearing panel. If the borrower and the tenant cannot agree on a hearing officer, then they must each appoint a member to a hearing panel and the members selected must appoint a third member. If within 30 days from the date of the request for a hearing, the tenant and borrower have not agreed upon the selection of a hearing officer or hearing panel, the borrower must notify the Agency by mail of the situation. The Agency will appoint a person to serve as the sole hearing officer. The Agency may not appoint a hearing officer who was earlier considered by either the borrower or the tenant, in the interest of ensuring the integrity of the process.

(3) Standing hearing panel. In lieu of the procedure contained in paragraph (g)(2) of this section for each grievance or appeal presented, a borrower may ask the Agency to approve a standing hearing panel for the housing project.

(4) Examination of records. The borrower must allow the tenant the opportunity, at a reasonable time before a hearing and at the expense of the tenant, to examine or copy all documents, records, and policies of the borrower that the borrower intends to use at a hearing unless otherwise prohibited by law or confidentiality agreements.

(5) Scheduling of hearing. If a standing hearing panel has been approved, a hearing will be scheduled within 15 calendar days after receipt of the tenant's or prospective tenant's request for a hearing. If a hearing officer or hearing panel must be selected, a hearing will be scheduled within 15 calendar days after the selection or appointment of a hearing panel or a hearing officer. All hearings will be held at a time and place mutually convenient to both parties. If the parties cannot agree on a meeting place or time, the hearing officer or hearing panel will designate the place and time.

(6) Escrow deposits. If a grievance involves a rent increase not authorized by the Agency, or a situation where a borrower fails to maintain the property in a decent, safe, and sanitary manner, rental payments may be deposited by the tenant into an escrow account, provided the tenant's rental payments are otherwise current.

(i) The escrow account deposits must continue until the complaint is resolved through informal discussion or by the hearing officer or panel.

(ii) The escrow account must be in a Federally-insured institution or with a bonded independent agent.

(iii) Failure to make timely rent payments into the escrow account will result in a termination of the tenant grievance and appeals procedure and all sums will immediately become due and payable under the lease.

(iv) Receipts of escrow account deposits must be available for examination by the borrower.

(7) Failure to request a hearing. If the tenant or prospective tenant does not request a hearing within the time provided by paragraph (f)(1) of this section, the borrower's disposition of the grievance or appeal will become final.

(h) Requirements governing the hearing. The following requirements will govern the hearing process.

(1) Subject to paragraph (f)(2) of this section, the hearing will proceed before a hearing officer or hearing panel at which evidence may be received without regard to whether that evidence could be used in judicial proceedings.

(2) The hearing must be structured so as to provide basic due process safeguards for both the borrower and the tenants or prospective tenants, which must protect:

(i) The right of both parties to be represented by counsel or other person chosen as their representative;

(ii) The right of the tenant or prospective tenant to a private hearing unless a public hearing is requested;

(iii) The right of the tenant or prospective tenant to present oral or written evidence and arguments in support of their grievance or appeal and to cross-examine and refute the evidence of all witnesses on whose testimony or information the borrower relies; and

(iv) The right of the borrower to present oral and written evidence and arguments in support of the decision, to refute evidence relied upon by the tenant or prospective tenant, and to confront and cross-examine all witnesses in whose testimony or information the tenant or prospective tenant relies.

(3) At the hearing, the tenant or prospective tenant must present evidence that they are entitled to the relief sought, and the borrower must present evidence showing the basis for action or failure to act against that which the grievance or appeal is directed.

(4) The hearing officer or hearing panel must require that the borrower, the tenant or prospective tenant, counsel, and other participants or spectators conduct themselves in an orderly manner. Failure to comply may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

(5) If either party or their representative fails to appear at a scheduled hearing, the hearing officer or hearing panel may make a determination to postpone the hearing for no more than five days or may make a determination that the absent party has waived their right to a hearing under this subpart. If the determination is made that the absent party has waived their rights, the hearing officer or hearing panel will make a decision on the grievance. Both the tenant or prospective tenant and the borrower must be notified in writing of the determination of the hearing officer or hearing panel.

(i) Decision. Hearing decisions must be issued in accordance with the following requirements.

(1) The hearing officer or hearing panel has the authority to affirm or reverse a borrower's decision.

(2) The hearing officer or hearing panel must prepare a written decision, together with the reasons thereof based solely and exclusively upon the facts presented at the hearing within 10 calendar days after the hearing. The notice must state that the decision is not effective for 10 calendar days to allow time for an Agency review as specified in paragraphs (i)(3) and (i)(4) of this section.

(3) The hearing officer or hearing panel must send a copy of the decision to the tenant, or prospective tenant, borrower, and the Agency.

(4) The decision of the hearing officer or hearing panel shall be binding upon the parties to the hearing unless the parties to the hearing are notified within 10 calendar days by the Agency that the decision is not in compliance with Agency regulations.

(5) Upon receipt of written notification from the hearing officer or hearing panel, the borrower and tenant must take the necessary action, or refrain from any actions, specified in the decision.

§§3560.161-3560.199 [Reserved]

§3560.200 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart E--Rents

§3560.201 General.

This subpart sets forth the requirements for establishing and collecting rents charged to occupants of multi-family housing (MFH) projects financed by the Agency.

§3560.202 Establishing rents and utility allowances.

(a) General. Rents and utility allowances for rental units in Agency-financed housing projects are set by the borrower and must be based on the operating, management and maintenance expenses and other costs related to the housing project including loan payment amounts due to the Agency.

(b) Agency approval. All rents and utility allowances set by borrowers are subject to Agency approval.

(c) Rents. As applicable, borrowers must establish the following rents:

(1) Note rent;

(2) Basic rent;

(3) U.S. Department of Housing and Urban Development (HUD) contract rents;
and

(4) Low-income housing tax credit (LIHTC) rents.

(d) Utility allowances. In projects where tenants pay the utilities, borrowers must establish utility allowances for each size and type of rental unit in the housing project based on estimated utility costs. Borrowers must review utility allowances annually, adjust for accuracy, and submit any utility allowance changes to the Agency for approval. If no changes are needed, the borrower must notify the Agency that no changes were made. Documentation to justify utility allowances must be maintained in the housing project files.

(e) Funds contributed to reduce rents. If borrowers use funds contributed from sources other than the Agency (e.g., state or local grants, private contributions) to reduce general operating and management expenses, housing project rents must be reduced to reflect the funding being used to offset housing project expenses. When funds contributed from sources other than the Agency are used for housing project expenses, the borrower must certify to the Agency, in writing, that the funds provided will not need to be repaid with Agency funds. Funds from borrower contributions or rehabilitation loans will not be counted towards reducing rents.

(f) Rents for resident manager, caretaker, or owner-occupied unit.

(1) If approved as a part of a management plan, a borrower may occupy a rental unit in a housing project when they are acting as a management agent or resident manager as specified in §3560.102(e).

(2) If the rental unit being occupied by a borrower or resident manager is designated as a revenue-producing unit, borrowers must calculate the rental charge to the borrower or resident manager in the same manner as tenant contributions.

(3) If the rental unit being occupied by a borrower or resident manager is designated as a non-revenue producing unit, borrowers must treat the cost of providing the unit the same as other non-revenue producing portions of the housing project.

(g) LIHTC. Borrowers who receive LIHTCs may establish rents in accordance with LIHTC requirements. However, borrowers are obligated to ensure that sufficient annual funds are available to cover expenses in the housing project's approved budget, including the required payments on the borrower's Agency loan. Borrowers must not use housing project funds to make up any difference between rents required under Agency program requirements and the maximum allowed rents under the LIHTC program.

§3560.203 Tenant contributions.

(a) Tenant contributions. A tenant's contribution to rent charged for a rental unit in an Agency financed housing project is based on the tenant's income, as calculated on the Agency's tenant certification forms, and the availability of Agency or non-Agency rental subsidies.

(1) Tenant contributions. Borrowers must set tenant contributions to rent at the highest of the following standards but never more than the note rent:

(i) Thirty percent of monthly adjusted income;

(ii) Ten percent of gross monthly income;

(iii) An amount equal to the portion of an assistance payment specifically designated to meet the household's shelter costs if the household is receiving assistance payments from a public agency; or

(iv) The basic rent, unless RHS rental assistance is provided to the household.

(2) Tenant contribution surcharge. Tenants in a Plan I housing project with incomes above the eligibility standards set in §3560.152(a)(1) must pay a 25 percent surcharge in addition to note rent.

(b) Adjustment of tenant contribution. Borrowers must adjust the tenant contribution whenever there is a change in tenant household status or income sufficient to generate a revised tenant certification in accordance with §3560.152(e) or an Agency approved rent or utility allowance change that affects the tenant contribution amount.

(c) Overage. If a tenant's tenant contribution is higher than basic rent, borrowers must remit to the Agency the rent collected in excess of the basic rent and up to the note rent.

§3560.204 Security deposits and membership fees.

(a) General. Borrowers may collect security deposits when it is reasonable and customary for the area in which the housing is located. Borrowers must hold security deposits in a separate bank or bookkeeping account in accordance with §3560.302(c)(3).

(b) Allowable amounts. Borrowers may charge security deposits that are typical for the area in which the housing is located, as long as the security deposit charged a tenant does not exceed that tenant's net contribution for one month's rent or basic rent, whichever is greater.

(1) As noted in §3560.102(b)(1)(viii) and §3560.156(c)(18)(iii), borrowers must specify in the housing project's management plan how the amount to be charged as a security deposit will be established and must specify the amount to be charged to individual tenants in the lease to be signed by the tenant.

(2) Borrowers may charge security deposits to households receiving HUD assistance in accordance with HUD requirements.

(3) Members of a cooperative shall be required to pay a membership fee no greater than one month's occupancy charge.

(4) Additional security deposits for pets may be charged as long as the additional deposit is not greater than basic rent for 1 month. No additional security deposit for assistance animals is allowed where an assistance animal is necessary for the normal functioning of a household member with a disability.

(5) Borrowers must not charge additional security deposits based on disabilities of tenants or other personal characteristics.

(c) Payment plans. Borrowers must offer, for persons who are eligible for rental assistance or Section 8 assistance, the option of paying the security deposit on an installment payment plan. Should installments not be met, the total charge may become due and payable in full.

(d) Charges for damage or loss. Borrowers may charge tenants for damage or loss caused or allowed by the tenant equal to the cost of the damage or loss.

(1) Borrowers must consider expenses due for addressing normal wear and tear as normal operating expenses and must not charge tenants a fee or withhold security deposits to pay for such costs.

(2) Borrowers may withhold security deposits and may charge tenants for damage or loss costs above security deposit amounts.

(e) State and local security deposit requirements. Borrowers must follow all state and local laws and other requirements governing the handling and disposition of security deposits.

(1) Resolution of any security deposit disputes must be handled in accordance with state and local law.

(2) Any interest earned on security deposits will accrue in accordance with state law.

(f) Unclaimed security deposits. Any funds in the housing project's security deposit account unclaimed by a tenant must be deposited into the housing project's general operating account.

§3560.205 Rent and utility allowance changes.

(a) General. Borrowers must fully document that changes to rents and utility allowances are necessary to cover housing or utility costs allowed under the approved budget for the housing. Any changes must apply to all similar units in the housing project.

(b) Agency approval. Borrowers must submit a fully documented request to the Agency to effect any rent or utility allowance change.

(1) Borrowers must obtain written consent or approval from the Agency as specified in paragraph (e) of this section before implementing any changes in the rents or utility allowances.

(2) If a borrower implements an unauthorized rent or utility allowance charge, the Agency will require the borrower to roll back rents to the last authorized rent charge, and the borrower must reimburse tenants for any unauthorized rents collected.

(c) Timing of request for changes. Borrowers must submit rent and utility allowance change requests in conjunction with the annual budget submission as required under §3560.303(d). The effective dates of any approved changes will coincide with the start of the housing project's fiscal year or the start of the season for seasonally occupied farm labor housing. However, the Agency will accept borrower requests for rent or utility

allowance changes anytime during the year if a change is necessary to preserve the financial integrity of the housing complex and the financial distress is due to circumstances beyond the borrower's control.

(d) Tenant notification. Borrowers must notify tenants and solicit their comments to proposed rent or utility allowance change requests that are submitted to the Agency at the same time that the initial request is made to the Agency.

(1) Tenants will be given 20 calendar days to provide their comments to the Agency.

(2) Borrowers must deliver the proposed rent or utility allowance change request notice to each tenant and post at least one copy of the notice at the housing project site in a visible location frequented by tenants.

(e) Approval. If the Agency approves a rent or utility allowance increase request on which the comments were solicited, the borrower will deliver a notice announcing the rent or utility allowance change to the tenants to be effective 30 calendar days from the date of the notification.

(f) Denial of change request. The Agency may deny a rent or utility allowance increase request in the following circumstances.

(1) The Agency determines that the borrower did not provide sufficient information to justify operating costs.

(2) The borrower is out of compliance with Agency requirements including any corrective action requirements agreed to in a workout agreement developed according to subpart J of this part.

(3) Sufficient funds are being collected under existing rents to meet approved expenses.

(g) Notice of denial. If the rent change will not be approved as requested, the Agency will notify the borrower of the denial in accordance with §3560.303(d).

§3560.206 Conversion to Plan II (Interest Credit).

The Agency encourages any borrower not on Plan II to convert to Plan II to provide more favorable rent costs to very-low, low, and moderate-income households.

§3560.207 Annual adjustment factors for Section 8 units.

(a) General. For rental units receiving project-based Section 8 assistance, the Agency will review rents annually without regard to HUD's automatic annual adjustment.

(b) Establishing rents in housing with HUD rent assistance. Borrowers will set note and basic rents for housing receiving HUD project based Section 8 assistance, as specified in §3560.202(c)(3).

(1) Borrowers must notify the Agency of any HUD rent changes.

(2) If allowed by the interest credit agreement, the borrower will remit the amount collected in excess of the basic rent up to the note rent to the Agency as overage.

(3) When HUD contract rents exceed note rents, borrowers must deposit HUD funds equal to the difference between the Agency approved note rent and the HUD approved rent into the reserve account for the housing project.

(c) Excess HUD rents. When permitted by the Agency interest credit agreement, the Agency may reduce or cancel the interest credit on the housing, if excess HUD rents deposited in the reserve account result in the reserve account being funded beyond the fully funded level approved by the Agency.

§3560.208 Rents during eviction or failure to recertify.

(a) Rents during eviction. If a tenant is appealing an eviction and the borrower refuses to accept rent payment during the appeal of the eviction, the tenant must escrow required rent payments to safeguard their occupancy, unless State or local laws specify otherwise.

(b) Rents when tenants fail to recertify. If a borrower can document that a tenant received a notice specifying a tenant recertification date and the tenant fails to comply by the specified date or fails to cooperate with verification or other procedures related to the tenant's recertification so that the tenant recertification cannot be completed by the recertification date, the borrower, within 10 days of the recertification date, shall give the tenant and the Agency written notification that:

(1) Termination proceedings are being initiated, in accordance with §3560.159; and

(2) The tenant will be charged note rent until the tenant's lease is terminated.

(c) Unauthorized assistance due to tenant recertification failure. Any unauthorized assistance received because of the tenant's failure to be recertified will be collected in accordance with the provisions of subpart O of this part.

(d) Rents when borrowers fail to recertify tenants. If a borrower cannot document that a tenant received a recertification notice, and a tenant is not recertified within 12 months of the most recently executed tenant certification, tenants shall continue to make net tenant contributions to rent based on their most recent tenant certification and the borrower must remit to the Agency full overage as if the tenant was paying the note rent until the tenant is recertified.

(e) Unauthorized assistance due to borrower recertification failure. Any unauthorized assistance received as a result of the borrower's failure to recertify a tenant will be collected from the borrower in accordance with the provisions of subpart O of this part and may not be paid from housing project funds or funds collected from the tenant.

§3560.209 Rent collection.

(a) General. Borrowers must collect rents on a monthly basis and maintain a system for collecting and tracking rents.

(b) Fees for late rent payments. Borrowers may adopt a late fee schedule for overdue rental payments. Late fee schedules must be submitted to the Agency for approval as part of the housing project's management plan, be in accordance with State and local law, and consistent with the following requirements:

(1) A grace period of 10 days from the rental payment due date must be allowed for all tenants.

(2) The late fee must not exceed the higher of \$10 or an amount equal to 5 percent of the tenant's gross tenant contribution.

(3) Tenants receiving housing benefits from sources other than the Agency may be subject to the late rent fee requirements of the other funding sources.

(c) Improperly advanced rents. Improperly advanced interest credit or rental assistance is considered unauthorized assistance and is subject to recapture in accordance with subpart O of this part.

§3560.210 Special note rents (SNRs).

When a Plan II housing project is experiencing severe vacancies due to market conditions, the Agency may allow the borrower to charge an SNR, which is less than note rent but higher than basic rent, to attract or retain tenants whose income level would require them to pay special note rent. The requirements for requesting and receiving an SNR are established under §3560.454.

§§3560.211-3560.249 [Reserved]

§3560.250 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart F--Rental Subsidies

§3560.251 General.

This subpart contains policies for borrower administration and tenant use of rental subsidies in Agency financed multi-family housing (MFH) projects.

§3560.252 Authorized rental subsidies.

(a) General. The purpose of rental subsidies is to reduce amounts paid by tenants for rent. Rental subsidies equal the difference between the approved shelter costs and tenant contributions as calculated in accordance with §3560.203(a)(1).

(b) Forms of rental subsidies. Rental subsidies may be in the form of:

(1) Agency rental assistance;

(2) HUD section 8 assistance, including project-based and vouchers;

(3) Private rental subsidies; or

(4) State or local government rental subsidies.

(c) Multiple rent subsidies.

(1) Multiple types of rent subsidies may be used in the same MFH project.

(2) Tenants with subsidies from sources other than the Agency may be eligible for Agency rental assistance if the following conditions are met.

(i) The tenant qualifies for Agency rental assistance.

(ii) The rental subsidy the tenant is receiving is not a HUD voucher.

(iii) The rental subsidy being received by the tenant is less than the full amount of Agency rental assistance for which the tenant would qualify. In such cases, the Agency may provide the difference between the subsidy received by the tenant and the amount of Agency rental assistance for which the tenant qualifies.

(d) Agency rental assistance (RA). Agency RA is obligated to MFH projects on a rental unit basis. The obligation is composed of a number of rental units and associated dollar amounts of RA specified in a RA agreement with a borrower. The following types of Agency RA may be obligated to a housing project.

(1) Renewal units. RA may be assigned to a housing project to replace existing rental unit obligations because funds associated with the units have been fully disbursed.

(2) New construction units. RA may be provided in conjunction with initial Agency loans for construction or substantial rehabilitation of MFH projects.

(3) Servicing units. Additional RA may be provided to operational MFH projects as a part of the Agency's general loan servicing or preservation activities.

§3560.253 [Reserved]

§3560.254 Eligibility for rental assistance.

(a) Eligible housing. Housing projects eligible for Agency RA include the following types of projects.

(1) Housing projects that operate under an Interest Credit Plan II RA agreement.

(2) Housing projects financed with an Agency off-farm labor housing loan or grant. On-farm labor housing is not eligible for rental assistance.

(3) Housing projects financed with a direct or insured Rural Rental Housing loan approved prior to August 1, 1968, and operated under an interest credit agreement that identifies the housing project as a Plan RA project.

(4) Housing projects financed from Agency and other sources if the conditions of §3560.66 are met.

(b) Eligible units. Borrowers may not request RA for rental units that the Agency determines are not habitable in accordance with §3560.103.

(c) Eligible households. Households eligible for rental assistance are those:

- (1) With very low-or low-incomes who are eligible to live in MFH;
- (2) Whose net tenant contribution to rent determined in accordance with §3560.203(a)(2) is less than the basic rent for the unit;
- (3) Whose head of the household is a U.S. citizen or a legal alien as defined in §3560.11;
- (4) Who meet the occupancy rules established by the borrower in accordance with §3560.155(e); and
- (5) Who have a signed, unexpired tenant certification form on file with the borrower.

§3560.255 Requesting rental assistance.

(a) Submitting requests. Borrowers seeking an allocation of rental assistance for MFH must request the rental assistance from the Agency as follows.

- (1) Renewal rental assistance. To the extent sufficient funds are available, the Agency will automatically renew expiring rental assistance agreements at the existing number of units.
- (2) New construction units. Loan applicants proposing to use Agency rental assistance must include their request for rental assistance in their loan proposal in accordance with §3560.56.
- (3) Servicing units. Borrowers requesting rental assistance must have tenants or eligible tenant applicants on a waiting list who are RA eligible.

(b) Denial of requests.

- (1) If a rental assistance request is denied due to the loan applicant's or borrower's ineligibility, the Agency will send the loan applicant or borrower written notification of the decision with an explanation of the denial.
- (2) If a rental assistance request to renew expiring rental assistance agreements is denied because funding is not available, the Agency will notify the borrower and the borrower must notify the tenants of rent increases in accordance with their lease and state and local law. Tenants losing rental assistance due to a lack of Agency funding may quit the lease and vacate the housing without penalty in accordance with the terms of their lease.
- (3) Loan applicants or borrowers determined to be eligible for RA as a result of an appeal or funding review will receive RA, if RA funding is available, beginning with the month following the date of the appeal or funding review decision or beginning in the first month that RA funding becomes available.

§3560.256 Rental assistance payments.

- (a) Borrower submission requirements. The borrower must submit monthly requests for RA payments to the Agency based on occupancy as of the first day of the month previous to the month in which the request is being made.
- (b) Basis of RA requests. Borrower requests for RA payments must be based on the difference between the basic rent plus utility allowances for each rental unit eligible for RA and the net tenant contribution of the tenant.
- (c) Payments to borrower. Prior to making RA payments to a borrower, the Agency will deduct from the approved RA payment amount any unpaid loan payments, late fees, and other amounts which the borrower owes to the Agency.
- (d) Utility payments to tenants. The borrower must pay tenants the difference between the utility allowance and the tenant's net contribution to rent when a tenant receiving RA is billed directly for utilities and the utility allowance exceeds the net tenant contribution to rent. Such utility payments to tenants must be made on a monthly basis.
- (e) Administrative errors. Borrowers are responsible for correcting borrower errors made in regard to RA requests for payments. In accordance with subpart O of this part, borrowers will be required to repay the Agency for any unauthorized RA received or any unauthorized use of RA except in certain cases of tenant error or fraud.

§3560.257 Assigning rental assistance.

(a) Priorities for rental assistance.

(1) Borrowers must use the following priorities when assigning available rental assistance.

(i) First priority is to eligible very low-income tenants paying the highest percentage of their adjusted annual income for Agency approved shelter costs.

(ii) Second priority, if the housing project has vacant rental units, is to eligible very low-income applicants on the waiting list.

(iii) Third priority is to eligible low-income tenants paying the highest percentage of their adjusted annual income for Agency approved shelter costs.

(iv) Fourth priority, if the housing project has vacant rental units, is to eligible low-income applicants on the waiting list.

(v) Fifth priority is to households which are residing in a rental unit for which they do not qualify on the basis of an occupancy waiver or other special approval situations.

(2) In order to provide rental assistance to the third, fourth, and fifth priority categories, a borrower must fully document either that there are no very low-income households on the housing project's waiting list or that occupancy by low-income households is limited as follows:

(i) For housing occupied on or after November 30, 1983, no more than 5 percent of the units in the housing are occupied by low-income households; or

(ii) For housing occupied before November 30, 1983, no more than 25 percent of the units in the housing are occupied by low-income households.

(b) Continued eligibility. Tenants receiving rental assistance may continue to do so as long as they remain eligible for occupancy and for rental assistance under §3560.254(c), and as long as rental assistance units are available.

(c) Assignment of rental assistance. Except as provided in §3560.454(c) and using the priorities given in paragraph (a) of this section, borrowers must assign available rental assistance units as soon as rental assistance units become available.

(1) When a rental assistance unit is assigned to an eligible existing tenant on a day other than the first day of a month, the Agency will not provide the borrower rental assistance for the newly assigned existing tenant and the tenant will not pay reduced rental charges until the first of the month following the assignment of the rental assistance.

(2) When an eligible applicant moves into a rental assistance unit on a day other than the first day of a month, they will pay a prorated rent based on the number of days they occupy the rental assistance unit and the amount of rental assistance they will be receiving.

(d) Incorrectly assigned rental assistance. Incorrectly assigned rental assistance is viewed as unauthorized assistance and handled in accordance with subpart O of this part.

§3560.258 Terms of agreement.

(a) Term of agreement. Rental assistance agreements will be consistent with available funding. Rental assistance agreements expire when the funds obligated for rental assistance units are fully disbursed in accordance with the conditions of the agreement.

(b) Replacing expiring obligations. To the extent funds are available for replacement units, the Agency will renew rental assistance agreements.

§3560.259 Transferring rental assistance.

(a) Agency authority. The Agency may transfer rental assistance in the following instances:

(1) To accompany the transfer of a housing project to a different borrower;

(2) After a voluntary conveyance or a foreclosure sale;

(3) After a liquidation or prepayment;

(4) To the extent permitted by law, when any rental assistance units have not been used for a 6-month period; or

(5) When the loan cannot be closed.

(b) Agency review before transferring rental assistance. The Agency must perform a review to determine if all eligible tenants in the project are receiving rental assistance before the Agency transfers it to another project.

(c) Transferring rental assistance for displaced tenants. The Agency may transfer rental assistance from one housing project to another eligible housing project for a tenant who is moving due to displacement as a result of prepayment, liquidation, or a natural disaster. The tenant must begin using the rental assistance within 4 months of the transfer or the RA will become available for use by the next rental assistance eligible tenant in the housing project.

§3560.260 Rental subsidies from non-Agency sources.

(a) General. The Agency may authorize the use of rental subsidies from sources other than the Agency in Agency financed housing projects. The Agency will make no commitment to providing Agency rental assistance at the expiration of the rental subsidies from other sources.

(b) HUD vouchers. For tenants with HUD vouchers, the borrower must set the rental unit rent at the basic rent or the rent standard set by the public housing authority, whichever is less. The public housing authority distributing the HUD vouchers may set the utility allowance.

(c) Loan proposals using non-Agency rental subsidy. Loan applicants or borrowers proposing to use rental subsidy from sources other than the Agency must provide:

(1) Documentation demonstrating that a market exists for households eligible for the subsidy and the households are at income levels that would benefit from the amount of rental subsidy that will be provided;

(2) A plan describing actions to be taken when the rental subsidy expires to minimize the impact on tenants losing the rental assistance and to avoid displacement; and

(3) A copy of the project-based rental assistance agreement to be signed by the borrower and the provider of the rental assistance.

(d) Rental subsidy agreement. The borrower and the provider of rental subsidies from sources other than the Agency must execute a rental subsidy agreement and submit a copy of the agreement to the Agency. At a minimum, the rental subsidy agreement between the borrower and the source of the rental subsidy must include the following provisions:

(1) A description of how the subsidy will be paid. The rental subsidy payments may be paid directly to the tenants, to the borrower on behalf of the tenants, or deposited to a separate account established for the subsidy. The tenants must be advised of the amount and source of the subsidy through the lease or a supplement to the lease.

(2) The life of a project-based rental subsidy agreement with a non-Agency source must be similar to existing or current Agency rental assistance funding levels and sufficient funds must be set aside to assure availability of the rental subsidy for this term. The method of supplying the funds must be clearly established.

§3560.261 Improperly advanced rental assistance.

Improperly advanced RHS rental assistance resulting from tenant or borrower error or fraud constitutes unauthorized assistance and the provisions of subpart O of this part apply.

§§3560.262-3560.299 [Reserved]

§3560.300 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart G--Financial Management

§3560.301 General.

This subpart contains requirements for the financial management of Agency financed multi-family housing (MFH) projects, including accounts, budgets, and reports. Financial management systems and procedures must cover all housing operations and provide adequate documentation to ensure that program objectives are met.

§3560.302 Accounting, bookkeeping, budgeting, and financial management systems.

(a) General. Borrowers must establish the accounting, bookkeeping, budgeting and financial management procedures necessary to conduct housing project operations in a financially safe and sound manner. Borrowers must maintain records in a manner suitable for an audit, and must be able to report accurate operational results to the Agency from these accounts and records.

(b) Acceptable methods of accounting.

(1) Borrowers are required to use the accrual method of accounting in preparing annual financial reports, as identified in § 3560.308.

(2) Borrowers must describe their accounting, bookkeeping, budget preparation, and financial reporting procedures in their management plan.

(3) Borrowers must notify the Agency of any changes in their accounting, bookkeeping, budget preparation, and financial management reporting systems through a revision of their management plan.

(c) Account requirements.

(1) As used in this paragraph, the term account is used interchangeably to mean a bookkeeping account (ledger) or a bank account.

(2) At a minimum, borrowers must maintain the accounts required by their loan agreement or resolution.

(3) The following list identifies the financial accounts that are required for each housing project. Additional accounts may be required by third-party lenders. Accounts are to be funded in the following priority order, except that paragraphs (c)(3)(iv), (v), and (vi) of this section are funded directly by tenant security deposits or patron capital receipts respectively:

- (i) General operating account;
- (ii) Real estate tax and insurance account (if not part of the general operating account);
- (iii) Reserve account;
- (iv) Tenant security deposit account;
- (v) Membership fee account for cooperative housing; and
- (vi) For cooperative housing only, a patron capital account.

(4) Amounts escrowed for taxes and insurance may be kept in the general operating account as long as the accounting system reflects the amount escrowed.

(5) Regardless of the number or types of accounts established, the borrower must meet the following requirements:

- (i) All housing project funds must be held only in financial institution accounts insured by an agency of the Federal Government, backed by collateral provided by the bank, or held in securities meeting the conditions in this subpart.
- (ii) Funds maintained in an institution may not exceed the limit established for Federal deposit insurance. If funds exceed the amount covered by Federal deposit insurance, borrowers must obtain a collateral pledge from the institution to cover all funds or must move funds to an institution that will insure the funds.
- (iii) All funds and proceeds in any account must be used only for authorized purposes as described in Agency's regulations, loan or grant documents. Use of funds for non-program purposes constitutes non-monetary default as described in §3560.452(c).
- (iv) All funds received and held in any account, except the tenant security deposit, membership fee, and patron capital accounts, must be held in trust by the borrower for the loan obligation until used and serve as security for the Agency loan or grant.
- (v) Borrowers must be able to account for housing project funds with accounting methods or practices that maintain the proprietary identity of the funds for each project. A borrower may operate one account for multiple projects as long as the funds for each project themselves are accounted for separately.

(vi) Each borrower must have access to at least one demand deposit or checking account.

(vii) Housing project funds may not be pledged as collateral for debts without Agency approval. If such a need arises for an eligible program purpose, the borrower must obtain prior Agency approval.

(6) Tenant security deposit accounts or membership fee accounts and patron capital accounts must be maintained in a separate account in trust for the tenants or members and handled in a manner consistent with state and local laws.

(d) Documentation of separate accountability. Housing project funds may be combined in one or more bank accounts for two or more housing projects as long as the borrower's accounting system segregates and tracks funds for each project separately.

(1) When borrowers request Agency approval of an accounting system that combines funds from two or more housing projects, they must demonstrate to the Agency that the accounting systems are structured to segregate and maintain separate accountability for each housing project. Such demonstration must include a statement issued by a Certified Public Accountant (CPA) stating that the accounting system is structured to meet this principle of separate accountability.

(2) The accounting system and management plan must document the method for prorating revenue and expenses that are not clearly identifiable as being associated with a particular housing project.

(3) Funds for housing projects managed by the same management company must not be co-mingled.

(e) Records.

(1) Borrowers must retain all housing project financial records, books, and supporting material for at least three years after the issuance of their financial reports. Upon request, these materials will immediately be made available to the Agency, its representatives, the USDA Office of Inspector General (OIG), or the Government Accountability Office (GAO).

(2) Borrower accounts and records will be kept or made available in a location with reasonable access for inspection, review, and copying by the Agency, other authorized representatives of the USDA, OIG, or GAO.

(3) Automated records may be used if they meet the conditions of paragraph (f) of this section.

(f) Forms generated by automated systems.

(1) The forms and formats approved for use by borrowers may be prepared on automated systems when they meet the requirements of this paragraph.

(2) Forms may be automated if they meet the following requirements:

- (i) The identical wording and nomenclature of an official form must be included in the automated version of the form, including the Office of Management and Budget (OMB) approval number.
- (ii) The logic or mathematical calculation of an official form must be the same in an automated version of the form.
- (iii) The name or logo of the source of the automated form must be visible on each output of the automated form.
- (iv) Output size must be 8 1/2 x 11 inches.
- (v) Nominal spacing adjustment and colored paper are allowed.

(g) Farm Labor Housing. Borrowers with on-farm labor housing units will be considered in compliance with this section by virtue of completing the record keeping and reporting requirements outlined in subpart M of this part.

§3560.303 Housing project budgets.

(a) General requirements.

- (1) Using an Agency-approved format, borrowers must submit to the Agency for approval a proposed annual housing project budget prior to the start of the housing project's fiscal year. The capital budget section of the annual project budget must include anticipated expenditures on the project's long-term capital needs as specified in §3560.103(c).
- (2) Budget projections regarding income, expenses, vacancies, and contingencies must be realistic given the housing project's history, current circumstances, and market conditions.

The borrower will have 10 days to submit the additional material.

(3) If a rent change is requested, the borrower must submit budget documents to the Agency and notify tenants of the requested rent change at least 90 calendar days prior to the start of the housing project's fiscal year.

(i) The Agency will notify borrowers if the budget submission does not meet the requirements of paragraphs (a), (b), and (c) of this section, or if the rent and utility allowance request has been denied in accordance with §3560.205(f). The borrower will have 10 days to submit the additional material to address any issues raised by the Agency.

(ii) The rent change is not approved until the Agency issues a written approval. If there is no response from the Agency within the 30-day period, the rent change is considered automatic. The following budgets are not eligible for automatic approval:

(A) Budgets with rent increases above \$25 per unit; and

(B) Budgets that are submitted late or that miss other deadlines set by the Agency.

(4) If the Agency denies the budget approval, the Agency will notify the borrower in writing.

(5) If budget approval is denied, the borrower shall continue to operate the housing project on the basis of the most recently approved budget.

§3560.304 Initial operating capital.

(a) Purpose. To provide a source of capital for start-up costs, such as the purchase of equipment, and paying operating, maintenance, and debt service expenses. Borrowers are required to make an initial operating capital contribution to the general operating account as described in §3560.64.

(b) Authorized uses of initial operating capital. Initial operating capital may be used only to pay for approved budgeted expenses.

(c) Withdrawal of initial operating capital. Initial operating capital funds may be withdrawn by a borrower if:

(1) The initial operating capital was provided from the borrower's own funds;

(2) The borrower requests the withdrawal after the second year of housing project operations and prior to the 7th year of operations;

(3) The housing project has had a 90 percent occupancy rate for a period of 12 months prior to the withdrawal request;

- (4) The withdrawal will not affect the financial viability of the housing project;
- (5) Contributions to the reserve account are at authorized levels;
- (6) The withdrawal request will not result in rent increases; and
- (7) There are no outstanding deficiencies in management's physical maintenance of the housing project.

§3560.305 Return on investment.

(a) Borrower's return on investment. Borrowers may receive a return on their investment (ROI) in accordance with the terms of their loan agreement and the following:

(1) If there is a positive net cash flow in housing project operations, the ROI may be taken by the borrower after the housing project's fiscal year, provided that the balance of the reserve account is equal to or greater than required deposits minus authorized withdrawals. If the annual financial reports indicate that an ROI should not have been taken, borrowers will be required to return any unauthorized ROI.

(2) If there is negative cash flow in housing project operations, the Agency may authorize the borrower to take the ROI only after the Agency has reviewed the housing project's annual financial reports and determines:

(i) Surplus cash exists in either the general operating account as defined in §3560.306(d)(1) or the reserve account, if the balance is greater than the required deposits minus authorized withdrawals.

(ii) The housing project has sufficient funds to address identified capital or operational needs.

(b) Unpaid return on investment. An earned, but unpaid ROI for the previous year only may be requested by the borrower and authorized by the Agency under the provisions of §3560.305(a)(2) provided the current year's ROI has been paid first and a rent increase is not required to generate funds to pay the unpaid ROI.

§3560.306 Reserve account.

(a) Purpose. To meet the major capital expense needs of a housing project, borrowers must establish and maintain a reserve account.

(b) Financial management of the reserve account. Borrower management of the reserve account is subject to the requirements of 7 CFR part 1902, subpart A regarding supervised bank accounts.

(c) Funding of the reserve account. Borrowers must make payments to the reserve account in the amount established in loan documents, beginning with the first loan payment or a date specified in loan documents.

(d) Transfer of surplus general operating account funds.

(1) The general operating account will be deemed to contain surplus funds when the balance at the end of the housing project's fiscal year, after all payables, exceeds 20 percent of the operating and maintenance expenses. If the borrower is escrowing taxes and insurance premiums, include the amount that should be escrowed by year end and subtract such tax and insurance premiums from operating and maintenance expenses used to calculate 20 percent of the operating and maintenance expenses.

(2) If a housing project's general operating account has surplus funds at the end of the housing project's fiscal year, the Agency will require the borrower to use the surplus funds to address capital needs, make a deposit in the housing project's reserve account, reduce the debt service on the borrower's loan, or reduce rents in the following year. At the end of the borrower's fiscal year, if the borrower is required to transfer surplus funds from the general operating account to the reserve account, the transfer does not change the future required contributions to the reserve account.

(e) Account requirements. Borrowers must establish and maintain the reserve account according to §3560.65, §3560.302(c)(5), and the following requirements:

(1) Reserve accounts must be deposited in interest-bearing accounts or securities; and

(2) Reserve accounts must be supervised accounts that require the Agency to countersign on all withdrawals; except, this requirement is not applicable when loan funds guaranteed by the Section 538 GRRH program are used for the construction and/or rehabilitation of a direct MFH loan project. Direct MFH loan borrowers, who are exempted from the supervised account and countersigned requirement, as described above, must follow Section 538 GRRH program regulatory requirements pertaining to reserve accounts. In all cases, Section 538 lenders must get prior written approval from the Agency before reserve account funds involving a direct MFH loan project can be disbursed to the borrower. (Revised 04-27-16, PN 485.)

(f) Funds invested in securities. In addition to the requirements specified in paragraph (e) of this section, the following requirements apply when reserve funds are invested in securities:

(1) The reserve account must be held either at a Federally insured domestic institution such as a bank, savings and loan association, credit union, or at a domestic institution authorized to sell securities.

(2) The borrower must record the price actually paid for the securities. When designated as a reserve deposit, the price paid must equal the required contribution to reserves.

(3) Borrowers must be knowledgeable about industry practices and consider the impact of typical fees and charges for purchases and sales and maintenance of an account when making investment decisions. Such fees may be paid for out of reserves, only with the consent of the Agency. Housing project funds may not be used to pay for a financial advisor.

(g) Use of the reserve account.

(1) Borrowers must request Agency approval of reserve account withdrawals prior to the withdrawal. Borrowers must inform the Agency of planned uses of reserve accounts in their annual capital budget if known at budget planning time. Any item on the approved capital budget does not require additional pre-approval by the Agency.

(2) The Agency will indicate any conditions governing withdrawals from a reserve account at the time it approves the withdrawal.

(3) In emergency situations, the Agency may specify special procedures to provide an expedited approval process for the use of the reserve account.

(4) The Agency may approve the use of reserve funds for operating costs when circumstances that are determined by the Agency to be beyond the borrower's control have resulted in a shortfall in the housing project's general operating account.

(5) Funds from the replacement reserve account cannot be used to pay any fees associated with the Section 538 GRRH loan guarantee, as determined by the Agency.

(h) Allowable uses. Allowable uses of reserve funds include the following:

(1) Major capital improvements and replacements.

(2) Housing project operating expenses provided the requirement of paragraph (g)(4) of this section has been met, including:

(ii) Payment of a return on investment at the end of the borrower's fiscal year if such payment comes from surplus operating funds in the reserve account.

(3) With Agency approval, borrowers operating on a for-profit or a limited profit basis may make an annual withdrawal from the reserve account, equal to no more than 25 percent of the interest earned on a reserve account during the prior year.

(4) For other purposes, which in the judgment of the Agency will promote the loan purposes, strengthen the security or facilitate, improve, or maintain the housing and the orderly collection of the loan without jeopardizing the loan or impairing the adequacy of the security.

(i) Records. Borrowers must maintain records documenting all expenses that were paid by withdrawals from the reserve account.

(j) Changes to reserve requirements.

(1) As projects age, the required reserve account level may be adjusted to meet anticipated "life-cycle" needs, including equipment and facility replacement costs, by amending the loan agreement/resolution.

(2) The Agency may approve a change in the reserve account funding level based on the findings of an approved capital needs assessment. The approval to increase reserve account funding levels will take into consideration the housing project's approved budget and the housing project's ability to support increased reserve account deposits without causing basic rents to exceed conventional rents for comparable units in the area.

(k) Excess reserves. Amounts in the reserve account which exceed the total required by the loan or grant agreement must be used, at the direction of the Agency, for any of the following:

- (1) Pay for expenses specified in a long-term capital plan;

Federal Financial Assistance is defined in accordance with 2 CFR 200.40.

(2) Non-profit borrowers that receive \$750,000 or more in combined Federal financial assistance must meet the audit requirements set forth by OMB, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, found at 2 CFR parts 200 and 400. Borrowers must provide a copy of this audit to RHS in compliance with these financial reporting requirements.

(3) Non-profit borrowers that receive less than \$750,000, and for-profit borrowers that receive less than \$500,000 in combined Federal financial assistance will submit annual owner certified prescribed forms on the accrual method of accounting in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee

- (8) There have been no changes in project ownership other than those approved by the Agency and identified in the certification.
- (9) Real estate taxes are paid in accordance with state and/or local requirements and are current.
- (10) Replacement Reserve accounts have been used for only authorized purposes.

(c) Other financial reports.

- (1) Non-profit and public borrower entities subject to OMB Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards, must submit audits in accordance with 2 CFR parts 200 and 400.
- (2) The Agency may require additional opinions of financial condition and compliance, such as audits, to assure the security of the asset, determine whether the housing project is being operated at a reasonable cost, or to detect fraud, waste, or abuse.
- (3) Any audits independently obtained by the borrower also must be submitted to the Agency.

§3560.309 Advancement (loan) of funds to a RRH project by the owner, member of the organization, or agent of the owner.

- (a) Prior written approval by the Servicing Office is required. Such advances may be authorized when justified by unusual short-term conditions. When conditions are not short-term in nature, a servicing plan may be developed and advances may be approved in accordance with the provisions set out in §3560.453 of this part. Justification will be based on the following:

(1) A review of the documented circumstances and the project operating budget before any funds are advanced (loaned). The financial position of the project must not be jeopardized.

(2) Funds are not immediately available from any of the following sources:

- (i) Reserve funds;
- (ii) Initial operating capital; and
- (iii) An imminent rent increase.

(b) The funds will be applied to ordinary project operating and maintenance expenses.

(c) Interest may be charged or paid on the loan from project income; however, interest must be reasonable. The proposal may be denied if Rural Development financing can be provided to resolve the problem in a more cost-effective manner.

(d) No lien in connection with the loan will be filed against the property securing the Rural Development loan or against project income. The advance may show as an unsecured project liability on financial statements prepared for year-end reports until such time as it is authorized to be repaid.

(e) The payback of the advance (loan) may be permitted by the Servicing Official provided the terms and conditions were mutually agreed to by the borrower and Rural Development at the time of the advance and the financial position of the project will not be jeopardized. Payback should only be permitted on the advance when the Rural Development debt is current and the reserve requirements are being maintained at the authorized levels.

Subpart H--Agency Monitoring

§3560.351 General.

This subpart contains policies for Agency monitoring of operations and management at multi-family housing (MFH) projects.

§3560.352 Agency monitoring scope, purpose, and borrower responsibilities.

(a) Scope of Agency monitoring activities. The Agency will review reports, records, and other materials related to the housing project, including borrower financial reports,

housing project records, and other communications. The Agency also will review material related to a housing project submitted by a tenant or other source. To assess conditions such as a housing project's physical condition, record keeping procedures, and operations and management activities, including borrower compliance with Federal, state, and local laws and Agency requirements, the Agency will conduct periodic on-site monitoring reviews of a housing project.

(b) Purpose of Agency monitoring activities. Agency monitoring activities are designed to assess borrower and tenant compliance with Agency requirements, and to:

- (1) Ensure housing projects are managed in accordance with the goals and objectives of the Agency's MFH programs and are maintained in accordance with Agency requirements for affordable, decent, safe, and sanitary housing;
- (2) Preserve the value of the Agency-financed housing projects;
- (3) Detect waste, fraud, and abuse in housing project operations or management and to ensure the cost of operations and management are necessary and reasonable;
- (4) Verify compliance with Affirmative Fair Housing Marketing requirements, Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, as amended, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Americans with Disabilities Act of 1990, other applicable Federal laws, and Agency requirements related to occupancy and tenant eligibility.

(c) Borrower responsibilities. The borrower is responsible for cooperating fully and promptly with Agency monitoring activities. Agency monitoring activities do not diminish borrower operation and management responsibilities and do not relieve borrowers from any Agency requirements including, but not limited to, borrower requirements to comply with:

- (1) The terms of all agreements with the Agency, including the loan or grant agreement, assurance agreement, loan resolution, promissory note, mortgage, interest credit agreement, rental assistance agreement, mitigation measures contained in the environmental review document, and workout agreement;

- (4) Applicable Federal, state, and local laws.

§3560.353 Scheduling of on-site monitoring reviews.

Generally, the Agency will provide the borrower prior notice of an on-site monitoring review and will conduct the on-site monitoring review in the presence of the borrower. However, the Agency may visit a housing project, without prior notice, to observe physical conditions, operations and management activities, or other borrower or tenant activities. In addition, the Agency may conduct on-site reviews without the presence of the borrower, the management agent, or other designated representative of the borrower.

§3560.354 Borrower response to monitoring review notifications.

The Agency will notify borrowers, in writing, whenever Agency monitoring activities result in deficiency findings or compliance violations. The monitoring review notification will describe the deficiencies findings or compliance violations and will specify a time period by which corrective action must be taken by the borrower. The notification will offer borrowers an opportunity to discuss the reported deficiency findings or compliance violations with the Agency and will explain enforcement actions that the Agency may take if corrective action is not taken within the time period specified in the monitoring review notification. When civil rights non-compliance is found, the State Civil Rights Coordinator or Manager (SCRC/M) will be notified. If voluntary compliance cannot be obtained, appropriate enforcement or remedial action will be taken.

§§3560.355-3560.399 [Reserved]

(e) Payment forms. Final payments may be made by cashier's check, certified check, money order, bank draft, or other withdrawal instruments approved by the Agency.

(1) If borrowers use forms of payment requiring special handling, the borrower is responsible for the cost of the special handling.

(2) When payment is provided in a form that is not the equivalent of cash, the Agency will consider the payment to be received at the time the payment has been converted to cash and funds have been transferred to the Agency.

(f) Release of security instruments. The Agency will release security instruments, subject to applicable restrictive-use agreements referenced in subpart N of this part, when full payment of all outstanding obligations to the Agency has been received, accepted, and the funds have been transferred to the Agency.

(1) If the Agency and the borrower agree to settle an account for less than the full amount owed, the Agency will release security instruments when the borrower has paid in full all agreed upon obligations.

(2) Recording costs for the release of the security instruments will be the responsibility of the borrower, except where state law requires the mortgagee to record or file the satisfaction.

(g) Special circumstances--Refund of entire principal. If the entire principal of the loan is refunded after the loan is closed, the borrower must pay interest from the date of the note to the date of receipt of the refund.

§3560.405 Borrower organizational structure or ownership interest changes.

(a) General. The requirements of this section apply to changes in a borrower entity's organizational structure or to a change in a borrower entity's controlling interest. If 100 percent of a borrower entity's ownership interest is transferred, within a 12-month period, the change will be considered a housing project transfer and the provisions of §3560.406, which covers transfers or sales of housing projects, will apply.

(1) Borrowers must submit written requests for Agency consent to the Agency at least 45 days prior to the anticipated effective date of the proposed organizational change. The request must document that the proposed changes will not adversely affect the program purposes or security interest of the Agency and will not adversely affect tenants.

(2) If the controlling interest change involves a transfer of interest to an entity not previously holding an ownership interest in the borrower entity, the request for consent must include a written certification, executed by the party receiving the ownership interest, certifying that the recipient of the ownership interest agrees to assume responsibilities and obligations required of a borrower as established in Agency program requirements including requirements in the promissory note, loan agreement, or other document related to Agency loans held by the borrower entity.

(3) The Agency will not take a consent request for a controlling interest change under consideration if the borrower's request fails to meet the requirements specified in paragraph (b)(2) of this section.

(b) Agency consent requirements. Agency consent must be obtained prior to an ownership transfer or sale and Agency consent will only be given when the transfer or sale is in the best interest of the Federal Government. Any ownership transfer or sale without the consent of the Agency will be considered a default and will be handled in accordance with subpart J of this part.

(1) Priority consideration will be given to ownership transfers or sales needed to remove a hardship to the borrower that was caused by circumstances beyond the borrower's control.

(2) Ownership transfers or sales with an assumption of debt at an amount less than the borrower's debt amount will only be approved by the Agency when all persons in the borrower entity who are transferring their ownership interest or are involved in the selling of the property are not part of the transferee organization.

(c) Consent request requirements. Borrowers must submit written requests for Agency consent to an ownership transfer or sale of a housing project to the Agency at least 45 days prior to proposed ownership transfer or sale date. The consent request must document that the proposed transfer or sale meets the requirements of paragraph (d) of this section and must include the following items:

- (1) A statement disclosing any identity-of-interest between the borrower and the party to which the housing project ownership is being transferred or sold.
- (2) A statement certifying that the housing project's financial accounts are funded at required levels, less authorized withdrawals, and that payments due for operation and maintenance expenses, tax assessments, insurance premiums, any required tenant security deposit accounts, and other obligations incurred as a part of the housing project operations are paid in full with no overdue balances or a statement explaining the housing project's financial situation and the reasons for overdue payments or under funded accounts.
- (3) A proposed housing project budget covering the partial year, if applicable, and first full year operation following the ownership transfer or housing project sale.
- (4) A written statement, signed by the proposed transferee or buyer, certifying that the transferee or buyer will assume the borrower responsibilities and obligations specified in Agency program requirements including requirements in a promissory note, loan agreement or other documents related to Agency loans held by the borrower entity.

(d) Requirements for ownership transfers or sales. An ownership transfer or sale of a housing project with an assumption of Agency loans by the transferee or buyer must comply with the following conditions:

- (1) The transferee or buyer must be an eligible borrower under the requirements established by subpart B of this part;
- (2) The transferee or buyer must agree to set basic rents at the housing project covered by the assumed loans at levels that do not exceed conventional rents for comparable units in the area, except that when determined necessary by the Agency to allow for decent, safe and sanitary housing to be provided in market areas where conventional rents are not sufficient to cover necessary operating, maintenance, and reserve costs. Basic rents may be allowed to exceed comparable rents for conventional units, but in no case by more than 150% of the comparable rent for conventional unit rent level; and
- (3) The value of the housing project covered by the loans to be assumed, at the time of an ownership transfer or sale, must be sufficient to ensure that all Agency loans being assumed and all subsequent loans being offered as a part of the transfer or sale can be secured to a level that fully protects the Agency's interest. Loans from third-party sources that are not dependent on project revenue for payment will not be included in this determination.

(i) If the total value of the loans being offered as a part of an ownership transfer or sale is \$100,000 or less, the security value of the housing project may be determined through either: An Agency review of monitoring reports conducted in accordance with the requirements in subpart H of this part or an appraisal paid for by the borrower and conducted in accordance with subpart P of this part.

(ii) If the total value of the loans being offered as a part of an ownership transfer or sale exceeds \$100,000, the security value of the housing project must be determined through an appraisal obtained by the Agency and conducted in accordance with subpart P of this part.

(iii) The Agency may approve a loan write-down, in accordance with §3560.455, prior to an ownership transfer or sale to reduce the amount of debt being assumed by the transferee or buyer.

(4) Prior to Agency approval of an ownership transfer or sale, the appropriate level of environmental review in accordance with 7 CFR part 1970 must be completed by the Agency on all property related to the ownership transfer or sale. If releases of or contamination from hazardous substances or petroleum products is found on the property, the finding must be disclosed to the Agency and the transferee or buyer and must be taken into consideration in the determination of the housing project's value. (Revised 04-01-16, SPECIAL PN.)

(5) All immediate and long-term repair and rehabilitation needs must be identified by a capital needs assessment. The reserve requirements for the housing project will be reviewed by the Agency and adjusted, if necessary, to adequately cover the cost of addressing the property's capital needs. The Agency may approve the release of the current reserve amount to the transferor provided the transferee agrees to deposit the amount to cover the project's immediate needs into the reserve account at closing.

(6) The borrower and transferee must disclose to the Agency all terms, conditions, or other considerations related to the ownership transfer or sale. All side or other agreements must be disclosed and all sources and uses of funds related to the ownership transfer or sale must be disclosed.

(7) An agreement must be signed between the borrower and the transferee listing all repairs known by the borrower to be necessary to bring the housing project into compliance with Agency requirements for decent, safe, and sanitary housing as listed in subpart C of this part.

(i) The agreement must include repairs required to correct compliance violations cited in a compliance violation notice issued by the Agency.

(ii) The agreement must specify whether each repair listed will be completed by the borrower prior to the ownership transfer or by the transferee in accordance with a workout agreement developed in accordance with the requirements of §3560.453 and executed between the transferee or buyer and the Agency.

(8) A civil rights compliance review, as required by 7 CFR part 1901, subpart E, will be conducted by the Agency prior to the ownership transfer or sale.

(9) During or immediately after the transfer, a review of the property must be conducted to ensure that it complies with or will comply with section 504(c) of the Americans with Disabilities Act (ADA), which covers accessibility requirements, and the Title VI of the Fair Housing Act of 1968.

(10) A transferee must ensure that tenant certifications in compliance with subpart D of this part for all occupied rental units are on file with the Agency.

(11) A transferee must comply with insurance and bonding requirements established in subpart C of this part at the time of the transfer.

(12) A transferee must agree to submit financial reports to the Agency according to subpart G of this part.

(13) A transferee must establish that there are no liens, judgments, or other claims against the housing project other than those by the Agency and those to which the Agency has previously agreed.

(14) A limited profit Rural Rental Housing transferee's initial investment and return on investment will remain the same as that originally provided to the transferor unless:

(i) The property is transferred to a non-profit entity and the return on investment is eliminated; or

(ii) The transferee contributes additional funds for repair or rehabilitation and the Agency agrees to recognize a higher initial investment.

(e) Equity payments. The Agency will withhold any equity payment due to the borrower, as part of an ownership transfer or sale, if any of the following conditions exist:

(1) The borrower's indebtedness to the Agency has not been paid in full or is not being assumed by the transferee. The Agency will require that all or part of an equity payment be applied against other Agency loans owed by the borrower if payments on the other loans are not current.

(2) Any non-Agency prior liens against a housing project are not paid in full.

(3) Any housing project financial accounts are not funded at required levels, less authorized withdrawals, or any payments due for operation and maintenance expenses, tax assessments, insurance premiums, tenant security deposits or other obligations incurred as a part of housing project operations are not paid in full.

(4) Any management deficiencies cited in a compliance violation notice issued by the Agency to the borrower have not been corrected or the housing project is not operating under an approved management plan or, if applicable, an approved management agreement.

(5) Any operation and maintenance deficiencies cited in compliance violation notices issued by the Agency have not been corrected or are not scheduled for correction in a workout agreement developed in accordance with the requirements of §3560.453.

(6) The borrower entity is, at the time of the ownership transfer or sale, cited by the Agency or other Federal, state, or local agencies for violations of Fair Housing or Equal Opportunity requirements.

(7) The borrower entity is, at the time of the ownership transfer or sale, cited by the Agency or any other entity involved in the financing of the housing project for misappropriation of funds.

(f) Equity payment funding sources. Equity may be provided in cash or through a loan. If a full equity payment to the transferor is not paid at the time of the ownership transfer or sale or has not been paid through an Agency equity loan or third-party equity loan approved by the Agency to the borrower, the transferee must certify that equity payments due to the borrower will be paid from sources other than housing project's funds and must identify the sources of such payments.

(g) Restrictive-use requirement. Transferees assuming Agency loans, including loans approved prior to December 21, 1979, will be required to execute a restrictive-use agreement that contains the language specified in §3560.662. The restrictive-use agreement will require the housing project to be used for program purposes for a specified period of time beyond the date that the ownership transfer or sale is closed. When an equity loan is involved at the time of transfer, the restrictions will be for 30 years.

(h) Subsequent loans. The Agency may approve a subsequent loan or permit a loan from a third-party source in conjunction with an ownership transfer or sale of a housing project. The subsequent loan may be in the form of a junior or parity lien.

(1) Subsequent loans on a housing project proposed in conjunction with an ownership transfer or sale must be requested and processed in accordance with the Agency loan origination requirements in subpart B of this part.

(2) The Agency may amortize the subsequent loan over a period not to exceed the remaining economic life of the housing or 50 years, whichever is less.

(3) The Agency may extend the term of the existing loan to a period not to exceed 30 years or the remaining economic life of the housing, whichever is less.

(i) Loan assumption interest rates. The interest rate for Agency loans assumed in conjunction with an ownership transfer or sale will be determined as follows:

(1) The interest rate for all loans, except farm labor housing loans, will be set at the lower of:

(i) The note rate of the existing Agency loan;

(ii) The Agency note rate on the day the transfer is approved;

(iii) The Agency note rate on the day the transfer is closed; or

(iv) If the rents are increased due to a transfer, the transfer will be done under new rates and terms when the Agency determines that it is in the best interest of the government. Subsequent loan may be in the form of a senior, junior or parity lien or soft second.

(2) The interest rate on farm labor housing loans will be the rate specified in the note, except that loans transferred to public bodies, nonprofit organizations of farm workers, and broadly-based nonprofit corporations for farm labor housing purposes may be at a one percent interest rate regardless of the rate specified in the note if the Agency determines that such a reduction is necessary to maintain affordable rental rates for tenants.

(j) Loan assumption terms. The amount of the loan balance that may be assumed through an ownership transfer or sale must not exceed the security value of the housing project determined according to §3560.406(d)(3)(i).

(1) The Agency may reamortize a loan assumed e time of the transfer or sale, to a monthly payment amortization and will be made subject to PASS. When on- or off-farm labor housing projects are involved in an ownership transfer or sale, the related loans may be transferred on a DIAS basis or converted to PASS if the Agency determines that such a conversion will not be detrimental to the operation of the farm labor housing.

(k) Processing ownership transfers or sales.

(1) At the time of the transfer, the Agency will require the borrower to transfer all equipment, related facilities, and housing project financial accounts to the transferee including the operation and maintenance account, reserve account, tenant security deposit account, tax and insurance escrow accounts.

(i) Any funds remaining in a rental assistance contract not dispersed by the transferor will be assigned to the transferee unless the rental assistance is not needed for tenants or another form of rental subsidy is to be used.

(ii) Any rental assistance determined to be unnecessary will be reassigned to other housing projects in accordance with the provisions of subpart F of this part.

(2) The Agency will require that appropriate loan documents are executed by the transferee. The Agency may require such documents to be referenced in security instruments (e.g., mortgage or deed of trust).

(3) If all of a borrower's outstanding Agency debt is not assumed or paid off at the time of the transfer or sale, the Agency will not release a borrower from liability unless the Agency determines that the borrower is unable to pay the remaining debt from assets taken as security through the debt settlement procedure in accordance with §3560.457.

(l) Ownership transfers or sales under special rates, terms, and conditions. Housing projects may be transferred or sold to entities that do not meet borrower eligibility requirements for the type of loans being assumed. However, such a transfer or sale will only be considered when it is determined by the Agency to be in the best interest of the Federal Government and the objectives of the original loan can no longer be met. The following special rates, terms, and conditions will apply to such situations.

(1) The transferee makes a down payment of at least 10 percent of the remaining loan balance to be assumed.

(2) The transferee has the ability to pay the Agency debt.

(3) Monthly or annual installments will be amortized over the term of the loan and the interest rate will be at a rate of interest at least one percent higher than the interest rate offered to eligible borrowers as specified in paragraphs (i)(1) or (2) of this section.

§3560.407 Sales or other disposition of security property.

(a) General. Borrowers must obtain Agency approval prior to selling or exchanging all or a part of, or an interest in, property serving as security for Agency loans. Agency approval also must be requested and received prior to the granting or conveyance of rights-of-way through property serving as security property. Agency approvals of sales or other dispositions of security property are not subject to the requirements outlined in 7 CFR part 1970. (Revised 04-01-16, SPECIAL PN.)

(b) Request requirements. Requests for Agency approval of transactions related to security property must document that the following conditions will be met.

(1) The borrower's ability to repay the Agency debt will not be impaired;

(2) The transaction will not interfere with the successful operation of the housing project or prevent the borrower from carrying out the purpose for which the loan was made.

(3) The monetary or other consideration offered in the transaction is equal to or greater than the market value of the security property being disposed of or the rights being granted, except that right-of-way easements may be granted or conveyed with minimal or no consideration being offered if:

(i) The value of the security property will not be reduced;

(ii) The suitability of the security property for the intended purpose will not be impaired; and

(iii) The easement is granted to allow the borrower to develop additional lots or units that will be integrated into the housing project or for enhancement of streets, utilities or other services provided by a public body.

(4) The property that will remain as security for Agency loans, after any transaction related to security property, will fully secure the borrower's debt to the Agency.

(5) Borrowers must report to the Agency the total of all proceeds derived from the sale or other disposition of property serving as security for Agency loans. The proceeds from the disposition of the security property will be used for purposes approved by the Agency.

§3560.408 Lease of security property.

(a) General. Borrowers must obtain Agency approval prior to entering into a lease agreement related to any property serving as security for Agency loans. Agency approvals of lease agreements are considered loan servicing actions under 7 CFR part 1970, and as such do not require additional NEPA analysis and documentation. (Revised 04-01-16, SPECIAL PN.)

(b) Leases to public housing authorities. Borrowers may not lease all or part of their housing facilities to a housing authority. Lease agreements in place prior to the effective date of this regulation may be continued provided that leases are in a form acceptable to the housing authority and are on terms that will enable the borrower to comply with Agency program requirements, to meet Agency program objectives, and make loan and other required payments to the Agency on an Agency approved schedule.

(c) Lease of a portion of the security property. The Agency may, subject to the applicable provisions governing loan purposes found in of §3560.53, §3560.553 and §3560.603, approve the leasing of facilities related to a housing project (e.g., central kitchens, recreation facilities, laundry rooms, and community rooms) when the borrower will continue to operate the facilities for the purposes for which the loan was made. Agency approval is not required for leases with a term of less than 30 days. The Agency will only approve a lease with a term over 30 days if the following conditions are met:

- (1) The lease is in the best interest of the borrower, the tenants, and the Federal Government.
- (2) The amount of the consideration agreed to in the lease is adequate to pay all prorated operating and maintenance expenses, a prorated share of the annual reserve deposit, and the prorated part of the loan amortization at the note rate of interest.
- (3) All compensation and considerations, whether payments, a share of proceeds, or improvements to the property paid for by the lessee, must be disclosed to the Agency. No payments or compensation for entering into a lease shall flow to the borrower or any identity-of-interest related to the borrower.
- (4) The lease provides at its termination for the restoration of the leased space to its original condition or a condition acceptable to the owner and the Federal Government.
- (5) Consent to the lease will not exceed 3 years at a time unless the Agency determines that a longer lease is advantageous to the borrower, the tenants, and the Federal Government.
- (6) When another lienholder's mortgage requires that lienholder's consent to a lease, the borrower must obtain written consent from the lienholder before the Agency will consider approving the lease.

(d) Mineral leases. Mineral leases will be handled according to 7 CFR 3550.159 except that all references to County Supervisor will be construed to mean District Director when applied to the MFH Programs.

§3560.409 Subordinations or junior liens against security property.

(a) General. Borrowers must obtain Agency consent prior to entering into any financial transaction that will require a subordination of the Agency security interest in the property, or lien subordination, (*i.e.*, granting of a prior interest to another lender.) Prior to Agency consent, environmental review requirements must be completed in accordance with 7 CFR part 1970. Borrowers must use an Agency approved lien subordination agreement. (Revised 04-01-16, SPECIAL PN.)

(1) If a lien is placed against property serving as security for an Agency loan without prior Agency consent, the Agency will declare the borrower to be in default and will pursue liquidation of the borrower's loans in accordance with the procedures specified in §3560.457, unless an agreement can be reached between the borrower and the Agency to work out removal of the lien or post approve the lien.

(2) Subordinations or junior liens need not encompass the entire site, (e.g., a subordination or junior lien requested to permit an interim lender to advance construction funds may only cover the portion of the site proposed for construction.)

(3) The subordination or junior lien must be for a specific amount.

(4) The subordination or junior lien must not adversely impact the Agency's ability to service the loan according to the requirements of this part.

(b) Consent request requirements. Borrowers proposing to have the Agency subordinate its interest to another lender or to give a creditor a junior lien against property serving as security for an Agency loan must submit a consent request to the Agency. The consent request must document the following:

(1) The action will enable the borrower to obtain financial resources for improvements or repairs on the security property that are consistent with the purposes of the Agency loan secured by the property.

(2) The action will not adversely impact the borrower's financial condition and the borrower's ability to repay the Agency loan being secured by the property.

(3) The action will not result in basic rents at the security property that exceed conventional rents for comparable units in the area.

(4) The terms and conditions of the credit to be secured by the subordination or junior lien are not expected to adversely affect the borrowers ability to meet the terms and conditions of the Agency loan secured by the property.

(5) The proposed use of the funds obtained through the granting of a subordination or junior lien will not adversely affect the borrower's ability to meet Agency program requirements or to operate and manage the housing project in a manner consistent with program objectives.

(6) The creditor receiving the "subordination" of interest in the property or the junior lien will agree that a foreclosure or acceptance of a deed-in-lieu of foreclosure will not be initiated without at least 30 days prior notice to the Agency.

(7) The subordination or junior lien is not being secured with any funding from housing project financial accounts.

(8) The "subordination" of interest or junior lien will not cause the debt from all sources to exceed the value of the security property.

(9) The transaction related to the placement of a "subordination" of interest or junior lien against the property serving as security for an Agency loan is in the best interest of the Federal Government.

(c) Required conditions for subordinations and junior liens. Subordinations of interest in or junior liens against property serving as security for an Agency loan may be approved by the Agency only if they improve a borrower's financial condition and allow for improvements or repairs that are consistent with the purposes of the Agency loan secured by the property.

(1) Farm Labor Housing loans on farm tracts may be subordinated for essential farm improvements and operations.

(2) Any proposed development must be planned and performed according to 7 CFR part 1924, subpart A, or in a manner directed by the other lienholder that meets the objectives of 7 CFR part 1924, subpart A.

(d) Other liens against a property or other assets.

(1) Borrowers must not enter into any agreements to place a lien on a housing project or any equipment related to a housing project without prior Agency approval and unless the following conditions are met:

(i) The transaction will not adversely affect the Agency's security position;

(ii) The lien is not related to a non-program eligible action;

(iii) The items to be acquired by the funding related to the lien is needed for the operation of the property; and

(iv) The financing arrangements are otherwise sound.

(2) In cases where the above criteria are met, borrowers must complete and provide the Agency a copy of the financing statement, loan document, or contract, as applicable, as well as a security agreement acceptable to the Agency.

§3560.410 Consolidations.

(a) General. With Agency approval, loans, loan agreements, or loan resolutions may be consolidated to reduce the administrative burden (i.e., record keeping, budgeting), to improve the cost effectiveness and efficiencies of housing project operations, and to effectively utilize facilities common to housing projects.

(b) Loan consolidations. Loan consolidations will only be considered when:

(1) Multiple loans to the one borrower entity are being transferred to a different borrower entity in accordance with §3560.406, or

(2) One borrower entity has an initial loan and one or more subsequent loans for the same housing project and all the loans were closed on the same date and with the same rates and terms.

(c) Loan agreement or loan resolution consolidations. Loan agreements or loan resolutions may be consolidated, even if the loans related to the agreement or resolution are not consolidated, to allow borrowers to comply with reporting, accounting, and other Agency requirements as a single housing project.

(1) The loan agreements or loan resolutions may only be consolidated when they are related to loans made for the same purposes, to the same borrower, and operating under the same type of interest credit, if applicable.

(2) All of a borrower's loan accounts must be current after the loan agreement or loan resolution consolidation is processed, unless otherwise approved by the Agency.

§§3560.411-3560.449 [Reserved]

§3560.450 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart J--Special Servicing, Enforcement, Liquidation, and Other Actions

§3560.451 General.

This subpart contains special servicing, enforcement, liquidation, and other actions that the borrower may request or the Agency may implement when compliance violations, monetary defaults, or non-monetary defaults cannot be resolved through regular servicing.

(a) Agency obligations. The Agency is under no obligation to offer or agree to any special servicing actions.

(b) Relationship to workout agreements. Special servicing actions may be implemented either as a part of a workout agreement, developed in accordance with §3560.453, or as an action approved by the Agency separate from a workout agreement unless indicated otherwise in this subpart.

§3560.452 Monetary and non-monetary defaults.

(a) General. Borrowers are in default when they have received a compliance violation notice, issued in accordance with §3560.354, and have failed to correct the compliance violation identified in the compliance violation notice within the time period specified in the notice. Compliance violations include, but are not limited to, violations of promissory note provisions, loan or grant agreement provisions, regulatory, or other Agency requirements, including requirements imposed on a borrower through a workout agreement developed in accordance with §3560.453.

(b) Monetary defaults. A monetary default exists when any amount due to the Agency or a third party (such as real estate taxes and insurance) under a promissory note, loan or grant agreement, workout agreement, or other agreement remains due more than 30 days after the due date.

(c) Nonmonetary defaults. A nonmonetary default exists when a borrower fails to correct a compliance violation, other than a monetary amount past due, within the time period specified in a compliance violation notice issued in accordance with §3560.354.

Nonmonetary defaults include, but are not limited to, failure to:

- (1) Operate and manage a housing project in accordance with the Agency approved management plan or Agency requirements;
- (2) Maintain the physical condition of a housing project in a decent, safe, and sanitary manner and in accordance with Agency requirements;
- (3) Keep general operating expense, reserve, and other financial accounts related to a housing project at required funding levels;
- (4) Occupy rental units with eligible tenants, unless granted an exception by the Agency;
- (5) Charge correct rents or to correctly calculate net tenant contributions, utility allowances, or rental assistance payments or to properly administer the Agency rental assistance assigned to the housing project;
- (6) Submit required annual financial reports to the Agency within time periods specified in §3560.308;
- (7) Submit management plans, leases, occupancy rules, and other required materials to the Agency in accordance with Agency requirements; and,
- (8) Comply with applicable Federal laws including laws related to civil rights, fair housing, disabilities, and environmental conditions.

(d) Default notice. When borrowers are in default, the Agency will notify borrowers, in writing, that they are in default. The default notice will identify the compliance violation that led to the default, will specify actions necessary to cure the default, and will establish a date by which the default must be cured to preclude Agency initiation of enforcement actions, liquidation, or other actions.

(e) Agency action. If a borrower fails to cure a default within the time period specified in the default notice, the Agency may initiate the enforcement actions described in §3560.461 or liquidation as described in §3560.456. Also, Agency compliance violation notices and related default notices may be referred to Federal, state, and local agencies with jurisdictions related to the violations for handling, in accordance with their requirements.

§3560.453 Workout agreements.

(a) General.

- (1) Prevention or resolution of compliance violations or default cures are a borrower's responsibility.
- (2) A borrower may develop and submit to the Agency for approval a workout agreement that proposes actions to be taken over a period of time to prevent or correct a compliance violation or to cure a monetary or non-monetary default.

(3) A borrower developed workout agreement may propose, but is not limited to, the following actions:

(i) A combination of one or more of the special servicing actions outlined in §§3560.454 and 3560.455;

(ii) A change in operations and management at a housing project; or

(iii) A commitment of additional financial resources to the housing project with the amount and source of the additional resources to be committed to the housing project specifically identified.

(b) Workout agreement approval.

(1) The Agency is under no obligation to approve a workout agreement as submitted by a borrower or to act with forbearance when a housing project is in monetary or non-monetary default.

(2) Borrower developed workout agreements may not be implemented until the borrower receives written approval from the Agency.

(3) The Agency will only approve a workout agreement if the Agency determines that the actions proposed are likely to prevent or correct compliance violations or cure a default and approval is in the best interest of the Federal Government and tenants.

(4) The Agency will only approve a workout agreement if the proposed actions are consistent with the borrower's management plan. If proposed actions are not consistent with the borrower's management plan, applicable revisions to the borrower's management plan must be made before approval of the workout agreement is given.

(c) Workout agreement required content.

(1) Workout agreements submitted to the Agency for approval must be in writing and signed by the borrower. Workout agreements must describe proposed actions in sufficient detail to demonstrate the likelihood of the actions to prevent or correct compliance violations or cure defaults.

(2) At a minimum, workout agreements must include the following.

(i) The name and address of the housing project, project number, borrower's tax identification number, and other information necessary to identify the housing project.

(ii) A description of the potential or actual compliance violation or default situation, including an explanation of related causes, such as cash flow concerns, budget revisions, deferred maintenance, vacancies, or violations of statutes.

(iii) A definition and description of the housing project's market area, including information on housing availability, rents, and vacancy rates in the market area.

(iv) A description of the proposed actions to prevent or correct compliance violations or to cure defaults along with a date specific schedule indicating when interim and final actions will be taken to correct the compliance violation or cure the default.

(v) A description of financial and other resources necessary to prevent or correct the compliance violation or cure the default including an identification of the sources for such resources.

(d) Workout agreement budgets. Budget revisions submitted as a part of a workout agreement for a housing project experiencing cash flow problems must prioritize cash disbursements in the following order:

- (1) Prior lienholder, if any;
- (2) Critical operating and maintenance expenses, including taxes and insurance;
- (3) Agency debt payments;
- (4) Reserve account requirements; and
- (5) Other authorized expenditures.

(e) Workout agreement terms and cancellation.

(1) Workout agreements shall be in effect for no longer than a 2-year time period, beginning on the date of Agency approval. If an approved workout agreement calls for actions that extend beyond a 2-year period, borrowers must submit an updated and, if necessary, revised workout agreement to the Agency for approval. The updated workout agreement must be submitted to the Agency, 30 days prior to the expiration of the workout agreement in effect.

(2) The Agency may cancel a workout agreement at any time if the borrower fails to comply with the terms of the agreement. The Agency will provide notice to the borrower upon cancellation of the workout agreement.

§3560.454 Special servicing actions related to housing operations.

(a) Changing rents or revising budgets. The Agency may approve a borrower request for a rent change, rent incentives, or a revised budget, at any time during a housing project's fiscal year.

(b) Occupancy waivers. If the Agency determines that a housing project with high vacancies could be kept operationally and financially viable by allowing the borrower to accept as tenants persons with incomes above the income eligibility standards specified in §3560.152(a), the Agency, in writing, may grant the borrower an occupancy waiver to allow such persons as tenants. Occupancy waivers will be in effect only during the time period specified by the Agency when the waiver is granted. In addition, borrowers must rent to all eligible applicants on the housing projects waiting list prior to accepting persons with incomes above the Agency standards as tenants.

(c) Additional rental assistance (RA). If the Agency determines that a housing project with high vacancies could be kept operationally and financially viable by increasing the amount of RA allocated to the housing project, the Agency, subject to available funds,

may offer the housing project RA as a means of preventing or correcting a compliance violation or curing a default.

(d) Special note rents. When a Plan II housing project is experiencing severe vacancies due to market conditions, the Agency may approve a rent less than the note rent to attract and keep tenants whose incomes, according to the formula in §3560.203, would require them to pay the note rent. The reduced rent is called a Special Note Rent (SNR) and, as noted in §3560.210, approval of an SNR may affect approvals of loan proposals submitted to the Agency for the market area where the SNR is in effect.

(1) An SNR rent may only be requested as a part of a proposed workout agreement and must include documentation of market conditions, the housing project's vacancy rates, evidence of marketing efforts, and other concerns necessitating the request for an SNR.

(2) Borrowers must forego the annual return to owner for each housing project's fiscal year that an SNR is in effect for all or part of a fiscal year at a housing project.

(3) SNR's may be increased, decreased, or terminated any time during a housing project's fiscal year when market conditions, vacancy rates, or other concerns that necessitated the SNR warrant a change.

(4) In addition to any state lease law requirements that might be related to the implementation of an SNR, the borrower must notify each tenant of any change in rents or utility allowances that result from approval of an SNR, in accordance with §3560.205(c) and must submit the appropriate budget changes to the Agency for approval.

(e) Termination of management agreement. If the Agency determines that a compliance violation or loan default was caused, in full or in part, by actions or inactions of the housing project's management agent, the Agency will require the borrower to terminate the management agreement with that agent, or in the case of a borrower managed housing project, to enter an agreement with a third-party non-identity of interest management agent, unless the borrower and the Agency agree on a written plan to prevent reoccurrence of the violation. Housing project funds may not be used to pay a management fee to a management agent after the Agency has directed the borrower to terminate a management agreement with that agent, except during an Agency approved transition period.

§3560.455 Special servicing actions related to loan accounts.

(a) General. To prevent or correct a compliance violation or to prevent or cure a default in a situation that cannot be resolved through regular servicing, the Agency may approve a deferral of loan payments or a loan restructuring. Nothing herein precludes the Agency from initiating appropriate legal action to correct a compliance violation if the Agency determines such action is more in the Government's interest than entering into a special servicing agreement as provided for in this section. Procedures for debt collection are discussed in §3560.460. As part of a workout agreement, the Agency may agree to accept less than full monthly payment installments due on an Agency loan for a specified period of time, not to exceed the effective period of the workout agreement.

(b) Loan reamortizations. A loan reamortization is a restructuring of loan terms and conditions over a period of time that does not exceed the remaining useful life of the housing project.

(1) Loan reamortizations will only be approved when they are in the best interest of the Federal Government and tenants and when the following conditions are met.

(i) The Agency determines that the borrower will be unable to meet their obligations without a reduction in monthly payment installments; and

(ii) The Agency is satisfied that the security, including the potential income for debt service, will be adequate to protect the Agency's interest over the term of the reamortization and that the reamortization will not adversely affect the Federal Government's lien priority.

(2) If the Agency approves a reamortization of a loan under this section, it will be at the existing note rate, or the current interest rate at the time of reamortization closing or approval, whichever is less.

(3) Loan reamortization may be used to:

(i) Restructure loan repayments to prevent or correct a compliance violation or cure a default caused by circumstances beyond the borrower's control in situations where the borrower is otherwise in compliance with Agency requirements;

(ii) Repay principal, outstanding interest, overage, and advances made by the Agency for recoverable cost items when less than full payments were authorized under the provisions of an Agency approved workout agreement;

(iii) Restructure a borrower's loan payments in conjunction with an incentive package developed in accordance with §3560.656 to prevent prepayment of the loan;

(iv) Restructure an existing loan in conjunction with a subsequent loan for rehabilitation; or

(v) Restructure remaining debt when a portion of the property serving as loan security is sold and there is a need to reestablish the financial stability of the housing project.

(c) Loan writedowns. A loan writedown is a reduction of a borrower's debt approved by the Agency.

(1) Loan writedowns will only be approved when they are in the best interest of the Federal Government and when the following conditions exist:

(i) Sound management of the housing project is evident or sound management practices are proposed for correction in accordance with an Agency approved workout agreement; and

(ii) The housing project's financial stability is being affected by conditions beyond the borrower's control, such as market weaknesses, unforeseen site problems, or natural disasters.

(2) Prior to Agency approval for a loan writedown, the borrower must obtain an appraisal of the housing project that concludes the 'as-is' market value, subject to restricted rents, conducted in accordance with subpart P of this part. The Agency will not approve a loan write-down unless the appraisal indicates the Federal Government's interests are secured at the proposed writedown level.

(3) Any writedown will be conditioned on a finding that the borrower does not have the ability to pay a higher loan payment, even if the loan is reamortized.

(4) Loan writedowns may be used to allow for a loan transfer and assumption for less than the total amount of outstanding debt.

§3560.456 Liquidation.

Prior to any servicing action which might lead to the acquisition of real property by the Agency, the Agency must complete a due diligence report to assess any potential contamination of the property from hazardous substances, hazardous wastes, or petroleum products. The borrower must cooperate with the Agency in the development of this report.

(a) Before acceleration. Before accelerating a project loan, the Agency will consider the possibility that the borrower is forcing an acceleration to circumvent the prepayment process. If it is found that this is the borrower's motivation, the Agency will consider alternatives to acceleration, such as suing for specific performance under loan and management documents.

(b) Acceleration. When a borrower is in monetary or non-monetary default, the Agency will accelerate the loan unless the Agency decides other enforcement measures are more appropriate.

(1) If the borrower does not pay the full account balance and meet the other terms of the acceleration notice within the time period set forth in the acceleration notice, the Agency will foreclose or acquire the security property through deed in lieu of foreclosure.

(2) The Agency will suspend interest credit and rental assistance.

(3) The Agency will not accept partial payment of an accelerated loan unless required by state law.

(c) Voluntary liquidation. After acceleration, borrowers may voluntarily liquidate through either of the following mechanisms:

(1) Deed in lieu of foreclosure. RHS may accept a deed in lieu of foreclosure to convey title to the security property only after the debt has been accelerated and when it is in the Government's best interest.

(2) Offer by third party. If a junior lienholder or cosigner makes an offer in the amount of at least the net recovery value, RHS may assign the note and mortgage after all appeal rights have expired.

(d) Foreclosure.

(1) The Agency will initiate foreclosure when a borrower is in monetary or non-monetary default and foreclosure is in the best interest of the Federal Government.

(2) When a junior lienholder foreclosure does not result in payment in full of the Agency debt but the property is sold subject to the Agency lien, the Agency will liquidate the account.

(e) Acquisition of chattel properties.

(1) The Agency will accept voluntary conveyance of chattel property only when the borrower can convey ownership free of other liens and the Agency has agreed to release the borrower from further liability on the account.

(2) If the Agency decides to accept an offer of voluntary conveyance of chattel property, the borrower must provide an itemized listing of each chattel property item being conveyed and provide title to vehicles or other equipment, where applicable.

§3560.457 Negotiated debt settlement.

(a) Borrower proposals to settle debt. A borrower who cannot pay the full amount of loan payments may propose an offer to settle an outstanding debt for less than the full amount of that debt. The Agency may approve a negotiated debt settlement only in cases where a default is evident and doing so is in the best interest of the Federal Government and tenants.

(b) Required information. Borrowers requesting debt settlement must submit complete and accurate information from which a full determination of financial condition can be made. Debt settlement offers will not be approved by the Agency unless the financial information submitted by the borrower indicates that the borrower will be able to make the debt settlement payments as proposed.

(c) Effective date of approval. Debt settlement offers will not be accepted until the borrower receives written approval from the Agency.

(d) Appraisal requirement. No debt settlement offer will be accepted for less than the net recovery value of the security as determined by a licensed appraiser or other qualified official, and concurred in by the Agency's qualified appraisal review official or other qualified official.

(e) Disposition of security prior to offer. Borrowers are not required to dispose of security prior to making a debt settlement offer. However, if a borrower has disposed of security prior to making a debt settlement offer, the proceeds from the disposed security must be applied to the borrower's account prior to any negotiations on the debt settlement offer.

(f) Final release condition. Upon full payment of the approved debt settlement, the Agency will release the borrower from liability.

§3560.458 Special property circumstances.

(a) Abandonment. When the Agency determines that a borrower has abandoned security for a loan under this part, the Agency will take the steps necessary to protect the Federal Government's interest in the security. Costs associated with managing abandoned property are the responsibility of the borrower and will be charged to the borrower's account until liquidation is completed.

(b) Other security. The Agency will service security such as collateral assignments, assignments of rents, Housing Assistance Payments Contracts, and notices of lienholder interest according to acceptable practices in the respective states.

(c) Taking of additional security to protect Agency interests. The Agency may require borrowers to provide additional security in the form of real estate, cash reserves, letters of credit, or other security when needed to improve the chances that the Agency will not suffer a loss, and when:

(1) The account is in default; or

(2) The property has not been properly managed or maintained.

(d) Due diligence. When the Agency has completed an environmental site assessment in accordance with 7 CFR part 1970, and decides not to acquire security property through liquidation action or chooses to abandon its security interest in real property, whether due in whole or in part, to releases of or the presence of contamination from hazardous substances, hazardous wastes, or petroleum products, the Agency will provide the appropriate environmental authorities with a copy of its environmental site assessment. (Revised 04-01-16, SPECIAL PN.)

§3560.459 Special borrower circumstances.

(a) Deceased borrower, bankruptcy, insolvency, and divorce actions. The Agency will address borrower accounts affected by special circumstances such as death, bankruptcy, insolvency, and divorce on a case-by-case basis. The Agency will make servicing decisions in such cases on the basis of best interest to the Federal Government and tenants. The Agency will bring a legal action to establish the legal capacity of the borrower to administer the project if found necessary to protect the government's interests. In order for the Agency to make servicing decisions in such cases, the borrower or the borrower's representative will provide to the Agency:

(1) On the part of the heirs or executor of the borrower's estate, evidence of legal action due to a will or court actions that establish who is to become the owner;

(c) Security issues in participation loans. When a multi-family housing (MFH) project is receiving financing or a subsidy from sources other than the Agency, the Agency will service the account in accordance with the participation agreements made with the Agency and the other funding sources under §3560.65.

Subpart K--Management and Disposition of Real Estate Owned (REO) Properties

§3560.501 General.

This subpart contains Agency procedures and other policies related to the management and disposition of multi-family housing (MFH) projects in the Agency's inventory (Real Estate Owned (REO) property). Housing projects will not be accepted into the Agency's inventory unless one of the following has occurred:

- (a) The borrower has abandoned the housing project and the Agency has performed the required steps to take the housing project into custody.
- (b) The housing project title has been transferred to the Agency as a result of foreclosure, voluntary conveyance, redemption, or other action.

§3560.502 Tenant notifications and assistance.

Each tenant in an REO property designated to be sold as a non-program property will be notified by the Agency, in writing, of the housing projects' non-program designation and will be given an opportunity to obtain a Letter Of Priority Entitlement (LOPE) as specified in §3560.159(c).

§3560.503 Disposition of REO property.

- (a) Preference will be given to offers from bidders who are determined eligible by the Agency to purchase REO property designated to be sold as program property. It is the Agency's priority that property previously operated as program property prior to becoming REO inventory property be sold as program property. However, REO property may be sold under whatever Agency program is most appropriate for the property and the community needs regardless of the program under which the property was originally financed or whether the property was being used to secure loans under more than one Agency program.
- (b) When the Agency determines that the REO property to be sold is not decent, safe, and sanitary and/or does not meet cost effective energy conservation standards, it will disclose the basis for this determination to prospective purchasers. The deed by which such an REO property is conveyed will contain a covenant restricting it from residential use until it is decent, safe, and sanitary, and meets the Agency's cost effective conservation standards. The Agency will also notify any potential purchaser of any known lead based paint hazards.

§3560.504 Sales price and bidding process.

(a) The loan documents related to REO property sold for program purposes must contain the restrictive-use language specified in §3560.662(a).

(b) Entities bidding on REO property designated to be sold as program property must submit a loan application package that meets the requirements specified in subpart B of this part.

(1) Bidders on REO property designated to be sold as program property must meet the eligibility requirements established under §3560.55.

(2) Bidders determined by the Agency to be ineligible to purchase REO property designated to be sold as program property will be notified in writing. The bidding process will continue regardless of pending appeals.

(3) All offers from bidders determined to be eligible to purchase REO property designated to be sold as program property will be considered in the bidding process and must provide evidence of financial stability and credit worthiness.

(c) The Agency will determine the successful bidder on REO property designated to be sold as program property by conducting a drawing of sealed bids.

(1) The Agency may authorize the sale of an REO property by sealed bid or public auction when it is in the best interest of the Government. The Agency will publicly solicit requests for sealed bids and publicize auctions. If the highest bid is lower than the minimum acceptable bid established by the Agency, or if no acceptable bids are received, the Agency may negotiate a sale without further public notice.

(2) Bidders who desire to withdraw their bids must do so prior to the drawing date.

(d) Property designated to be sold as non-program property may be sold to entities that do not meet the Agency's eligible borrower requirements specified in §3560.55, and must be sold for cash or on terms approved by the Agency. Cash sales will be given first preference and will be drawn before any sales on terms.

§3560.505 Agency loans to finance purchases of REO properties.

(a) Agency loans to finance the purchase of REO property designated to be sold as program property must meet the same requirements as specified in subparts A and B of this part. In addition, the following provisions apply.

(1) At the borrower's option, the interest rate will be the prevailing rate at the time of loan approval or the prevailing rate at loan closing.

(2) Purchasers may pay closing costs from their own funds or, if allowable under subparts B, L, or M of this part, as applicable, may finance such costs as part of the Agency loan.

(b) Agency loans to finance the purchase of REO property designated to be sold as non-program property must meet the following terms.

(1) A down payment of not less than 10 percent of the purchase price is required at closing.

(2) The interest rate will equal the lesser of the prevailing interest rate at the time of loan approval or loan closing for MFH loans plus one-half percent.

(3) The note amount will be amortized over a period not to exceed 10 years. If the Agency determines that more favorable terms are necessary to facilitate the sale, the note amount may be amortized using a 30-year factor with payment in full due no later than 10 years from the date of closing (balloon payment). In no case will the term be longer than the useful life of the property.

(4) Agency loans to finance the purchase of non-program REO property are subject to the availability of funds.

(c) Loan limits and allowable uses of loan funds specified in subparts B, L, and M of this part, as applicable, are applicable to any Agency-financed (credit) sale of REO property.

(d) Title clearance and loan closing for an Agency financed sale and any subsequent loan to be closed simultaneously with the sale must meet the requirements in subpart B of this part for an initial loan, with the following exceptions:

(1) A "Quit Claim" or other non-warranty deed will be used; and

(2) The buyer must pay attorney's fees, insurance costs, recording fees and other customary fees unless they are included in a subsequent loan and the subsequent loan is for purposes other than closing costs and fees.

(e) After approval of an Agency-financed sale of occupied REO property designated to be sold as program property, but prior to closing, the purchaser must prepare a budget for housing operations in accordance with subpart B of this part. If a rent increase is necessary, procedures specified in subparts E and F of this part for calculating rents, net tenant contributions, and rental assistance will be followed by the borrower.

§3560.506 Conversion of single family type REO property to MFH use.

Single family type REO property may be sold for conversion to MFH program use under the following conditions:

(a) The Agency will allow nonprofit organizations, public bodies, or for-profit entities to purchase single family type REO property for conversion to MFH program use. When the Agency finances the sale of single family-type REO property for conversion to rural rental housing program use (i.e., MFH including group homes and homes for the elderly or disabled, farm labor housing, or rural cooperative housing), the sale price will be the lesser of the Federal Government's investment or an amount based on the "as-is" market value of the housing project as determined by an appraisal conducted in accordance with subpart P of this part.

(b) The Agency will only accept written offers to purchase two or more single family type REO properties for conversion to rural rental housing from nonprofit organizations, public bodies, or for-profit entities with a good record of providing housing under the Agency's MFH programs. The single family type properties are not required to be contiguous, however, they must be located in close enough proximity so that management capabilities are not diminished because of distance.

§3560.574 Operating assistance.

Operating assistance may be used in lieu of tenant-specific rental assistance in off-farm labor housing projects financed under section 514 or section 516(i) of the Housing Act of 1949 (U.S.C. 1486(i)) that serve migrant farmworkers. Owners of eligible projects may choose tenant-specific rental assistance as described in §3560.573 or operating assistance, or a combination of both, however, any tenant or unit assisted under this section may not receive rental assistance under §3560.572. The objective of this program is to provide assistance toward the cost of operating the project so that rents may be set at rates that are affordable to very low and low-income migrant farmworkers.

(a) Project eligibility requirements. To be eligible for the operating assistance program, projects must be:

(1) Off-farm labor housing projects financed under section 514 or section 516 with units that are for migrant farmworkers. Housing units for year-round farmworker households are ineligible; and

In the case of a mixed project, the amount of operating assistance must be based on the portion of actual income and expenses that are attributable to the units that are for migrant farmworkers. In no instance may the annual amount of operating assistance exceed 90 percent of the annual operating costs that are attributable to the migrant units.

(c) Owner responsibilities.

(1) Requesting for operating assistance program. Owners of off-farm labor housing projects with units for migrant farmworkers may request operating assistance by submitting a request to the Agency, which must include a budget. The budget must include:

(i) Estimated operating costs for the migrant units, including authorized expenditures such as reserve deposits;

(ii) Proposed rental rates for the migrant units to generate sufficient funds for operating costs of those units, taking into consideration all other sources of project income; and

(iii) Estimated rental income from tenants, based on a tenant contribution of 30 percent of the average adjusted monthly income of migrant farmworker households in the area.

(2) Requesting operating assistance payments. Each month, the owner will submit a request for operating assistance to the Agency.

(3) Verifying tenant income eligibility. Owners are responsible for verifying tenant income eligibility. Only very low or low-income households are eligible for the operating assistance rents. Households with incomes above the low-income limits must pay the full rent.

(4) Reporting requirements.

(i) Owners will complete and submit to the Agency tenant certifications to document tenant income and eligibility.

(ii) Owners will complete and submit monthly to the Agency a project worksheet for operating assistance.

(iii) Owners must submit an annual planning budget to the Agency prior to the project's fiscal year.

§3560.575 Rental structure and changes.

Off-farm labor housing is subject to the tenant contribution and rental unit rent requirements for Plan II housing established under subpart E of this part, except where seasonal housing will be occupied for less than a 3-month period. In such instances the best available and practical income verification methods may be used with prior approval of the Agency.

§3560.576 Occupancy restrictions.

(a) Restrictions on conditions of occupancy.

(1) No borrower or grantee will be permitted to require that an occupant work on any particular farm or for any particular owner or interest as a condition of occupancy of the housing.

(2) Tenant selection should be in accordance with the loan agreement, subpart D of this part and §3560.577.

(3) No borrower or grantee will discriminate, or permit discrimination by any agent, lessee, or other operator in the use or occupancy of the housing or related facilities because of race, color, religion, sex, age, disability, familial status, or national origin.

(b) Eligible households. To be eligible for occupancy in off-farm labor housing, households must meet the following requirements.

(1) Occupational. An eligible household must include a domestic tenant or co-tenant farm laborer, a retired domestic farm laborer, or a disabled domestic farm laborer.

(2) Income. The household must meet the definition of income eligible as established in §3560.152 and the tenant or co-tenant must receive a substantial portion of income from farm labor employment. To determine if a substantial portion of income is from farm labor employment, the following measures will be used.

(i) For housing rented to farm laborers and owned by public bodies, public or private nonprofit organizations, and limited partnerships when charging rent.

(A) Actual dollars earned from farm labor by domestic farm laborers other than migrant farmworkers must equal at least 65 percent of the annual income limits indicated for the Standard Federal regions as published by the Agency for their particular region of the country. For migrant farmworkers living in seasonal housing the actual dollars earned from farm labor by a domestic farm laborer must equal at least 50 percent of annual income limits indicated for the Standard Federal regions, as published by the Agency.

(B) An alternate measure for determining substantial portion of income when actual earnings are not available may be the duration of time a farm laborer worked on a farm or other farming enterprise as a domestic farmworker during the preceding 12 months. In order to be considered as substantial the farm laborer

must have worked at least 110 whole days in farm work. For purposes of this section one whole day is the equivalent of at least 7 hours. When using a period of more than 1 year, a yearly average must amount to at least 110 days per year.

(ii) For housing owned by a farmer, family-farm partnership, family-farm corporation, or an association of farmers which was initially provided on a non-rental basis, a substantial portion of income is earned when housing is provided by the owner as part of employment compensation for farm labor.

(iii) When a natural disaster has occurred, such as a drought, flood, freeze, etc., figures for the 12 months preceding such disaster will be used to determine substantial portion of income under paragraph (b)(2) of this section.

(iv) The tenant who qualifies as a domestic farm laborer residing in a property with a nonrestrictive farm labor clause in the mortgage covenants must not have adjusted income which exceeds the moderate income limit for the appropriate household size and appropriate geographical area.

(3) Occupancy. The household must remain in compliance with the borrower's occupancy policy as established in §3560.155.

(c) Tenant eligibility requirements for operating assistance rents. To be eligible for operating assistance rents, tenants must meet the rental assistance eligibility requirements described in §3560.573 and in §3560.252.

(d) Ineligible tenants. Tenants who, at any time, fail to meet all the requirements in paragraph (b) of this section will be deemed ineligible for occupancy in off-farm labor housing. Ineligible tenants in off-farm labor housing will be addressed in accordance with the requirements of §3560.158.

(e) Non-farm laborer tenants. When there is a diminished need for housing for persons or families in the above categories, units in off-farm labor housing complexes may be made available to persons or families eligible for occupancy under §3560.152. Eligible tenants under this section may occupy the labor housing until such time the units are again needed by persons or families eligible under paragraph (b) of this section. As the basis for Agency approval or disapproval of the borrower's determination of diminished need, the borrower must submit a current analysis of need and demand to the Agency, identical to the market analysis that is required of loan applicants in the loan origination process. The borrower's determination and the State Director's recommendation should be forwarded to the National Office for concurrence. The procedures specified in §3560.158 shall be followed when tenants are required to vacate housing to allow for occupancy by persons eligible under paragraph (b) of this section.

§3560.577 Tenant priorities for labor housing.

Tenant occupancy in off-farm labor housing is based on eligible farm labor certified through the income certification process required by §3560.152 and is prioritized in the following order.

- (a) First priority is to be given to eligible active farm laborer households with first priority going to very low-income households, next priority to low-income households, and last to moderate-income households.
- (b) Second priority is given to retired domestic farm laborer households and disabled domestic farm laborer households who were active in the local farm labor market area at the time of retiring or becoming disabled. Occupancy priority will be given in accordance with paragraph (a) of this section.
- (c) Third priority is to be given to retired domestic farm laborer households and disabled domestic farm laborer households who were not active in the local farm labor market at the time of retiring or becoming disabled. Occupancy priority will be given in accordance with paragraph (a) of this section.

§3560.578 Financial management of labor housing.

The requirements established in subpart G of this part will apply to all off-farm labor housing.

§3560.579 Servicing off-farm labor housing.

Subpart M--On-Farm Labor Housing

§3560.601 General.

This subpart contains the requirements for making loans for on-farm labor housing and for ongoing operation and management of on-farm labor housing. Unless otherwise specified in this subpart, the requirements of subparts A through K, N, O, and P of this part will apply in addition to requirements given in this subpart.

§3560.602 Program objectives.

In addition to the objectives stated in §3560.52, on-farm labor housing funds will be used to increase:

- (a) The supply of affordable housing for farm labor; and
- (b) The ability of the farmer to provide affordable, decent, safe and sanitary housing for farm workers.

§3560.603 Loan purposes.

On-farm labor housing loans may be made only for the purposes established in §3560.553. Grants are not available for on-farm labor housing.

§3560.604 Restrictions on use of funds.

On-farm labor housing loans may not be used for any purpose prohibited by §3560.54 except §3560.54(a)(1). On-farm labor housing may be used to serve migrant workers. In addition, on-farm labor housing loan funds may not be used to provide housing for members of the immediate family of the applicant when the applicant is an individual farm owner, family farm corporation, family farm partnership, or a member of an association of farmers. Immediate family includes mother, father, brothers, sisters, sons, and daughters of the applicant and spouse.

§3560.605 Eligibility requirements.

- (a) To be eligible for an on-farm labor housing loan, the applicant must meet the requirements of §3560.55(a) with the exception of §3560.55(a)(1), (5), and (6) and the following requirements.
 - (1) The applicant must be a farm owner, family farm partnership, family farm corporation, or an association of farmers engaged in agricultural or aquacultural farming operations whose farming operations demonstrate a need for on-farm labor housing and who will own the housing and operate it on a nonprofit basis.
 - (2) The applicant must agree to use the labor housing to engage in the farming operations of the individual farm owner applicant, or in the farming operations of its members if it is a family farm corporation or partnership, or an association of farmers.
 - (3) The applicant must, as determined by the Agency, be unable to provide the necessary housing from the applicant's own resources and be unable to obtain credit from any other source upon terms and conditions which the applicant could reasonably be expected to fulfill. If the applicant is an association of farmers or family farm corporation or partnership, the individual members, individually and jointly, must be unable to provide the necessary housing by utilizing their own resources and be unable, by pledging their personal liability, to obtain other credit that would enable them to provide housing for farm workers at rental rates they can afford to pay. The individual resources of family farm corporation or partnership members with less than a 10 percent corporate or partnership interest should not be considered when determining if the applicant can obtain credit elsewhere.

(b) The Agency may make an exception to the requirement that an individual farm owner, family farm corporation, family farm partnership or an association of farmers be unable to obtain the necessary credit elsewhere when all of the following conditions exist:

(1) There is a housing need in the area for domestic farmworkers who are migrants and the applicant will provide such housing; and

(2) There are no qualified state or political subdivisions or public or private nonprofit organizations available, or likely to become available within 12 months of the application, that are willing and able to provide the housing.

(c) When an applicant is determined eligible under paragraph (b) of this section, the interest rate for such loans will be determined in accordance with 7 CFR part 1810, subpart A.

(d) On-farm labor housing that consists of buildings with less than three units is not subject to the requirement that five percent of the units be constructed as fully accessible units, as described in §3560.60(d).

§3560.606 Application requirements and processing.

(a) On-farm labor housing loan applications will be processed according to 7 CFR part 1940, subpart L. Applicants must submit an application in an Agency-approved format that adequately documents the need for the housing and the eligibility of the applicant.

(b) The applicant must certify that the farm workers for which the housing is intended are or will be involved in the applicant's agricultural or aquacultural farming operations.

(c) The applicant must certify that housing operations will be conducted in a non-profit manner such that income from the housing does not exceed eligible expenses associated with the housing. Eligible expenditures for the housing include, but are not limited to housing repairs and upkeep, payment of installments on the loan, taxes, insurance and reserves and other essential uses needed for success of the operations.

§3560.607 [Reserved]

§3560.608 Site and construction requirements.

(a) General. Cost and development standards for on-farm labor housing will be consistent with the requirements, standards, and cost limits specified in subpart B of this part, if the housing is a multi-family housing type structure, or consistent with section 502 of the Housing Act of 1949, if the housing is a single family type structure.

(b) Permanent units. On-farm labor housing occupied for 8 months or more of the year will be required to meet the following requirements.

(1) Housing may be multi-family or single family in type and may be located on the farm away from farm service buildings, or in the nearby community. Single-family type housing is defined as an individual or a group of individual single family detached dwelling units. All sites and housing shall be planned and constructed in accordance with 7 CFR part 1924, subparts A and C.

(2) Sites must be accessible from a public road, when feasible.

(1) Housing designed for seasonal occupancy may be either single family or multi-family.

(2) Seasonal housing may be constructed in accordance with exhibit I of 7 CFR part 1924, subpart A. If constructed in accordance with exhibit I, the housing must be suitable to allow for conversion to full-year occupancy if the need for migrant farmworkers in the area declines.

(d) Accessibility. On-farm labor housing that consists of buildings with less than three units, need not meet the requirement that five percent of the units be constructed as fully accessible units, as described in §3560.60(d). This does not, however, eliminate any other accessibility requirements.

§3560.609 [Reserved]

§3560.610 Security.

(a) Security instruments must meet the requirements established under §3560.560.

(b) When feasible, the on-farm labor housing will be located on a tract of land that is surveyed such that, for security purposes, it is considered separate and distinct from the farm. The security for the loan must include a lien on the tract of land where the on-farm labor housing is located and the security must have adequate value to protect the Federal government's interest. The Agency will seek a first or parity lien position on Agency-financed property in all instances, however, the Agency may accept a junior lien position if the Federal government's interests are adequately secured.

(c) The Agency will determine the value of the security for the loan in accordance with 7 CFR part 1922, subpart B if the farm is used as security or in accordance with section 502 of the Housing Act of 1949, if only the on-farm labor housing and related land is used for security.

(d) If necessary to provide adequate security for the loan, the Agency may require that any household furnishings purchased with loan funds also be secured.

(e) Personal liability and recourse will be required of all borrowers, including the individual members, stockholders or partners of an association of farmers, family farm corporations or partnerships, respectively.

§3560.611 Technical, legal, insurance and other services.

When technical, legal, insurance, or services are required for development of on-farm labor housing, applicants must comply with the applicable requirements of §3560.62. Regarding insurance coverage, the requirements of §3560.62(d) apply to on-farm labor housing.

§3560.612 Loan limits.

The maximum loan amount will be 100 percent of the allowable total development costs of on-farm labor housing and related facilities subject to §§3560.603, 3560.604 and 3560.608.

§3560.613 [Reserved]

§3560.614 Reserve accounts.

When on-farm labor housing operations include 12 or more units, the Agency will require such properties to comply with the reserve account requirements in §3560.65.

§3560.615 Participation with other funding sources.

The Agency encourages the use of other funding sources in conjunction with on-farm labor housing loans. Use of such financing in conjunction with an on-farm labor housing loan is subject to the approval of the Agency and must comply with the requirements of §3560.66.

§3560.616 Rates and terms.

- (a) The interest rate for on-farm labor housing loans will be 1 percent.
- (b) The term of the on-farm labor housing loan will not exceed 33 years.
- (c) Loan amortization for on-farm labor housing may be on a monthly or an annual basis.

All other on-farm labor housing loans are subject to the restrictive-use provisions contained in their loan documents and as outlined in subpart N of this regulation.

§3560.623 Housing management and operations.

Borrowers with on-farm labor housing loans must:

 - (3) Loans subsequently restricted by servicing actions including transfers.
- (c) Loans without prepayment prohibitions or restrictive-use provisions include all loans made on or before December 21, 1979, or loans that had restrictive-use provisions that have expired. Such loans are eligible to receive incentives subject to the provisions of this subpart.
- (d) Loans may be prepaid if another loan or grant from the Agency imposes the same or more stringent restrictive-use provisions on the housing project covered by the loan being prepaid.
- (e) Third-party subsidy (e.g., Section 8) will not be used as a substitute for RUPs.

§3560.653 Prepayment requests.

- (a) Borrowers seeking to prepay an Agency loan must submit a written prepayment request to the Agency at least 180 days in advance of the anticipated prepayment date and must obtain Agency approval before the Agency will accept prepayment.
- (b) Prior to submitting a prepayment request, borrowers must take whatever actions are necessary to provide the following items:
 - (1) A clear description of the loan to be prepaid, the housing project covered by the loan being prepaid, and the requested date of prepayment.
 - (2) A statement documenting the borrower's ability to prepay under the terms specified.
 - (3) A certification that the borrower will comply with any Federal, State, or local laws or regulations which may relate to the prepayment request and a statement of actions needed to assure such compliance.

(4) A copy of lease language to be used during the period between the submission date and the final resolution of the prepayment request notifying tenant applicants that the owner of the housing project has submitted a prepayment request to the Agency and explaining the potential affect of the request on the lease.

(5) Borrowers are required to submit a signed release of information form along with the prepayment request. The Agency will notify nonprofit organizations and public bodies involved in providing affordable housing or financial assistance to tenants of the receipt of a borrower's request to prepay their MFH loan(s). (7) A statement affirming that units in the property applying for prepayment will continue to be available for rent by eligible residents during the prepayment process.

The Agency will offer borrowers an opportunity, within 30 days following the date of the return, to address the reasons given by the Agency for the return of the prepayment request and will allow the borrower to submit a revised prepayment request appropriately satisfies all the conditions listed in paragraph (d) of this section, the Agency will process the prepayment request and make a reasonable effort to enter into a new restrictive-use agreement with the borrower in accordance with §3560.662 or §3560.655. If the Agency determines that a loan is ineligible for prepayment or the borrower does not have the ability to prepay, the Agency will return the prepayment request to the borrower with a written explanation of the Agency's determinations.

§3560.654 Tenant notification requirements.

(a) Within 30 calendar days of receiving a complete prepayment request, the Agency will send a prepayment request notice to each tenant in the housing project. Borrowers must post the Agency's prepayment request notice in public areas throughout the housing

project from the date of the notice until the final resolution of the prepayment request. The prepayment request notice will establish a date and place where tenants may meet with the Agency to discuss the prepayment request and will advise tenants that:

- (1) They may review all information submitted with the prepayment request except financial information regarding the borrower entity, which the Agency will withhold from tenant review unless given written permission for the release of the information from the borrower; and,
 - (2) They have 30 days from the date of the prepayment request notice to give the Agency comments on the prepayment request.
- (b) Borrowers may provide a prepayment request notice of their own directly to tenants and may establish a date and place where tenants may meet with the borrower to discuss the prepayment request. The Agency and other providers of housing assistance for very-low, low, and moderate-income households may attend a borrower's prepayment request meeting with tenants.
- (c) If the Agency agrees to accept prepayment on a loan, the Agency will send a prepayment acceptance notice to each tenant in the housing project at least 60 days prior to the prepayment date. Borrowers must post copies of the Agency's prepayment acceptance notice in public areas throughout the housing project until prepayment is made. If the prepayment acceptance was based on a borrower's agreement to comply with restrictive-use provisions, the notice will describe the restrictive-use provisions that will apply to the housing project after prepayment and the tenant's rights to enforcement of the provisions.
- (d) If the borrower withdraws the prepayment request, the Agency will provide a prepayment request cancellation notice to each tenant in the housing project. Borrowers must post copies of the prepayment request cancellation notice in the public areas throughout the housing project for a period of 60 days following the date of the prepayment request cancellation notice.
- (e) If the borrower agrees to accept incentives and restrictive-use provisions, the Agency will notify each tenant, in writing, of the agreement and provide a description of the restrictive-use provision.
- (f) If a borrower agrees to sell a housing project involved in a prepayment request to a nonprofit organization or public body, the Agency will notify each tenant, in writing, of the proposed sale to a nonprofit organization or public body and will explain the timeframes involved with the proposed sale, any potential impact on tenants, and the actions tenants may take to alleviate any adverse impact. Borrowers must post copies of the Agency's proposed sale notice in public areas throughout the housing project until the housing project is sold or the offer to sell is withdrawn.

(g) If a tenant applicant signs a lease in a housing project for which a prepayment request has been submitted, the borrower must provide the tenant with copies of all notifications provided to tenants by the Agency or the borrower prior to the tenant's occupancy in the housing project.

(h) If a borrower is unable to sell a housing project involved in a prepayment request to a nonprofit organization or public body within 180 days as specified in §3560.659, the Agency will send a notice to each tenant in the housing project explaining the potential impact of the borrower's inability to sell the housing project on tenants and the actions tenants may take to alleviate any adverse impact. Borrowers must post the Agency's notice in public areas throughout the housing project for a period of 60 days following the date of the notice.

§3560.655 Agency requested extension.

Before accepting an offer to prepay from a borrower with a restricted loan, the Agency must first make a reasonable effort to enter into a new restrictive-use agreement with the borrower. Under this agreement, the borrower would make a binding commitment to extend the low-income use of the housing and related facilities for 20 years for loans with interest credit, beginning on the date on which the new agreement is executed. If the borrower is unwilling to enter into a new restrictive-use provisions and restrictive-use agreement, the Agency should proceed to take the actions described in §3560.658.

§3560.656 Incentives offers.

(a) The Agency will offer a borrower, who submits a prepayment request meeting the conditions of §3560.653(d), incentives to agree to the restrictive-use period in §3560.662 if the following conditions are met:

- (1) The market value of the housing project is determined by the Agency, based on an appraisal conducted in accordance with subpart P of this part.
- (2) There are no restrictive-use agreements or prepayment prohibitions in effect.

(b) Specific incentives offered will be based on the Agency's assessment of:

- (1) The value of the housing project as determined by the Agency based on an "as-is" market value appraisal conducted in accordance with subpart P of this part;
- (2) An incentive amount that will provide a fair return to the borrower;
- (3) An incentive amount that will not cause basic rents at the housing project to exceed conventional rents for comparable units; except that when determined necessary by the Agency to allow for decent, safe and sanitary housing to be provided in market areas where conventional rents are not sufficient to cover necessary operating, maintenance, and reserve costs. Basic rents may be allowed to exceed comparable rents for conventional units, but in no case by more than 150 percent of the comparable rent for conventional unit rent level; and

(4) An incentive amount that will be the least costly alternative for the Federal Government while being consistent with the Agency's commitment to the preservation of housing for very-low, low, and moderate income households in rural areas.

(c) The Agency may offer the following incentives:

(1) The Agency may increase the borrower's annual return on equity by one of the following two methods. The actual withdrawal of the return remains subject to the procedures and conditions for withdrawal specified in subpart G of this part.

(i) The Agency may recognize the borrower's current equity in the housing project. The equity will be determined using an Agency accepted appraisal based on the housing project's value as unsubsidized conventional housing.

(ii) When a current appraisal indicates an equity loan cannot be made, the Agency may recognize the borrower's current equity in the housing project at the higher of the original rate of return or the current 15-year Treasury bond rate plus 2 percent rounded to the nearest one-quarter percent. The equity will be determined using the most recent Agency accepted appraisal of the housing project prior to receiving the prepayment request.

(2) The Agency may agree to convert projects without interest credit or with Plan I interest credit to Plan II interest credit or increase the interest credit subsidy for loans with Section 8 assistance to lower the interest rate on the loan and make basic rents more financially feasible.

(3) The Agency may offer additional rental assistance, or an increase in assistance provided under existing contracts under Section 521(a)(2), 521(a)(5) of the Housing Act of 1949 (42 U.S.C. 1490a(a)(2)) or Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437).

(4) The Agency may make an equity loan to the borrower. The equity loan must not adversely affect the borrower's ability to repay other Agency loans held by the borrower and must be made in conformance with the following requirements:

(i) The equity loan must not exceed the difference between the current unpaid loan balance and 90 percent of the housing project's value as determined by an "as-is" market value appraisal conducted in accordance with subpart P of this part.

(ii) Borrowers with farm labor housing loans are not eligible to receive equity loans as incentives.

(iii) If an incentive offer for an equity loan is accepted, the equity loan may be processed and closed with the borrower or any eligible transferee.
(iv) Excess reserve funds will be used to reduce the amount of an equity loan offered to a borrower.

(v) Equity loans may not be offered unless the Agency determines that other incentives are not adequate to provide a fair return on the investment of the borrower to prevent prepayment of the loan or to prevent displacement of project tenants.

(5) The Agency will offer rental assistance to protect tenants from rent overburden caused by any rent increase as a result of a borrower's acceptance of an incentive offer or tenants who are currently overburdened.

(6) In housing projects with project-based Section 8 assistance, the Agency may permit the borrower to receive rents in excess of the amounts determined necessary by the Agency to defray the cost of long-term repair or maintenance of such a project.

(d) The Agency must determine that the combination of assistance provided is necessary to provide a fair return on the investment of the borrower and is the least costly alternative for the Federal Government.

(e) At the time a specific incentive offer is developed, the Agency must take into consideration the costs of any deferred maintenance, items in the housing project's operating budget, and any expected long-term repair or replacement costs based on a capital needs assessment developed in accordance with §3560.103(c). Deferred maintenance may include specific items identified in previous Agency inspections where the borrower has had the opportunity and resources available to take corrective actions and did not.

(1) Deferred maintenance does not include routine repair and replacement that results from normal wear and tear of the physical asset. The amount required for the reserve account to be considered fully funded will be adjusted accordingly. To determine if basic rents exceed conventional rents for comparable units in the area, monthly contributions necessary to obtain the adjusted fully funded reserve account will be included in the calculation of basic rents.

(2) Deferred maintenance including any deficiencies identified in project compliance with Section 504 of the Rehabilitation Act of 1973 must be addressed as part of the development of the incentive and must be completed as part of an acceptance agreement of any incentive.

(f) Existing loans must be consolidated, provided consolidation retains the Agency's lien position, and reamortized in accordance with subparts I and J of this part, provided it maintains feasibility of the housing for the tenants or reduces the debt service or the level of monthly rental assistance.

(g) The borrower must accept or reject the incentive offer within 30 days. If no answer to the offer is received within 30 days, the Agency may consider the incentive offer to be rejected.

(1) If the borrower accepts the incentive offer, procedures outlined in §3560.657 must be followed.

(2) If the borrower rejects the incentive offer, the borrower must comply with requirements listed in §3560.658.

§3560.657 Processing and closing incentive offers.

(a) Borrower responsibilities. If a borrower accepts the Agency's offer of incentives, the borrower must complete the following actions:

(1) Subject to the Agency's approval, the borrower must legally restrict the use of the project in accordance with and for the number of years stated in §3560.662.

(2) If the incentive offer accepted includes an equity loan, the borrower must complete an application for the equity loan, and the borrower must continue to qualify as an eligible borrower or transferee in accordance with subpart B of this part.

(3) If the incentive offer accepted includes rent increases, the borrower must follow the rent increase requirements established in subpart E of this part.

(b) Waiting lists. If funds for components of incentive offers are limited, the Agency will establish a waiting list of accepted incentive offers for funding in the date order that the complete prepayment request was received.

(c) Unfunded incentive offers. If the borrower accepts the incentive offer but the Agency is unable to fund the incentive within 15 months, the borrower may choose one of the following actions:

(1) The borrower may offer to sell the housing project in accordance with §3650.659. In this case the borrower will be removed from the list of borrowers awaiting incentives.

(2) The borrower may stay on the list of borrowers awaiting incentives until the borrower's incentive offer is funded. The Agency will not negotiate the incentive offer; but, at a borrower's request, may adjust the incentive amount to reflect an updated appraisal, loan balance, and terms of third party financing.

(3) The borrower may withdraw the prepayment request and be removed from the list of borrowers awaiting incentives and either continue operating the housing project for program purposes and in accordance with Agency requirements or

continue processing their prepayment process in accordance with §3560.658. If the borrower chooses to withdraw their request, the borrower may resubmit an updated prepayment request, at any time, and repeat the prepayment process in accordance with this subpart.

(4) The borrower may elect to obtain a third-party equity loan provided rents will not exceed comparable rents in the market area.

§3560.658 Borrower rejection of the incentive offer.

(a) If a borrower rejects the incentive package offered by the Agency or an Agency request to extended restrictive-use provisions, made in accordance with §3560.662, the loan will only be prepaid if the borrower elects to agree to the following:

(1) The borrower agrees to sign restrictive-use provisions to extend restrictive-use by 10 years from the date of prepayment, and at the end of the restrictive-use period offer to sell the housing to a qualified nonprofit organization or public body in accordance with §3560.659.

(2) If housing opportunities for minorities would be lost as a result of prepayment, the borrower will offer to sell the housing to a qualified nonprofit organization or public body in accordance with §3560.659.

(b) If the borrower does not elect or agree to enter an agreement in accordance with paragraph (a) of this section, then the Agency will assess the impact of prepayment on two factors: housing opportunities for minorities and the supply of decent, safe, sanitary, and affordable housing in the market area. The Agency will review relevant information to determine the availability of comparable affordable housing for existing tenants in the market area and if minorities in the project, on the waiting list or in the market area will be disproportionately adversely affected by the loss of the affordable rental housing units.

(1) If restrictive-use provisions are in place, the borrower will agree to sign the restrictive-use provisions, as determined by the Agency, and at the end of the restrictive-use period, offer to sell the housing to a qualified nonprofit organization or public body in accordance with §3560.659.

(2) If restrictive-use provisions are in place, the borrower will agree to sign the restrictive-use provisions, as determined by the Agency, and at the end of the restrictive-use period offer to sell the housing to a qualified nonprofit organization or public body in accordance with §3560.659.

(3) If the Agency determines that prepayment will have an adverse impact on minorities, then the borrower must offer to sell to a qualified nonprofit organization or public body in accordance with the provisions of paragraph (a) of this section.

(4) If the Agency determines that the prepayment will not have an adverse effect on housing opportunities for minorities but there is not an adequate supply of decent, safe, and sanitary rental housing affordable to program eligible tenant

households in the market area, the loan may be prepaid only if the borrower agrees to sign restrictive-use provisions, as determined by the Agency, to protect tenants at the time of prepayment.

(5) If the Agency determines that there is no adverse impact on minorities and there is an adequate supply of decent, safe, and sanitary rental housing affordable to program eligible tenant households in the market area the prepayment will be accepted with no further restriction.

(c) If the borrower agrees to the restrictive-use provisions, as determined by the Agency, the applicable language must be included in the release documents and the borrower must execute a restrictive-use agreement acceptable to the Agency and a deed restriction.

(d) If the borrower will not agree to applicable restrictive-use provisions, as determined by the Agency, the borrower must offer to sell to a nonprofit or public body in accordance with §3560.659 or withdraw their prepayment request.

§3560.659 Sale or transfer to nonprofit organizations and public bodies.

(a) Sales price. For the purposes of establishing a sales price when a borrower is required or elects to sell a housing project to a nonprofit organization or public body, two independent appraisals will be ordered, one by the Agency and one by the borrower. Both appraisals will conclude market value and be in accordance with subpart P of this part. If the borrower's assessment of the Agency's appraised market value indicates that no further appraisal is needed, the borrower may agree to accept the Agency's appraisal.

(1) The expense of the borrower's appraisal shall be borne by the borrower. The appraiser selected may not have an identity of interest with the borrower.

(2) If the two appraisers fail to agree on the market value, the Agency and the borrower will jointly select an appraiser whose appraisal will be binding on the Agency and the borrower. The Agency and the borrower shall jointly fund the cost of the appraisal.

(b) Marketing to nonprofit organizations and public bodies. If a borrower must offer the property for sale to a nonprofit organization or public body under this paragraph, the borrower must take the following actions to inform appropriate entities of the sale:

(1) The borrower must advertise and offer to sell the project for a minimum of 180 days. The borrower may choose to suspend advertising and other sales efforts while eligibility of an interested purchaser is determined. If the purchaser is determined to be ineligible, the borrower must resume advertising for the balance of the required 180 days.

(2) The Agency will assist the borrower in initially notifying nonprofit organizations and public bodies.

(3) The borrower must provide the nonprofit organizations and public bodies contacted with sufficient information regarding the housing project and its operations for interested purchasers to make an informed decision. The information provided must include the minimum value of the housing project based on the market value determined in accordance with paragraph (a) of this section.

(4) If an interested purchaser requests additional information concerning the housing project, the borrower must promptly provide the requested materials.

(c) Preference for local nonprofit and public bodies. Local nonprofit organizations and public bodies have priority over regional and national nonprofit organizations and public bodies. The Agency may determine that no local nonprofit organizations or public bodies are available to purchase the housing project. After this determination, the borrower may accept an offer from a regional or national nonprofit organization or public body.

(d) Eligible nonprofit organizations. To be eligible to purchase properties under the conditions of this subpart, nonprofit organizations may not have among its officers or directorate any persons or parties with an identity-of-interest (or any persons or parties related to any person with identity-of-interest) in loans financed under Section 515 that have been prepaid. In addition to local nonprofit organizations, eligible nonprofit organizations include regional or national nonprofit organizations or public bodies provided no part of the net earnings of which accrue to the benefit of any member, founder, contributor or individual.

(e) Requirements for nonprofit organizations and public bodies. To purchase and operate a housing project, a nonprofit organization or public body must meet the following requirements:

(1) The purchaser must agree to maintain the housing project for very low- and low-income families or persons for the remaining useful life of the housing and related facilities. However, currently eligible moderate-income tenants will not be required to move.

(2) The purchaser must agree that no subsequent transfer of the housing project will be permitted for the remaining useful life of the housing project unless the Agency determines that the transfer will further the provision of housing for low-income households, or there is no longer a need for the housing project. Language to be included in the deed, conveyance instrument, loan resolution, and assumption agreement (as applicable) is provided in §3560.662.

(3) The purchaser must demonstrate financial feasibility of the housing project including anticipated funding.

(4) The purchaser must certify to the Agency that no identity-of-interest relationships in accordance with §3560.102(g). The purchaser must not have any identity of interest with the seller or any borrower that has previously prepaid or requested prepayment of an Agency MFH loan.

(5) The purchaser must complete an Agency-approved application and obtain Agency approval in accordance with subpart B of this part.

(6) The purchaser must make a good faith offer taking into consideration the value of the housing project as determined in accordance with paragraph (a) of this section.

(f) Selection priorities. If more than one qualified nonprofit organization or public body submits an offer to purchase the project at the same time, priority will be given to local nonprofit organizations and public bodies over regional and national nonprofit organizations or public bodies. When selecting between offers equally meeting all other criteria, the borrower will first consider the success of the nonprofit organization's or public body's previous experience in developing and maintaining subsidized housing, with preference given to the most successful. If the offers continue to be equal, the borrower will then consider the number of years experience that the nonprofit organization or public body has had in developing and maintaining subsidized housing, with preference given to the greater number of years.

(g) Loans made by the Agency or other sources to nonprofit organizations and public bodies. Agency loans to nonprofit organizations or public bodies may be made for the purposes described in this paragraph. Agency loans will be processed in accordance with subpart B of this part. Loans from other sources will be approved by the Agency in accordance with subpart I of this part.

(1) Agency loans to nonprofit organizations or public bodies for the purchase of a housing project will be based on the appraised value determined in accordance with paragraph (a) of this section.

(2) With proper justification, an Agency loan may be made to help the nonprofit organization or public body meet the housing project's first year operating expenses if there are insufficient funds in the housing project's general operating and expense account to meet such expenses. An Agency loan, for the purpose of covering first year operating expenses, may not exceed 2 percent of the housing project's appraised value determined in accordance with paragraph (c) of this section.

(h) Advances for nonprofit organizations and public bodies. The Agency may make advances, in accordance with Section 502(c)(5)(c)(i), not in excess of limits established by Congress to nonprofit organizations or public bodies that are purchasing housing under this subpart. Grant funds may be used to cover any direct costs other than the purchase price, incurred by nonprofit organizations or public bodies in purchasing and assuming responsibility for the housing project.

(i) Waiting list. If funds for sales to nonprofit organizations and public bodies are limited, the Agency will add the funding requests to the waiting list for incentives and follow the process established in §3560.657(b) and (c).

(j) Withdrawal from sales process. A borrower may withdraw the prepayment request at any time prior to the sale of the property. The borrower will be responsible for any damages associated with breaking a sales contract established with a nonprofit organization or public body.

(k) When no offer to purchase is received. Prepayment with no further restriction may be accepted by the Agency when the borrower agrees to offer the housing project for sale to a nonprofit organization or public body in accordance with §3560.659 and no good faith offer is received within 180 days from the date that the housing project was advertised for sale to a nonprofit organization or public body, or a good faith offer was received within 180 days from the advertisement date but the offeror was unable to fulfill the terms of the offer within 24 months of the offer date, provided the owner cooperated with the potential purchaser.

§3560.660 Acceptance of prepayments.

(a) When the Agency agrees to accept prepayment, the Agency will notify borrowers, in writing, of the conditions under which the Agency will accept prepayment including the specific restrictive-use provisions to which the borrower has agreed and the date by which the borrower must make the prepayment.

(1) Prepayment must be made 180 days from the date of the Agency's prepayment acceptance notice to the borrower.

(2) If the borrower's prepayment is not received within 180 days of the prepayment acceptance notice and the Agency has not agreed to an alternative date based on a written request from the borrower, the Agency may cancel the prepayment acceptance agreement.

(b) Owners will provide certification stating that they will meet State and local laws prior to prepayment acceptance.

(c) Tenants will be notified of the prepayment acceptance agreement in accordance with §3560.654(c). If a prepayment is anticipated to result in increased net tenant contributions, displacements or involuntary relocations, the tenants, who are affected by such a circumstance, may request a Letter Of Priority Entitlement (LOPE) in accordance with §3560.159(c). Tenants must request a LOPE within one year of the prepayment acceptance notice date.

§3560.661 Sale or transfers.

(a) If a sale or transfer is to take place in conjunction with the Agency incentive offer, the sale or transfer must comply with the processing provisions of subpart I of this part.

(b) If a proposed transferee is determined not to be eligible for the transfer and assumption, the borrower will be given an additional 45 days to find another transferee.

(c) In cases where the existing owner is in program non-compliance or default, the Agency may make an offer of incentives contingent on the successful transfer of the

housing to an acceptable purchaser. The Agency may offer a smaller incentive or no incentive if the borrower does not agree to transfer the project to an acceptable purchaser, or if the transfer does not take place.

§3560.662 Restrictive-use provisions and agreements.

All restrictions require Agency approval and must be in accordance with the following restrictions:

(a) The undersigned, and any successors in interest, agree to use the property (described herein) in compliance with 42 U.S.C. 1484 or 1485, whichever is applicable, and applicable regulations and the subsequent amendments, for the purpose of housing:

- (1) Very low-, or low-income households when required by §3560.658(a)(3), or

(b) The period of the restriction will be inserted in accordance with the following:

- (1) 10 years if required by §3560.658(a)(1);

- (3) 30 years if required by §3560.406(g);
- (4) Remaining period of existing restrictive-use provisions and any agreed extension if required by §3560.655 or §3560.658 (a)(2);
- (5) The remaining useful life of the housing and related facilities if required by §3560.658(a)(3); and
- (6) 20 years in all other cases.

(c) When required by §3560.658(a)(1) or (a)(2), the undersigned agrees that at the end of the expiration of the period described in paragraph (b) of this section, the property will be offered for sale to a qualified nonprofit organization or public body, in accordance with previously cited statutes and regulations.

(d) The Agency and eligible tenants or applicants may enforce these restrictions.

(e) The undersigned also agrees to:

- (1) To set rents, other charges, and conditions of occupancy in a manner to meet these restrictions;
- (2) To post an Agency approved notice of this restriction for the tenants of the property;

- (3) To adhere to applicable local, State, and Federal laws; and
- (4) To obtain Agency concurrence for any rental procedures that deviate from those approved at the time of prepayment, prior to implementation.
- (f) The undersigned will be released from these obligations before the termination period in paragraph (b) of this section only when the Agency determines that there is no longer a need for the housing or that financial assistance provided the residents of the housing will no longer be provided due to no fault, action or lack of action on the part of the borrower.

§3560.663 Post-payment responsibilities for loans subject to continued restrictive-use provisions.

- (a) If a borrower prepays a loan and the housing project remains subject to restrictive-use provisions, the requirements of this section apply after prepayment.
- (b) Owners of prepaid housing projects will be responsible for ensuring that the restrictive-use provisions agreed to as a condition of prepayment are observed.
- (c) Owners must maintain appropriate documentation to demonstrate compliance with the restrictive-use provisions and must make the documentation and the housing project site available for Federal Government inspection upon request.

- (d) Owners must observe Agency policies on tenant grievances as described in §3560.160. The Agency may enforce restrictive-use provisions through administrative and legal actions. Tenants may enforce the restrictive-use provisions by contacting the Agency or through legal action. The Agency will release the restrictive-use provisions when the Agency conditions have been met.

Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and

completing and reviewing the collection of information. A person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Subpart O--Unauthorized Assistance

§3560.701 General.

- (a) This subpart contains the policies for recapturing unauthorized assistance when the Agency determines that a borrower or tenant was ineligible for, or improperly used, assistance received from the Agency.
- (b) The Agency may seek repayment of any unauthorized assistance provided to a borrower or tenant, plus the cost of collection, regardless of whether the unauthorized assistance was due to errors by the Agency, the borrower, or the tenant.

§3560.702 Unauthorized assistance sources and situations.

- (a) Unauthorized assistance can be received by a borrower or tenant in the form of loans, grants, interest credit, rental assistance, or other assistance provided by the Agency including assistance received as a result of an incorrect interest rate being applied to an Agency loan. Agency officials may pursue identification and recapture of unauthorized assistance through any legal remedies available.
- (b) Unauthorized assistance may result from situations such as:
 - (1) Assistance being provided to an ineligible borrower or tenant;
 - (2) Assistance to an eligible borrower or tenant being used for an unauthorized purpose;
 - (3) Assistance being obtained as a result of inaccurate, incomplete, or fraudulent information provided by a borrower or tenant; or
 - (4) Assistance being obtained as a result of errors by the Agency, borrower, or tenant.

§3560.703 Identification of unauthorized assistance.

- (a) The Agency will use all available means to identify unauthorized assistance, including Agency monitoring activities, OIG reports, GAO reports, and reports from any source, if the information provided can be substantiated by the Agency.
- (b) Borrowers have the primary responsibility for identifying repayment of unauthorized assistance received by tenants.

§3560.704 Unauthorized assistance determination notice.

- (a) The Agency will notify borrowers, in writing, when a determination has been made that unauthorized assistance was received by the borrower. Borrowers will notify tenants, in writing, when a determination is made that unauthorized assistance was received by the tenant and will simultaneously send the Agency of copy of the written notice to the tenant.

(b) The unauthorized assistance determination notice is a preliminary notice, not a demand letter. The unauthorized assistance determination notice will:

- (1) Specify the reasons the assistance was determined to be unauthorized;
- (2) State the amount of unauthorized assistance to be repaid and specify the party responsible for repayment of the unauthorized assistance (i.e., the tenant or borrower) according to the provision of §3560.708;
- (3) Establish a place and time when the person receiving the unauthorized assistance determination notice may meet with the Agency or, in the case of tenants, may meet with the borrower, to discuss issues related to the unauthorized assistance notice such as the establishment of a repayment schedule; and
- (4) Advise the borrower or tenant that they may present facts, figures, written records, or other information within a specified period of time which might alter the determination that the assistance received was unauthorized.

(c) Upon request, the Agency or borrower, in the case of tenants, will grant additional time for discussions related to an unauthorized assistance determination notice. Borrowers must notify the Agency of schedule revisions when additional time is granted to a tenant in unauthorized assistance claims.

§3560.705 Recapture of unauthorized assistance.

- (a) The Agency will seek repayment of all unauthorized assistance received by a borrower or tenant, plus the cost of collection, to the fullest extent permitted by law. Agency efforts to collect unauthorized assistance may include offsets, the use of private or public collection agents, and any other remedies available. Agency findings related to unauthorized assistance determinations will be referred to credit reporting bureaus and other federal, state, or local agencies with jurisdictions related to the unauthorized assistance findings for suspension, debarment, civil or criminal action to the fullest extent permitted by law.
- (b) If a borrower or tenant agrees to repay unauthorized assistance, the amount due will be the amount stated in the unauthorized assistance determination notice unless another amount has been approved by the Agency.
- (c) Repayment may be made either with a lump sum payment or through payments made over a period of time. If a borrower or tenant agrees to repay unauthorized assistance, the borrower or tenant proposed repayment schedule must be approved by Agency prior to implementation. Agency approval of a repayment schedule will take into consideration the best interest of the borrower, the tenant, and the Federal Government.
- (d) Borrowers must retain copies of all correspondence and a record of all conversations between the borrower and a tenant regarding unauthorized assistance received by a tenant.
- (e) When a tenant, who has received unauthorized assistance due to tenant error or fraud as determined by the Agency, moves out of a housing project, the borrower is no longer responsible for recapturing the unauthorized assistance provided that the borrower notifies the Agency of the tenant's move and transfers all records related to the tenant's unauthorized assistance to the Agency within 30 days of the tenant's move. The Agency will pursue collection of the unauthorized assistance from the tenant.

(f) If a borrower refuses to enter into an unauthorized assistance repayment schedule with the Agency, the Agency will initiate liquidation procedures, in accordance with §3560.456, or other enforcement actions, such as suspension, debarment, civil, or criminal penalties, in accordance with §3560.461. If a tenant refuses to enter into an unauthorized assistance repayment schedule, the Agency will initiate recovery actions against the tenant.

(g) Borrowers may not use housing project funds to pay amounts due to the Agency as a result of unauthorized assistance due to borrower fraud.

§3560.706 Offsets.

Offsets and any other available remedies may be used by the Agency to recapture unauthorized assistance. Guidance concerning use of offsets can be found at 7 CFR 3550.210.

§3560.707 Program participation and corrective actions.

(a) With Agency approval, a borrower or tenant, who has received unauthorized assistance, may continue to participate in the project if they have the legal and financial capabilities to do so. Approval considerations for such forbearance and repayment are in §3560.705.

(b) A borrower or tenant who was responsible for the circumstances causing the unauthorized assistance must take appropriate action to correct the problem within 90 days of the unauthorized assistance determination notice date, unless an alternative date is agreed to by the Agency.

(c) When the interest rate shown in a debt instrument resulted in the receipt of unauthorized assistance, the debt instrument will be modified to the correct interest rate. All payments made by the borrower at the incorrect interest rate will be reapplied at the correct interest rate, and remaining payments due on the loan will be recalculated on the basis of the correct interest rate, plus any amounts due to the Agency as a result of the use of an incorrect interest rate, unless the Agency agrees to a separate repayment process.

§3560.708 Unauthorized assistance received by tenants.

(a) Tenant actions that require tenant repayment of unauthorized assistance received by tenants include, but are not limited to:

(1) Knowingly or mistakenly misrepresenting income, assets, adjustments to income, or household status to the borrower as required under subpart D of this part; or

(2) Failure to properly report changes in income, assets, adjustments to income, or household status to the borrower as required in subpart D of this part.

(b) Borrower actions that require borrower repayment of unauthorized assistance received by tenants include, but are not limited to:

(1) Incorrect determination of tenant income or household status by the borrower, resulting in rental assistance or interest credit that is not allowable under the provisions of subparts D, E, or F of this part, as applicable; or

(2) Assignment of rental assistance to a household that is ineligible under the requirements of subpart F of this part.

- (c) When it is determined that a tenant has received unauthorized assistance, the borrower shall notify the tenant and the Agency through the procedure specified in §3560.704.
- (d) Borrowers may not charge tenants to pay amounts due to the Agency as a result of unauthorized assistance to tenants through borrower error.
- (e) Borrowers must notify the Agency of all collections from tenants as repayments for unauthorized assistance and must remit or credit the amounts collected to applicable housing project accounts.
- (f) When rental assistance was improperly assigned to a tenant, for any reason, the rental assistance benefit must be canceled and reassigned.
 - (1) Before a borrower notifies a tenant of rental assistance cancellation, the borrower must request Agency approval. If the Agency determines that the unauthorized rental assistance was received by the tenant due to borrower fraud or error, the borrower must give the tenant 30 days notice, in writing, that the unit was assigned in error and that the rental assistance benefit will be canceled effective on date that the next monthly rental payment is due after the end of the 30-day notice period.
 - (2) Tenants also must be notified, in writing, that they may cancel their lease without penalty at the time the rental assistance is canceled. Tenants must be offered an opportunity to meet with a borrower to discuss the rental assistance cancellation.

§3560.709 Demand letter.

- (a) If a borrower fails to respond to an unauthorized assistance determination notice or fails to agree to a repayment schedule, the Agency will send the borrower a demand letter specifying:
 - (1) The amount of unauthorized assistance to be repaid and the basis for the unauthorized assistance determination; and
 - (2) The actions to be taken by the Agency if repayment is not made by a specified date.
- (b) If a tenant fails to respond to the unauthorized assistance determination notice or fails to agree to a repayment schedule, the borrower will send the tenant a demand letter specifying:
 - (1) The amount of unauthorized assistance to be repaid and the basis for the unauthorized assistance determination;
 - (2) The actions to be taken if repayment is not made by a specified date, including termination of tenancy; and
 - (3) The appeal rights of the tenant as specified in §3560.160.
- (c) A demand letter may be sent to a borrower or tenant, in lieu of an unauthorized assistance determination notice, when the evidence documenting the unauthorized assistance determination is deemed to be conclusive by the Agency or borrower sending the letter.

§§3560.710-3560.749 [Reserved]

§3560.750 OMB control number.

The information collection requirements contained in this regulation have been approved by the Office of Management and Budget (OMB) and have been assigned OMB control number 0575-0189. Public reporting burden for this collection of information is estimated to vary from 15 minutes to 18 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Subpart P--Appraisals

§3560.751 General.

This subpart sets forth appraisal policies for Agency-financed multi-family housing (MFH) projects consisting of five or more rental units. Agency-financed housing projects with fewer than five rental units may be appraised in accordance with the Agency's single family housing appraisal policies established under 7 CFR 3550.62.

§3560.752 Appraisal use, request, review, and release.

(a) Appraisal uses. The Agency will use appraisals to determine whether the security offered by an applicant or borrower is adequate to secure a loan or determine appropriate servicing or preservation decisions. Appraisals used for Agency decision-making must be current, unless the Agency and the applicant, or borrower, mutually agree to the use of an appraisal that is not current. A current appraisal is an appraisal with a report date that is not more than one year old.

(b) Appraisal requests. Appraisal requests must be in writing and must specify the client and other intended users, the intended use, the purpose, and the scope of work of the appraisal, including the type and definition of the value(s) to be developed.

(1) Type of Value. The appraisal request must indicate whether the “market value”, the “market value, subject to restricted rents”, or any other type of value of the housing project and related facilities is to be concluded.

(i) A request for “market value, subject to restricted rents” means the appraisal will take into consideration any rent limits, rent subsidies, expense abatements, or restrictive-use conditions that will affect the property as a result of an agreement with the Agency or any other financing source. Each type of financing involved, including, but not limited to, interest credit subsidy, low-interest loans from other sources,

tax-exempt bond financing, tax credits, and grants, must be valued separately in the appraisal.

(ii) A request for “market value” means the appraisal will take into consideration the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and

assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

- (A) Buyer and seller are typically motivated;
- (B) Both parties are well informed or well advised and acting in what they consider their best interests;
- (C) A reasonable time is allowed for exposure in the open market;
- (D) Payment is made in terms of cash in United States dollars or in terms of financial arrangements comparable thereto; and
- (E) The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

(2) “As-is Value” or “Prospective Value”. The appraisal request must indicate whether the “as-is value” or “prospective value” of the housing is to be concluded.

(i) “As-is value” means the value of the housing and related facilities as of the effective date of the appraisal. It relates to what physically exists and is legally permissible at the time of the appraisal and excludes all hypothetical conditions.

(ii) “Prospective value” means the forecasted value of the housing and related facilities as of a specified future date. For Agency appraisals, this date will typically be the projected completion date of proposed new construction or rehabilitation.

(3) Section 8 project-based assistance. Depending on the intended use of the appraisal, the Agency will specify whether or not section 8 project-based assistance will be considered in the valuation of the housing. The remaining term of the section 8 contract and the probability of subsequent renewal terms being authorized will be taken into consideration when making this determination.

(4) Low-Income Housing Tax Credit (LIHTC) and other financing sources. Depending on the intended use of the appraisal, the Agency will specify whether or not tax credits and other financing sources involved in the housing will be considered in the valuation of the housing.

(c) Appraisal review. All MFH appraisals that were not written by an Agency appraiser will be reviewed by an Agency appraiser, who will write and file a technical review report that complies with the Uniform Standards of Professional Appraisal Practice (USPAP) and Agency requirements.

(d) Release of appraisals. MFH appraisals procured by the Agency will be released to owners/applicants, from their own files, upon their request.

§3560.753 Agency appraisal standards and requirements.

(a) General. The Agency recognizes USPAP as the basic standards for appraisals. Appraisals used by the Agency must comply with USPAP and this subpart.

(b) Appraisers. MFH appraisals prepared for the Agency will be written by Agency appraisers or independent fee appraisers who are state certified general appraisers, certified in the state where the property is located. Technical review reports will be written by Agency state certified general appraisers.

(c) Appraisal report. The appraisal report format may be a form appraisal or a narrative appraisal. The Agency will specify the appraisal format that is most appropriate for the scope of work involved when the appraisal is requested.

(1) Form appraisal reports. The Agency will accept appraisal report forms that meet generally accepted industry standards, comply with USPAP, and have been approved by the Agency.

(2) Narrative appraisal reports. Narrative appraisal reports must, at a minimum, contain the following items:

- (i) Transmittal letter;
- (ii) Factual information about the property;
- (iii) Regional and neighborhood data;
- (iv) Description of the subject property;
- (v) Description of existing and planned improvements;
- (vi) A highest and best use analysis;
- (vii) A statement regarding any environmental issues, such as potential contamination of the property from hazardous substances, hazardous wastes, or petroleum products;
- (viii) A cost approach analysis (if applicable);
- (ix) A sales comparison approach analysis (if applicable);
- (x) An income approach analysis (if applicable);
- (xi) A reconciliation of the value indications derived from the included approaches to value; and
- (xii) A signed and dated certification of value.

(3) At the time an appraisal is requested, the Agency will specify either a complete or a limited appraisal and one of the following types of appraisal reports, based upon the complexity of the appraisal assignment.

- (i) A self-contained report that comprehensively describes all information significant to the solution of the appraisal problem;
- (ii) A summary report that summarizes all information significant to the solution of the appraisal problem; or
- (iii) A restricted use report, intended for Agency use only, that briefly

states all information significant to the solution of the appraisal problem.

(d) Highest and best use statement and analysis. The highest and best use is to be concluded for the subject site as though it was vacant, and for the subject property as improved, if improvements have been made. If the highest and best use of a subject property is for something other than MFH, the appraisal report must provide this information to the Agency for consideration in the loan process. In addition to being reasonably probable and appropriately supported, the highest and best use of both the land as though vacant and the property as improved must meet four implicit criteria. The highest and best use must be:

- (1) Physically possible;
- (2) Legally permissible;
- (3) Financially feasible; and
- (4) Maximally productive.

(e) Valuation methods and variances. The final opinion of value presented in an appraisal report must have considered a cost approach, a sales comparison approach, and an income approach. If one of these standard approaches is not used, the reconciliation narrative will provide a full and complete explanation of the reasons the approach was excluded. The reconciliation will fully discuss and reconcile variances in the value indications concluded by each approach.

(f) Real estate history. Appraisals must contain a 5-year ownership and sales history for the housing project being appraised.

(g) Reserve accounts. Funds in the housing project's reserve account will not be considered in the valuation of the housing project.

(h) Escrow accounts. Short-term prepaid escrow accounts for general operating expenses, such as taxes and insurance, shall not be considered in the valuation of the housing project.

(i) Rental rates comparison. The appraisal report must document whether the housing project's basic rents are less than, equal to, or greater than market rents for comparable conventional, or non-subsidized, units in the area where the housing is located.

(j) Description of housing and property rights. The appraisal report must identify and describe both the real estate, which is the land and improvements, and the real property, or property rights, being appraised.

(k) Exclusion of rental units from valuation. The Agency will provide appraisers with instructions and supporting information on any rental units that do not produce rental income at the time of the appraisal.

(l) Non-contiguous sites. When a housing project has real property located on non-contiguous sites, a separate appraisal must be developed for each site.
