RE: Westside Extension Transit Corridor
Early Scoping Notice & Agency Scoping Meeting
October 10, 2007

The Federal Transit Administration and the Los Angeles County Metropolitan Transportation Authority (Metro) are initiating work on an Alternatives Analysis (AA) Study for the Westside Extension Transit Corridor. The Alternatives Analysis (AA) will study will identify and evaluate possible transit extensions from the terminus of the Metro Purple Line at the Wilshire/Western station and/or the Metro Red Line at the Hollywood/Highland station to the Westside of Los Angeles and Santa Monica.

In order to facilitate your agency's participation in the Scoping for Alternatives Analysis, an Agency Scoping Meeting has been scheduled for **Wednesday, October 10, 2007 at 3:00 p.m.** The scoping meeting will be held at the **Sheriff's Station Briefing Room, 720 N. San Vicente Boulevard, West Hollywood.** The meeting will provide community members, organizations and public agencies with an opportunity to ask questions of Metro staff and technical consultants and offer suggestions of alternatives to be considered in the AA Study.

Please help facilitate our coordination with your agency by informing us of the principal contact person for future correspondence. Also, please RSVP if you will be attending the Agency Scoping Meeting by contacting Carrie Bradford at (213) 922-7510 or bradfordc@metro.net. A project webpage has been set up at www.metro.net/Westside. If you have any questions, please contact Roger Martin at (213) 922-3069. We look forward to seeing you at the agency scoping meeting.

Sincerely,

David Mieger, AICP
Project Manager

RE: Westside Extension Transit Corridor
Early Scoping Notice & Agency Scoping Meeting
October 10, 2007

The Federal Transit Administration and the Los Angeles County Metropolitan Transportation Authority (Metro) are initiating work on an Alternatives Analysis (AA) Study for the Westside Extension Transit Corridor. The Alternatives Analysis (AA) will study will identify and evaluate possible transit extensions from the terminus of the Metro Purple Line at the Wilshire/Western station and/or the Metro Red Line at the Hollywood/Highland station to the Westside of Los Angeles and Santa Monica.

In order to facilitate your agency's participation in the Scoping for Alternatives Analysis, an Agency Scoping Meeting has been scheduled for **Wednesday, October 10, 2007 at 3:00 p.m.** The scoping meeting will be held at the **Sheriff's Station Briefing Room, 720 N. San Vicente Boulevard, West Hollywood.** The meeting will provide community members, organizations and public agencies with an opportunity to ask questions of Metro staff and technical consultants and offer suggestions of alternatives to be considered in the AA Study.

Please help facilitate our coordination with your agency by informing us of the principal contact person for future correspondence. Also, please RSVP if you will be attending the Agency Scoping Meeting by contacting Carrie Bradford at (213) 922-7510 or bradfordc@metro.net. A project webpage has been set up at www.metro.net/Westside. If you have any questions, please contact Roger Martin at (213) 922-3069. We look forward to seeing you at the agency scoping meeting.

The Federal Transit Administration and the Los Angeles County Metropolitan Transportation Authority (Metro) are initiating work on an Alternatives Analysis (AA) Study for the Westside Extension Transit Corridor. The Alternatives Analysis (AA) will study will identify and evaluate possible transit extensions from the terminus of the Metro Purple Line at the Wilshire/Western station and/or the Metro Red Line at the Hollywood/Highland station to the Westside of Los Angeles and Santa Monica.

In order to facilitate your agency's participation in the Scoping for Alternatives Analysis, an Agency Scoping Meeting has been scheduled for **Wednesday, October 10, 2007 at 3:00 p.m.** The scoping meeting will be held at the **Sheriff's Station Briefing Room, 720 N. San Vicente Boulevard, West Hollywood.** The meeting will provide community members, organizations and public agencies with an opportunity to ask questions of Metro staff and technical consultants and offer suggestions of alternatives to be considered in the AA Study.

Please help facilitate our coordination with your agency by informing us of the principal contact person for future correspondence. Also, please RSVP if you will be attending the Agency Scoping Meeting by contacting Carrie Bradford at (213) 922-7510 or bradfordc@metro.net. A project webpage has been set up at www.metro.net/Westside. If you have any questions, please contact Roger Martin at (213) 922-3069. We look forward to seeing you at the agency scoping meeting.

Sincerely,

David Mieger, AICP
Project Manager
