USC OLYMPIANS: 1904–2016

USC’s participation in the Olympics dates to 1904, when Emil Breitkreutz became the first USC student to compete in the Olympic Games, bringing home a bronze medal in the 800 meters. Since then, there have been 451 athletes who attended USC before, during or after their Olympic appearance. They have collected 309 medals — including 144 golds, 93 silvers and 72 bronzes — and have won at least one gold medal in every Summer Olympics since 1912.
