# APPLICATION INSTRUCTIONS

## APPLICATION PROCESS

Touro College uses a self-managed procedure for applications to the Division of Graduate Studies. Applicants are advised to gather all their required documents and submit them together in one package (except GMAT and TOEFL scores which are sent directly from the testing organizations to Touro College). This has the advantage of considerably speeding up Touro's processing of applications. This application booklet provides the forms with which applicants request official transcripts of previous academic work and letters of recommendation to be returned to them in signed, sealed envelopes. Send these together with the checklist, application form, fee, and any supplemental documents (e.g., an essay), in a single envelope to the address listed on p.3.

### Deadlines

All required documents must be submitted in advance of the program's application deadline. To find out a program's deadline please refer to the program's website at [www.touro.edu/general/graduate.asp](http://www.touro.edu/general/graduate.asp). Candidates are considered for admission only after all required documents have been received.

### Application Components

Below is a list of items that must be included to ensure a complete application package. Please complete the *Applicant Cover Sheet & Checklist* and include with your application materials.

- ▶ **Application Form.** A completed and signed application is required.
- ▶ **Application Fee.** Applicants to programs located in the U.S. must pay an application fee of \$50.00. This can be paid by credit card (Visa, Mastercard, or Discover) or by a check or money order drawn on a U.S. bank, payable to "Touro College". Please use the *Fee Payment Form* on p.17. Applicants to foreign campuses should check with their campus admission office for fee details. The application fee is nonrefundable and cannot be credited toward tuition or any other fees. Applications cannot be reviewed or processed without the fee.
- ▶ **Official Transcripts.** Applicants must submit official transcripts of all college-level academic work completed, whether inside or outside the U.S. These are required whether or not the student expects to receive transfer credit. A transcript is considered official when it is submitted in an envelope issued and sealed by a college's Registrar office. The *Transcript Request* form in this application packet should be used to obtain transcripts. A legible photocopy may be enclosed with the application, pending receipt of the official record.
- ▶ **Translations of Foreign Transcripts.** Foreign language transcripts must be accompanied by English translations from a professional translating service.

- ▶ **Credential Evaluation of Foreign Transcripts.** An original course-by-course educational credential evaluation is usually necessary for academic work completed outside the U.S. Touro College accepts evaluations only from members of the National Association of Credential Evaluation Services. For further information please visit the Association's website at: [www.naces.org/members.htm](http://www.naces.org/members.htm).
- ▶ **Recommendation Letters.** Applicants are required to submit recommendation letters from previous instructors or workplace supervisors. Refer to the *Additional Requirements* section on p.6 to determine how many recommendations a particular program requires. Use the pre-printed form in this package. Ask the respondent to place the letter of recommendation in a sealed envelope, to sign across the sealed flap of the envelope, and return the letter to you. Please enclose the sealed, signed, unopened envelope as part of your completed application package. Emailed or faxed letters are not acceptable.
- ▶ **Supplemental Application Form.** Certain programs listed on p.6 provide a *Supplemental Application Form* which lists specific essay topics, instructions for completion of essays, and additional questions. This form is enclosed separately.
- ▶ **Admission Tests.** Certain programs require standardized admission tests. Refer to the *Additional Requirements* section on p.6 to determine whether tests such as the Graduate Management Admissions Test (GMAT) or Graduate Record Exam (GRE) are required for your intended program. Standardized test results must be reported in advance of the program's application deadline. Please select the appropriate code when reporting your test score.

Touro College Campus	GMAT Center Code
New York	MN8-Z3-04
Berlin, Germany	MN8-Z3-63
Moscow, Russia	MN8-Z3-48
Paris, France	MN8-Z3-52

- ▶ **English Language Proficiency Tests.** If your native language is not English, or you attended an undergraduate program where English was not the language of instruction, you may be required to take the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS). Refer to the *Additional Requirements* section on p.6 for programs' test requirements. Standardized test results must be reported in advance of a program's application deadline. When reporting a TOEFL test score please select one of the campus codes in the following table to ensure that the report is routed correctly. IELTS issue test scores directly to test-takers, so please enclose your test report form in the application package.

Touro College Campus	TOEFL Center Code
New York - Graduate School of Business	6737
New York - All other graduate schools	0494
Berlin, Germany	6718
Moscow, Russia	6735
Paris, France	7388

► **Additional Requirements.** Certain programs require additional documents – for example, essays, résumés, copies of certifications, etc. Essays must be typewritten. Please refer to the *Additional Requirements* section on p.6 to check program requirements.

## AFTER YOUR APPLICATION HAS BEEN RECEIVED

### Notification of Decision

The length of the application review process varies from program to program. Applicants are informed in writing of the decision on their application. Decisions cannot be communicated over the telephone. Applications received after the deadline date are usually held for review for the next available semester.

### Immunization

Applicants accepted to a program that includes classroom-based instruction in New York State need to provide proof of MMR immunization and return the meningococcal response form before they can be permitted to register for classes.

### International Students

**Programs within the U.S.** Applicants who require an F-1 visa should submit an Affidavit of Support form to the International Student Office promptly to ensure timely processing. For further information please refer to the International Graduate Student Bulletin at [www.touro.edu/registrar/isb.pdf](http://www.touro.edu/registrar/isb.pdf).

**Programs outside the U.S.** European Union (EU) residents do not require visas to enroll at the Berlin campus. Non-EU residents should visit the German consulate in their country in sufficient time to obtain student visa information.

### Transfer Credit

Transfer credit policies vary by program. To be considered for transfer, graduate courses must appear on an official transcript issued by the institution where they were taken, and show a transferable letter grade received.

### Deferral of Admission

Students may defer their application for up to two years from the date of application. Requests for deferral of admission must be made in writing.

### Re-applicants

Applicants who applied to Touro College more than two years ago but never enrolled should use this application to reapply. The Office of Admissions retains incomplete applications and applications from those who were admitted but did not enroll for only two years.

## Meningococcal Disease Notice

NEW YORK STATE DEPARTMENT OF HEALTH  
BUREAU OF COMMUNICABLE DISEASE CONTROL

### What is meningococcal disease?

Meningococcal disease is a severe bacterial infection of the bloodstream or meninges (a thin lining covering the brain and spinal cord.)

### Who gets meningococcal disease?

Anyone can get meningococcal disease, but it is more common in infants and children. For some college students, such as freshmen living in dormitories, there is an increased risk of meningococcal disease. Between 100 and 125 cases of meningococcal disease occur on college campuses every year in the United States; between 5 and 15 college students die each year as result of infection. Currently, no data is available regarding whether children at overnight camps or residential schools are at the same increased risk for disease. However, these children can be in settings similar to college freshmen living in dormitories. Other persons at increased risk include household contacts of a person known to have had this disease, and people traveling to parts of the world where meningitis is prevalent.

### How is the germ meningococcus spread?

The meningococcus germ is spread by direct close contact with nose or throat discharges of an infected person. Many people carry this particular germ in their nose and throat without any signs of illness, while others may develop serious symptoms.

### What are the symptoms?

High fever, headache, vomiting, stiff neck and a rash are symptoms of meningococcal disease. Among people who develop meningococcal disease, 10-15% die, in spite of treatment with antibiotics. Of those who live, permanent brain damage, hearing loss, kidney failure, loss of arms or legs, or chronic nervous system problems can occur.

### How soon do the symptoms appear?

The symptoms may appear 2 to 10 days after exposure, but usually within five days.

### What is the treatment for meningococcal disease?

Antibiotics, such as penicillin G or ceftriaxone, can be used to treat people with meningococcal disease.

### Is there a vaccine to prevent meningococcal meningitis?

Yes, a safe and effective vaccine is available. The vaccine is 85% to 100% effective in preventing four kinds of bacteria (serogroups A, C, Y, W-135) that cause about 70% of the disease in the United States. The vaccine is safe, with mild and infrequent side effects, such as redness and pain at the injection site lasting up to 2 days. After vaccination, immunity develops within 7 to 10 days and remains effective for approximately 3 to 5 years. As with any vaccine, vaccination against meningitis may not protect 100% of all susceptible individuals.

### How do I get more information about meningococcal disease and vaccination?

Contact your family physician or your student health service. Additional information is also available on the web sites of the New York State Department of Health, [www.health.state.ny.us](http://www.health.state.ny.us); the Centers for Disease Control and Prevention, [www.cdc.gov/ncid/dbmd/diseaseinfo](http://www.cdc.gov/ncid/dbmd/diseaseinfo); and the American College Health Association, [www.acha.org](http://www.acha.org).
