Please note that your application will be rejected as invalid if you do not pay the specified fee.

- Cheque/Bankers Draft
- Postal Order
- Credit card¹ Mastercard, Visa (including Electron) or American Express (Amex)
- Debit card Delta, Maestro* (including Solo)
- * Maestro We can only accept Maestro cards issued in the UK.

Please note that your application is invalid if you do not pay the specified fee in full or if you pay by any method other than those specified above. You will be required to make a fresh application, and any delay in doing so may affect your appeal rights if your application is subsequently refused.

Please be aware that not all banks offer this service.

Cheques and postal orders

You must make the cheque or postal order payable to 'Home Office' and cross the cheque or postal order A/C Payee only. Please write the full name and date of birth of the applicant on the back of the cheque and/or each postal order and keep the postal order receipt(s). Please make sure that the date and the amount (words and figures) are correct and that the cheque is signed properly. Attach your cheque or postal order(s) to the front of the application form.

Completing the payment details page

To ensure that your payment is processed without any delay, please follow this guidance when completing Section 1 of this form (Payment Details).

A1 Tick the fee appropriate to your application - see above guidance. If you do not select a fee then we cannot take a payment and your application will be rejected as invalid.

A2-A3 If the address for correspondence is different from your home address in the UK, please give that address at **A2**. If a solicitor or other authorised immigration adviser is submitting the application, it should be their address at **A2** and their name at **A3**. These details will also be used to acknowledge receipt of the application.

A4 Applicant's full name, as given in his or her passport or travel document.

A7 - A9 If paying by cheque or bankers draft enter the bank account number, sort code and cheque number

Paying by credit / debit card

A10 The name as displayed on the credit/debit card

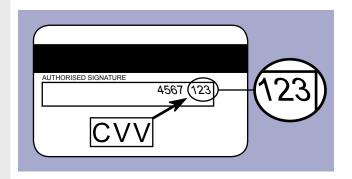

Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application.

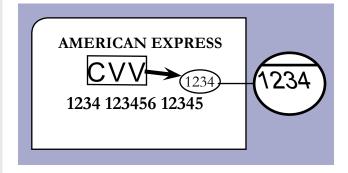

A11 Card number - this is the long number across the centre of the card

A12-A14 Enter the details where available on the card

A15 The Card Verification Value (CVV) is a 3-digit security code found on the back of the card on the signature strip - it consists of the last 3 digits. For Amex the security code consists of 4-digits and is found on the front of the card.

If you do not provide the CVV number, we cannot take your payment and your application will be rejected as invalid.

A16 For card payments circle the amount you are required to pay

A17-A18 Cardholder's signature - the person named on the credit/debit card must sign and date these sections.

Consideration process

 If the payment submitted does not cover the full cost of your application, it will be an invalid application and the form, together with any documentation submitted, will be returned to you.

- The fee charged is for the processing and consideration of the application. This fee will be payable once the application form is received by the Home Office or its payment processing agent, regardless of the outcome of the application.
- We cannot begin the consideration process until the payment has cleared. We allow 5 working days for payments made by cheque to clear, credit/debit cards and postal orders will clear immediately.

This guidance is not exhaustive. The full definitions of war crimes, crimes against humanity and genocide can be found in Schedule 8 of the International Criminal Court Act 2001 at http://www.legislation.gov.uk/ukpga/2001/17/contents or purchased from The Stationery Office (telephone 0870 600 5522). It is the applicant's responsibility to satisfy him/herself that he/she is familiar with the definitions and can answer the questions accurately.

War crimes

The types of acts that may constitute a war crime include wilful killing, torture, extensive destruction of property not justified by military necessity, unlawful deportation, the intentional targeting of civilians and the taking of hostages.

Crimes against humanity

Acts committed at any time (not just during armed conflict) as part of a widespread or systematic attack, directed against any civilian population with knowledge of the attack. This would include offences such as murder, torture, rape, severe deprivation of liberty in violation of fundamental rules of international law and enforced disappearance of persons.

Genocide

Acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group.

Terrorist activities

Any act committed, or the threat of action, designed to influence a government or intimidate the public and made for the purposes of advancing a political, religious or ideological cause and that involves serious violence against a person; that may endanger another person's life; creates a serious risk to the health or safety of the public; involves serious damage to property; is designed to seriously disrupt or interfere with an electronic system.

Organisations concerned with terrorism

An organisation is concerned with terrorism if it commits or participates in acts of terrorism; prepares for terrorism; promotes or encourages terrorism (including the unlawful glorification of terrorism); or is otherwise concerned in terrorism.

I agree to the bank or utility company, without seeking any further consent from me, telling you whether the information or documentation I have supplied is correct or in what way (if any) it is not correct.

I agree to the bank's or utility company's disclosure to the Home Office of any relevant personal data they hold on me for the above purposes. If I have not supplied correct information or supporting documentation to the Home Office the bank or utility company may disclose my relevant correct personal data.

If the information or supporting documentation also contains personal data relating to a joint customer or customers of mine on the bank or utility company account, or relates to another person who is to provide financial support, I confirm that I have obtained the consent of those persons to the disclosure of their personal data to the extent reasonably necessary for the above purposes.
