

Billy Connolly's Tracks Across America

Billy Connolly \$49.99 HB

Billy Connolly heads off on another epic American adventure - an 8,000 mile rail journey through 28 states to the four corners of the country.

Since his previous book *Route 66*, Billy has had more than his share of challenges - in 2013 he was diagnosed with prostate cancer (he's now been given the all-clear); on the same day he was diagnosed with the early stages of Parkinson's disease. But being a determined 72 year-old, Billy won't let the illness (which has already robbed him of the ability to play his beloved banjo) put him off one more exploration of the country he knows and loves so well.

Billy Connolly's Tracks Across America will tie in to another major TV series, and will tell the stories Billy hears along the way in his own inimitable style.
