Friends for Fun, Safety and Knowledge

Chapter Director's Spiel

Well, we're getting really close to riding season, yeah! Hope you all are ready (that means YOU AND your machine). You've all heard all the horror stories of the comedy-of-errors in our purchase of a new 2018 Gold Wing Tour DCT, well, it is still an on-going "adventure", but we sincerely hope that REAL soon we can finally take possession of our new motorcycle (although that has been further delayed by our motorcycle accident on our 2012 while on the way home from the FL rally). Then comes the challenge of learning how to USE all that fancy new technology. Can you say "Confusing"? But I'm still looking forward to the learning and the experience.

A couple reminders about the upcoming TN Spring Fling, first, if you haven't already registered, you still can, or you can register on-site, we hope you will join us there, we are sure to have fun. Also, the District has asked each chapter for three things. First is volunteers to help out, and we are assigned selling tickets, several members that are going have already volunteered, if you are planning on going, even for just one day, and are willing to volunteer about 2 hours of your time, please let me know and I will find out what days and time slots are currently available. Second they asked each chapter to bring in goodies to be used in the Hospitality Room, so if you are willing to help out with some packages of chips, cookies, etc., please bring them with you to the April gathering, I will collect everything and deliver it to the District Team when we get to the rally. Third they want each chapter's Couple of the Year to prepare a basket of "stuff", preferably geared towards the rally theme of "Sounds of the Sixties". The baskets will be raffled off with the proceeds being earmarked to help the TN District Couple of the Year with their expenses as they travel around visiting chapters and other rallies. If you would like to bring something for the basket, again, please bring it to the gathering. One possible hint, we have seen these baskets at quite a few other District rallies, and while most all are fairly imaginative, some are more simplistic, and one thing we've seen is some of the chapter members went out and got gift cards (often donated, using our mission of safety education as an incentive to a merchant) that they put in, and some even get a bunch of scratch-off lottery tickets, and they are clipped to sticks or items in the basket. These are just some ideas, and if any of you are willing to help the chapter and George & Vida make up a basket, that would be greatly appreciated.

When you look at the upcoming events below, you will see a listing for Wednesday, April 18 for something called a "ROMEOS" ride. This is something new we have added to our chapter 2018 Ride Calendar. As I described at our last gathering, we had belonged to another chapter elsewhere that had a during-the-week ride for members that weren't always able to make it to a weekend ride, giving them opportunities to ride with friends also. These rides were called ROMEOS, an acronym for "Retired Old Men Eating Out Sociably" mostly because they were all retired men, who met somewhere for breakfast then went for a ride. I have tweaked the acronym to be more "PC", changing it to "Retired Older Members Eating Out Sociably". The "rules" for these rides are really quite simple ... anyone (and we do mean ANYONE) that wants to go on one of these rides, meets at the Cracker Barrel in front of the Fort Loudon Medical Center at 9am for breakfast. Those that show up will discuss amongst themselves where they would like to go, and that's it. It is just an opportunity for another ride with friends, and as I mentioned, for some members that don't have the chance to get to rides on the weekends. We will do these rides on the third Wednesday of the month, so there is something else fun to do between the chapter gathering on the second Tuesday of the month and the chapter dinner ride on the fourth Tuesday of the month.

Also, don't forget that Wing Ding this year is right here in Knoxville, so plan on taking advantage of the fact that we don't have a long trip to get there! 🍷 The registration form is further down this newsletter.

Happy April Fools Day

Be safe, hope to see you soon,

Brian & Loretta Richards, TN-M Chapter Directors

Assistant Chapter Director

Hi, hope you're getting ready for a new year for fun with your fellow chapter friends. Make sure you, your gear, and especially your ride, are all at their peak performance level and ready to get out there and have fun.

Please be careful if you get a chance to get out there and ride.

Ride Safe!

James Whitener, TN-M Assistant Chapter Director

Rider Education

TN District Educators, Alvin & Josie Nelson

It is that time of year again. SPRING FLING is here!!!!!!!!!!!!!! I am looking forward to seeing everyone, having a little fun.

Chuck Geggie who is head of the Rider Course Programs contacted the Motorcycle Safety Foundation to compare our courses to MSF. Here is what he found out:

MSF-ERC is no longer a valid Rider Course and was replaced with MSF-BRC-2. This is a Range ONLY course and can only be used on an every other basis for GWRRA Levels program. Example: Full Class room and range--then a Range only---then Full Class Room and Range

The MSF-BRC-2 is also broken into two separate classes 1. BRC-2 LICENSE WAIVER 2. BRC-2 Skills Practice. Both are RANGE ONLY.

Acceptable Full Courses offered by MSF are- MSF-BRC Standard, MSF-BRC Small group, MSF-BRC 3-Wheel, and the MSF-ARC. These MSF Courses all have formal classroom component and can be used for GWRRA Levels program anytime.

Be sure to Stay on top of your levels and check MY RE for info.

See you in Pigeon Forge

Alvin, Josie

Chapter 2018 Couple of the Year

Hope everyone had a happy Easter. We have not ridden any this month. March 15th, Robert and Tina picked us up in their 4-wheel truck on their way to Chapter F, Morristown, TN Chapter meeting. Brian and Loretta were also there and we captured the Tennessee Traveling Plaque by 10 miles more than Chapter T, Knoxville, TN. WOW! That was close.

We then attended Chapter TN-A2 meeting at Shoney's in Maryville, TN March 19th, hoping to win the COY plaque, but our ticket wasn't drawn. Congratulations to COY Chapter S, Cottonwood, TN.

It was fun to join the chapter meetings. Hopefully we can get some group rides to attend more of the chapter meetings and win some wood to bring home to our chapter!

George & Vida Maples, TN-M 2018 Couple of the Year

Chapter M “Doings”

TN-M Chasing Plaques

Brian Richards

We had two instances this month of a group of us TN-M members going to other chapter gatherings in hopes of capturing a plaque. First, on March 15th, 6 of us, Loretta & I, George & Vida Maples, and Robert & Tina Russell went to the TN-F chapter gathering, they had the Tennessee Traveling Plaque and the East Tennessee Traveling Plaque. The Tennessee plaque is awarded based on total miles driven by all the chapter

members (with a minimum of 5 members to qualify), the visiting chapter with the most miles gets the plaque, and the East TN plaque is a simple ticket draw, with a ticket going to each member of the visiting chapter.

We had competition from one other East TN chapter, TN-T. We very slightly beat them out on total miles so we were awarded the Tennessee Traveling Plaque. When the ticket was drawn for the East TN plaque, a member of TN-T was the lucky one, so they got that plaque.

We want to thank George & Vida, and Robert & Tina for joining us and allowing us to win the Tennessee Traveling Plaque. We will have that plaque at our April chapter gathering, so we can expect to have a good number of visitors hoping to get lucky.

Then the second instance of plaque chasing was March 19th to the TN-A2 chapter gathering in hopes of capturing the Tennessee Couple of the Year Plaque. Our competition was from way out west from the TN-S Portland chapter, their 2018 Couple of the Year, Ralph and Beverly Elliott, and unfortunately for George & Vida, Beverly's ticket was drawn, oh well.

If you would like to know when we do any of these chapter visitations, that you might join us, please let me know and I will keep a list of who to notify. We always enjoy the company, and visiting the other chapters, and seeing our other GWRRA friends, is always fun and we would love to have others join us.

TN-M March Dinner to the Pizza Inn **Brian Richards**

Well, Brenda's plan for the chapter's March dinner ride, to the Pizza Inn in Oak Ridge, worked out fairly well. We had 13 members in attendance, and it seemed that everyone enjoyed themselves and the variety of food available was great. The staff of Pizza Inn were very supportive of any desires expressed, very customer oriented.

Special entertainment (if you want to call it that) was provided by Brian, as he told the story of his and Loretta's motorcycle accident on the way home from the FL rally. Thank goodness their damages were mostly a bit of road rash, some aches and bruises, and Loretta's left thumb got fractured. (Loretta seems to have an issue with her left arm, back in July of 2014 while on a dinner ride to Georgia with chapter TN-V after attending their monthly chapter gathering, she tripped over a drain pipe and broke her upper left arm below the shoulder, then in October of 2016 while at the MS Rally, while rushing across the street to avoid traffic she fell and shattered her left wrist, now this accident she fractures her left thumb, I may need to figure some kind of a special shield for her left side! 😊), or, looking at the dates, be vewwy, vewwy carefew in 2020, as it seems she is prone to something happening every other year, LOL).

This idea of going back to the old way of selecting places for the monthly dinner rides, by a ticket draw of the members and expecting that member to choose the place, seems like it is going over very well, and we look forward to seeing some more fun places from the other members selected for the rest of this year.
