SPRING BUNDLE SUNDAY

The Saint Dennis Conference of Saint Vincent de Paul members are handing out bags this weekend for you to take home and fill with gently used clothing and personal items. Saturday, May 4 and Sunday, May 5 a truck will be in the back parking lot of the church before all the Masses to collect your donations.

When you donate to "Saint Vinny's" you are doing three important things: de-cluttering your home for a fresh spring start, keeping useful things out of the landfill, and helping someone else build a better life. Thank you for your donations and your generosity! - Saint Vincent de Paul Conference

FATHER RANDY WRITES . . .

"If Christ has not been raised,
then empty is our preaching;
empty too is your faith."
- 1 Corinthians 15:14

Happy Easter

Some cultures refer to Easter Sunday as the "Day of the Resurrection." The Day of Resurrection is a big deal for followers of Christ and is the standing point of our faith. The Resurrection is the heart and soul of Christianity.

The Resurrection is key to living abundantly for Christ and specifically making an offering of your own life. It is then that we are able to embrace this world much more lightly and focus upon the promises of Christ rather than the false promises the world offers.

Those who are not fully convinced of the Resurrection approach life with an emphasis only upon the here and now and chase after possessions, pleasure, power, and prestige. But once you're convinced of the Resurrection, you know this world isn't ultimate and begin to let go of those earthly pursuits. Becoming a person of love thus becomes your central goal.

The Day of Resurrection is a big deal. Embrace it and you will discover more what it means to "live in the church and go out to the world."

Notre Dame

"Today we unite in prayer with people of France, as we wait for the sorrow inflicted by the serious damage to be transformed into hope with reconstruction. Holy Mary, Our Lady, pray for us." - Pope France, April 16, 2019.

Virgin Mary, at the heart of the city,
we pray to you for this capital city.
You Intact, preserve the purity of its faith!

Virgin Mary, from the banks of the Seine,
We pray to you for the country of France.
O Mother, teach it to hope!

Virgin Mary, in this great Christian site,
we pray to you for all the earth's people.
You, full of grace, may they be one in Love.

- Prayer of Pope Saint John Paul II upon his first visit to Paris on May 30, 1980, read by the Holy Father at the foot of the statue of Notre-Dame de Paris.

Peace, Father Randy

CARE FOR CREATION

Celebrate Earth Day with Saint Dennis Parish!

Saint Dennis Parish is hosting its Second Annual Earth Day celebration the weekend of April 27-28 with activities and exhibits designed to demonstrate how individuals and families can take steps to reduce their carbon footprint and conserve natural resources.

At the Earth Day event, which is open to the public, participants will be able to:

- Have their carbon footprint calculated by members of the Saint Dennis Care for Creation team.
- Learn about the 66-panel solar electric system, installed in 2017 to generate electricity for Saint Dennis School.
- Watch "The Truth in Ten," a 10-minute video about climate change.
- Get an up-close look and obtain information about electric vehicles such as the Honda Clarity, Nissan Leaf, Chrysler Pacifica, Toyota Prius Prime, which will be on display.
- Speak with individuals who have had solar panels installed on their homes.
- Receive up-to-date information about recycling and composting.
- Sign a pledge card making a commitment to at least one "Care for the Earth" action to conserve energy or other natural resources.

Activities and displays will be in the church fellowship area after the 4:00 p.m. Mass on Saturday, April 27, and from approximately 8:15 a.m. - 12:30 p.m. on Sunday, April 28. Everyone signing a pledge or having their carbon footprint completed will receive a raffle ticket for prize drawings.

The Earth Day celebration is sponsored by the Saint Dennis Care for Creation team, formed in December 2014 in response to Catholic social teaching about caring for God's handiwork. The group's mission was reinforced by Pope Francis' encyclical, "*Laudato Si'*: On Care for Our Common Home," issued in 2015. The long-term goal is for Saint Dennis to become a carbon neutral parish.

Visit the Care for Creation web page on the Saint Dennis website for more information about the Care of Creation.

THE CHURCH IS A FORGIVING COMMUNITY

Dr. Robert Enright - Forgiveness and Pain

Q: Do I have to be full-out committed to try forgiveness for it to be successful for me? In other words, what if I am only 50% committed to trying forgiveness. Will it still work for me?

A: Many people who have been deeply hurt by others start the forgiveness process with skepticism. They try forgiveness because they have tried so many other supposed remedies to emotional pain that have not worked for them. Even with this kind of skepticism, if a person understands forgiveness and takes the time to practice it, that commitment can grow in the person so that it strengthens as does one's enthusiasm for persevering in the process.

EASTER SUNDAY

Can you imagine that moment? Can you imagine the stomach drop with dizzying realization: "It's all true. All of it is true!"

The past three years weren't a dream that ended horribly wrong." Can you imagine all the doubts and despair of the past days chased away like smoke on the wind by a rolled up burial cloth? By an empty tomb?

It didn't start that way, of course. "They have taken the Lord from the tomb, and we don't know where they put him." This frantic news from Mary Magdalene would have been another unexpected blow. After all that happened, now his body has been stolen? The love and devotion in Peter and John is apparent. They don't wait to collect more information or stop by the tomb when they have a chance. They run to the site. When is the last time you ran for something? This isn't a run for exercise, but a huffing and puffing bolt fueled by desperation. Can you imagine that moment? The fear pounding in their temples, matching their accelerated heart rate. Can you imagine the impatient affection of John, who outruns Peter but refuses to enter the tomb alone? And then, upon entry, "He saw and believed."

This is the drama of our great feast! The promise that seemed lost has been found. The dead are raised. Long before the Easter eggs and ham, we are invited to meditate on this divine reality. We are invited to feel the desperation and joy of that first Easter Sunday deep in our bones. Because it is not just Mary's story. It's not Peter and John's story. It's our story. From the greatest defeat can come the most awe-inspiring victory, and this is true not just for our God, but for each one of us. He is risen indeed! Alleluia!
