Note: If a person entered the NMI as a nonimmigrant and lived in the NMI since January 1, 1974, this does not constitute continuous domicile and the individual is not a U.S. citizen

d. Derivative Citizenship

If the applicant cannot present one of the documents listed in a or b above, the following may be used to make determination of derivative U.S. citizenship:

Applicant born abroad to two U.S. citizen parents: Evidence of the U.S. citizenship of the parents and the relationship of the applicant to the parents, and evidence that at least one parent resided in the U.S. or an outlying possession prior to the applicant's birth.

Applicant born abroad to a U.S. citizen parent and a U.S. non-citizen national parent: Evidence that one parent is a U.S. citizen and that the other is a U.S. non-citizen national, evidence of the relationship of the applicant to the U.S. citizen parent, and evidence that the U.S. citizen parent resided in the U.S., a U.S. possession, American Samoa or Swain's Island for a period of at least one year prior to the applicant's birth.

Applicant born out of wedlock abroad to a U.S. citizen mother: Evidence of the U.S. citizenship of the mother, evidence of the relationship to the applicant and, for births on or before December 24, 1952, evidence that the mother resided in the U.S. prior to the applicant's birth or, for births after December 24, 1952, evidence that the mother had resided, prior to the child's birth, in the U.S. or a U.S. possession for a period of one year.

Applicant born in the Canal Zone or the Republic of Panama:

- A birth certificate showing birth in the Canal Zone on or after February 26, 1904 and before October 1, 1979 and evidence that one parent was a U.S. citizen at the time of the applicant's birth; or
- A birth certificate showing birth in the Republic of Panama on or after February 26, 1904 and before October 1, 1979 and evidence that at least one parent was a U.S. citizen and employed by the U.S. government or the Panama Railroad Company or its successor in title.

In all other situations in which an applicant claims to have a U.S. citizen parent and an alien parent, or claims to fall within one of the above categories, but is unable to present the listed documentation:

- If the applicant is in the U.S., the applicant should contact the local U.S. Citizenship and Immigration Service office for determination of U.S. citizenship;
- If the applicant is outside the U.S., the applicant should contact the State Department for a U.S. citizenship determination.

e. Adoption of Foreign-Born Child by U.S. Citizen

- If the birth certificate shows a foreign place of birth and the applicant cannot be determined to be a naturalized citizen under any of the above criteria, obtain other evidence of U.S. citizenship;
- Because foreign-born adopted children do not automatically acquire U.S. citizenship by virtue of adoption by U.S. citizens, the applicant should contact the local U.S. Citizenship and Immigration Service office for a determination of U.S. citizenship, if the applicant provides no evidence of U.S. citizenship.

f. U.S. Citizenship By Marriage

A woman acquired U.S. citizenship through marriage to a U.S. citizen before September 22, 1922. Provide evidence of U.S. citizenship of the husband, and evidence showing the marriage occurred before September 22, 1922.

Note: If the husband was an alien at the time of the marriage, and became naturalized before September 22, 1922, the wife also acquired naturalized citizenship. If the marriage terminated, the wife maintained her U.S. citizenship if she was residing in the U.S. at that time and continued to reside in the U.S.

g. A U.S. certificate of birth abroad\*

h. A foreign passport with a U.S. Visa\*

### \*\*\*ATTENTION\*\*\*

Effective July 20, 2011, the Arizona State Legislature modified A.R.S. § 41-1080, (Licensing and fingerprint clearance card eligibility; authorized presence; documentation; applicability; definitions) to require applicants for state licensure and licensure renewal to submit photographic identification with their applications to all state licensing boards and commissions. (See: H.B. 2102.)

This law does not apply to applicants who are citizens of foreign countries and do not need to reside in Arizona to use a state license. The law also does not apply to applicants who reside in other states or jurisdictions and hold a similar professional license in that state or jurisdiction and are not planning to reside in Arizona.

The Arizona State Board of Technical Registration understands that you may have already submitted documentation with your application for registration to the Board, verifying your lawful presence in the United States. However, unless you are exempt from the requirements of A.R.S. § 41-1080 as listed above, or you have already submitted a photograph in support of an application filed after March 2008; we request that you send us the required photograph to complete your registration/renewal process.

Please submit to the Board a “government issued document that contains (your) photograph,” as soon as possible, so as not to delay the issuance or renewal of your registration.

The government issued documents you may submit include a copy of the following:

- An Arizona driver’s license, issued after 1996, or an Arizona nonoperating identification license.
- A driver’s license issued by a state that verifies lawful presence in the United States.
