Welcome!

A Message

from

Elizabeth Patterson
Mayor, City of Benicia

I'm pleased to welcome you to Benicia on the weekend of Benicia Open Studios, sponsored by Arts Benicia. It's one of our busiest weekends all year, and for good reason. This weekend is your opportunity to step inside the studios and galleries of some of the Bay Area's most talented artists, talk to them about the work they do, and enjoy the ambiance of a community rich in art.

We're very proud of our artistic and culturally rich community -- it's part of what makes Benicia a popular and family-friendly town to visit, and a great place to live. While you're here, I encourage you to spend plenty of time in our Historic Benicia Arsenal, a former military ordnance supply depot in the 1950s, but now home to many artist studios and small businesses. Visit locations along our vibrant First Street to the scenic waterfront, where friendly merchants in our restaurants, bookshops, galleries, boutiques, antique shops, and cafes are eager to say hello and help make your time in Benicia memorable and fun.

For more than three decades Arts Benicia has been a cornerstone of the cultural life of our community, providing art exhibitions, classes and programs of interest to all ages. I hope you will keep this handsome catalog throughout the year as a reminder of your Open Studios experience, and plan future visits to Arts Benicia, discovering even more of what Benicia has to offer.

Elizabeth Patterson, Mayor

Arts Benicia Youth Art Programs

Arts Benicia's commitment to nurturing the next generation of artists is multi-faceted. We offer and support many programs for children from preschool through high school.

Arts Benicia After School (ABAS) provides artist-led series at elementary schools in Benicia. ABAS is open to all Benicia school children regardless of where they attend school.

Our **Teen Art Program (TAP)** offers workshops and classes for teens at Arts Benicia as well as an After School Art Club at Liberty High School in partnership with Benicia Unified School District. Mentoring, artistic development, and leadership skills are emphasized in the TAP.

School Tours at Arts Benicia provide students with a fun and educational experience viewing contemporary art exhibitions, and always include an engaging hands-on art project.

Arts Benicia thanks the individuals and organizations that support our youth art education programs: Youth Art Committee, the Wilson Family Foundation, Benicia Cat Clinic, Drs. Campbell, Carney, Vitakes, & Lim Orthodontics & Dentistry, The Sato Foundation, Union Pacific, Valero Benicia Refinery, and individual donors.
