Is this proof humans have TELEPATHIC powers? Two men, 4,600 miles apart, send messages to each other using just their minds

With a blindfold covering his eyes, and earplugs cancelling out almost all sound, Dr Michel Berg sat in a state-of-the-art laboratory at the University of Strasbourg in north-eastern France, and began to think.

Nearly 5,000 miles away, at a research facility in the Indian city of Kerala, a young Spanish man called Dr Alejandro Riera pulled on a tightly fitting hat, placed a laptop computer on a white table, and also began to think.

Over the course of the next hour, on March 28 this year, the 51-year-old Dr Berg and his faraway counterpart would attempt something that had only previously occurred in the exotic realms of science fiction.

Into the unknown: Two scientists have sent each other a message simply by using the power of their minds. The research could have staggering implications for the future of humanity. File picture

The two men aimed to send a simple message between each other, across the continents, without using any of the five senses that human beings — and indeed animals — have for millennia used to communicate.

They instead hoped to achieve what scientists call ‘mind-to-mind direct technological communication’ — and the rest of us would recognise by a single, tantalising word: telepathy.

The experiment in speaking via ‘thought’ happened in conditions of absolute secrecy. Until recently, only a small team numbering a dozen researchers (including Dr Berg and Dr Riera) were even aware of its existence.

That all changed a few days ago, however, when PLOS ONE, a website little known outside academia, published a peer-reviewed scientific paper detailing its outcome.

The report is lengthy and jargon-ridden. But to a layman, its findings seem little short of sensational. For on that afternoon in March, Dr Berg and Dr Riera were indeed able to achieve ‘conscious brain-to-brain communication’.

Brave New World: Dr Berg believes that in the coming decades their research could be used to help stroke victims, extreme paraplegics, and sufferers of 'locked-in syndrome' to speak and move again.

This, in layman's terms, means they carried out the first scientifically documented telepathic conversation in human history.

The exchange was nothing if not brief. The duo shared just two words: the Spanish greeting 'hola', and the Italian 'ciao'.

Yet what it might have lacked in colour and complexity, it surely made up for in potential historic importance.

'We have shown that it is possible to send a mental message between two people, without using sight, touch, sound, taste or smell,' Dr Berg told me yesterday.

'This is of course early days, but the discovery could eventually have a profound impact on civilisation.'

The possibilities of telepathy are, indeed, endless.ble: keeping your thoughts to yourself is about to get a whole lot harder.

Homeland Security Chairman: 'U.S. now on high alert as anniversary of 9/11 nears'

Posted: 08 Sep 2014 01:06 PM PDT

By Shepard Ambellas | [Intellihub](#)

"Al-Qaeda likes to pick anniversaries"

Michael McCaul, Homeland Security Chairman, said recently that the U.S. is on "a higher state of alert" as the anniversary of 9/11 approaches in the coming days dovetailing with other reports claiming that ISIS is determined to attack within the U.S..

An excerpt from the Daily Caller reveals McCaul's fears and may even give insight on what is to come:

"They take anniversaries very seriously, in terms of when they choose to attack in the United States. Al-Qaeda likes to pick anniversaries. They like to pick large sporting events, for instance, like the Boston Marathon. They look at economic damage they can inflict, and political damage. So I think coming up on the heels of this video, now with 9/11 just a couple days away — or a couple weeks — I think we have to be on a high state of alert."

It has also been reported that 11 Libyan airliners have gone missing, sparking some to question if another terror attack on U.S. is imminent. In fact Catholic Online reported:

Al Qaeda-linked rebels have taken control of large parts of Libyan territory including the city of Tripoli and the airport there. In late August, Al Jazeera reported on the disappearance of 11 passenger and cargo planes from the region. Those aircraft, it is feared, could

be used in suicide attacks across North Africa and even as far away as the United States.

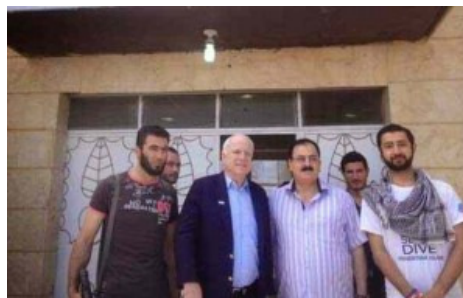

The threat is so serious that Egypt has conducted strikes against the terrorist group, Libyan Dawn, which is allied with Al Qaeda. The goal has been to reduce their ability to threaten Egypt. A second terrorist group, Ansar al Sharia controls Benghazi. That group claims to have surface-to-air missiles and other military hardware, some of which could be used to shoot down a civilian airliner.

Military forces in the region are also on high alert including forces from Algeria, Tunisia and Morocco. Nobody knows where these airliners have gone. Could they be hidden in hangars, were they flown to other regions? And how do you lose nearly a dozen such aircraft? Are they simply miscounted or has an official been misquoted? The uncertainty has officials fearing the worst.

Also, and more importantly, according to Kenneth R. Timmerman's book Dark Forces, the Central Intelligence Agency's head John Brennan, in conjunction with the current sitting U.S. President Barack Hussein Obama, have actually managed to fully fund and supply a newly sprouted Islamic terror group, now known as ISIS, with advanced weaponry and equipment.

However, in my opinion there is much more to the story — Let me explain.

According to a report from Western Journalism, President Obama has at least six members of the Muslim Brotherhood inside his administration and is actually a member of the group himself. And as crazy as it sounds, Obama is not the only one with connections to such groups as it's also a known fact that Sen. John McCain has also met with top-level members of ISIS and has even posed for pictures with members of the group on several occasions.

John McCain seen with members of ISIS

So how does all of this dovetail? Moreover, it's no secret that Obama has failed to produce an actual physical copy of his long-form birth certificate matching the electronic version posted on the official White House website which has been digitally altered, enhanced, manipulated and layered, according to experts, without a shadow of a doubt. In fact, the electronic forgery is so poor that the forger or forgers forgot to zip the many layers in Photoshop, proving the fraud empirically. And if one can accept the fact that Obama was a CIA implant who also literally hid his identity and any existing records of his person from the American public by immediately sealing them under the guise of national security within hours of his botched inauguration.

THE COMING WAVE OF TERROR FROM WITHIN — THIS IS WHERE IT GETS STRANGE

According to the publication Jews News, a reporter discovered that “300 terrorists from the Somali Al Queda group Al-Shabaab [...] have entered the U.S. and are unaccounted for”. Not to mention that Islamic prayer rugs have literally been found on the U.S./Mexican border. However, despite public outcry the Dept. of Homeland Security in Conjunction with the U.S. Dept. of Defense deny these allegations and for good reason.

THE DOD/DHS PLOT TO KICK OFF PANDEMONIUM

You see, interestingly enough, according to my sources, the Dept. of Defense in conjunction with the Dept. Homeland Security are currently running a joint covert operation, setting the stage for a new heavy wave of terror attacks to shock the U.S. which will likely target monuments of interest or populated structures. According to some, the coming attacks are expected to dwarf 9/11 and are set to be blamed on the Islamic faction ISIS.

AMAZINGLY THIS ALL IS ACTUALLY CONNECTED TO THE CURRENT BORDER CRISIS NOW TAKING PLACE IN MARIETTA TEXAS

In fact, the Dept. of Homeland Security, under DoD authorization, has been busing in migrants from Central and South America. Moreover, the DoD has also threatened at least one journalist recently, Kit Daniels, Infowars, with “imprisonment” for covering the current Texas border situation as all rights in America have now been revoked, possibly under the activation of the REX 84 program. However to make matters worse the migrants being shipped into the U.S. are freely allowed to travel without being searched at checkpoint via DHS custody, as reported by some, allowing the stage to be further set in preparation for an internal ISIS attack within the U.S.. Not to mention Orange Air, likely a CIA front company, has even been caught flying illegals into the country under a direct contract with the U.S. government, further adding fuel to the conspiracy fire now ablaze.

To boot, according to a new report, a top-level Dept. of Defense analyst under the Bush administration said that Islamic Jihadists from ISIS and other groups may be using the U.S. Mexican border as an entry point into the U.S. to launch a new wave of terror attacks from within America “sooner than later”.

Israel Has Officially Banned Fluoridation of Its Drinking Water

Posted: 08 Sep 2014 01:05 PM PDT

2014 09 04

By Douglas Main | [Newsweek](#)

On Tuesday of this week (Aug. 26), Israel officially stopped adding fluoride to its water supplies. The decision has “been lauded by various rights groups, but criticized by many in the medical and dental communities as a serious mistake,” as the Times of Israel put it.

The tasteless, colorless chemical is put into water for the purpose of reducing cavities, but critics say that it amounts to mass medication, and forces people to consume the substance whether they want to or not.

By law, fluoride had been added to public drinking water supplies of large Israeli towns since the 1970s, and until this week about 70 percent of the country was fluoridated. (For comparison, 67 percent of Americans receive fluoridated tap water.)

Health Minister Yael German announced last year that she planned to end the practice, but faced a wave of backlash. Undeterred, she said earlier this month that she had nevertheless decided to end the process effective Aug. 26, and to not even allow optional fluoridation in communities that support it.

While water fluoridation is not practiced in most of Europe or most countries worldwide, it has become widespread in the United States, Canada, Ireland, New Zealand and Australia, and a few others. It remains contentious where it is practiced, especially outside of the United States; however, fluoridation was recently voted against in Portland, Ore. and Wichita, Kan., and controversy has flared up in major cities like Milwaukee and Cincinnati.

One major open question is what constitutes a safe dose of fluoride. Supporters say the small amount put into water is safe, but opponents of the process point out that once the chemical is put into water, its dose cannot be easily controlled or monitored since people drink widely varying amounts of water and have different body weights and ability to process the mineral.

At high levels, fluoride can cause pitted teeth, bone defects and thyroid problems; a study in the medical journal *The Lancet* earlier this year labeled fluoride a developmental neurotoxin

anniversary of 911 comes with no arrests but some untimely deaths

Posted by **benjamin**
September 8, 2014

This week marks the 13th anniversary of the September 11, 2001 Nazionist terror attack and subsequent fascist coup d'etat in the United States. US "acting president" Barack Obama shows his true colors by the fact he repeats thoroughly discredited Nazionist lies, including those about that mass murder event.

Obama himself admitted last week that he was an actor. In an interview with NBC, when asked about why he went directly to the golf course immediately after making a statement about the supposed death of American journalist James Foley, said "Part of this job is also the theater of it...a part of it is, you know, how are you ... not something that— that always comes naturally to me."

<http://www.politico.com/story/2014/09/obama-meet-the-press-110676.html#ixzz3CiVerhUq>

However, there is a faction that is definitely going after Obama's Nazionist script writers that will hopefully force Obama to read from a new plot line. The recent suspicious crash of Richard "vaccinate all kids under 5" Rockefeller's plane, and the life threatening injuries inflicted on 911 planner and former FBI boss Louis Freeh have been followed by another suspicious death. This time the victim was Larry Glazer, whose plane had its oxygen supply cut off, a common form of sabotage. Glazer's family are co-owners of George Bush Seniors' Zapata oil and have worked with the Bushes for many years.

Also, actress Joan Rivers died of complications from "throat surgery", shortly after calling on everybody in Gaza to be wiped out, in what is seen by many as either an attack on the Nazionists or a fake death.

<http://nodisinfo.com/joan-rivers/>

Many more are going to die before this is over, CIA sources say.

That is why the terrified Nazionists are constantly screaming and threatening new terror attacks. The latest is from the Mossad linked site Debka threatening dirty bomb attacks in the Middle East and a European city on the 911 anniversary. However, the smart people at Mossad know the gig is up and that any attempt to blame a new attack by them on ISIS or Al Qaeda or any other front will not divert the inevitable payoff that would hit Israel.

Playing For Change - "War/ No More Trouble" Lyrics

Until the philosophy which holds one race
Superior and another inferior
Is finally and permanently discredited and abandoned
Oh, everywhere is war, say war

is war
Children

Until there are no longer first class
Second class citizens of any nation
Until the colour of man's skin
Is of no more significance than the colour of his eyes
Everywhere is war, war
Everywhere is war

Killing the brother, war
Destroying the country, war
For nothing, war
For nothing, war
They going to take care of another brother
We don't need no more war

Some winning, some losing
Some dying, some crying
Some singing
We don't need no more trouble
We don't need no more trouble
We don't need no more trouble
Oh no, oh no no no
We don't need no more trouble

We don't need no more trouble
We don't need no more trouble
Oh no, oh no

What we need is love to guide and protect us on
If you help me down from above
Help from where we get from
Oh, you got to stop the war

We don't need no more trouble
We don't need no more trouble

//Peace Everybody!

Greetings and Salutations:

POOF SAID:

There are leaders. And there are leaders. There are those who want to bring everything forward with an end to the drama that is being lived on the world stage. There are others who are yet concerned and do not believe it will work. There are others who are marching forward toward making a difference. There are forces, negative forces as you know very well who are charging onward with every intent to derail it all. Why is this not easy to understand? Why make the messengers guilty of mis- information when these forces are mightier than the proverbial sword right at this time. The job of the messengers is much harder and more seriously demeaning for them, who really gain very little, compared to the masses that are to benefit. How many have ever given one dime to the work of the messengers who also must maintain their own way-- and have been given nothing for their work. As part of that cadre, just saying you can read into that whatever works for you. The truth is the truth.

What is happening now is very positive, and definitely forward moving.. How that plays out when power brokers get involved is not in the hands or the wherewithal of the messengers. From the time this project was started every person getting involved was told at some time their job was to visualize this ending in a productive, positive, meaningful way. It will. And we hope very very soon. Each person has to ask "Am I an asset or a liability to this project?" .. Because that's who actually is holding it up. Every energetic thought that goes out from has energy, has power. And every one on the messengers' organic list knows this "The New Age" people say what we hold in mind produces after its kind. Well, wake up. That is how the world has evolved. Or devolved. In the past 80+ years a lot of negativity and negative people have surfaced in the market place. Greed reigns. As you will agree. Then where have you been? Greed, fear and uneasiness about trusting most processes, markets, politics has evolved to a level not collectively seen in eons. And that is the arena in which all of this dealing WITH THE RV AND THE PACKETS IS NOW SWIRLING. Do those who have been involved in moving the building blocks toward a better humanity-- do they just do the appeasing thing by throwing out morsels ?? Get it over with? Or do they hold tight, continue the work of closing the circuits, the loopholes, find ways and people -- and yes it takes people, good people, to bring about a turn-around of global proportions. If you were them what would you do?

If all you want is to know the date of when you can expect, then this is not the place. As much as we who work behind the scenes, literally, wish that could be were true. The date is closer.
And we are willing to stay the course because we know the good that is forthcoming....P.....

Poof has spoken to all of us many times about staying aware of when sharks start inviting us to participate in one way or another. The increasing numbers of sharks right now says we are getting closer to receiving. Sharks can be defined as schemers, scammers, crooks, and even person(s) that project even honorable-- much less questionable honorable-- intentions therefore seeking to take advantage of another for personal gain.

ZAP SAY'S:

HI ALL

THIS WEEK, WE WILL EXAMINE IN GREATER DETAIL THE PECULIAR LIFESTYLE AND MANNERISMS OF THE NEW SPECIES CALLED DINARIANS IN THEIR NATURAL HABITAT.

WE SET UP OUR CAMERAS AND BLINDS AND OBSERVED THESE CREATURES FOR MANY DAYS. SCIENTISTS AND BEHAVIORAL PSYCHOLOGISTS WERE PRESENT TO PROVIDE INSIGHT.

DINARIANS ARE IDENTIFIED BY HAVING SOME AMOUNT OF DINARS IN THEIR POSSESSION. SOME HAVE MORE THAN OTHERS, AND THEIR BELIEF THEY ARE VERY POWERFUL AND VERY WEALTHY IS A DIRECT REFLECTION OF HOW MANY DINARS THEY HAVE.

MOST OF THE NATIVE DINARIAN'S TIME IS SPENT ON SPENDING MONEY IN VARIOUS DINAR AND GURU WEBSITES LISTENING TO OTHER DINARIANS TALK ABOUT DINARS AND WHAT THEY ARE, HOW THEY TASTE, AND OTHER FINE DETAILS. THEY ARE EXPERTS ON THESE THINGS, BUT HAVE BETTER EXPERTS CALLED DINAR GURUS.

DINAR GURUS ARE VERY KNOWLEDGEABLE ABOUT DINARS. THEY CHARGE SOME NOMINAL AMOUNT TO EDUCATE OTHER DINARIANS ABOUT THE FINER DETAILS OF DINARS. THEY DO THIS ON A DAILY BASIS, AND SOMETIMES HAVE MASS CONFERENCES WHERE THEY EDUCATE A LOT MORE DINARIANS ABOUT DINARS, AND WHAT THEY REALLY MEAN.

GREAT POLITICAL, FINANCIAL AND TIMING INSIGHTS ARE EXPOUNDED. SOME INSIGHTS ARE TOUTED AS GOSPEL, AND DINARIANS HAPPILY DISSEMINATE THESE GOSPELS. INVARIABLY, THESE GOSPELS TURN OUT TO BE INACCURATE FOR THE MOST PART, SO MORE GOSPELS ARE GENERATED TO COVER THE OLD GOSPELS, AND KEEP THE CULTURE ALIVE.

DINAR GURUS LIVE RATHER WELL IN COMPARISON TO REGULAR DINARIANS.

OFFTIMES, HEATED DISCUSSIONS RAGE BETWEEN DINARIANS WHO HAVE DIFFERING POINTS OF VIEW REGARDING THE FINAL REDEMPTION OR EXCHANGE PRICE OF THEIR DINAR, AND THE TIMING THEREOF. MANY HAVE BECOME SO IMMERSSED IN THE DINARIAN CULTURE, THEY HAVE LOST HOMES, FAMILIES AND THE ODD PET PURSUING THIS DINAR "RELIGION".

DINARS ARE COLORFUL PIECES OF PAPER THAT WERE PRINTED BY THE USA AND FRANCE TO CAPITALIZE THE COUNTRY OF IRAQ. AFTER 700 TRILLION WERE PRINTED OFFICIALLY, THE US PRINTING PRESSES STOPPED, BUT THE FRENCH DID NOT GET THE MEMO, OR COULD NOT READ IT, AND KEPT PRINTING OVER A 100 QUADRILLION OF THESE LOVELY PIECES OF PAPER SO SOUGHT

AFTER BY DINARIANS.

THE “DINAR DRUG” INDUSTRY WAS BORN, AND MANY BECAME ADDICTED. TO DATE, NO DINARIAN REHAB CLINICS HAVE BEEN SET UP TO TAKE CARE OF DINAR ADDICTS.

SHORTLY, MANY DINAR ADDICTS WILL GO COLD TURKEY AND ARE EXPECTED TO EXPERIENCE DRAMATIC WITHDRAWALS WHEN THE RV OF THIS FASCINATING CURRENCY OCCURS PUBLICLY.

UNBEKNOWNST TO THEIR DEEPEST DESIRE OF A \$1,000 PER DINAR EXCHANGE RATE, THE REAL EXCHANGE PRICE WILL BE VERY CLOSE TO THE KUWAIT DINAR.

MANY DINARIANS WILL FEEL BAD AND RIPPED OFF AT THIS PRICE POINT, SAYING HOW DARE THE AUTHORITIES TAKE AWAY THEIR FUTURE BILLIONAIRE STATUS. SADLY, THEIR DREAMS OF OWNING SMALL COUNTRIES WILL NOT MATERIALIZE.

MANY ARE EXPECTED TO PROTEST AND GO TO CNN TO EXPRESS THEIR OUTRAGE. CNN IS MAKING PLANS FOR THE “DINAR WATCH” AND A NEW REALITY SHOW.

WITH THAT SAID, EXPECT THE PUBLIC RV TO ARRIVE SHORTLY. THE USN (TRN) WILL BE MAKING ITS DEBUT IN A FEW DAYS I WAS TOLD, WITH THE RV RIGHT AFTER OR IN CONJUNCTION WITH THIS EVENT.

THE IRAQ GOVERNMENT IS PRETTY WELL SETTLED IN, AND MAKING THE FINAL ADJUSTMENTS TO THE NEW 32 MINISTERS/MINISTRIES THAT WILL RUN THEIR COUNTRY. DIGNITARIES AND OFFICIALS FROM MANY COUNTRIES ARE FLOCKING TO IRAQ RIGHT NOW IN PREPARATION OF THE EVENT. A LARGE CELEBRATION IS SCHEDULED.

THE US TREASURY SECRETARY JACK LEW HAS RESIGNED I WAS INFORMED. THE NEW FELLOW BROUGHT IN IS GETTING BRIEFED AND UP TO SPEED ON HIS NEW DUTIES.

THE GLOBAL CURRENCY RESET IS PRETTY WELL COMPLETE, AND WAS REQUIRED FOR THE RV TO TAKE PLACE. MANY FINE TUNING ACTIVITIES ARE GOING ON TO ENSURE THE ANNOUNCEMENTS TO COME WILL BE IN PROPER SEQUENCE AND ACCURATE.

THE MEETINGS IN BEIJING WITH GRANDFATHER ARE ALMOST CONCLUDED, AND THE DECISIONS ARE MADE AS TO HOW THE ROLL OUT WILL OCCUR, AND WHO WILL BE DOING IT. MANY BAD GUYS WERE FILTERED OUT DURING THIS PROCESS.

THE HISTORIC BOND REDEMPTIONS ARE BEGINNING THIS WEEK OFFICIALLY, AND THE LONG WAIT FOR BOND HOLDERS IS OVER.

PREVIOUS TRADES THAT RELIED ON THE USN TO BE RELEASED WILL NOW HAVE THEIR RETURNS PROVIDED TO THEM. THEIR WAIT IS OVER AS WELL.

THE WORLD CHANGES VISIBLY THIS COMING WEEK, AND YOU CAN EXPECT MANY ANNOUNCEMENTS TO BE MADE ONE AFTER THE OTHER. IT MAY BE A BIT BEWILDERING AT FIRST, BUT YOU WILL SEE THE PATTERN AND HOW IT ALL FITS TOGETHER RATHER QUICKLY.

I WAS GIVEN A MESSAGE FROM OUR DEAR BROTHER ST GERMAIN IN REGARD THE STATE OF MIND ASPECT OF THIS WHOLE PROCESS. IT MAKES SUCH PERFECT SENSE AS ALWAYS FROM HIM:

many await their resources experiencing varying energetics from impatience to disdain – for the most part, oblivious to the impact their behavior has on their anticipated manifestation – in truth, the Law, duly fulfilled (the law of correspondence) continues to obfuscate the fulfillment of their desires; for their behavior reinforces their core belief in lack – this is tantamount to "pulling on the carrot to see if it is growing" – we all know what that does to the little carrot – one must act "as if" the manifestation is fulfilled, and express "knowing" that "it is done"!

TO EXTEND THIS FURTHER, WHEN YOU SAY “I WANT TO HAVE A NEW CAR” THE UNIVERSE HEARS ONLY THAT YOU HAVE A LACK OF A CAR, SO IT GIVES YOU MORE LACK OF A CAR. KINDA WEIRD THE WAY THAT WORKS, BUT IT DOES. SO BE CAREFUL IN WHAT YOU SAY AS THE UNIVERSE IS LISTENING ALL THE TIME.

OH, AND IN REGARD THE CANADIAN CHAT ROOM WITH DINARDY AND CAT HOUSE AND MISS PHIPPS BEING REQUESTED TO BRING MORE PORK, IT WAS ME. JUST TRYING TO BE EVERYWHERE AT THE SAME TIME (PRACTICING A LA ST GERMAIN). THERE IS NO COMPROMISE, JUST A BIT OF FUN. I HAVE A DEAR FRIEND AMONGST YOU, SO IT WAS BROUGHT TO MY ATTENTION THAT I SHOULD CUT DOWN ON THE PORK. NAY I SAY! BRING THE CRITTERS ON FULL FORCE.... VERY TASTY IN THE MORNING. THERE ARE NO RATS, AND YOUR SECURITY IS NOT COMPROMISED. BUT IF YOU DO HAVE QUESTIONS I CAN ANSWER, I WILL BE HAPPY TO DO SO.

BY THE WAY, I AM ACTUALLY GETTING A WINGED PURPLE PIG STUFFED PLUSHY. SOMEBODY FOUND ONE AND IS SENDING IT OVER. WAY COOL. THE MASCOT LIVES.

IN REGARD THE PROJECT SIDE, ALL IS VERY MUCH ON TRACK AND WE WILL BE BEGINNING THE COMPLETION OF OUR INFRASTRUCTURE THIS WEEK, AND PREPARE FOR THE PROJECT FUNDINGS START AFTER THE 15TH OF SEPTEMBER. IT WILL NOT BE LONG NOW. SUSAN IS INTEGRAL TO THIS START, AND WE HAVE ALREADY AMASSED OVER 1500 PROJECTS, THE MAJORITY VALID AND HELPFUL TO ALL OF US, THAT WILL BE GETTING THEIR STARTS. THESE PROJECTS WILL BEGIN BEING CONTACTED BY THE END OF SEPTEMBER.

I WOULD CAUTION EVERYBODY HERE ON SOME OTHER THINGS I LEARNED. THERE ARE A FEW INTERESTING FOLKS OUT THERE THAT HAVE STARTED TO ASK FOR NAMES, TELEPHONE NUMBERS, EMAILS, PASSPORT COPIES, ETC OF PROJECT PROPONENTS. BE CAREFUL. WE DO NOT ASK SUCH THINGS FOR GOOD REASON. THERE IS NO NEED UNTIL AFTER FORMAL CONTACT IS MADE VIA EMAIL WITH DOCUMENTS, AND THAT BEGINS THE ENGAGEMENT FOR PROJECT FUNDING. ANYTHING BEFOREHAND IS TO BE LOOKED AT TWICE. BE DISCERNING AS THERE ARE STILL REMNANTS OF BAD GUYS OUT THERE THAT WOULD LOVE TO HAVE A DATABASE OF FUTURE PROJECT PEOPLE THAT THEY CAN TARGET FOR WHATEVER REASON.

SOME MAY BE INDEED VALID, BUT JUST BE CAREFUL WHEN GIVING OUT INFORMATION PREMATURELY.

Hello Zap; From one fellow Canadian to another I'd like you to clarify your last statement.

I read you last article/posting and wondered what you meant by the words; "Prices will drop"?

PRICES FOR HISTORIC BONDS WILL DROP ONCE THE FIRST WAVE AT THE HIGH PRICES IS SETTLED. THE REASON FOR THE HIGH PRICES NOW IS TO GET THE GLOBAL RECONSTRUCTION PROJECTS KICK STARTED WITH LARGE AMOUNTS.

Does this mean the international rate of the RV currencies will drop? If so, why are non-US citizens being forced to pay for the selfish and ignorant behaviour of a US politician?

THIS WILL GET FIXED UP...NO MORE RAPING AND PILLAGING ALLOWED.

Or does it mean that only contract rates for US citizens will drop in what is offered to them by the banks? Can "grandfather", have that kind of power to tell US banks they must change their rates at his bidding? If so, how does that fit into all those who have already exchanged their currencies for a previous rate through some banks?

Canadian J wishes to know

YES, GRANDFATHER HAS THE POWER TO HAVE SUCH THINGS HAPPEN, BUT REALLY THE RATE WILL BE A FUNCTION OF ECONOMIC STABILITY IN RESPECT THE PREVAILING RATE OF THE KUWAIT DINAR. THESE TWO COUNTRIES SHARE A CLOSE RELATIONSHIP IN THEIR CURRENCY, AND A DRASTIC IMBALANCE CAN NOT HAPPEN VIS-À-VIS EACH OTHER. WOULD NOT WORK.

EXCHANGES HERE IN NORTH AMERICA WILL REFLECT THIS.

ZAP, I feel these questions are valid and deserve respect, After all, there are many of us that have committed to serving the light on a long term basis. We are agreeing to enter into a business venture with you, and the only way this can succeed is with open, clear and honest communications. This all may seem pedantic, but it is time to set the standards and each and every one of us deserve to be in the loop at all times.

RJC

SURE, AND THAT IS WHAT YOU CAN EXPECT FROM ME AND EVERYBODY ELSE AROUND ME DOING THIS. WE ARE GOING TO BE DOING PROJECTS PROPERLY TO SERVE OUR HUMANITY. NO CASINOS. THEY HARM. YOU CAN ALWAYS COUNT ON US TO BE ABSOLUTELY TRANSPARENT ONCE THE GLOVES COME OFF AND THERE IS NO MORE POOF OR ZAP, JUST THE WORK AHEAD. THESE GUYS WILL HAVE DONE WHAT WAS ASKED OF THEM AT THE TIME, AND THE FOCUS WILL SHIFT TO MATTERS AT HAND. SO, MY ADMIRATION FOR YOUR COMMENT.

IN THE MEANTIME, WE ARE WINDING DOWN OUR VERY SUCCESSFUL DIAL-A-DINAR AND RUMOR SYSTEMS, MISS PHIPPS WILL BE GOING ON HOLIDAYS, BOB'S BANK WILL BE RENAMED ALONG WITH SALLY'S SAVINGS, BUT THE FLYING PURPLE PIGS WILL ALWAYS BE WITH US. TERRIBLY CUTE MASCOTS.

THANKS TO ALL THAT SUPPORT SUSAN, AND NOT BEAT ME UP TOO MUCH. THIS WEEK WILL BE A TRULY AMAZING WEEK WITH THE BEGINNING OF ALL THE CHANGES WE HAVE BEEN AWAITING.

GOD BLESS YOU.

NAZI Treason Escalates

by Tom Heneghan, International Intelligence Expert

UNITED States of America - It can now be reported that Congressman Mike Rogers, Republican of Michigan, and Senator Dianne Feinstein, Democrat of California, have conspired with the U.S. NSA and the U.S. Department of Justice to hide relevant evidence that proves abuse of the American People's Constitutional rights aka Section 215 of the totally UN-Constitutional BrushFRAUD era neo-Nazi Patriot Act.

In fact, Rogers co-sponsored legislation which covered up the phone dragnet against the American People in which members of Congress voted for FISA legislation that re-authorized the Patriot Act without certain members of Congress not realizing what they had just voted for.

ISIS remains a total U.S.-British Intelligence and NAZI Paperclip NSA creation funded by the Saudi Royal Family and crooked worldwide banks as to continue UN-Constitutional NAZI Paperclip occupation of the United States and allow algorithms and other NSA-type technology to manipulate world financial markets.

Patriot Act's absurd new spawn: Just when you thought it couldn't get any worse

Creative legal interpretations may now enable the government to sign off on things that will blow your mind

Marcy Wheeler

Congress may be preparing to reinforce two horrible FISA Court decisions and an abusive government search with no debate in the coming weeks: a decision to give national security orders unlimited breadth, one making it legal for the government to investigate Americans for activities protected under the First Amendment, and the FBI's "back door" searches of Americans'

communication content collected under the FISA Amendment Act Section 702 authority.

On Tuesday, the ACLU and the Department of Justice argued about the legality of the NSA's phone dragnet program before the 2nd Circuit Court of Appeals in New York. Much of the discussion focused on the implications of the government's theories that it can collect all phone records in the United States based on a claim they are "relevant" to standing terrorism investigations. "You can collect everything there is to know about everybody and have it all in one big government cloud," said Judge Gerard Lynch, describing the implications of the government's theories to Assistant Attorney General Stuart Delery.

But the ACLU and the government also engaged in an equally important debate — on whether the FISA Court's interpretation of the word "relevant" overstepped Congress' intent — focused on whether Congress had backed FISC's definition of "relevant" by reauthorizing the Patriot Act twice.

The executive branch and the FISA Court have spent the last 15 months arguing that Congress "ratified" the expansive interpretations on which the phone dragnet program relies when it reauthorized the Patriot Act in 2010 and 2011 because, having been informed of the program, Congress extended the Patriot Act without changing that language. "When Congress reenacts a statute without change," the administration said in a white paper on the phone dragnet in August 2013, "it is presumed to have adopted the administrative or judicial interpretation of the statute if it is aware of the interpretation." Three federal judges have bought that claim, relying on it to rule the program is legal.

The government's claim with regards to past authorizations is terribly weak. There were at least six known instances where Congress did not get notice it should have; in several cases, those obligations were imposed by law. Perhaps the most important — in which House Intelligence Committee chairman Mike Rogers did not invite most congressmen to read notice of the dragnet provided to Congress in 2011 — means that 65 of the people who voted to reauthorize the Patriot Act in 2011 probably had had no way of learning about the phone dragnet. And, as the ACLU's Alexander Abdo pointed out in Tuesday's hearing, Congress couldn't have been briefed on the legal analysis underlying the phone dragnet because the FISA Court never got around to writing an opinion on it until 2013, in response to the Snowden leaks.

The executive's claim that Congress "ratified" the phone dragnet before the Snowden leaks — and therefore that the program currently complies with the intent of Congress — is farcical. And the judges on the panel — in addition to Lynch, fellow Democratic appointees Robert Sack and Vernon Broderick — seem skeptical of the government's claim that secret briefings offered about an unannounced program can support a claim that Congress knowingly ratified the program.

So the government's argument that the program is legal because Congress reauthorized the Patriot Act after the government started secretly using it to collect most phone records in the U.S. may fail to persuade the 2nd Circuit.

But that won't be true going forward.

The government's public release of numerous court opinions and other intelligence information over the last 15 months means no one in Congress can make a credible claim to be uninformed of the decisions underlying these parts of the government's spying. In 2011, most members of Congress probably didn't know the FISC had redefined the word "relevant" in a key Patriot Act definition to mean "everything," but they should know that now. Yet none of the current proposals to reform the dragnet do anything about the definition of "relevant." They limit collection of phone records in other ways, but would permit bulky collection under that "relevance" standard in a number of ways and by association using a number of statutes.

Thus, while the 2nd Circuit might rule the current dragnet illegal in part because the legal logic of it would permit the government to "collect everything there is to know about everybody," if Congress passes the USA Freedom Act without changing that definition of "relevant," it will be easier for the government to win this argument in the future.

Congressional passage of the USA Freedom Act with the existing language intact would also probably "ratify" two other intelligence community programs: first, a more recently released decision, a February 2013 opinion in which Judge John Bates ruled that prohibitions on using the Patriot Act to investigate Americans based solely on First Amendment-protected activities — such as political speech or religion — do not apply if associates of the targeted person are engaged in unprotected activities. Bates took language from Congress prohibiting the government from using Patriot authorities against Americans for nothing more than their speech and created a loophole allowing the government to do just that.

As Stanford law professor Jennifer Granick said in a post on this opinion, "Most people, when they cite [the] statutory language [from the Patriot Act], believe it means that Americans won't be subjects of terrorism investigations for the First Amendment protected things they say or do." But based on what we can see of Bates' opinion, Granick continued, "They would be wrong."

And while the language of the opinion pertains to a terrorism investigation, the novel interpretation of the phrase might now apply in other uses of Patriot authorities, such as counterintelligence investigations, which sometimes includes hacking or leak investigations. Behind a veil of secrecy, Bates and the government appear to have made it OK to investigate Americans for their free speech again.

In addition, the government has revealed the FBI conducts "back door" searches — warrantless searches on U.S. persons' data collected under FISA Section 702 — even for "assessments" of counterterrorism investigations. The FBI keeps no records of such searches, presumably because it dictated for itself in 2011 it need not keep any records of assessments. As a result, it refuses to tell Congress how many Americans have been subjected to such warrantless searches.

In a letter released Wednesday, Director of National Intelligence James Clapper **seemed to point to back door searches**. He hailed Sen. Leahy's version of the USA Freedom Act because it "recognize[s] the technical limitations on our ability to report certain types of information." The big topic **the bill limited** was FBI searches of 702 information. That suggests Clapper is pointing to Leahy's exemption for FBI's back door searches.

That would be particularly troubling given that back door searches are one area of particularly acute constitutional concern.

And if Congress doesn't do anything about these issues, in the future the government will argue — more credibly, this time — that Congress signed off on these expansions of Executive authority.

Whether by passing USA Freedom Act this fall or by reauthorizing the Patriot Act next June, Congress is likely to extend the life of the Patriot Act. Given the absurd implications of some of the recently released FISC opinions, Congress would do well to redefine this language to reclaim the plain English meaning, contrary to FISC's reinterpretations of it. Thus far, however, they show no sign of doing so.

Caught red handed lying, wounded tiger (NFK) lashes out at conned followers who awoken

-by GrandeLander

This is an urgent post on request. Caught red-handed with his lies and fake Amanah papers, Neil Keenan is like an angry wounded tiger; witch-hunting and lashing out wildly at those followers who had awoken. He is using underhand tactics (online and offline) to hit back at those who he suspected had exposed him. Please spread this and other recent articles, to take off the heat on those who are being harassed by agents working for him.

Dark connections - Keenan working for the Cabal, not for the people.

2009 \$134 billion US Bond Mystery - solved

<http://our-manmade-disasters.blogspot.com/2014/08/2009-134-billion-us-bond-mystery-solved.html>

To cover the initial lies, you have to make up more lies. Eventually, you get caught in your own web of lies. Here's one example:

The collage consists of three documents. The left document is a 'DECLARATION OF INFORMATION AND IF APPLICABLE, AN ORDER TO CEASE AND DESIST' dated 7 October 2012, signed by Dr. Edy Seno Soekanto, claiming to be the legal heir of President Soekarno. The middle document is a 'Full Power of Attorney' dated May 14, 2012, signed by Neil Keenan and Keith Scott, appointing Dr. Edy Seno as the legal heir. The right document is a 'FINANCIAL TYRANNY: The First Steps' dated February 9, 2012, by David Wilcock, detailing the discovery of the Soekarno family assets and the role of Neil Keenan and Keith Scott.

On Feb 9, 2012 David Wilcock published his interview with Neil Keenan.

MY INTERVIEW WITH NEIL KEENAN AND KEITH SCOTT After I interviewed Fulford and gave a detailed but flawed critique of the lawsuit, Neil Keenan and Keith Scott contacted me. I wanted to get to the bottom of the story. I had many questions. I have not censored any of their answers. I found their answers fascinating, and it dramatically increased my understanding of the underlying issues. This also serves as their first public presentation of written statements since the release of the lawsuit itself. <http://www.divinecosmos.com/start-here/davids-blog/1026-financial-tyranny-final?start=1>

Some of the highlighted key points are given in the right-hand panel for comparison with the facts contained in the Cease & Desist Order issued by Dr Seno to Keenan & co. on 7th Oct. 2012. (left hand panel).

The centre panel is Keenan & Scott's own Cease & Desist order to UBS and BIS dated May 14, 2012. Keenan's lies are very obvious if you refer back to what he said in the Feb 9, 2012 interview with David Wilcock.

Briefly, Keenan confirmed Dr. Edy Seno Soekanto was the legal heir to the referred Soekarno Trust (aka Soekarno Family Heritage aka Soekarno papers aka Amanah Assets). In that interview, Keenan lied that Dr Seno had turned over the Trust to Keith Scott, Keenan & a 3rd person (now known as Drs Stanley P.D. Hoop). Keenan confirms it in his dodgy C&D dated May14, 2012. The difference (from the Feb interview) is person who signed over the Full Power of Attorney for the Amanah Papers.

Instead of Dr Edy Seno Soekanto, it was Mr. Bayu Soekarno Putra. Also note that Mr. Bayu claimed to be the Chairman, the appointed head and Authorised Officer of the Amanah Papers. Mr. Bayu signed over the power of attorney to Keenan & co allegedly on 30th day of Jan, 2012. That was well before the David Wilcock interview published on Feb 9, 2012.

Doesn't that sound confusing? Not if Keenan lied. In that interview, Keenan was confident he would get Dr Edy Seno to hand over the Amanah Papers or did he lie? Obviously, Dr. Edy Seno was the "first choice". But when Keenan was rejected by Dr Edy Seno, he fell back to an "easier meat". Otherwise he would have named Mr. Bayu as the legitimate heir. See the twist?

Of course the date of handover (Power of Attorney) could easily be changed (back dated to Jan 30, 2012). Keenan had so many lies, he obviously forgot to cover all the ground. Further, if he had already secure the Power of Attorney on Jan 30, 2012, why did he wait 3.5 months to issue the C&D order to the banks? Isn't time of the essence? With trillions in monetary terms, why wait? And he claims to be a shrew (honest) businessman?

Of course when Dr Edy Seno heard about Keenan's false claim, he felt sick and had to issue his C&D order to Keenan & crooked co. Keenan had hoped Dr Edy Seno would have died of a heart attack considering his ill-health. Well, Man plans but God disposes. Dr Edy Seno's C&D was a huge embarrassment and a big dent to Keenan's reputation. Thus, he got his trusty schill, Kent Drake Bailey to pre-empt Dr. Edy Seno's C&D almost a month earlier on his Sept 6, radio show. Mr. Bayu must have alerted Keenan from the ruckus kicked up by Dr Edy Seno in the Elders' meetings.

If you think this is the only lie, think again. Of course, David Wilcock abstained from asking the hard questions. Why not, if he was promised lucrative tours and television shows.

Some of our readers reported Jean Haines being harassed and intimidated online and offline. Please support her by commenting on Keenan's blogs to back off. These were some of the blocked postings on Sept 6, 2014 JHaines.blog

quote from Bet Fox:

No matter what, Neil iKeenan is a man of action. He is out there risking his life while we sit on our cushy pillows and blog.

When it comes to love vs fighting which seems a contention between Neil and Jean, I can only say this: Christ Jesus, one of the greatest men who ever walked this planet and left us a timeless example on how to live, — when it came to the money changers in the temple, he didnt stand back and send them love and light! He kicked them out, he used force and violence! Think about that. That is why I think Neil has more vision than the ascension sheeple.

Reply:

Bet Fox, the way you vilified Jean & others who questioned "Questionable Characters" in Keenan's team, seems to suggest you know for sure Keenan is a God-send Good Guy (comparable to Jesus,in your opinion) & a man-of-action to kick the butts out of the Kabal.

Even if Keenan is (but there is ample evidence he is not, action speaks louder than meaningless comparison) it doesn't give him the right to dumb down & threaten Jean & others who raised valid questions on his "distorted truth" & association with shady characters. "Guilt by association-collusion" is one of the surest ways to look into one's heart or intention. A truly good person would rather sacrifice his life than collude to betray humanity.

Jesus welcomed all in his arms irrespective of their past sins or professions but he did so, out of compassion and genuine interest in helping them overcome their weaknesses and to be loved again. He did not associate with sinners to exploit (take advantage of) them. But even Jesus had a limit. The Evil Deceptive Banksters like the present Kabal; who are incorrigible liars.

That means if Keenan is a really good guy at heart (in yr opinion comparable to Jesus), then he should not associate with deceptive-cons like Slippery Silva, Keith Scott (a self-confessed traitor and pedophile), Kent Drake Bailey, Keith Alexander (Prince of NSA Darkness) etc, who were proven to be incorrigible liars.

Actions speak louder than words. In some of his videos, Keenan speaks more like a mafia boss than a crusader bent on stamping out the Kabal. None of his "promised" court actions ever see the light of the day. Why does he need to withdraw his 11.22.2011 lawsuit? Was Keith Scott designated to play the "traitor-villain" again, as the main cause in failing to refile and get all the necessary evidence for real action (not just empty promises) until now, > 2 years later.

All past deceptions were ultimately exposed by asking simple straight forward questions like Jean & other bloggers had. Ascension sheeple?? Drake actually spoke a lot about ascension, if it did not originate from him. Notice that Jean had abstained from speaking anything bad about Keenan himself, understandably so for being objective. That is how a truthful morally upright person should conduct him / herself. She did not send her agents to vilify Keenan. We all chipped in independently, out of the goodness of our hearts voluntarily, to assist someone whom we see as being victimised by Keenan. BTW, Jean doesn't know me before this.

Keenan on the other hand, doesn't know everything but he acts as if he does. And he claims to be all powerful, to be able to terminate Jean (or anyone) with just a phone call, if he wants to. Now, are those the words of a gentlemen (never mind the savior part).

Further would "honest businessman" use deception & forgery to fool his customers?

Why would Keenan knowingly use obvious fakes in his Cease & Desist order in May 14, 2012? Why would Keenan co-sign and co-issue the said C&D order with a known pedophile by the name of Keith Scott?

<http://our-manmade-disasters.blogspot.com/2014/09/shoddy-forgery-exposed-in-1963-green.html>

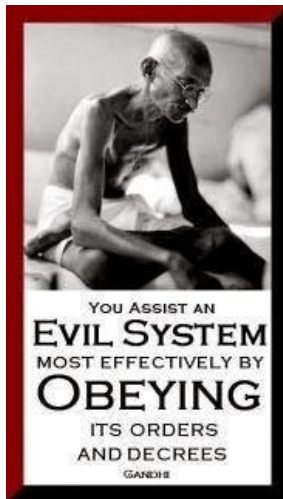

Who are actually the sheeple? They are actually the "no-questions-asked" ones who foolishly and blindly follow Keenan who had not shown any tangible results for more than 3 years. Excuse me, before you use Keenan's 22.11.2011 (even the date of document smack of evilness connected to JFK assassination) lawsuit as evidence that he was a "man-of-action". More like "Man-of-Crisis Acting". Did it ever occur to you that the attempts on his life might have been staged? Plenty of evidence on crisis acting on youtube. The twists & turns are reminiscent of tv drama series.

One of the first reasons we suspect Keenan to be working WITH the Kabal rather than AGAINST, was the lawsuit. We had observed that many law suits were filed by psyops-infiltrators (secret agents) of the Kabal just to prove they were against the KABAL to win public support. For one reason or another, the cases would be dismissed, withdrawn or postponed repeatedly. This is just one of the many tricks up in their sleeves. The fact that Keenan has not refiled yet (after multiple excuses over 2 years) is one of the many evidence we are sure he is working secretly with the KABAL to distract sheeple like Bet Fox.

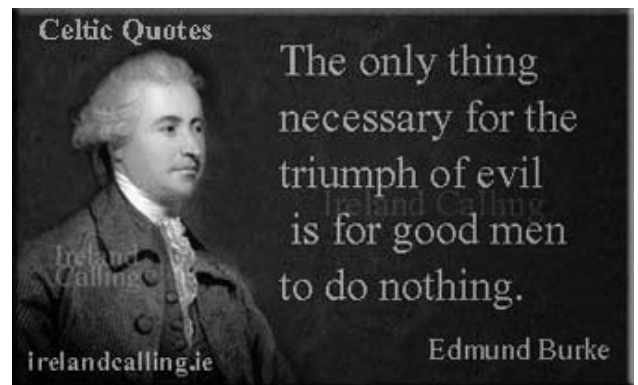

When the buying stops, so can the killing. We, the awaken ones do not sit comfortably in front of our desktops to blog meaningless criticisms. It is hard work to sieve through the muddled "cyber battlefield" for true facts contaminated by sticky opiniated-distorted facts. Slightly distorted truths are more dangerous than outright lies. Blogging doesn't mean NO ACTION in the physical 3D world. Blogging is the cyber expression one's morality and awareness.

Silence in the face of tyranny & oppression is consent by default.

But it is all worth it when a thousand words can awaken and save a million sheeple who would otherwise be slain by a thousand swords. Proving once again, the pen is mightier than the sword.

"I am not bound to win, but I am bound to be true. I am not bound to succeed, but I am bound to live by the light that I have. I must stand with anybody that stands right, and stand with him while he is right, and part with him when he goes wrong."Abraham Lincoln
