# Asim Navigation India Private Limited

<https://www.indiamart.com/asimindustries/>

We are one of the eminent **Wholesale, Distributor, Trader, Importer and Service Provider** offering a wide range of GPS, Geological survey and Networking Solutions.

## About Us

Based at New Delhi-India, we **Asim Navigation India Pvt Ltd** are one of the leading companies engaged in **Wholesale, Distributor, Trader, Importer and Service Provider** of **Telecom** related products to our customers across the country. Our product range encompasses **Garmin GPS Device and Systems, Trimble DGPS Systems, Brunton Compasses, Estwing Hammersm, Cambium Networks ePMP, Holux GPS System, Oregon Weather Station and Rain Gauge, Wireless Network Equipment, Motorola Portable Radio, Survey Instruments, Laser Rangefinder, Cambium Networks Wi-Fi Cloud Managed Solutions, Hanna Water Testing Equipments, Conductivity and TDS Meters, Temperature Meter and Data Logger** and many such allied products. These high quality and superior performance telecom products are widely acknowledged by our clients for numerous qualitative features they possess. Since, we are associated with the big brands like **Motorola, Garmin and Hughes**. We have become one of the trusted companies of this industry. We have built a wide distribution network across the country. Owing to the excellent connectivity of our unit to roads, railways and airports, we now cater to the diversified requirements of our clients nationwide. Because of this reason, we supply our products to **ONGC, BSNL, BSF** and also in various PSUs. To assist us in all our endeavours, we are guided by our mentor, who holds in-depth knowledge about this industry. His strong...
