

Twenty-eighth Sunday in Ordinary Time

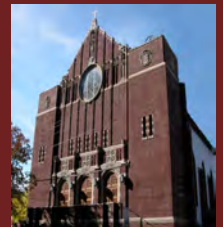

“Indeed the word of God is living and effective, sharper than any two-edged sword, penetrating even between soul and spirit, joints and marrow, and able to discern reflections and thoughts of the heart.” (Heb 4:12)

XXVIII Domingo Ordinario

“La palabra de Dios es viva, eficaz y más penetrante que una espada de dos filos. Llega hasta lo más íntimo del alma, hasta la médula de los huesos y descubre los pensamientos e intenciones del corazón.” (Heb 4, 12)

It's not too late

Registration for First Holy Communion grades 1 & 2 and anyone else in 3 thru 8 are welcome at the Parish Center during class time (10:15am-11:45am) on October 17th and 24th. Oct. 24th will be the last time to register.

Receiving the sacraments give grace and textbooks are a tool to some good spiritual learning, but it doesn't end there. Every aspect of parish life, especially going to Mass as family, enriches the soul and builds up the Body of Christ. It is in practicing and experiencing our faith by a good relationship with God in good times and in bad and sharing in deeds and prayer with others that makes us a complete person.

If Jesus Christ is the focal point in your life, then your children and grandchildren benefit from your good example.

"I AM THE WAY, THE TRUTH AND THE LIFE" SAY THE LORD.

Plant the seed of goodness which God and watch it grow.

We are the Church today, tomorrow and always.

Dear Choir,

With the cold weather coming, and the difficulty of heating the church for our small choir, Choir rehearsals will be moved to 3pm Saturday, if you want to sing at the 4pm Mass or 8 am on Sunday if you wish to sing at the 9 am Mass. This will commence the weekend of October 17th. You must be there on time to sing at either Mass. Also I will begin rehearsing for Christmas the weekend of October 17th. From November on if you wish to sing at the Christmas Mass you must attend one of the rehearsals.

Thanks
 John

THOUGHTS ON LEADERSHIP MEETING CHANGES

In light of the parish's informational change in leadership meeting held on 9/30, I feel compelled to give my opinion. Unfortunately, Wayne and I were unable to attend, so I am relying on information from several parishioners who attended the meeting to gain perspective on how some of the congregation is reacting. I understand that there are many who feel that these changes will have a positive impact and many who feel that these changes will have a negative impact. The future of our Church is at stake, and my opinion is this: any change that will keep our church open can be considered not only very positive for our parish community, but a huge asset to all of us as well. If our church becomes a shrine, that is even better and more welcomed news. To have our humble Franciscans in charge of our shrine will have a more positive and successful outcome. We do not lose our identity; we gain character, personality, uniqueness. We do not lose our church; we gain a more diverse community, more spiritual guidance, more devotions, more opportunities for spiritual growth. We keep our sodalities, our feasts, our Masses. How can any of this be construed as negative? We are the Church, and our Church needs us more than ever. We need positivity; we need dedication; we need everyone's support to make this leadership change successful. I checked the website of the St. Joseph the Worker Shrine in Lowell; there are three Masses EVERY day and the shrine is staffed with three priests! Imagine how wonderful it would be to have something even close to this same schedule! How can this possibly be a negative in any way? I do understand that many are opposed to change, especially when it comes to our church "home", but these changes that hopefully come to fruition will be the best scenario for us, especially considering the times we are in. To hear that our church will stay open is angelic music to my ears, so I humbly implore all who are struggling with these proposed modifications to please put the negativity to rest, and try to be a part of the solution, not part of the problem. I will close with this daunting thought: if these changes do not happen due to the congregation's negativity, obstruction and opposition, be prepared for what the alternative will be.

Connie Pickles

It's fun listening to my young nieces as they play a game in my parent's yard. I have no idea what the game is, but it is clear that each one announces a new 'rule' that benefits her. If something happens that one of them does not like, she simply announces a new rule—and a ten-minute debate ensues over the fairness of the rule or how some nuance can be added to make the rule better. Sounds like Congress, no?

Jesus teaches everything the rich young man needs to know about practicing faith. Keep the commandments and then depend totally on the Lord. Material things are used to help others and advance the Gospel. Otherwise, they become the things that hold us back and they end up owning us, not us owning them.

The benefits of faith come at a great price. We need to trust that God will provide all we need. We make sacrifices, live the values of God's Kingdom and become those who preach and practice the Beatitudes and the Works of Mercy. If we look for a basic rule of faith, the one thing that each of us must do to live the Kingdom and inherit everlasting life, it is pretty clear. Become more like Christ.

EDUCACIÓN RELIGIOSA PARA EL SACRAMENTO DE LA SANTA COMUNIÓN

¡No es demasiado tarde!

Las inscripciones para el 1^{er} y 2^{do} grado escolar para la Primera Comunión y cualquier otra persona de 3^{er} a 8^{vo} grado escolar que quieran hacer su Primera Comunión son bienvenidos a que se inscriban en el Centro Parroquial durante la hora de clase (10:15 a.m.-11:45 a.m.) el 17 y 24 de octubre. El 24 de octubre será la última oportunidad para que se inscriba.

Recibir los sacramentos da gracia y los libros de texto son una herramienta para un buen aprendizaje espiritual, pero no termina ahí. Cada aspecto de la vida parroquial, especialmente ir a misa en familia, enriquece el alma y edifica el Cuerpo de Cristo. Es en practicar y experimentar nuestra fe por una buena relación con Dios en los buenos y en los malos tiempos y compartir las obras y la oración con los demás lo que nos hace una persona completa.

Si Jesucristo es el punto focal en su vida, entonces sus hijos y nietos se benefician de su buen ejemplo.

"YO SOY EL CAMINO, LA VERDAD Y LA VIDA", DICE EL SEÑOR.

Planta la semilla de bondad que Dios y mírala crecer. Somos la Iglesia hoy, mañana y siempre.

REFLEXIONES SOBRE EL LIDERAZGO

CAMBIOS EN LA REUNIÓN

A la luz del cambio informativo de la parroquia en la reunión de liderazgo celebrada el 30 de septiembre, me siento obligado a dar mi opinión. Desafortunadamente, Wayne y yo no pudimos asistir, así que confío en la información de varios feligreses que asistieron a la reunión para obtener una perspectiva sobre cómo está reaccionando parte de la congregación. Entiendo que hay muchos que sienten que estos cambios tendrán un impacto positivo y muchos que sienten que estos cambios tendrán un impacto negativo. El futuro de nuestra Iglesia está en juego, y mi opinión es esta: cualquier cambio que mantenga abierta nuestra Iglesia puede considerarse no solo muy positivo para nuestra comunidad parroquial, sino también un gran activo para todos nosotros. Si nuestra Iglesia se convierte en un santuario, eso es una noticia aún mejor y más bienvenida. Tener a nuestros humildes franciscanos a cargo de nuestro santuario tendrá un resultado más positivo y exitoso. No perdemos nuestra identidad; ganamos carácter, personalidad, singularidad. No perdemos nuestra Iglesia; obtenemos una comunidad más diversa, más guía espiritual, más devociones, más oportunidades de crecimiento espiritual. Mantenemos nuestras cofradías, nuestras fiestas, nuestras misas. ¿Cómo se puede interpretar algo de esto como negativo? Somos la Iglesia, y nuestra Iglesia nos necesita más que nunca. Necesitamos positividad; necesitamos dedicación; necesitamos el apoyo de todos para que este cambio de liderazgo sea exitoso. Revisé el sitio web del Santuario de San José Obrero en Lowell; hay tres misas TODOS los días y el santuario cuenta con tres sacerdotes. ¡Imagine lo maravilloso que sería tener algo incluso cercano a este mismo horario! ¿Cómo puede esto ser negativo de alguna manera? Entiendo que muchos se oponen al cambio, especialmente cuando se trata de nuestro "hogar" la Iglesia, pero estos cambios que esperamos que lleguen a buen término serán el mejor escenario para nosotros, especialmente teniendo en cuenta los tiempos en los que estamos. Escuchar que nuestra Iglesia permanecerá abierta es música angelical para mis oídos, así que humildemente imploro a todos los que están luchando con estas modificaciones propuestas que por favor pongan fin a la negatividad y traten de ser parte de la solución, no parte del problema. Terminaré con este pensamiento desalentador: si estos cambios no ocurren debido a la negatividad, obstrucción y oposición de la congregación, prepárense para lo que será la alternativa.
