NORRIS SPEAKS OUT ON SUBSTANCE ABUSE

As a Prosecutor, you see an isolated period of time in a person's life when they possessed, used or sold drugs or alcohol. My time as a criminal defense attorney has given me a unique perspective when it comes to substance use and abuse in Branch County. I have personally witnessed the struggles that my clients go through on a daily basis in their fight against the drugs that have consumed their lives. Those who are addicted need two things: 1) a commitment to stop using drugs or alcohol; 2) an affordable treatment program. I have spoken as a Prosecutor, Criminal Defense Attorney and Branch County Commissioner in support of Drug and Alcohol Treatment Courts for Branch County and will continue to do so to bring REAL changes to Branch County.

Branch County Prosecutor

FIGHTING FOR OUR COMMUNITY

Nationwide and Statewide, there is a strong push to minimize criminality and criminal sanctions at the expense of the victim, for example; reducing bond, expunging criminal records, and reducing sentences. Branch County needs a prosecutor who will push back on the overwhelming pressure to minimize criminality. If elected prosecutor, I will continue to push back on the efforts to minimize criminal sanctions and fight for the safety, security, and sanctity of our community.

Pastor's Page

"....God our Savior; Who will have all men to be saved, and come onto the knowledge of the truth. For there is one God, and one mediator between God and men, the man Christ Jesus; Who gave himself a ransom for all, to be testified in due time. (1 Timothy 2:3b-6)

The Bible tells us that God would have all men to be saved and come to understand the truth that there is only one God and one mediator between God and man. A mediator is someone who goes between offended parties. Jesus, the righteous Son gave Himself as a ransom payment for unrighteous sinners. If someone is abducted and a price is asked, that price is the ransom. Jesus paid the price for all through substituting Himself to take your penalty upon Himself on the cross.

About 40 years ago a man handed me a receipt saying, "You do not owe anything on your car anymore." He had gone to the bank and paid off my car loan! My debt was paid and I had the receipt to prove it. If anyone questioned it later all I had to do was produce the receipt. Jesus paid the redemptive price on the cross when He shed his blood on the cross for your sin and mine! That is why He came. That sacrifice was sufficient for all but only efficient for those that believe. Have you believed?

*Are you disappointed,
Are you ready for help?
You know what it's like to be tired
And only a shell of yourself.
Well you start to believe
You don't have what it takes
"Cause its all you can do
Just to move much less finish the race
But don't forget what lies ahead.
Almost home
Brother it won't be long.
Soon all your burdens will be gone.
With all your strength
Sister run wild, run free.
Hold up your head
Keep pressing on
We are almost home.
Well this road will be hard
But we win in the end
Simply because of Jesus in us
It's not if, but when
So take joy in the journey
Even when it feels long.
Oh find strength in each step
Knowing heaven is cheering you on.*

Lyrics By Mercy Me

"For God loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." (John 3:15)

And just as you did in your life, trying to give hope to the many who are lost and broken hearted.*

Waiting patiently for the joyful reunion!
