

Note From the President

The promise is for warmer weather the rest of the week, and I think we're all ready for it!

We're busy wrapping up plans for the Hall of Fame Banquet! If you haven't made your reservation, call us today. We're excited about honoring Karen Seaberg. We promise a fun evening! Black tie is optional... It's a dress up opportunity! Cocktail hour begins at 5:30. Join us for some special drink treats from Most Wanted and MGP Ingredients! We'll be seated for the Chamber Awards at 6:30 and din-

ner will be around 7. Immediately following dinner, we will celebrate Karen and all she has done for this community!

THANK YOU to all our wonderful sponsors who are helping make this a night to remember!

Looking ahead... our 3rd Annual Chocolate Tasting is only a month away. Proceeds from ticket sales will once again go to the United Way. Details will follow soon!

Have a great week!

Jacquie Pregont, President

FOR MORE INFO

Spend Friday the 13th in the Most Haunted Town in Kansas!

Join us on Friday the 13th in either February, March or November for a special new series of events! Eric, Joe and Bryson of Atchison Paranormal will lead a hands-on investigation of three different haunted locations in Atchison. The investigations are tailored specifically for the novice and includes information about the tools of the trade, hands-on experience, photos and videos, the correct protocol for conducting a valid investigation and also the basics of analyzing data. All participants are required to sign a waiver upon arrival. Age limit: 16 years (under 18 must have parent present) and older. Tickets are available at atchisonkansas.net.

Locations:

February - Muchnic Art Gallery

March - TBA

November - Sallie House

AT&T Job Opportunity

Location: Leavenworth, KS

LOOKING FOR A COMPANY THAT VALUES YOUR POTENTIAL?

A job with AT&T as a Premises Technician can provide you with exactly that!

Take advantage of our paid training and wide range of career possibilities. AT&T offers a competitive salary, company provided vehicles and tools and benefits that include medical, dental, paid vacation, and more!

Our Premises Technicians work both inside and outside and are responsible for the installation and customer care of the new U-verse integrated digital TV, high speed Internet and voice services.

What you'll do as an AT&T Premises Technician:

- Educate customers on service features and functionality
- Verify all services are working correctly
- Install and rearrange inside wires
- Possibly work in small confined spaces or aloft (up to 28ft)
- Work with hand tools
- Work outdoors in all kinds of weather

In addition to STRONG communication skills, our Premises Technicians must have the following:

- Valid state driver's license and

- non-negligent driving record
- Meet 275lbs weight limit due to safety restrictions
- Ability to lift and move up to 80lbs
- Ability to work a flexible schedule including evenings and week-ends
- Satisfactory results from a background/employment history investigation and drug screening
- Qualification on pre-employ-

- ment screening
- Ability to perceive differences in wire and cable colors
- Ability to complete on-the-job and/or classroom training as required to remain on the job
