I want to thank you for coming to tonight's game and supporting our student athletes. Your participation and support helps keep our players and coaches motivated. I believe that athletic competition builds character and encourages our students to work through challenges as part of a team, and many of the lessons they will learn playing sports will serve them for a lifetime. I'm very appreciative of the hours of free time these students have given up in service to our team and the school community.

Also, I'd like to offer a big thank you to all our sponsors for their support of our athletic programs, and for purchasing ads in the media guide you are currently holding. Please patronize the businesses and services advertising in our media guide and let them know how much we appreciate their support for our student athletes.

Thank you again for being in the stands tonight, and please enjoy the accomplishments of our student-athletes, coaches, and game officials as they give their all for the game. Your presence today lets them all know how valuable their participation is.

GO MIGHTY MATADORS!
