#### Free Estate Planning Webinar/Seminar

My name is Neil O'Reilly, some of you may know me from when I grew up here at Holy Child Parish, but I'm sure that more of you know my mother, Annette. I'd like to offer you a free estate planning webinar and/or seminar (Covid restrictions allowing) to all Holy Child parishioners, and their friends and family, on <a href="Wednesday, September 8">Wednesday</a>, <a href="September 8">September 8</a>, <a href="2021 at 12:00 noon">2021 at 12:00 noon</a>. I will be able to accommodate either depending on our ability to meet live.

During this free workshop we will discuss:

- The advantages and disadvantages of both Wills and Trusts.
- How to keep your affairs private and your loved ones out of court if you become disabled and can't speak for yourself.
- Steps you can take now to help your family avoid the expensive and time-consuming legal processes of probate.
- How to help your heirs minimize or possibly avoid the estate tax after your passing.
- Legal strategies to protect your children's inheritance from being seized if they get divorced, sued or file bankruptcy in the future.
- How to preserve your estate for your children should you pass away and your surviving spouse remarries.
- How parents (and grandparents) of children with special needs can plan for a lifetime of care without jeopardizing eligibility of important government benefits.
- How you can protect your hard earned life savings from the ravages of long-term care and nursing home costs.

Please call me at (332) 456-0500 to reserve your spot today or to ask any questions you may have about this important topic.
