### PLEASE NOTE

WOF = Width of Fabric

RST = Right Sides Together

All seams are ¼" unless otherwise noted.

Please read all instructions carefully before beginning.

# DISAPPEARING 4-PATCHES

**STEP 1:** Sew (2) teal  $7\frac{1}{2}$ "  $\times$   $7\frac{1}{2}$ " squares and (2) light teal  $7\frac{1}{2}$ "  $\times$   $7\frac{1}{2}$ " squares into a 4-Patch as shown, pressing seams toward darker fabric.

**STEP 2:** Measure and mark  $2\frac{1}{2}$ " from each corner.

**STEP 3:** Using a ruler as a straight edge, cut diagonally to connect measurement marks as shown.

**STEP 4:** Move corner units one position clockwise as shown.

**Steps 1-2**

**Step 3**

**Step 4**

**STEP 5:** Sew units together into diagonal rows as shown, using the center of the block as a baseline. Press seams toward corner units.

**STEP 6:** Sew rows together as shown, noting that the corner units will protrude beyond the side units. Press seams open.

**STEP 7:** Trim block to  $12\frac{1}{2}$ "  $\times$   $12\frac{1}{2}$ ".

*(If you do not have a  $12\frac{1}{2}$ "  $\times$   $12\frac{1}{2}$ " ruler, measure  $6\frac{1}{4}$ " from the center seam on all four sides.)*

**Step 5**

**Step 6**

**Step 7**

Repeat to make a total of (3) Disappearing 4-Patch Blocks, (2) with teal and light teal, and (1) with purple and light purple. Set blocks aside for assembly at a later step.

## APPLIQUÉ

---

Sew (1) **inner sashing** strip to a blue sky **background**; press toward inner sashing. Repeat with second background.

Your diagram has two pages, a **Reverse Diagram** and an **Assembly Diagram**. When tracing shapes for fusible appliqué, use the Reverse Diagram.

Gently peel fusible paper from the back of each shape. Refer to **Assembly Diagram** to arrange shapes on background fabric. **NOTE:** Stems and birdhouse posts will be sewn into outer sashing seam; align these shapes with the raw edge of background.

Appliqué in place using the method and stitch of your choice.

Sew (1) **outer sashing** strip to a blue sky **background**; press toward outer sashing. Repeat with second background.

## ASSEMBLE TABLE RUNNER

---

Sew blocks together in a row, pressing seams open. Sew one appliqué unit to each side as shown.

## FINISH TABLE RUNNER

---

Layer top, batting, and backing. Quilt as desired.

Piece binding into one long strip. (We used a straight seam so we could match up the stripes.) Fold in half lengthwise, wrong sides together, and press. Line up raw edges of the binding with the raw edge of the table runner. Sew binding to the front side of the table runner, starting at any side. Turn the binding over and hand stitch to the back of the table runner.

*If desired, add eyes and legs to the birds with embroidery (using two strands of the color of your choice, French knot and backstitch) or a permanent marking pen (such as a Micron pen).*
