Australian Kangaroo 2021 Gold, Silver & Platinum Bullion Coins

No wildlife symbol more powerfully equates with Australia than our beloved kangaroo.

Bounding unrestrained across Australia's wide-open plains for millions of years, this beautiful animal appears on our national coat of arms – chosen, it is said, for its unwillingness to take a backwards step.

We are proud to present our most emblematic animal for the 33rd time on Australia's signature gold bullion coin series, which in 2021 is again accompanied by pure silver and platinum versions.
