POWERTRAIN

Raybestos Powertrain Electrical Component Warranty Policy Limited Warranty

Raybestos Powertrain warrants to the purchaser that each electrical component manufactured or supplied by Raybestos Powertrain will be free from defects in material or in factory workmanship.

The Warranty period shall extend for five (5) years or 50,000 miles from the date of sale.

Warranty Claim Procedure

Raybestos Powertrain must receive all warranty claims before the end of the warranty period. Raybestos may require the return of the part, oil samples, and documentation of the date installed, mileage out and back and model year of vehicle as a condition of processing the claim.

If Raybestos Powertrain determines that the part is defective in material or in factory workmanship, Raybestos Powertrain will repair or replace, at its option, the defective part, and reimburse to purchaser the actual cost to the purchaser of ancillary parts needed to repair/replace the part, and the cost of labor needed to replace the part based on current year Mitchell's Parts and Labor manual at a rate of \$25/hour.

Invoices must be provided to show proof of purchase of the part, purchase of any ancillary parts needed for the repair, and the hours of labor expended in the repair. Reimbursement for ancillary parts or labor will be issued as an account credit directly from Raybestos or an authorized Raybestos distributor.

All warranty returns must be pre-approved. Please contact Raybestos Powertrain or an authorized Raybestos Powertrain distributor if you have a part to be returned under this Warranty.

Limitations and Exclusions

The warranty will not cover:

- Loss of time, inconvenience, profit or other consequential, incidental or special damages.
- Any Raybestos Powertrain part that has been:
 - ◊ Subject to misuse, negligence, alteration or improper storage or maintenance;
 - or
 - ◊ Improperly installed in the sole judgment of Raybestos Powertrain, so as to adversely affect its performance and reliability.
