## Stocked Surface Textures

<b>HD High Definition</b>	Made with AEON technology, our High Definition Laminate creates a surface which is dramatically more durable than before. In range of beautiful patterns, in textures reminiscent of natural stone, our finest laminates offer easy care and durability along with style.		<b>Non-AEON</b>	Wilsonart Design Laminates set the industry standard for performance, beauty, and variety. Pick from a variety of colours and patterns each offering an attractive combination of great looks and superior value.	
35	Mirage	Subtle variations in matt and gloss finish connect to nature's own finishes: rough and weathered, smooth and polished.	09	Markerboard	High Gloss Markerboard surface
45	Facet	A medium to small scale texture providing an optical surface effect that adds dimension and depth to laminate. It is comprised of a balance of matt and gloss areas.	20	Silky Matt	A pleasant solid surface feel that's not cold to the touch.
55	Glaze	A layering of matt features over a glaze of semi-gloss, creates this time worn effect.	38	Fine Velvet	A smooth textured finish with moderate reflective value.
<b>AEON</b>	Wilsonart's AEON Laminate designs features Enhanced Performance Technology, which dramatically outperforms traditional laminate for wear and scuff resistance.		60	Textured Matte	Textured finish with a moderate reflective quality.
1	High Gloss	A mirror sheen finish, which gives a smooth, brilliant appearance. AEON High Wear Gloss.	90	Crystal	A very finely beaded texture that minimises smudges and finger marks.
7	Satin	A textured finish which reproduces a high sheen of waxed finishes. AEON.	C	Concrete	A matt rough-textured finish.
12	Soft Grain	A low gloss, matt wood texture with a slight gloss in random 'ticks'. AEON.	NAG	Non-AEON Gloss	A high gloss finish in a non Aeon quality.
18	Linearity	A directional texture running the length of the sheet, having a narrow, AEON random, matte-gloss linear quality.	NM	Natural Matt	A non-directional finish with moderate reflectivity.
52	Quarry	A premium finish emulating the 'pitted' look of polished natural stone. AEON.	PI	Pure Identity	A floral high gloss pattern on a silk matt base.
<b>Panels</b>	Wilsonart Decorative Panels provide a coordinating story for your design requirements. A refined and cost effective option for cabinets and joinery Wilsonart Decorative Panels are available with an edging matching their pattern and texture.
