## Dear Cat Friends, Dear Guest, Welcome to the Cat Fanciers' Association Region 9 – Europe Awards Banquet in Bremen, Germany

All good things come in threes; I am therefore delighted that the Awards Banquet of the Region 9 takes place in Bremen - for the third time. It is great to see so many enthusiastic Cat Fanciers here this evening celebrating the past year's accomplishments.

Congratulation to all Regional Winners – and Congratulation to all breeders and exhibitors who have support CFA activities in Europe! Without you we would not have Regional Winners either and of course a heartfelt appreciation to all the people and Clubs who contributed so generously to the CFA European Shows, activities and Programs.

This is a time of celebration and recognition for the breeders and owners and of course, for the real stars of this evening... our wonderful CATS, without them we would not be here tonight celebrating this big event.

We wish you a pleasant weekend here in Bremen –and of course a brilliant & successful show Season 2015-16.

Dörte Händel  
President, German Catwalk e.V.

# Welcome to the third CFA Region 9 - Europe Awards Banquet!

It is my honor to welcome you to the CFA Region 9 Awards Banquet. Tonight we are showcasing our winning cats for the 2014 - 2015 Show Season. We also honor your dedication in the breeding and exhibiting of many of the finest pedigreed cats throughout the World. This has not been an easy road - statistics show European exhibitors travel almost twice as far to attend shows as do exhibitors in the other regions. Our European cats have attracted attention world-wide and are prized throughout CFA, and other associations.

Tonight is our third awards banquet as a region in the Cat Fanciers's Association, Inc., the world's largest registry of pedigreed cats. Your accomplishments as breeders and exhibitors are unparalleled.

Congratulations to each and every one!

Pam
