Patron of the Congress

Tony Nader, MD, PhD

Dr. Nader received his M.D. degree from the American University of Beirut. His Ph.D. is in the area of Brain and Cognitive Science from the Massachusetts Institute of Technology (MIT), and he completed post-doctoral work as a Clinical and Research Fellow in Neurology at the Massachusetts General Hospital, Harvard Medical School.

Second International Ayurveda Congress

All India Ayurvedic Congress, New Delhi; International Academy of Ayurved, Pune and International Maharishi Ayur Veda Foundation, The Netherlands extend a warm invitation to all health professionals, Ayurvedic scholars, and researchers from India and around the world to participate at this Second International Ayurveda Congress to be held in London.

In the presence of India's AYUSH Minister of Health, the Honourable Shripad Yesso Naik, more than 80 of the world's leading Ayurvedic experts will share their insights, research and practical knowledge. The International Ayurveda Congress offers a prestigious platform for research scholars to present their findings in various fields of Ayurveda. The latest innovative and pioneering work will be presented in this Congress.

Presidents of the Congress

The presidents of this International Ayurveda Congress are: the President of All India Ayurvedic Congress, Padma Bhushan Vaidya Shri Devendra Triguna; the Chairman of the International Academy of Ayurved, Pune, Professor Shri Subhash Ranade, who is a leading academician and the author of 127 books on Ayurveda and Yoga; and Dr. Rainer Picha, who is a senior consultant in cardiology from Austria and Chairman of the International Maharishi AyurVeda Foundation.

Padma Bhushan Vaidya Shri Devendra Triguna, India

President of All India Ayurvedic Congress and a recipient of Government of India's civilian awards 'Padma Shri' and 'Padma Bhushan' for distinguished service of a high order for his contribution in the field of Ayurveda.

Prof. Dr. Subhash Ranade, India

One of the foremost experts on Ayurveda. He is a leading academician and physician in the field of Ayurveda. Chairman International Academy of Ayurved, Pune, India.

Dr. med. Rainer Picha, Austria

Rainer Picha, MD, is a senior consultant in cardiology from Austria. In 1996 he shifted his focus from a full-time position as Assistant Director at the Department of Cardiology of the State Hospital in Graz, Austria, to become a researcher at Maharishi Vedic University in Vlodrop.

Photograph from the First International Ayurveda Congress, April 2015, The Netherlands

Veda is pure knowledge, pure knowledge pertaining to life: AyurVeda, pure knowledge pertaining to life, pure knowledge pertaining to life. Life having two aspects of it: unmanifest and manifest, AyurVeda, the pure knowledge aspect of life connects the unmanifest and manifest value of life, makes the manifest blossom in its full potential.'

—Maharishi, Maharishi University of Management, Fairfield, Iowa, USA,
29 December 1979

The Congress

This Congress is one of the largest Ayurveda congresses in Europe, with participation from leading experts from India, Europe and USA.

During our first International Ayurveda Congress, held in The Netherlands on 11th and 12th April 2015, five hundred delegates, including eighty Ayurvedic experts from India, participated in the Congress. Following on the success of the 2015 event, we are again expecting an international gathering of over 500 experts in the field.

This conference is the joint effort of three organizations: the International Maharishi AyurVeda Foundation, from The Netherlands; the All India Ayurvedic Congress, New Delhi; and the International Academy of Ayurved, Pune.

This Congress has its foundation in Maharishi Mahesh Yogi's World Plan for Perfect Health through the principles and practice of Ayurvedic Science. This conference also took inspiration from Prime Minister Shri Narendra Modi's encouragement of Ayurvedic experts and academicians in India and worldwide to spread the highest quality of Ayurvedic knowledge, practice and products worldwide. Prime Minister Modi's continued support for strengthening and including Ayurveda in the ties of India with other countries has been appreciated by all.

Among the goals of these Congresses is to bring to light Ayurveda as a prevention-oriented perfect health care system for the world, a system that is authentic and reliable. This will strengthen the reputation of India in Europe and the world through the implementation of traditional time-tested Vedic knowledge, products and practice.

Since Ayurveda is prevention-oriented, as well as holistic and curative, it is capable of leading the world towards creating an increasingly disease-free society. It has the potential to make a huge contribution to the health care systems in Europe and the world. Since Ayurveda is cost effective and easy to implement, it is capable of bringing about self-sufficiency in health care in every nation.
