Greece

At the Library of Congress the distinction in use between Classes B and PA in classifying philosophical works by Greek and Roman writers is as follows: In Class B: 1) Translations with or without original text, except translations into Latin (PA); 2) Original text with commentaries, if editor's purpose is interpretive. These are classified with the criticism of the work or works. In Class PA: 1) Original Greek and Latin texts (except as noted above); 2) Latin translations; 3) Texts with textual criticism.
